FOR APPLICATION KITS, FURTHER INFORMATION AND TECHNICAL ASSISTANCE:

The information in this section is applicable to all programs that are part of this SuperNOFA. This section describes how you may obtain application kits, further information about the SuperNOFA and technical assistance. A guidebook to HUD programs, titled "Connecting with Communities: A User's Guide to the HUD Programs and the 2001 SuperNOFA process" is available from the SuperNOFA Information Center and the HUD website at www.hud.gov/grants. This guidebook provides a brief description of all of HUD's programs, a description of the SuperNOFA programs, and eligible applicants for these programs, and examples of how programs can work in combination to serve local community needs. The main sources for obtaining this information are:

The SuperNOFA Information Center, which you may reach by calling 1-800-HUD-8929 or the Center's TTY number at 1-800-HUD-2209; and

HUD's web site on the Internet at <http://www.hud.gov/grants>.

For Application Kits and SuperNOFA User Guide. HUD is pleased to provide you with the FY 2001 application kits and/or a guidebook to all HUD programs that are part of this SuperNOFA. For some announcements of funding

availability in this SuperNOFA, the process for applying for funds is so simple no application kit is required. Where this is the case, the program section for that funding will note that there is no application kit. The application kits are designed to guide you through the application process and ensure that your application addresses all requirements for the program funding you are seeking. *Please note that if there is a discrepancy between information provided in the application kit and the information provided in the published SuperNOFA, the information in the published SuperNOFA prevails.* Therefore, please be sure to review your application submission against the requirements in the SuperNOFA.

You may request general information and application kits from the SuperNOFA Information Center. When requesting an application kit from the SuperNOFA Information Center, please refer to the name of the program of the application kit you are interested in receiving. Please be sure to provide your name, address (including zip code), and telephone number (including area code). To ensure sufficient time to prepare your application, requests for application kits can be made immediately following publication of the SuperNOFA. The SuperNOFA Information Center opens for business simultaneously with the publication of the SuperNOFA.

The SuperNOFA Information Center (1-800-HUD-8929) can provide you with assistance, application kits, and guidance in determining which HUD Office(s) should receive a copy of your application. Persons with hearing or speech impairments may call the Center's TTY number at 1-800-HUD-2209. Additionally, you can obtain information on this SuperNOFA and application kits for this SuperNOFA through the HUD web site on the Internet at <http://www.hud.gov/grants>.

Consolidated Application Submissions. If you, the applicant, would like to apply for funding under more than one program in this SuperNOFA, you need only submit one originally signed SF-424 and one set of original signatures for the other standard assurances and certifications, accompanied by the matrix that is provided in each application kit. As long as you submit one originally signed set of these documents with an application, you need only submit copies of these documents with any additional application you submit. Your application should identify the program for which you have submitted the original signatures for the standard assurances and certifications.

Additionally, the Programs Section may specify additional forms, certifications, assurances, or other information that may be required for a particular program in this SuperNOFA.

For Further Information. For answers to your questions about this SuperNOFA, you have several options. You may call, during business hours, the SuperNOFA Information Center at 1-800-HUD-8929, or you may contact the HUD Office or Processing Center serving your area at the telephone number listed in the application kit for the program in which you are interested. If you are a person with a hearing or speech impairment you may call the Center's TTY number at 1-800-HUD-2209. You may also obtain information on this SuperNOFA and application kits for this SuperNOFA through the HUD web site on the Internet at <http://www.hud.gov/grants>.

For Technical Assistance. Before the application due date, HUD staff will be available to provide you with general guidance and technical assistance about this SuperNOFA. HUD staff, however, are not permitted to assist in preparing your application. Following selection of applicants, but before awards are made, HUD staff are available to assist in clarifying or confirming information that is a prerequisite to the offer of an award or Annual Contributions Contract (ACC) by HUD.

Satellite Broadcasts. HUD will hold information broadcasts via satellite for potential applicants to learn more about the programs in this SuperNOFA and preparation of the applications. For more information about the date and time of the broadcast, you should consult the HUD web site at <http://www.hud.gov/grants>.

For Federal Grant Information. The Federal Financial Assistance Management Improvement Act of 1999 (Pub. L. 106-107) directs each Federal agency to develop and implement a plan that, among other things, streamlines and simplifies the application, administrative and reporting procedures for Federal financial assistance programs administered by the agency. This law also requires the Director of the Office of Management and Budget (OMB) to direct, coordinate, and assist Federal agencies in establishing: (1) a common application and reporting system; and (2) an interagency process for addressing ways to streamline and simplify Federal financial assistance application and administrative procedures and reporting requirements for program applicants.

This law also requires OMB to consult with the grantee community as it works with the Federal agencies to develop

and implement the course of action that would be undertaken by the Federal agencies to establish an electronic site for accessing grant information and applications. Over the last few months, OMB has been conducting outreach sessions informing you of the goals of this new law and seeking your input as the Federal agencies work together to achieve implementation.

HUD has been an active member in the Federal agency working groups and has established a common website where you can find information about all the grant programs within HUD. You can access this site from our homepage at www.hud.gov/grants and checking on grant program inventory. This site will be linked with other Federal agencies as the grants common website develops. If you are interested in finding out more about the "Federal Commons" and the work being done by other agencies, please visit the Inter-Agency Electronic Grants Committee (IAEGC) website at www.fedcommons.gov.

INTRODUCTION TO THE FY 2001 SUPERNOFA

HUD'S FY 2001 SuperNOFA Process

Background

This year marks the fourth year that HUD is issuing a SuperNOFA for almost all of its competitive grant programs, and additional programs have been added as noted below. The SuperNOFA approach, in which the great majority of HUD's competitive funds are announced in one document, is designed to simplify the application process, bring consistency and uniformity to the application and selection process, and accelerate the availability of funding. Equally important, the SuperNOFA approach is designed to increase the ability of applicants to consider and apply for funding under a wide variety of HUD programs. The SuperNOFA provides a "menu" of HUD competitive programs. From this menu, communities will be made aware of funding available for their jurisdictions. Nonprofits, public housing agencies, local and State governments, tribal governments and tribally designated housing entities, veterans service organizations, faith-based organizations and others will be able to identify the programs for which they are eligible for funding.

The most creative and novel element of the SuperNOFA is that it places heavy emphasis on the coordination of activities assisted by HUD funds to provide (1) greater flexibility and responsiveness by potential grantees in meeting local housing and community development needs, and (2) greater

flexibility for eligible applicants to determine what HUD program resources best fit the community's needs. The SuperNOFA's promotion of coordination and comprehensive planning of HUD assistance reduces duplication in the delivery of services by organizations and communities, and allows for delivery of a wider more integrated array of services, thereby resulting in more efficient use of HUD funds to more effectively serve a greater number of those most in need of HUD assistance.

Changes Made in the SuperNOFA Process for FY 2001

The FY 2001 SuperNOFA includes more grant assistance funding than in previous years and therefore further increases the ability of applicants to consider and apply for funding under a wide variety of HUD programs. Funding availability announcements that are being added to the Fiscal Year 2001 SuperNOFA are the following:

- Assisted Living Conversion Program (ALCP) for Eligible Multifamily Projects
- Community Development Block Grants for Indian Tribes and Alaska Native Villages
 - Early Doctoral Research Program
 - Doctoral Research Program
 - HUD Urban Scholars Fellowship Program (a post doctoral program)
 - Family Self-Sufficiency (FSS) Program Coordinators Program
 - Healthy Homes Demonstration and Education Program (replacing the Healthy Homes Initiative Program of Fiscal Year 2000)
 - Healthy Homes Research Program (replacing the program for Research to Improve the Evaluation and Control of Residential Lead-Based Paint)
 - Indian Housing Drug Elimination Program
 - Service Coordinators in Multifamily Housing

With respect to the program NOFA for the Community Development Block Grants for Indian Tribes and Alaska Native Villages (ICDBG), a rule that amends the regulations for this program was published on January 17, 2001 (66

FR 4578) and takes effect on April 16, 2001.

Funding availability announcements that were part of the Fiscal Year 2000 SuperNOFA but for which there will be no funding availability announcements in FY 2001 are the following:

- Public Housing Drug Elimination Technical Assistance for Safety and Security
- Outreach and Assistance Training Grants

Organization of the SuperNOFA

The SuperNOFA is divided into two major sections. The General Section of the SuperNOFA describes the procedures and requirements applicable to all applications. The Programs Section of the SuperNOFA describes each program that is part of this SuperNOFA. For each program, the Programs Section describes the eligible applicants, eligible activities, factors for award, and any additional requirements or limitations that apply to the program.

Please read carefully both the General Section and the Programs Section of the SuperNOFA for the program(s) for which you are applying. Your careful reading will ensure that you apply for program funding for which your organization is eligible to receive funds and that you fulfill all the requirements for that program(s).

As part of the simplification of this funding process, and to avoid duplication of effort, the SuperNOFA provides for consolidated applications for several of the programs that are part of this SuperNOFA. HUD programs that provide assistance for, or complement, similar activities (for example, the Continuum of Care programs and CPD Technical Assistance programs) have a consolidated application that reduces the administrative and paperwork burden applicants would otherwise encounter in submitting a separate application for each program. The Program Chart in this introductory section of the SuperNOFA identifies the programs that have been consolidated and for which a consolidated application is made available to eligible applicants.

As we did in last year's SuperNOFA, HUD is providing copies of the application forms in this publication. The standard forms, certifications and assurances applicable to all programs, or the great majority of programs, in the SuperNOFA follow the General Section as Appendix B. The forms and any additional certifications and assurances that are unique to the individual program will follow that program section of the SuperNOFA.

The specific statutory and regulatory requirements of the programs that are part of this SuperNOFA continue to apply to each program. The SuperNOFA will identify, where necessary, the statutory requirements and differences applicable to the specific programs. *Please pay careful attention to the individual program requirements that are identified for each program. Note that not all applicants are eligible to receive assistance under all programs identified in this SuperNOFA.*

THE PROGRAMS OF THIS SUPERNOFA AND THE AMOUNT OF FUNDS ALLOCATED

The programs that are part of this SuperNOFA are identified in the chart below. The approximate available funds for each program are based on appropriated funds, and for some programs, the available funding includes funds already recaptured. In the event (1) HUD recaptures funds (either for programs for which funding already reflects recaptured funds or other programs for which funding does not reflect recaptured funds), or (2) other funds become available for any program, HUD reserves the right to increase the available funding amount for a program by the additional amounts that become available.

The chart also includes the application due date for each program, the OMB approval number for the information collection requirements contained in the specific program, and the Catalog of Federal Domestic Assistance (CFDA) number.

Paperwork Reduction Act Statement. The information collection requirements in this SuperNOFA have been approved by the Office of Management and Budget (OMB) under the Paperwork Reduction Act of 1995 (44 U.S.C. 3501–3520). The chart shown above provides the OMB approval number for each program that is part of this SuperNOFA. Where the chart notes that an OMB number is pending, this means that HUD has submitted the information to OMB to obtain an approval number and HUD's request for the number is pending. As soon as HUD receives the approval number, the number will be published in the **Federal Register** and provided to the SuperNOFA Information Center. Under the Paperwork Reduction Act, an agency may not conduct or sponsor, and a person is not required to respond to, a collection of information unless the collection displays a valid control number.

GENERAL SECTION OF THE SUPERNOFA

I. Authority; Purposes of the FY 2001 SuperNOFA; Funding Amount; Eligible Applicants and Eligible Activities

(A) *Authority.* HUD's authority for making funding under this SuperNOFA is the Fiscal Year 2001 Department of Veterans Affairs and Housing and Urban Development and Independent Agencies Appropriations Act, 2001 (Pub.L. 106–377, approved October 27, 2000) (FY 2001 HUD Appropriations Act). Generally, the authority is not repeated in the individual program sections of this SuperNOFA. The authority provision of the program sections identify additional laws and regulations that authorize the requirements listed for the funding competitions that make up this SuperNOFA.

