\$250,000

The New Approach Anti Drug Grant for Coppertree Village Apartments, 1415 West Gulf Bank Rd., Houston, TX 77088, includes \$196,000 for a professionally designed 12 month Action Plan by the Houston Police Department to reduce crime and drug related crime around these apartments and in the historically African-American Acres Homes Neighborhood. The Acres Homes Neighborhood contains about 22,000 residents who are included in Mayor Lee Brown's Acres Homes Super Neighborhood which is a partner

in the grant programs. Primary activities of the grant include police under cover work, surveillance, resident education, patrols, and sweeps aimed at a car wash on the property corner where many drug deals are made. The Houston Police Department is ready to work on closing down this neighborhood crime center. The HUD IG, the FBI, the DEA, and neighborhood civic groups are stakeholders in the program. Additional security guards will also be added for 18 months on this property where residents make over 1500 calls to 911 each year.

Longview
Jerusalem Charitable Trust
\$250,000

Jerusalem Apartments, Inc. (a "Faith Based" organization) has developed a "Drug Elimination Strategy" designed to target the "root" cause of drug related criminal activity plaguing Jerusalem residents and the surrounding neighborhood. The owners/management along with the residents have formed partnerships with law enforcement, the local prosecutor, and service providers (including other "faith based" organizations and non-profits) in an effort to eradicate drugs from Jerusalem. The points of attack begins with combined components: (1) A Neighborhood Network Center; (2) security fencing and gates; (3) exterior lights, (4) partnerships with local service providers. (5) office space for "off-duty" law enforcement; (6) a computer center; and (7) multi-management practices. All of these activities are designed to eliminate the sale and use of illegal drugs at Jerusalem.

VIRGINIA

Richmond
Fairhills Apartments
\$250,000

The funds will be used to contract with the City of Richmond Police Department to create a strong police presence in the Fairhills community. The officers will work during the time periods determined, through analysis of crime statistics, to be peak times for criminal activity. The Mt. Royal Management Company (owner) will purchase cameras that will be placed in strategic locations to record criminal activity. These cameras will serve several purposes. First, when monitored, the cameras will provide protection for individuals at risk for becoming victims of violent crime. Secondly, the cameras can provide evidence of criminal activity that can be used by police to make arrests and pursue prosecution of criminal activity. The owner will install fencing and landscaping around the perimeter of Fairhills Apartments and funds will be used for the start-up of a Neighborhood Networks Computer Learning Center to aid residents, both youth and adults, in furthering their educations and expanding their opportunities for employment.