(B) *Purposes.* The purposes of this SuperNOFA are to:

(1) *Make funding available to empower communities and residents.* The funding made available by this SuperNOFA will assist community leaders and residents, particularly low- and moderate-income residents, in using HUD funds to develop viable communities and provide decent housing for all citizens, without discrimination.

(2) *Simplify the application process for funding under HUD programs.* For the majority of funding that is part of this year's SuperNOFA, the SuperNOFA continues to provide a single, uniform set of rating factors and submission requirements. This year's SuperNOFA also allows, as did last year's, for you, the applicant, to apply for more than

one program with a single application. This year's SuperNOFA also includes funding for the Housing Choice Voucher Program that is available on a first come, first serve basis.

(3) *Promote comprehensive approaches to housing and community development.* Through the SuperNOFA process, HUD encourages you, the applicant, to focus on the interrelationships that exist in a community and in HUD's funding programs, and to build community-wide efforts that coordinate the resources of multiple applicants and programs. To successfully address community needs and solve community problems, and to take advantage of existing resources, HUD encourages members of a community to join together and pool all available resources in a common, coordinated effort. By making all of HUD's competitive funding available in one document, HUD allows you, the applicant, to be able to relate the activities proposed for funding under this SuperNOFA to the community's Consolidated Plan and Analysis of Impediments to Fair Housing Choice.

(C) *Funding Available.* As noted in the Introduction Section to the SuperNOFA, the HUD programs that are part of this SuperNOFA are allocated amounts based on appropriated funds. If HUD recaptures funds in any program, HUD reserves the right to increase the available funding amounts by the amount of funds recaptured.

(D) *Restrictions on the Use of HUD Funds in Support of the Sale of Tobacco Products.* Section 211 of the FY 2001 HUD Appropriations Act requires that funds appropriated to HUD may not be used to construct, operate, or otherwise benefit a facility or facilities with a designated portion of that facility which sells or intends to sell predominantly cigarettes or other tobacco products. The Act defines the predominant sale of cigarettes or other tobacco products to mean sales representing more than 35 percent of the annual total in-store, non-fuel sales.

(E) *Eligible Applicants and Eligible Activities.* The Programs Section of the SuperNOFA describes the eligible applicants and eligible activities for each program.

II. Requirements and Procedures Applicable to All Programs

Except as may be modified in the Programs Section of this SuperNOFA, or as noted within the specific provisions of this Section II, the requirements, procedures and principles listed below apply to all programs that are part of this SuperNOFA. Please be sure to read the Programs Section of the SuperNOFA

for additional requirements or information.

(A) *Statutory Requirements.* To be eligible for funding under this SuperNOFA, you, the applicant, must meet all statutory and regulatory requirements applicable to the program or programs for which you are seeking funding. If you need copies of the program regulations, they are available from the SuperNOFA Information Center or through the Internet at the HUD web site located at <http://www.hud.gov>. Among the reasons that HUD may find an application ineligible to receive further funding consideration is if the activities or projects proposed in the application are not eligible activities and projects. In addition (with the exception of the Section 202 and Section 811 programs) HUD may eliminate the ineligible activities from funding consideration and reduce the grant amount accordingly.

(B) *Threshold Requirements.* (1) *Compliance with Fair Housing and Civil Rights Laws.* With the exception of Federally recognized Indian tribes and their instrumentalities, all applicants and their subrecipients must comply with all Fair Housing and civil rights laws, statutes, regulations and executive orders as enumerated in 24 CFR 5.105(a). If you are a Federally recognized Indian tribe, you must comply with the nondiscrimination provisions enumerated at 24 CFR 1000.12.

If you, the applicant—

(a) Have been charged with a systemic violation of the Fair Housing Act by the Secretary alleging ongoing discrimination;

(b) Are a defendant in a Fair Housing Act lawsuit filed by the Department of Justice alleging an ongoing pattern or practice of discrimination; or

(c) Have received a letter of noncompliance findings under Title VI, Section 504, or Section 109,—

HUD will not rate and rank your application under this SuperNOFA if the charge, lawsuit, or letter of findings has not been resolved to the satisfaction of the Department before the application deadline stated in the individual program NOFA. HUD's decision regarding whether a charge, lawsuit, or a letter of findings has been satisfactorily resolved will be based upon whether appropriate actions have been taken to address allegations of ongoing discrimination in the policies or practices involved in the charge, lawsuit, or letter of findings.

(2) *Other Threshold Requirements.* The program section for the funding for which you are applying may specify other threshold requirements.

Additional threshold requirements may be identified in the discussion of "eligibility" requirements in the program section.

(C) *Additional Nondiscrimination Requirements.* You, the applicant and your subrecipients, must comply with the Americans with Disabilities Act of 1990 (42 U.S.C. 1201 *et seq.*), and Title IX of the Education Amendments Act of 1972 (20 U.S.C. 1681 *et seq.*).

(D) *Affirmatively Furthering Fair Housing.* Unless otherwise specified in the Programs Section of this SuperNOFA, if you are a successful applicant, you will have a duty to affirmatively further fair housing. Again, except as may be provided otherwise in the Programs Section of this SuperNOFA, you, the applicant, should include in your application or work plan the specific steps that you will take to:

(1) Address the elimination of impediments to fair housing that were identified in the jurisdiction's Analysis of Impediments (AI) to Fair Housing Choice;

(2) Remedy discrimination in housing; or

(3) Promote fair housing rights and fair housing choice.

Further, you, the applicant, have a duty to carry out the specific activities provided in your responses to the SuperNOFA rating factors that address affirmatively furthering fair housing. Please see the Programs Section of this SuperNOFA for further information.

(E) *Economic Opportunities for Low and Very Low-Income Persons (Section 3).* Certain programs in this SuperNOFA require recipients of assistance to comply with section 3 of the Housing and Urban Development Act of 1968, 12 U.S.C. 1701u (Economic Opportunities for Low and Very Low-Income Persons in Connection with assisted Projects) and the HUD regulations at 24 CFR part 135, including the reporting requirements subpart E of this part. Section 3 requires recipients to ensure that, to the greatest extent feasible, training, employment and other economic opportunities will be directed to (1) low and very low income persons, particularly those who are recipients of government assistance for housing and (2) business concerns which provide economic opportunities to low-and very low-income persons. As noted in the Programs Section of this SuperNOFA, Section 3 is applicable to the following programs:

- Community Development Block Grant Program for Indian Tribes and Alaska Native Villages;
- Historically Black Colleges and Universities (HBCU);

- Hispanic-Serving Institutions Assisting Communities (HSIAC);
 - Alaska Native/Native Hawaiian Institutions Assisting Communities (AN/NHIAC)
 - Lead-Based Paint Hazard Control;
 - Healthy Homes Demonstration and Education Program;
 - Healthy Homes Research Program;
 - HOPE VI Public Housing Revitalization and Demolition;
 - Indian Housing Drug Elimination Program;
 - Public Housing Drug Elimination Program—New Approach Anti-Drug Program
 - Resident Opportunities and Self-Sufficiency Program
 - Economic Development Initiative (EDI);
 - Brownfields Economic Development Initiative (BEDI);
 - Self-Help Homeownership Opportunity Program (SHOP);
 - Youthbuild Program;
 - Continuum of Care Homeless Assistance Programs;
 - Housing Opportunities for Persons with AIDS (HOPWA);
 - Section 202 Supportive Housing for the Elderly Program;
 - Assisted Living Conversion Program;
 - Section 811 Supportive Housing for Persons with Disabilities Program;
- (F) *Relocation.* Any person (including individuals, partnerships, corporations or associations) who moves from real property or moves personal property from real property directly (1) because of a written notice to acquire real property in whole or in part, or (2) because of the acquisition of the real property, in whole or in part, for a HUD-assisted activity is covered by Federal relocation statute and regulations. Specifically, this type of move is covered by the acquisition policies and procedures and the relocation requirements of the Uniform Relocation Assistance and Real Property Acquisition Policies Act of 1970, as amended (URA), and the implementing governmentwide regulation at 49 CFR part 24. The relocation requirements of the URA and the governmentwide regulations cover any person who moves permanently from real property or moves personal property from real property directly because of acquisition, rehabilitation or demolition for an activity undertaken with HUD assistance.

(G) *Forms, Certifications and Assurances.* You, the applicant, are required to submit signed copies of the standard forms, certifications, and assurances listed in this section, unless the requirements in the Programs

Section specify otherwise. Also, the Programs Section may specify additional forms, certifications, assurances or other information that may be required for a particular program in this SuperNOFA.

As part of HUD's continuing efforts to improve the SuperNOFA process, several of the required standard forms have been simplified this year. The standard forms, certifications, and assurances are as follows:

- Standard Form for Application for Federal Assistance (SF-424) (which includes civil rights/fair housing certification);
- Federal Assistance Funding Matrix and Certifications, HUD-424M;
- Standard Form for Budget Information—Non-Construction Programs (SF-424A) or
- Standard Form for Budget Information—Construction Programs (SF-424C), as applicable;
- Standard Form for Assurances—Non-Construction Programs (SF-424B) or
- Standard Form for Assurances—Construction Programs (SF-424D), as applicable; Drug-Free Workplace Certification (HUD-50070);
- Certification of Payments to Influence Federal Transaction (HUD-50071) and if engaged in lobbying, the Disclosure Form Regarding Lobbying (SF-LLL); (Tribes and tribally designated housing entities (TDHEs) established by an Indian tribe as a result of the exercise of the tribe's sovereign power are not required to submit this certification. Tribes and TDHEs established under State law are required to submit this certification.)
- Applicant/Recipient Disclosure/Update Report (HUD-2880);
- Certification Regarding Debarment and Suspension (HUD-2992). This is the certification required by 24 CFR 24.510. (The provisions of 24 CFR part 24 apply to the employment, engagement of services, awarding of contracts, subgrants, or funding of any recipients, or contractors or subcontractors, during any period of debarment, suspension, or placement in ineligibility status, and a certification is required.);
- Certification of Consistency with EZ/EC Strategic Plan (HUD-2990);
- Certification of Consistency with the Consolidated Plan (HUD-2991) if applicable;
- Acknowledgment of Application Receipt (HUD-2993);
- Client Comments and Suggestions (HUD 2994)

Copies of these standard forms follow this General Section of the SuperNOFA. Copies of forms that are particular to an

individual program, follow the funding information for that program.

Also included in the Appendix B to the General Section is the Funding Application for the Section 8 Housing Choice Voucher Program (HUD 52515). Note that Forms SF-424A and SF-424C ask for information which is similar to the same information that is required by form HUD 4123-Cost Summary which is listed as a required form under the ICDBG program section of this SuperNOFA and which is a required application for that program. Also note that there are assurances separate from SF-424B and 424D for the ICDBG program which are specific to that program.

(H) *OMB Circulars and Governmentwide Regulations Applicable to Grant Programs.* Certain OMB circulars also apply to programs in this SuperNOFA. The policies, guidance, and requirements of: OMB Circular No. A-87 (Cost Principles Applicable to Grants, Contracts and Other Agreements with State and Local Governments); OMB Circular A-21 (Cost Principles for Education Institutions) OMB Circular No. A-122 (Cost Principles for Nonprofit Organizations); OMB Circular A-133 (Audits of States, Local Governments, and Non-Profit Organizations); and the regulations in 24 CFR part 84 (Grants and Agreements with Institutions of Higher Education, Hospitals, and other Non-Profit Organizations) and 24 CFR part 85 (Administrative Requirements for Grants and Cooperative Agreements to State, Local, and Federally recognized Indian tribal governments)—may apply to the award, acceptance and use of assistance under the programs of this SuperNOFA, and to the remedies for noncompliance, except when inconsistent with the provisions of the FY 2001 HUD Appropriations Act, other Federal statutes or the provisions of this SuperNOFA. Compliance with additional OMB Circulars or governmentwide regulations may be specified for a particular program in the Programs Section of the SuperNOFA. Copies of the OMB Circulars may be obtained from EOP Publications, Room 2200, New Executive Office Building, Washington, DC 20503, telephone (202) 395-7332 (this is not a toll free number) or from the website at <http://whitehouse.gov/wh/eop/omb/html/circulars>.

(I) *Environmental Requirements.* If you become a grantee under one of the programs in this SuperNOFA that assist physical development activities or property acquisition, you are generally prohibited from acquiring, rehabilitating, converting, leasing,

repairing or constructing property, or committing or expending HUD or non-HUD funds for these types of program activities, until one of the following has occurred:

(1) HUD has completed an environmental review in accordance with 24 CFR part 50; or

(2) For programs subject to 24 CFR part 58, HUD has approved a grantee's Request for Release of Funds (HUD Form 7015.15) following a Responsible Entity's completion of an environmental review.

You, the applicant, should consult the Programs Section of the SuperNOFA for the applicable program to determine the procedures for, timing of, and any exclusions from environmental review under a particular program. For applicants applying for funding under the Sections 202 or 811 Programs, please note the environmental review requirements for these programs.

(J) *Conflicts of Interest.* If you are a consultant or expert who is assisting HUD in rating and ranking applicants for funding under this SuperNOFA, you are subject to 18 U.S.C. 208, the Federal criminal conflict of interest statute, and the Standards of Ethical Conduct for Employees of the Executive Branch regulation published at 5 CFR part 2635. As a result, if you have assisted or plan to assist applicants with preparing applications for this SuperNOFA, you may not serve on a selection panel and you may not serve as a technical advisor to HUD for this SuperNOFA. All individuals involved in rating and ranking this SuperNOFA, including experts and consultants, must avoid conflicts of interest or the appearance of conflicts. Individuals involved in the rating and ranking of applications must disclose to HUD's General Counsel or HUD's Ethics Law Division the following information if applicable: how the selection or non-selection of any applicant under this SuperNOFA will affect the individual's financial interests, as provided in 18 U.S.C. 208; or how the application process involves a party with whom the individual has a covered relationship under 5 CFR 2635.502. The individual must disclose this information prior to participating in any matter regarding this SuperNOFA. If you have questions regarding these provisions or if you have questions concerning a conflict of interest, you may call the Office of General Counsel, Ethics Law Division, at 202-708-3815 and ask to speak to one of HUD's attorneys in this division.

(K) *Accessible Technology.* The Rehabilitation Act Amendments of 1998 apply to all electronic information technology (EIT) used by a grantee for

transmitting, receiving, using, or storing information to carry out the responsibilities of any federal grant awarded. It includes, but is not limited to, computers (hardware, software, wordprocessing, email and web pages) facsimile machines, copiers and telephones. Recipients of HUD funds when developing, procuring, maintaining or using EIT must ensure that the EIT allows (1) employees with disabilities to have access to and use information and data that is comparable to the access and use of data by employees who do not have disabilities; and (2) members of the public with disabilities seeking information or service from a grantee must have access to and use of information and data and comparable to the access and use of data by members of the public who do not have disabilities. If these standards impose on a funding recipient, they may provide an alternative means to allow the individual to use the information and data. However, no grantee will be required to provide information services to a person with disabilities at any location other than the location at which the information services is generally provided.

III. Application Selection Process

(A) *Rating Panels.* To review and rate your applications, HUD may establish panels. These panels may include persons not currently employed by HUD. HUD may include these non-HUD employees to obtain certain expertise and outside points of view, including views from other Federal agencies.

(1) *Rating.* HUD will evaluate and rate all applications for funding that meet the threshold requirements and rating factors for award described in this SuperNOFA. The rating of you, as the "applicant," or of your organization, "the applicant's organization and staff," for technical merit or threshold compliance will include any sub-contractors, consultants, sub-recipients, and members of consortia which are firmly committed to the project.

(2) *Ranking.* HUD will rank applicants within each program (or, for Continuum of Care applicants, across the three programs identified in the Continuum of Care section of this SuperNOFA). HUD will rank applicants only against other applicants that applied for the same program funding. Where there are set-asides within a program competition, you, the applicant, will compete against only those applicants in the same set-aside competition.

(B) *Threshold Requirements.* HUD will review your application to determine whether it meets all of the threshold requirements described in

Section II(B), above. Only if your application meets all of the threshold requirements will it be eligible to be rated and ranked.

(C) *Factors For Award Used To Evaluate and Rate Applications.* For each program that is part of this SuperNOFA, the points awarded for the rating factors total 100. Depending upon the program for which you the applicant seek funding, the program may provide for up to four bonus points as provided in paragraphs (1) and (2) of this Section III(C).

(1) *Bonus Points.* The SuperNOFA provides for the award of up to two bonus points for eligible activities/ projects that the applicant proposes to be located in federally designated Empowerment Zones (EZs), Enterprise Communities (ECs), Urban Enhanced Enterprise Communities (EECs), or Strategic Planning Communities and serve the residents of these federally designated areas, and are certified to be consistent with the strategic plan of these federally designated areas. (For ease of reference in the SuperNOFA, these federally designated areas are collectively referred to as "EZs/ECs" and residents of these federally designated areas as EZ/EC residents.)¹ The individual funding announcement will indicate if the bonus points are available for that funding. The application kit contains a certification which must be completed for the applicant to be considered for EZ/EC bonus points. A list of EZs, ECs, EECs and Strategic Planning Communities is attached to this General Section of the SuperNOFA as Appendix A-2 and is also available from the SuperNOFA Information Center, through the HUD web site at <http://www.hud.gov/grants>.

In the BEDI competition, two bonus points are available for federally designated Brownfields Show Case Communities. (Please see BEDI section of this SuperNOFA for additional information). A listing of the federally designated EZs, ECs, and Enhanced ECs and Brownfields Showcase Communities is available from the SuperNOFA Information Center, or through the HUD web site on the Internet at <http://www.hud.gov/grants>.

¹ In December 1994, 72 urban areas and 33 rural communities were designated as Empowerment Zones or Enterprise Communities. These designated areas receive more than \$1.5 billion in performance grants and more than \$2.5 billion in tax incentives. The Taxpayers Relief Act of 1997 established a second round of designations for 15 new Empowerment Zones. Round II designees were announced in December 1998. Strategic Planning Communities are HUD designations that ranked competitively in the Round II competition but were not selected for EZ designation.

(2) *Court-Ordered Consideration.* For any application submitted by the City of Dallas, Texas, for funds under this SuperNOFA for which the City of Dallas is eligible to apply, HUD will consider the extent to which the strategies or plans in the city's application or applications will be used to eradicate the vestiges of racial segregation in the Dallas Housing Authority's low income housing programs. The City of Dallas should address the effect, if any, that vestiges of racial segregation in Dallas Housing Authority's low income housing programs have on potential participants in the programs covered by this NOFA, and identify proposed actions for remedying those vestiges. HUD may add up to 2 points to the score based on this consideration. This special consideration results from an order of the U.S. District Court for the Northern District of Texas, Dallas, Division. (This Section III(C)(2) is limited to applications submitted by the City of Dallas.)

(3) *The Five Standard Rating Factors.* The majority of programs in this SuperNOFA use the five rating factors described below. Additional details about the five rating factors listed below, and the maximum points for each factor, are provided in the Programs Section of the SuperNOFA. You, the applicant, should carefully read the factors for award as described in the Programs Section of the SuperNOFA. HUD has established these five factors as the basic factors for award in every program that is part of this SuperNOFA. For a specific HUD program, however, HUD may have modified these factors to take into account specific program needs, or statutory or regulatory limitations imposed on a program. The standard factors for award, except as modified in the program area section are:

- Factor 1: Capacity of the Applicant and Relevant Organizational Staff
- Factor 2: Need/Extent of the Problem
- Factor 3: Soundness of Approach
- Factor 4: Leveraging Resources
- Factor 5: Comprehensiveness and Coordination

The Continuum of Care Homeless Assistance Programs have only two factors that receive points: Need and Continuum of Care.

(D) *Negotiation.* After HUD has rated and ranked all applications and has made selections, HUD may require, depending upon the program, that all winners participate in negotiations to determine the specific terms of the grant agreement and budget. In cases where HUD cannot successfully conclude negotiations with a selected applicant or

a selected applicant fails to provide HUD with requested information, an award will not be made to that applicant. In this instance, HUD may offer an award to the next highest ranking applicant, and proceed with negotiations with the next highest ranking applicant.

(E) *Adjustments to Funding.*

(1) HUD reserves the right to fund less than the full amount requested in your application to ensure the fair distribution of the funds and to ensure that the purposes of a specific program are met.

(2) HUD will not fund any portion of your application that is not eligible for funding under specific program statutory or regulatory requirements; which does not meet the requirements of this SuperNOFA or which may be duplicative of other funded programs or activities from previous years' awards or other selected applicants. Only the eligible portions of your application (including non-duplicative portions) may be funded.

(3) If funds remain after funding the highest ranking applications, HUD may fund all or part of the next highest ranking application in a given program. If you, the applicant, turn down the award offer, HUD will make the same determination for the next highest ranking application. If funds remain after all selections have been made, remaining funds may be available for other competitions for each program where there is a balance of funds.

(4) In the event HUD commits an error that, when corrected, would result in selection of an otherwise eligible applicant during the funding round of this SuperNOFA, HUD may select that applicant when sufficient funds become available.

(F) *Performance and Compliance Actions of Grantees.* HUD will measure and address the performance and compliance actions of grantees in accordance with the applicable standards and sanctions of their respective programs.

IV. Application Submission Requirements

As discussed in the Introduction Section of this SuperNOFA, part of the simplification of this funding process is to reduce the duplication of effort that has been required of applicants in the past. Before the SuperNOFA process, many of HUD's applicants were required to complete and submit similar applications for HUD funded programs. As the Program Chart above shows, the FY 2001 SuperNOFA provides, as did the previous SuperNOFAs, for consolidated applications for several of

the programs for which funding is available under this SuperNOFA.

V. Corrections to Deficient Applications

After the application due date, HUD may not, consistent with its regulations in 24 CFR part 4, subpart B, consider any unsolicited information you, the applicant, may want to provide. HUD may contact you, however, to clarify an item in your application or to correct technical deficiencies. You should note, however, that HUD may not seek clarification of items or responses that improve the substantive quality of your response to any rating factors. In order not to unreasonably exclude applications from being rated and ranked, HUD may, however, contact applicants to ensure proper completion of the application and will do so on a uniform basis for all applicants. *Examples* of curable (correctable) technical deficiencies include your failure to submit the proper certifications or your failure to submit an application that contains an original signature by an authorized official. In each case, HUD will notify you in writing by describing the clarification or technical deficiency. HUD will notify applicants by facsimile or by return receipt requested. You must submit clarifications or corrections of technical deficiencies in accordance with the information provided by HUD within 14 calendar days of the date of receipt of the HUD notification. (If the due date falls on a Saturday, Sunday, or Federal holiday, your correction must be received by HUD on the next day that is not a Saturday, Sunday, or Federal holiday.) If your deficiency is not corrected within this time period, HUD will reject your application as incomplete, and it will not be considered for funding. (Note that the Sections 202 and 811 Programs provide for appeal of rejection of an application on technical deficiency. Please see the Programs Sections for these programs for additional information and instructions.)

VI. Promoting Comprehensive Approaches to Housing and Community Development

(A) *General.* HUD believes the best approach for addressing community problems is through a community-based process that provides a comprehensive response to identified needs. This Section VI of the General Section of the SuperNOFA describes important initiatives that applicants should be aware of.

(B) *Linking Program Activities With AmeriCorps.* You are encouraged to link your proposed activities with

AmeriCorps, a national service program engaging thousands of Americans on a full or part-time basis to help communities address their toughest challenges, while earning support for college, graduate school, or job training. For information about AmeriCorps, call the Corporation for National Service at (202) 606-5000, or visit the AmeriCorps website at www.cns.gov/ameriCorps.

(C) *Linking Program Activities with USDA.* In this year's SuperNOFA, HUD is working with the Department of Agriculture (USDA) to provide technical assistance to public housing authorities to develop a natural resource stewardship program to enhance the natural environment through activities such as tree planting, creating green spaces in areas devoid of vegetation and protecting areas from erosion and storm water runoff. Further information about this initiative can be found on the U.S. Forest Service website at www.fs.us/research/rvur/urban/urbanforest.html.

(D) *Encouraging Visitability in New Construction and Substantial Rehabilitation Activities.* In addition to applicable accessible design and construction requirements, you are encouraged to incorporate visitability standards where feasible in new construction and substantial rehabilitation projects. Visitability standards allow a person with mobility impairments access into the home, but do not require that all features be made accessible. Visitability means at least one entrance at grade (no steps), approached by an accessible route such as a sidewalk; the entrance door and all interior passage doors are at least 2 feet 10 inches wide, allowing 32 inches of clear passage space. A visitable home also serves persons without disabilities, such as a mother pushing a stroller, or a person delivering a large appliance. Copies of the Uniform Federal Accessibility Standards (UFAS) are available from the SuperNOFA Information Center (1-800-HUD-8929 or 1-800-HUD-2209 (TTY)) and also from the Office of Fair Housing and Equal Opportunity, U.S. Department of Housing and Urban Development, Room 5230, 451 Seventh Street, SW, Washington, DC 20410, telephone (202) 755-5404 or the TTY telephone number, 1-800-877 8399 (Federal Information Relay Service).

(E) *Encouraging Universal Design.* Universal design is the design of products and environments to be usable by all people, to the greatest extent possible, without the need for adaptation or specialized design. The intent of universal design is to simplify life for everyone by making products, communications and the built

environment more usable by as many people as possible at little or no extra cost. Universal design benefits people of all ages and abilities. In addition to any applicable required accessibility features under section 504 of the Rehabilitation Act of 1973 or the design and construction requirements of the Fair Housing Act, the Department encourages applicants to incorporate the principles of universal design when developing housing, community facilities, electronic communication mechanisms, or when communicating with community residents at public meetings or events.

(F) *Developing Healthy Homes.* HUD's Healthy Homes Initiative is one of the initiatives developed by the White House Task Force on Environmental Health Risks and Safety Risks to Children that was established under Executive Order 13045 ("Protection of Children from Environmental Health Risks and Safety Risks"). HUD encourages the funding of activities (to the extent eligible under specific programs) that promote healthy homes, or that promote education on what is a healthy home. These activities may include, but are not limited to, the following: educating homeowners or renters about the need to protect children in their home from dangers that can arise from items such as curtain cords, electrical outlets, hot water, poisons, fire, and sharp table edges, among others; incorporating child safety measures in the construction, rehabilitation or maintenance of housing, which include but are not limited to: child safety latches on cabinets, hot water protection devices, proper ventilation and moisture control to protect from mold, window guards to protect children from falling, proper pest management to prevent cockroaches which can trigger asthma, and activities directed to control of lead-based paint hazards. The National Lead Information Hotline is 1-800-424-5323, and information is also available at the following website—www.hud.gov:80/health/safehome.html.

(G) *Participation in PATH.* If you are applying for funds that may be utilized for construction or rehabilitation, HUD encourages participation in Partnership for Advancing Technology in Housing (PATH). PATH's goal is to achieve dramatic improvement in the quality of American housing by the year 2010. PATH encourages leaders from the home building, product manufacturing, insurance and financial industries and representatives from federal agencies dealing with housing issues to work together to spur housing design and construction innovations. PATH has a

FY 2001 budget of \$10 million. PATH will provide technical support in design and cost analysis of advanced technologies to be incorporated in project construction.

Applicants should see www.pathnet.org on the Internet for more information, the list of technologies, latest PATH Newsletter, results from field demonstrations and PATH projects. Applicants are encouraged to employ PATH technologies to exceed prevailing national building practices by: reducing costs; improving durability; increasing energy efficiency; improving disaster resistance; and reducing environmental impact.

HUD's objective is to select projects funded under this SuperNOFA which demonstrate high potential opportunities for application of PATH technologies. HUD will provide technical assistance in the form of architectural, engineering and financial analysis to incorporate the specific technologies appropriate to the type of construction and climate. More information about PATH is available at the following website—www.pathnet.org/about/about.html.

(H) *Bridging the Digital Divide*. Bridging the Digital Divide is an initiative whose objective is to provide access to computers to low and moderate income families and children who do not have access and therefore may be disadvantaged with respect to education, work and training opportunities. HUD encourages applicants to incorporate education and job training opportunities through initiatives such as HUD's Neighborhood Networks and Twenty/20 Education communities in their programs.

(1) *Neighborhood Networks*. The Neighborhood Networks Initiative enhances the self-sufficiency, employability and economic self-reliance of low-income families and the elderly living in HUD insured and HUD assisted properties by providing them with on-site access to computer and training resources.

(2) *The Twenty/20 Education Communities Initiative*. This initiative (formerly known as Campus of Learners) is designed to transform public housing into safe and livable communities where families undertake training in new telecommunications and computer technology and partake in educational opportunities and job training initiatives.

(I) *Bridging the Gap Initiative*. Bridging the Gap is a HUD initiative aimed at expanding economic and skills building opportunities offered through registered apprenticeship programs in

HUD assisted construction related and maintenance activities. Apprenticeship programs have a long history of providing structured, highly competent, safe and comprehensive occupational training which produces highly qualified journey level workers. Through this initiative, HUD seeks to encourage and promote the use of apprenticeship programs in programs sponsored with HUD funds and to ensure the beneficiaries of such apprenticeship programs are HUD's client community of public housing and low-and moderate-income residents of our nation's communities.

VII. Findings and Certifications

(A) *Environmental Impact*. A Finding of No Significant Impact with respect to the environment has been made in accordance with HUD regulations at 24 CFR part 50 that implement section 102(2)(C) of the National Environmental Policy Act of 1969 (42 U.S.C. 4332). The Finding of No Significant Impact is available for public inspection during regular business hours in the Office of the General Counsel, Regulations Division, Room 10276, U.S. Department of Housing and Urban Development, 451 Seventh Street, SW, Washington, DC 20410-0500.

(B) *Executive Order 13132, Federalism*. Executive Order 13132 (entitled "Federalism") prohibits, to the extent practicable and permitted by law, an agency from promulgating policies that have federalism implications and either impose substantial direct compliance costs on State and local governments and are not required by statute, or preempt State law, unless the relevant requirements of section 6 of the Executive Order are met. This SuperNOFA does not have federalism implications and does not impose substantial direct compliance costs on State and local governments or preempt State law within the meaning of the Executive Order.

(C) *Prohibition Against Lobbying Activities*. You, the applicant, are subject to the provisions of section 319 of the Department of Interior and Related Agencies Appropriation Act for Fiscal Year 1991, 31 U.S.C. 1352 (the Byrd Amendment), which prohibits recipients of Federal contracts, grants, or loans from using appropriated funds for lobbying the executive or legislative branches of the Federal Government in connection with a specific contract, grant, or loan. You are required to certify, using the certification found at Appendix A to 24 CFR part 87, that you will not, and have not, used appropriated funds for any prohibited lobbying activities. In addition, you

must disclose, using Standard Form LLL, "Disclosure of Lobbying Activities," any funds, other than Federally appropriated funds, that will be or have been used to influence Federal employees, members of Congress, and congressional staff regarding specific grants or contracts. Tribes and tribally designated housing entities (TDHEs) established by an Indian tribe as a result of the exercise of the tribe's sovereign power are excluded from coverage of the Byrd Amendment, but tribes and TDHEs established under State law are not excluded from the statute's coverage.

(D) *Section 102 of the HUD Reform Act; Documentation and Public Access Requirements*. Section 102 of the Department of Housing and Urban Development Reform Act of 1989 (42 U.S.C. 3545) (HUD Reform Act) and the regulations codified in 24 CFR part 4, subpart A, contain a number of provisions that are designed to ensure greater accountability and integrity in the provision of certain types of assistance administered by HUD. On January 14, 1992 (57 FR 1942), HUD published a notice that also provides information on the implementation of section 102. The documentation, public access, and disclosure requirements of section 102 apply to assistance awarded under this SuperNOFA as follows:

(1) *Documentation and public access requirements*. HUD will ensure that documentation and other information regarding each application submitted pursuant to this SuperNOFA are sufficient to indicate the basis upon which assistance was provided or denied. This material, including any letters of support, will be made available for public inspection for a 5-year period beginning not less than 30 days after the award of the assistance. Material will be made available in accordance with the Freedom of Information Act (5 U.S.C. 552) and HUD's implementing regulations in 24 CFR part 15.

(2) *Disclosures*. HUD will make available to the public for 5 years all applicant disclosure reports (HUD Form 2880) submitted in connection with this SuperNOFA. Update reports (update information also reported on Form 2880) will be made available along with the applicant disclosure reports, but in no case for a period less than 3 years. All reports—both applicant disclosures and updates—will be made available in accordance with the Freedom of Information Act (5 U.S.C. 552) and HUD's implementing regulations at 24 CFR part 5.

(3) *Publication of Recipients of HUD Funding*. HUD's regulations at 24 CFR

4.7 provide that HUD will publish a notice in the **Federal Register** to notify the public of all decisions made by the Department to provide:

(i) Assistance subject to section 102(a) of the HUD Reform Act; or

(ii) Assistance that is provided through grants or cooperative agreements on a discretionary (non-formula, non-demand) basis, but that is not provided on the basis of a competition.

(E) Section 103 HUD Reform Act.

HUD's regulations implementing section 103 of the Department of Housing and Urban Development Reform Act of 1989 (42 U.S.C. 3537a), codified in 24 CFR part 4, subpart B, apply to this funding competition. The regulations continue to apply until the announcement of the selection of successful applicants. HUD

employees involved in the review of applications and in the making of funding decisions are limited by the regulations from providing advance information to any person (other than an authorized employee of HUD) concerning funding decisions, or from otherwise giving any applicant an unfair competitive advantage. Persons who apply for assistance in this competition should confine their inquiries to the subject areas permitted under 24 CFR part 4.

Applicants or employees who have ethics related questions should contact the HUD Ethics Law Division at (202) 708-3815. (This is not a toll-free number.) For HUD employees who have specific program questions, the employee should contact the appropriate field office counsel, or

Headquarters counsel for the program to which the question pertains.

VIII. The FY 2001 SuperNOFA Process and Future HUD Funding Processes

Each year, HUD strives to improve its SuperNOFA. The FY 2001 SuperNOFA was revised based on comments received during the FY 2000 funding process. HUD continues to welcome comments and feedback from applicants and other members of the public on how HUD may further improve its competitive funding process.

The description of programs for which funding is available under this SuperNOFA follows this General Section and its appendices.

Dated: February 15, 2001.

Mel Martinez,
Secretary.

General Instructions

This form is designed so that application can be made for funds from one or more grant programs. In preparing the budget, adhere to any existing Federal grantor agency guidelines which prescribe how and whether budgeted amounts should be separately shown for different functions or activities within the program. For some programs, grantor agencies may require budgets to be separately shown by function or activity. For other programs, grantor agencies may require a breakdown by function or activity. Sections A, B, C, and D should include budget estimates for the whole project except when applying for assistance which requires Federal authorization in annual or other funding period increments. In the later case, Sections A, B, C, and D should provide the budget for the first budget period (usually a year) and Section E should present the need for Federal assistance in the subsequent budget periods. All applications should contain a breakdown by the object class categories shown in Lines a-k of Section B.

Section A. Budget Summary Lines 1-4 Columns (a) and (b)

For applications pertaining to a **single** Federal grant program (Federal Domestic Assistance Catalog number) and **not requiring** a functional or activity breakdown, enter on Line 1 under Column (a) the catalog program title and the catalog number in Column (b).

For applications pertaining to a **single** program **requiring** budget amounts by multiple functions or activities, enter the name of each activity or function on each line in Column (a), and enter the catalog number in Column (b). For applications pertaining to multiple programs where none of the programs require a breakdown by function or activity, enter the catalog program title on each line in Column (a) and the respective catalog number on each line in Column (b).

For applications pertaining to **multiple** programs where one or more programs **require** a breakdown by function or activity, prepare a separate sheet for each program requiring the breakdown. Additional sheets should be used when one form does not provide adequate space for all breakdown of data required. However, when more than one sheet is used, the first page should provide the summary totals by programs.

Lines 1-4, Columns (c) through (g)

For new applications, leave Columns (c) and (d) blank. For each line entry in Columns (a) and (b), enter in Columns (e), (f), and (g) the appropriate amounts of funds needed to support the project for the first funding period (usually a year).

For continuing grant program applications, submit these forms before the end of each funding period as required by the grantor agency. Enter in Columns (c) and (d) the estimated amounts of funds which will remain unobligated at the end of the grant funding period only if the Federal grantor agency instructions provide for this. Otherwise, leave these columns blank. Enter in columns (e) and (f) the amounts of funds needed for the upcoming period. The amount(s) in Column (g) should be the sum of amounts in Columns (e) and (f).

For supplemental grants and changes to existing grants, do not use Columns (c) and (d). Enter in Column (e) the amount of the increase or decrease of Federal funds and enter in Column (f) the amount of the increase or decrease of non-Federal funds. In Column (g) enter the new total budgeted amount (Federal and non-Federal) which includes the total previous authorized budgeted amounts plus or minus, as appropriate, the amounts shown in Columns (e) and (f). The amount(s) in Column (g) should not equal the sum of amounts in Columns (e) and (f).

Line 5—Show the totals for all columns used.

Section B. Budget Categories

In the column headings (a) through (4), enter the titles of the same programs, functions, and activities shown on Lines 1-4, Column (a), Section A. When additional sheets are prepared for Section A, provide similar column headings on each sheet. For each program, function or activity, fill in the total requirements for funds (both Federal and non-Federal) by object class categories.

Lines 6a-i—Show the totals of Lines 6a to 6h in each column.

Line 6j—Show the amount of indirect cost.

Line 6k—Enter the total of amounts on Lines 6i and 6j. For all applications for new grants and continuation grants the total amount in column (5), Line 6k, should be the same as the total amount shown in Section A, Column (g), Line 5. For supplemental grants and changes to grants, the total amount of the increase or decrease as shown in Columns (1)-(4), Line 6k should be the same as the sum of the amounts in Section A, Columns (e) and (f) on Line 5.

Line 7—Enter the estimated amount of income, if any, expected to be generated from this project. Do not add or subtract this amount from the total project amount. Show under the program narrative statement the nature and source of income. The estimated amount of program income may be considered by the federal grantor agency in determining the total amount of the grant.

Section C. Non-Federal Resources

Lines 8-11—Enter amounts of non-Federal resources that will be used on the grant. If in-kind contributions are included, provide a brief explanation on a separate sheet.

Column (a)—Enter the program titles identical to Column (a), Section A. A breakdown by function or activity is not necessary.

Column (c)—Enter the amount of the State's cash and in-kind contribution if the applicant is not a State or State agency. Applicants which are a State or State agencies should leave this column blank.

Column (d)—Enter the amount of cash and in-kind contributions to be made from all other sources.

Column (e)—Enter totals of Columns (b), (c), and (d).

Section D. Forecasted Cash Needs

Line 13—Enter the amount of cash needed by quarter from the grantor agency during the first year.

Line 14—Enter the amount of cash from all other sources needed by quarter during the first year.

Line 15—Enter the totals of amounts on Lines 13 and 14.

Section E. Budget Estimates of Federal Funds Needed for Balance of the Project

Lines 16-19—Enter in Column (a) the same grant program titles shown in Column (a), Section A. A breakdown by function or activity is not necessary. For new applications and continuation grant applications, enter in the proper columns amounts of Federal funds which will be needed to complete the program or project over the succeeding funding periods (usually in years). This section need not be completed for revisions (amendments, changes, or supplements) to funds for the current year of existing grants.

If more than four lines are needed to list the program titles, submit additional schedules as necessary.

Line 20—Enter the total for each of the Columns (b)-(e). When additional schedules are prepared for this Section, annotate accordingly and show the overall totals on this line.

Section F. Other Budget Information

Line 21—Use this space to explain amounts for individual direct object-class cost categories that may appear to be out of the ordinary or to explain the details as required by the Federal grantor agency.

Line 22—Enter the type of indirect rate (provisional, predetermined, final or fixed) that will be in effect during the funding period, the estimated amount of the base to which the rate is applied, and the total indirect expense.

Public reporting burden for this collection of information is estimated to average 2.0 hours per response, including the time for reviewing instructions, searching existing data sources, gathering and maintaining the data needed, and completing and reviewing the collection of information. This agency may not conduct or sponsor, and a person is not required to respond to, a collection of information unless that collection displays a valid OMB control number.

Privacy Act Statement. Except for Social Security Numbers (SSNs) and Employer Identification Numbers (EINs), the Department of Housing and Urban Development (HUD) is authorized to collect all the information required by this form under section 102 of the Department of Housing and Urban Development Reform Act of 1989, 42 U.S.C. 3531. Disclosure of SSNs and EINs is optional. The SSN or EIN is used as a unique identifier. The information you provide will enable HUD to carry out its responsibilities under Sections 102(b), (c), and (d) of the Department of Housing and Urban Development Reform Act of 1989, Pub. L. 101-235, approved December 15, 1989. These provisions will help ensure greater accountability and integrity in the provision of certain types of assistance administered by HUD. They will also help ensure that HUD assistance for a specific housing project under Section 102(d) is not more than is necessary to make the project feasible after taking account of other government assistance. HUD will make available to the public all applicant disclosure reports for five years in the case of applications for competitive assistance, and for generally three years in the case of other applications. Update reports will be made available along with the disclosure reports, but in no case for a period generally less than three years. All reports, both initial reports and update reports, will be made available in accordance with the Freedom of Information Act (5 U.S.C. §552) and HUD's implementing regulations at 24 CFR Part 15. HUD will use the information in evaluating individual assistance applications and in performing internal administrative analyses to assist in the management of specific HUD programs. The information will also be used in making the determination under Section 102(d) whether HUD assistance for a specific housing project is more than is necessary to make the project feasible after taking account of other government assistance. You must provide all the required information. Failure to provide any required information may delay the processing of your application, and may result in sanctions and penalties, including imposition of the administrative and civil money penalties specified under 24 CFR §4.38.

Note: This form only covers assistance made available by the Department. States and units of general local government that carry out responsibilities under Sections 102(b) and (c) of the Reform Act must develop their own procedures for complying with the Act.

The amounts are those stated in the application or award documentation. NOTE: In the case of assistance that is provided pursuant to contract over a period of time (such as project-based assistance under section 8 of the United States Housing Act of 1937), the amount of assistance to be reported includes all amounts that are to be provided over the term of the contract, irrespective of when they are to be received.

The most appropriate government identifying number must be used (e.g., RFP No.; IFB No.; grant announcement No.; or contract, grant, or loan No.) Include prefixes.

Part I. Threshold Determinations - Applicants Only

Part I contains information to help the applicant determine whether the remainder of the form must be completed. **Recipients filing Update Reports should not complete this Part.**

If the answer to *either* questions 1 or 2 is No, the applicant need not complete Parts II and III of the report, but must sign the certification at the end of the form.

Part II. Other Government Assistance and Expected Sources and Uses of Funds.

A. Other Government Assistance. This Part is to be completed by both applicants and recipients for assistance and recipients filing update reports. Applicants and recipients must report any other government assistance involved in the project or activity for which assistance is sought. Applicants and recipients must report any other government assistance involved in the project or activity. Other government assistance is defined in note 4 on the last page. For purposes of this definition, other government assistance is expected to be made available if, based on an assessment of all the circumstances involved, there are reasonable grounds to anticipate that the assistance will be forthcoming.

Both applicant and recipient disclosures must include all other government assistance involved with the HUD assistance, as well as any other government assistance that was made available before the request, but that has continuing vitality at the time of the request. Examples of this latter category include tax credits that provide for a number of years of tax benefits, and grant assistance that continues to benefit the project at the time of the assistance request.

The following information must be provided:

1. Enter the name and address, city, State, and zip code of the government agency making the assistance available.
2. State the type of other government assistance (e.g., loan, grant, loan insurance).
3. Enter the dollar amount of the other government assistance that is, or is expected to be, made available with respect to the project or activities for which the HUD assistance is sought (applicants) or has been provided (recipients).
4. Uses of funds. Each reportable use of funds must clearly identify the purpose to which they are to be put. Reasonable aggregations may be used, such as "total structure" to include a number of structural costs, such as roof, elevators, exterior masonry, etc.

B. Non-Government Assistance. Note that the applicant and recipient disclosure report must specify all expected sources and uses of funds - both from HUD *and any other source* - that have been or are to be, made available for the project or activity. Non-government sources of

funds typically include (but are not limited to) foundations and private contributors.

Part III. Interested Parties.

This Part is to be completed by both applicants and recipients filing update reports. Applicants must provide information on:

1. All developers, contractors, or consultants involved in the application for the assistance or in the planning, development, or implementation of the project or activity and
2. any other person who has a financial interest in the project or activity for which the assistance is sought that exceeds \$50,000 or 10 percent of the assistance (whichever is lower).

Note: A financial interest means any financial involvement in the project or activity, including (but not limited to) situations in which an individual or entity has an equity interest in the project or activity, shares in any profit on resale or any distribution of surplus cash or other assets of the project or activity, or receives compensation for any goods or services provided in connection with the project or activity. Residency of an individual in housing for which assistance is being sought is not, by itself, considered a covered financial interest.

The information required below must be provided.

1. Enter the full names and addresses. If the person is an entity, the listing must include the full name and address of the entity as well as the CEO. Please list all names alphabetically.
2. Entry of the Social Security Number (SSN) or Employee Identification Number (EIN), as appropriate, for each person listed is optional.
3. Enter the type of participation in the project or activity for each person listed: i.e., the person's specific role in the project (e.g., contractor, consultant, planner, investor).
4. Enter the financial interest in the project or activity for each person listed. The interest must be expressed both as a dollar amount and as a percentage of the amount of the HUD assistance involved.

Note that if any of the source/use information required by this report has been provided elsewhere in this application package, the applicant need

not repeat the information, but need only refer to the form and location to incorporate it into this report. (It is likely that some of the information required by this report has been provided on SF 424A, and on various budget forms accompanying the application.) If this report requires information beyond that provided elsewhere in the application package, the applicant must include in this report all the additional information required.

Recipients must submit an update report for any change in previously disclosed sources and uses of funds as provided in Section I.D.5., above.

Notes:

1. All citations are to 24 CFR Part 4, which was published in the Federal Register. [April 1, 1996, at 63 Fed. Reg. 14448.]
2. Assistance means any contract, grant, loan, cooperative agreement, or other form of assistance, including the insurance or guarantee of a loan or mortgage, that is provided with respect to a specific project or activity under a program administered by the Department. The term does not include contracts, such as procurements contracts, that are subject to the Fed. Acquisition Regulation (FAR) (48 CFR Chapter 1).
3. See 24 CFR §4.9 for detailed guidance on how the threshold is calculated.

Instructions for Certification (A)

1. By signing and submitting this proposal, the prospective primary participant is providing the certification set out below.

2. The inability of a person to provide the certification required below will not necessarily result in denial of participation in this covered transaction. The prospective participant shall submit an explanation of why it cannot provide the certification set out below. The certification or explanation will be considered in connection with the department or agency's determination whether to enter into this transaction. However, failure of the prospective primary participant to furnish a certification or an explanation shall disqualify such person from participation in this transaction.

3. The certification in this clause is a material representation of fact upon which reliance was placed when the department or agency determined to enter into this transaction. If it is later determined that the prospective primary participant knowingly rendered an erroneous certification, in addition to other remedies available to the Federal Government, the department or agency may terminate this transaction for cause or default.

4. The prospective primary participant shall provide immediate written notice to the department or agency to whom this proposal is submitted if at any time the prospective primary participant learns that its certification was erroneous when submitted or has become erroneous by reason of changed circumstances.

8. A participant in a covered transaction may rely upon a certification of a prospective participant in a lower tier covered transaction that it is not debarred, suspended, ineligible, or voluntarily excluded from the covered transaction, unless it knows that the certification is erroneous. A participant may decide the method and frequency by which it determines this eligibility of its principals. Each participant may, but is not required to, check the Nonprocurement List.

The knowledge and information of a participant is not required to exceed that which is normally possessed by a prudent person in the ordinary course of business dealings.

10. Except for transactions authorized under paragraph (6) of these instructions, if a participant in a covered transaction knowingly enters into a lower tier covered transaction with a person who is suspended, debarred, ineligible, or voluntarily excluded from participation in this transaction, in addition to other remedies available to the Federal Government, the department or agency may terminate this transaction for cause or default.

FUNDING AVAILABILITY FOR COMMUNITY DEVELOPMENT TECHNICAL ASSISTANCE (CD-TA) PROGRAMS—CHDO, HOME, MCKINNEY-VENTO ACT HOMELESS ASSISTANCE AND HOPWA

Program Overview

Purpose of the Program. The purposes of the technical assistance programs in this SuperNOFA are:

CHDO Technical Assistance. To promote the ability of Community Housing Development Organizations (CHDOs) to maintain, rehabilitate and construct housing for low-income and moderate-income families and to effectively use HOME program funds and other sources of funding to produce affordable housing; facilitate the education of low-income homeowners and tenants; and help women who reside in low- and moderate-income neighborhoods to rehabilitate and construct housing in these neighborhoods.

HOME Technical Assistance. To help HOME participating jurisdictions design and implement HOME programs, including: improving their ability to design and implement housing strategies and incorporate energy efficiency into affordable housing; facilitating the exchange of information to help participating jurisdictions carry out their programs; facilitating the establishment and efficient operation of employer-assisted housing programs and land bank programs; and encouraging private lenders and for-profit developers of low-income housing to participate in public-private partnerships.

McKinney-Vento Act Homeless Assistance Programs Technical Assistance. To provide applicants, potential applicants, grantees, and project sponsors for McKinney-Vento Act funded Emergency Shelter Grants, Supportive Housing Program, Section 8 Moderate Rehabilitation Single Room Occupancy and Shelter Plus Care projects with technical assistance to promote the development of housing and supportive services as part of the Continuum of Care approach, including innovative approaches to assist homeless persons in the transition from homelessness, and to enable them to live as independently as possible.

Housing Opportunities for Persons with AIDS (HOPWA). To train HOPWA grantees, project sponsors, and potential recipients of program funds in comprehensive housing strategies and responsive area programs that assist residents who are living with HIV/AIDS; in the sound management of HOPWA programs to support program operations

in an efficient and effective manner, including undertaking community consultations, program planning, housing development and operations, program evaluation and reporting on accomplishments; and to build the capacity of nonprofit organizations to carry out activities as HOPWA project sponsors.

Available Funds. Up to \$21.18 million is available for the four CD-TA programs.

Eligible Applicants. Specific eligibility requirements for the four CD-TA programs are found below in Section III(C). Forty percent of the CHDO, HOME and McKinney-Vento Act Homeless Assistance technical assistance funds is limited to qualified providers who have not previously received a CPD technical assistance award. This limitation is not applicable to HOPWA technical assistance.

Application Deadline. May 22, 2001.

Match. None.

II. Amount Allocated

(A) The amounts allocated for each CD-TA program are as follows:

CHDO TA funds:
up to \$7,600,000 Total
\$3,200,000 Single State
\$4,400,000 Multi-State

HOME TA funds:
up to \$8,000,000
McKinney-Vento Act Homeless Assistance Programs TA funds:
up to \$3,000,000

HOPWA TA funds:
up to \$2,580,000

(B) Each HUD/CPD Field Office has been allocated a "fair-share" of CD-TA funds for purposes of this competition, except for the HOPWA TA funds which will be awarded only through a national competition (see CD-TA Appendix A for the fair share allocations). The amounts are based on allocations of

HOME and McKinney-Vento Act Homeless Assistance formula funds and competitive programs for which Field Offices have management oversight. These amounts are only for guidance purposes for you to develop your program budgets by Field Office jurisdiction and are not the exact amounts to be awarded to you in each area.

HUD will determine the total amount to be awarded to any provider based upon the size and needs of the provider's service area within each Field Office jurisdiction in which the provider is selected to operate, the funds available for that area, the number of other awardees selected in that area, and the scope of the technical assistance to be provided. Additionally, HUD may reduce the amount of funds allocated for Field Office jurisdictions to fund national CD-TA providers and other CD-TA providers for activities which cannot be budgeted or estimated by Field Office jurisdiction. HUD may require selected applicants, as a condition of funding, to provide coverage on a geographically broader basis than applied for in order to supplement or strengthen the intermediary network in terms of the location (service area), types and scope of technical assistance proposed.

(C) In order to reach new technical assistance providers in the HOME, CHDO and McKinney-Vento Act Homeless Assistance program areas, 40% of the funds in each of these three program areas within a Field Office (or at the national level) will be awarded to applicants who have not previously been funded under a CPD technical assistance competition. Therefore, approximately \$3.2 million will be awarded to new providers in HOME; \$3 million in CHDO; and \$1.2 million in McKinney-Vento Act Homeless Assistance. With respect to CHDO funds, 40% of the total funds (single state and multi-state combined) are earmarked for new providers. If qualified new applicants are not found in each program area in each Field Office and/or at the national level, the remaining funds will be made available for previously funded providers. The reverse also is true.

(D) To the extent permitted by funding constraints, HUD intends to provide coverage for as full a range as possible, of eligible CD-TA activities of each CD-TA program in each Field Office jurisdiction. To achieve this objective, HUD will fund the highest ranking providers that bring the required expertise in one or more specialized activity areas, and fund portions of providers' proposed

programs in which they have the greatest skill and capability for given geographic areas or on a national basis. HUD also may require national, multi-jurisdictional, or other providers to provide coverage to Field Office jurisdictions which cannot otherwise receive cost-effective support from a CD-TA provider. In selecting applicants for funding, in addition to the rating factors, HUD will apply program policy criteria identified in Section V of this CD-TA Program section of SuperNOFA to select a range of providers and activities that would best serve program objectives for each program serviced by the CD-TA funded under this SuperNOFA.

III. Program Description; Program Award Period; Eligible Applicants; Eligible Activities; and Sub-Grants/Pass Through Funds

(A) *Program Description.* Up to \$21.18 million in technical assistance (TA) funds is available from four separate technical assistance programs: Community Housing Development Organization (CHDO) TA, HOME TA, McKinney-Vento Act Homeless Assistance TA, and HOPWA TA (collectively "CD-TA").

The funding of these four CD-TA programs through a single funding availability announcement will not affect the ability of eligible applicants to seek CD-TA funding. Eligible applicants are able to apply for funding under as few as one, and as many as four, separate CD-TA programs, individually or collectively, singularly or in combination. The specific provisions of the four separate CD-TA programs have not been changed. This Community Development Technical Assistance Programs section of the SuperNOFA reflects the statutory requirements and differences in the four different CD-TA programs.

(B) Program Award Period.

(1) Cooperative Agreements will be for a period of up to 36 months. HUD, however, reserves the right to:

(a) Terminate awards in accordance with provisions contained in OMB Circular A-102, and 24 CFR parts 84 and 85 anytime after 12 months;

(b) Withdraw funds from a specific provider, if HUD determines that the urgency of need for the assistance is greater in other Field Office jurisdictions or the need for assistance is not commensurate with the award for assistance;

(c) Extend the performance period of individual awardees up to a total of 12 additional months.

(2) In cases where an applicant selected for funding under this CD-TA

program section of the SuperNOFA currently is providing CD technical assistance under an existing CD-TA grant/cooperative agreement, HUD reserves the right to adjust the start date of funding under this program to coincide with the conclusion of the previous award, or to incorporate the remaining activities from the previous award into the new agreement, adjusting the funding levels as necessary.

(C) Eligible Applicants.

(1) *General.* The eligible applicants for each of the four CD-TA programs are listed in paragraphs (2), (3), (4) and (5) of this Section (C). This paragraph (1) lists requirements applicable to all applicants.

(a) Many organizations are eligible to apply for more than one CD-TA program and are encouraged to do so to the extent they have the requisite experience, expertise and capability.

(b) All applicant organizations must have demonstrated ability to provide CD-TA in a geographic area larger than a single city or county and must propose to serve an area larger than a single city or county.

(c) An organization may not provide assistance to itself, and any organization funded to assist CHDOs under this CD-TA Program section of the SuperNOFA may not act as a CHDO itself within its service area while under award with HUD.

(d) A consortium of organizations may apply for one or more CD-TA programs, but HUD will require that one organization be designated as the legal applicant, where legally feasible. Where one organization cannot be so designated for all proposed activities, HUD may execute more than one cooperative agreement with the members of a consortium. However, in general HUD will not award more than one cooperative agreement per application unless necessary due to legal requirements.

(e) All applicants must meet minimum statutory eligibility requirements for each CD-TA program for which they are chosen in order to be awarded a cooperative agreement. Copies of the Technical Assistance program regulations will be provided with the application kit.

(f) All eligible CD-TA providers may propose assistance using in-house staff, consultants, sub-contractors and sub-recipients, networks of private consultants and/or local organizations with requisite experience and capabilities. Whenever possible, applicants should make use of technical assistance providers located in the Field Office jurisdiction receiving services. This draws upon local expertise and

persons familiar with the opportunities and resources available in the area to be served while reducing travel and other costs associated with delivering the proposed technical assistance services.

(g) All applicants must meet the applicable threshold requirements of Section II(B) of the General Section of the SuperNOFA.

(2) *McKinney-Vento Act Homeless Assistance Programs TA Eligible Applicants.*

(a) States, units of general local government, and public housing authorities.

(b) Public and private non-profit or for-profit groups, including educational institutions and area-wide planning organizations, qualified to provide technical assistance on McKinney-Vento Act Homeless Assistance projects.

(3) *CHDO TA Eligible Applicants.*

Public and private non-profit intermediary organizations that customarily provide services (in more than one community) related to affordable housing or neighborhood revitalization to CHDOs, or similar organizations that engage in community revitalization, including all eligible organizations under section 233 of the Cranston-Gonzalez National Affordable Housing Act, as amended.

HUD will consider an intermediary as a primarily single State technical assistance provider if it can document that more than 50% of its past activities in working with CHDOs or similar nonprofit and other organizations (on the production of affordable housing or revitalization of deteriorating neighborhoods and/or the delivery of technical assistance to these groups) was confined to the geographic limits of a single State.

(4) *HOME TA Eligible Applicants.*

(a) A for-profit or non-profit professional and technical services company or firm that has demonstrated capacity to provide technical assistance services;

(b) A HOME participating jurisdiction (PJ) or agency thereof;

(c) A public purpose organization responsible to the chief elected official of a PJ and established pursuant to State or local legislation;

(d) An agency or authority established by two or more PJs to carry out activities consistent with the purposes of the HOME program;

(e) A national or regional non-profit organization that has membership comprised predominantly of entities or officials of entities of PJs or PJs' agencies or established organizations.

(5) *HOPWA TA Eligible Applicants.*

(a) Non-profit organizations; and

(b) States and units of general local government.

(D) *Eligible Activities.* Eligible activities as appropriate for each of the four CD-TA programs are listed below:

(1) *CHDO Technical Assistance.*

CHDO Technical Assistance funds may be used only for the following eligible activities:

(b) *Housing Education*—Housing education assistance may be made available to community housing development organizations to cover expenses for providing or administering programs for educating, counseling, organizing homeowners and tenants who are eligible to receive assistance under other provisions of the HOME Program;

(c) *Program-Wide Support of Nonprofit Development and Management*—Technical assistance, training, and continuing support may be made available to eligible community housing development organizations for managing and conserving properties developed under the HOME Program;

(d) *Benevolent Loan Funds*—Technical assistance may be made available to increase the investment of private capital in housing for very low-income families, particularly by encouraging the establishment of benevolent loan funds through which private financial institutions will accept deposits at below-market interest rates and make those funds available at favorable rates to developers of low-income housing and to low-income homebuyers;

(e) *Community Development Banks and Credit Unions*—Technical assistance may be made available to establish privately owned, local community development banks and credit unions to finance affordable housing;

(f) *Community Land Trusts*—Organizational support, technical assistance, education, training and continuing support under this subsection may be made available to community land trusts (as such term is defined in section 233(f) of the Cranston-Gonzalez National Affordable Housing Act) and to community groups for the establishment of community land trusts; and

(g) *Facilitating Women in Homebuilding Professions*—Technical assistance may be made available to businesses, unions, and organizations involved in construction and rehabilitation of housing in low- and moderate-income areas to assist women residing in the area to obtain jobs involving such activities, which may include facilitating access by helping such women develop nontraditional skills, recruiting women to participate in such programs, providing continuing support for women at job sites, counseling and educating businesses regarding suitable work environments for women, providing information to such women regarding opportunities for establishing small housing construction and rehabilitation businesses, and providing materials and tools for training such women (in an amount not exceeding 10% of any assistance provided under this paragraph). HUD shall give priority under this paragraph to providing technical assistance for organizations rehabilitating single family or multifamily housing owned or controlled by HUD pursuant to title II of the National Housing Act and which have women members in occupations in which women constitute 25% or less of the total number of workers in the occupation (in this section referred to as "nontraditional occupations").

(2) *HOME Technical Assistance.* HUD will provide assistance to:

(a) Facilitate the exchange of information that would help participating jurisdictions carry out the purposes of the HOME statute, including information on program design and accessibility, housing finance, land use controls, and building construction techniques;

(b) Improve the ability of States and units of local government to design and implement housing strategies, particularly those States and units of local government that are relatively inexperienced in the development of affordable housing;

(c) Encourage private lenders and for-profit developers of low-income housing to participate in public-private partnerships to achieve the purposes of the HOME statute;

(d) Improve the ability of States and units of local government, community housing development organizations, private lenders, and for-profit developers of low-income housing to incorporate energy efficiency into the planning, design, financing, construction and operation of affordable housing;

(e) Facilitate the establishment and efficient operation of employer-assisted housing programs, through research,

technical assistance, and demonstration projects; and

(f) Facilitate the establishment and efficient operation of land bank programs, under which title to vacant and abandoned parcels of real estate located in or causing blighted neighborhoods is cleared for use consistent with the purposes of the HOME statute.

(3) *McKinney-Vento Act Homeless Assistance Programs Technical Assistance*. Funds are available to provide technical assistance to McKinney-Vento Act funded Homeless Assistance projects. Funds may be used to provide technical assistance to prospective applicants, applicants, recipients or other providers (project sponsors) of McKinney-Vento Act funded housing and supportive services for homeless persons. The assistance may include, but is not limited to, written information such as papers, manuals, guides and brochures; person-to-person exchanges; on-site assessments and provision of technical expertise; and training and related costs.

(4) *HOPWA Technical Assistance*. For the purposes of this CD-TA program section of the SuperNOFA, HOPWA technical assistance shall mean the transfer to HOPWA grantees and project sponsors and potential recipients of program funds, the skills and knowledge needed to develop, operate and support HOPWA-eligible projects and activities.

An applicant for HOPWA TA funds must propose activities on a national basis, a regional basis (e.g. serving a multi-state area) or within a State or community. The application should emphasize how activities will advise and train communities and project sponsors in undertaking program planning, community consultations, housing development and operations, coordination with related health-care and other supportive services, and evaluation and reporting on program performance. The Department has established the following national goal for all HOPWA TA projects:

- *National Goal—Sound Management of HOPWA Programs and Projects.*

HOPWA TA funds can be used to help to strengthen the management, operation, and capacity of grantees, project sponsors, and potential applicants to ensure that organizations use funds in a manner that upholds the public trust in the operation of programs. To achieve this goal, HOPWA TA can be used in the following areas:

(i) Management and operations through such activities as:

(A) Advising on management practices to ensure responsive, efficient and cost effective facility and program operations;

(B) Advising on fiscal management to ensure accountability in the use of funds; and

(C) Assisting projects in using the Department's information technology, financial systems and information management systems.

(ii) State, local, and community planning through such activities as:

(A) Advising on the coordination of housing with health-care and other related supportive services for eligible persons;

(B) Assisting in developing collaborations with local, State and Federal agencies that administer HIV/AIDS-related programs, including programs funded under the Ryan White CARE Act;

(C) Creating or linking to existing needs assessments of the area's housing needs of persons living with HIV/AIDS and their families;

(D) Creating or linking to comprehensive multiple-year HIV/AIDS housing plans that are undertaken in collaboration with local, State and federal programs including the Ryan White CARE Act programs; and

(E) Creating or linking to existing plans that address specialized needs of clients, including assistance for clients with serious mental illness, chronic alcohol and other drug abuse issues, and homelessness.

(iii) Program evaluation through such activities as:

(A) Advising on data collection and program evaluation; and

(B) Developing and providing program handbooks, guidance materials, audio/visual products, training, and other activities to promote good management practices.

As a part of providing for the sound management of HOPWA programs and projects, HOPWA TA providers should demonstrate an outreach and assistance program to identified underserved populations. The Department has been advised by persons living with HIV/AIDS, HIV/AIDS housing providers, and national organizations, of the continuing disparity in accessing health-care and HIV/AIDS treatment among underserved populations, such as, racial and ethnic minority populations, women, youth, post-incarcerated populations and persons living in rural areas. For the purposes of the HOPWA TA portion of this NOFA, underserved populations are defined as low-income populations living with HIV/AIDS and their families, such as racial or ethnic minority groups, women, persons living in rural areas,

youth, post-incarcerated populations, or other underserved groups as determined by your service area, whose housing and related service needs are not currently being met in your service area. To meet this definition of an underserved population, you must present reliable statistics and data sources (i.e. Census, health department statistics, research, scientific studies, Consolidated Plan, and Continuum of Care documentation), showing the unmet need in the provision of housing and supportive services for the identified underserved population under Rating Factor 2, (1). HUD will consider your presentation of statistics and data sources based on soundness and reliability and the specificity of information to the underserved population and the area to be served.

In an effort to meet this continuing need, the highest rated applicants will demonstrate an outreach and assistance program to an identified underserved population as detailed under Rating Factor 3, Soundness of Approach (2) and will support the National HOPWA Goal of Sound Management. Such assistance could include, linking HOPWA grantees and project sponsors to other community based organizations serving an underserved population but may have no or limited experience with providing housing services. Additionally, HOPWA TA providers could provide assistance to collaborations targeting as underserved population funded under the HOPWA competitive program.

(E) *Sub-Grants/Pass-Through Funds*. Applicants may propose to make sub-grants to achieve the purposes of their proposed CD-TA programs in accordance with program requirements in Section IV of this CD-TA Program section of the SuperNOFA. In the case of CHDO TA, these sub-grants (also called "pass-through" funds) may be made for eligible activities and to eligible entities as identified in Section 233(b)(1), (2), and (7) of the Cranston-Gonzalez National Affordable Housing Act. When CHDO TA sub-grants are made to CHDOs, two statutory provisions apply:

(1) The sub-grant amount, when combined with other capacity building and operating support available through the HOME program, cannot exceed the greater of 50% of the CHDO's operating budget for the year in which it receives the funds, or \$50,000 annually;

(2) An amount not exceeding 10% of the total funds awarded for the "Women in the Homebuilding Professions" eligible activity may be used to provide materials and tools for training such women.

IV. Program Requirements

In addition to the program requirements listed in the General Section of this SuperNOFA, applicants are subject to the following requirements:

(A) *Program Requirements for CHDO, HOME and McKinney-Vento Act Homeless Assistance.*

(1) *Profit/Fee.* No increment above cost, no fee or profit, may be paid to any recipient or subrecipient of an award under this CD-TA Program section of the SuperNOFA.

(2) *Demand/Response Delivery System.*

(a) As an awardee, you must operate within the structure of the demand/response system described in this section. You must coordinate your plans with, and operate under the direction of, each HUD Field Office within whose jurisdiction you are operating. When so directed by a Field Office, you will coordinate your activities instead through a lead CD-TA provider or other organization designated by the Field Office.

(b) If selected as the lead CD-TA provider in any Field Office jurisdiction, as an awardee you must coordinate the activities of other CD-TA providers selected under this CD-TA Program section of the SuperNOFA under the direction of the HUD Field Office. Joint activities by CD-TA providers may be required.

(c) Under the demand/response system, CD-TA providers will be required to:

(i) When requested by a Field Office or Government Technical Representative (GTR), market the availability of their services to existing and potential clients to include local jurisdictions in which the assistance will be delivered.

(ii) Respond to requests for assistance from the HUD Field Office(s) with oversight of the geographic service area for which the technical assistance will be delivered, including responding to priorities established by the Field Office in its Grants Management System. CHDOs, HOME PJs, and McKinney-Vento Act Homeless Assistance grantees may request assistance from the CD-TA provider directly, but such requests must be approved by the local HUD Field Office.

(iii) When requested by a Field Office or GTR, conduct a Needs Assessment to identify the type and nature of the assistance needed by the recipients of the assistance. These needs assessments should typically identify the nature of the problem to be addressed by the technical assistance services; the plan of

action to address the need including the type of technical assistance services to be provided, the duration of the service, the staff assigned to provide the assistance, anticipated products and/or outcomes, and the estimated cost for the provision of services; and the relationship of the proposed services to the planned or expected Consolidated Plan submission to HUD and to other technical assistance providers providing service within the locality.

(iv) Obtain approval for the Technical Assistance Delivery Plan (TADP) from the HUD Field Office(s) with oversight for the area in which service will be provided. (See Section 3 below).

(v) Work cooperatively with other CD-TA providers in their geographic areas to ensure that clients are provided with the full range of CD-TA services needed and available. CD-TA providers are expected to be knowledgeable about the range of services available from other providers, make referrals and arrange visits by other CD-TA providers when appropriate, and carry out CD-TA activities concurrently when it is cost-effective and in the interests of the client to do so. HUD Field Offices may direct CD-TA providers to conduct joint activities.

(3) *Technical Assistance Delivery Plan (TADP).*

(a) After selection for funding but prior to award, you must develop a TADP for each Field Office jurisdiction or National Program for which you have been selected, in consultation with the Field office and/or GTR.

(b) In developing the TADP, you must follow the Field Office's Business Operating Plan (BOP) and management strategies/workplans for each community/State in the Field Office's jurisdiction. You must use these BOP/management strategies/workplans in determining your priority work activities, location of activities, and organizations to be assisted during the cooperative agreement performance period.

(c) The BOP/grantee management strategies/workplans are part of the Field Office's Grants Management Process (GMP) and should indicate the issues to be addressed by CD-TA, the improved performance expected as a result of CD-TA, and methods for measuring the success of the CD-TA.

(d) The TADP must delineate all the tasks and sub-tasks for each CD program the applicant will undertake in each Field Office jurisdiction. The TADP must show the location of the community/State in which the CD-TA activities will occur, the level of CD-TA funding and proposed activities by location, the improved program

performance or other results expected from the CD-TA and the methodology to be used for measuring the success of the CD-TA. A time schedule for delivery of the activities, budget summary, budget-by-task and staffing plan must be included in the TADP.

(4) *Negotiation.* After all applications have been rated and ranked and a selection has been made, HUD requires that all winners participate in negotiations to determine the specific terms of the TADP and the budget. HUD will follow the negotiation procedures described in Section III(D) of the General Section of the SuperNOFA.

(5) *Forms, Certifications and Assurances.* You must submit with your application the forms, certifications and assurances listed in the General Section of this SuperNOFA. After selection for funding but prior to your providing services to a specific community you must submit the CHDO TA designation letter (where applicable).

(6) *Financial Management and Audit Information.* After selection for funding but prior to award, you must submit a certification from an Independent Public Accountant or the cognizant government auditor, stating that your financial management system meets prescribed standards for fund control and accountability required by 24 CFR part 84 for Institutions of Higher Education and other Non-Profit Institutions, 24 CFR part 85 for States and local governments, or the Federal Acquisition Regulations (for all other applicants). The information should include the name and telephone number of the independent auditor, cognizant Federal auditor, or other audit agency as applicable.

(7) *Designation for CHDO Technical Assistance Providers.* CHDO TA providers will be responsible for securing a technical assistance designation letter from a PJ stating that a CHDO or prospective CHDO to be assisted by the provider is a recipient or intended recipient of HOME funds and indicating, at its option, subject areas of assistance that are most important to the PJ.

(8) *Training Sessions.* When conducting training sessions as part of its CD-TA activities, CD-TA providers are required to:

(a) Design the course materials as "step-in" packages (also called "train-the-trainer" packages) so that a Field Office or other CD-TA provider may separately give the course on its own;

(b) Arrange for joint delivery of the training with Field Office participation when so requested by the Field Office or by the GTR for national grants; and

(c) When requested by a Field Office and/or GTR, provide for professional videotaping of the workshops/courses and ensure their production in a professional and high-quality manner, suitable for viewing by other CD clients (if this requirement is implemented, additional funds may be requested).

(d) When required by HUD, deliver HUD-approved training courses that have been designed and developed by other HUD contractors or HUD cooperating parties on a "step-in" basis for CD-TA clients, and send trainers to HUD-approved Train-the Trainer sessions.

(9) *Reports to Field Offices and/or GTRs.* CD-TA providers will be required to report to the HUD Field Office(s) with oversight of the geographic area(s) in which CD-TA services are provided or to Headquarters GTRs in the case of national providers. At a minimum, this reporting will be on a quarterly basis unless otherwise specified in the approved TADP.

(10) *Active Participation.* HUD Field Offices will be active participants in the delivery of all technical assistance by funded providers throughout the term of the cooperative agreement.

(11) *CHDO Pass-Through Funds.* CD-TA providers proposing pass-through grants are required to:

(a) Establish written criteria for selection of CHDOs receiving pass-through funds which includes the following:

(i) Participating jurisdictions (PJs) must designate the organizations as CHDOs.

(ii) Generally, the organizations should not have been in existence more than 3 years.

(b) Enter into an agreement with the CHDO that the agreement and pass-through funding may be terminated at the discretion of the Department if no written legally binding agreement to provide assistance for a specific housing project (for acquisition, rehabilitation, new construction or tenant-based rental assistance) has been made by the PJ with the CHDO within 24 months of receiving the pass-through funding.

(12) *CHDO TA Program Limitations.* (a) Pursuant to section 233(d)(1) and (2) of the Cranston-Gonzalez National Affordable Housing Act, funding to any single eligible nonprofit intermediary organization seeking to provide CHDO TA, whether as an independent or joint applicant, is limited to the lesser of 20% of all funds, or an amount not to exceed 20% of the organization's operating budget for any one year (not including funds sub-awarded or passed through the intermediary to CHDOs).

(b) Pursuant to section 233(e), HUD is making available through this CD-TA program section of the SuperNOFA 40% of the total CHDO TA funds to single state providers within the Field Offices. As discussed in Section III(C)(3), CHDO Eligible Applicants, to be considered a single state provider you must be able to document that 50% of your past activities working with CHDOs or similar nonprofits and other organizations was confined to the geographic limits of a single state. Therefore, you can be designated a single state provider in one Field Office jurisdiction only and you should so indicate on your funding matrix submission. In all other Field Offices in which you are applying for CHDO TA funding, you are a multi-state provider. If there are no single state applicants or the qualified single state applicants utilize less than the 40% set-aside in a given Field Office, that Field Office's single state CHDO set-aside will be redistributed among the qualified multi-state providers in that Field Office. Field Offices also may utilize their multi-state set-aside for single state applicants if the reverse is true.

(13) *HOME TA Program Limitations.* Pursuant to section 243(b) of the Cranston-Gonzalez National Affordable Housing Act, funding to any single eligible HOME TA organization, whether as an independent or joint applicant, is limited to not more than 20% of the operating budget of the recipient organization in any one year and is limited to 20% of the funds available under this CD-TA program section of the SuperNOFA.

(14) *CHDO and HOME National TA Program Guidance.* With the funds designated for a national TA program, HUD intends to fund applications which propose activities to support the following purposes:

(a) *CHDO Technical Assistance.* To promote the ability of Community Housing Development Organizations (CHDOs) to own, develop or sponsor housing for low and very-low income families; to facilitate the education of low-income homebuyers, homeowners and tenants; and/or to help women who reside in low-income neighborhoods to rehabilitate or construct housing in their communities. Proposals should directly address how the capacity of CHDOs may be improved to ensure that HOME funds are used effectively, efficiently and in compliance with the HOME rules to develop affordable housing. Emphasis should be placed on basic skills needed to develop, maintain and manage well designed and constructed affordable housing over the long term when using Federal funds.

(b) *HOME Technical Assistance.* To help HOME participating jurisdictions design and implement HOME programs, including: improving their ability to design and implement housing strategies and incorporate energy efficiency into affordable housing, facilitating the exchange of information to help participating jurisdictions carry out their programs; facilitating the establishment and efficient operation of employer-assisted housing programs; and/or encouraging private lenders and for-profit developers of low-income housing to participate in public-private partnerships. Proposals should directly address how the capacity of participating jurisdictions may be improved to ensure that HOME funds are used effectively, efficiently and in compliance with the HOME rules to develop affordable housing. Emphasis should be placed on the basic skills and systems needed to develop, maintain and manage well designed and constructed affordable housing over the long term when using Federal funds.

(15) *Affirmatively Furthering Fair Housing.* Section II(D) of the General Section of the SuperNOFA does not apply to these technical assistance programs.

(B) *Program Requirements for HOPWA Technical Assistance.*

(1) *General Requirements.* The items listed below specify the requirements that apply to the HOPWA TA applications as follows: in Section (A), Paragraphs: (1) On Profit/Fee; (4) Negotiation, except that the TADP reference will apply to a workplan negotiated between the applicant and the GTR for the HOPWA TA grant in HUD Headquarters; (5) Forms, Certifications and Assurances; (6) Financial Management and Audit Information; (8) Training Sessions; (9) Reports to Field Offices and/or GTRs, except that you must report to the HOPWA Headquarters GTR, at a minimum, on a quarterly basis, unless otherwise specified in an approved HOPWA TA workplan and you will be expected to meet the following performance benchmarks: (i) You are required to begin technical assistance activities within one year of your selection (i.e., one year from the date of the signing of your selection letter by HUD); and (ii) you are requested to provide an initial report to the Field Office and the Headquarters GTR on the startup of the planned activities within six months of your selection. Please outline any accomplishments in implementing the funds along with identifying any barriers or issues for which the Department may provide assistance. If a selected project does not

meet the appropriate performance benchmark, HUD reserves the right to cancel or withdraw the grant funds.

(2) *Coordination of HOPWA TA Requests.* Except for national meetings, research, information and other activities that are conducted on a program-wide basis in cooperation with HUD Headquarters, as the grantee of HOPWA TA funds, you must work cooperatively with HUD Field Offices. You must notify the applicable HUD Field Office of the planned activities; must consider the views or recommendations of that office, if any; must follow those recommendations, to the degree practicable; and must report to the applicable Field Office on the accomplishments of this assistance.

V. Application Selection Process

(A) Rating and Ranking

(1) HUD will evaluate applications competitively and rank them against all other applicants that have applied for the same CD-TA program (HOME, McKinney-Vento Act Homeless Assistance) within each Field Office or as a National Provider under HOPWA. CHDO applications are similarly evaluated and ranked but are separated into two sub-groups—single State providers and multi-State providers. There will be separate rankings for each CD-TA program, and you will be ranked only against others that have applied for the same CD-TA program.

(2) Once scores are assigned, all applications will be listed in rank order for each CD-TA program for which they applied by Field Office jurisdiction and/or the HOPWA National Program. In each Field Office jurisdiction or National Program area, all applications for the HOME TA program will be listed in rank order on another list, all applications for the McKinney-Vento Act Homeless Assistance TA program will be listed in rank order on another list, and all applications for the HOPWA TA national projects will be ranked separately on another list. All applications for the CHDO TA program will be ranked separately on either the single state provider list or the multi-state provider list. Under this system, a single application from one organization for all CD-TA programs could be assigned different scores and different rankings for each program in different Field Offices.

(3) Applications will be funded in rank order for each CD-TA program by Field Office jurisdiction, except for HOPWA TA national providers and others which cannot be ranked by Field Office jurisdiction. National providers

and others will be ranked separately and funded in rank order for each CD-TA program. Irrespective of final scores, HUD may apply program policy criteria to select one applicant in each of the three (CHDO, HOME and McKinney-Vento Act Homeless Assistance) CD-TA programs in each Field Office or nationally, to ensure diversity of methods, approaches, or kinds of projects. HUD will apply these program policy criteria to provide coverage of CD-TA services for minorities; women, particularly women in the homebuilding professions under section 233(b)(7) of the Cranston-Gonzalez National Affordable Housing Act; persons with disabilities; homeless; persons with special needs; and rural areas.

(4) In addition to the authority in the General Section to adjust funding, HUD reserves the right to adjust funding levels for each applicant for each CD-TA program, as follows:

(a) Adjust funding levels for any provider based upon the size and needs of the provider's service area within each Field Office jurisdiction in which the provider is selected to operate, the funds available for that area, the number of other awardees selected in that area, funds available on a national basis for providers that will be operating nationally, or the scope of the technical assistance to be provided;

(b) To negotiate increased grant awards with applicants approved for funding if HUD requests them to offer coverage to geographic areas for which they did not apply or budget, or if HUD receives an insufficient amount of applications.

(5) If funds remain after all selections have been made, remaining funds may be:

(a) Distributed among all HUD Field Offices (in proportion to their fair-share awards) and/or the National Program, or

(b) Made available for other CD-TA program competitions.

(6) If you apply for HOPWA TA funds, you must propose activities that will be carried out on a national, regional, State or community basis. The Department reserves the right to adjust the amount of requested funds that are awarded to correspond with the size of the intended service area in comparison to the planned national scope of activities to ensure the best use of these limited resources. Additionally, HUD may also modify the service area of a selected application, if practicable.

(B) *Factors for Award Used to Evaluate and Rate Applications.* The factors and maximum points for each

factor are provided below. The maximum number of points to be awarded for a CD-TA application is 100. The minimum score for an applicant to be considered in funding range is 55, with a minimum of 11 points in Factor 1. The CD-TA program is not an eligible program for the EZ/EC bonus points, as described in Section III(C)(1) of the General Section of the SuperNOFA.

Rating of the "applicant" or the "applicant's organization and staff", unless otherwise specified, will include any sub-contractors, consultants, sub-recipients, and members of consortia which are firmly committed to the project.

When addressing the Factors for Award, you should discuss the specific TA projects, activities, tasks, etc. that you suggest be carried out during the term of the cooperative agreement. See Sections IV(A)(2) and (3) of this CD-TA program section for a discussion of the extent to which such activities may be revised at or after the time of award. You should also be specific when detailing the communities, populations (HOPWA only) and/or organizations which you propose to serve, especially in response to Factor 3, Subfactor 2 and in detailing the dollar amounts you have leveraged in Factor 4.

Rating Factor 1: Capacity of the Applicant and Relevant Organizational Experience (20 Points) (Minimum for Funding Eligibility—11 Points)

In rating this factor, HUD will consider the extent to which the application demonstrates in relation to CD-TA program funding that is requested:

(1) (10 points) Recent, relevant and successful experience of your organization and staff in providing technical assistance in all eligible activities and to all eligible entities for the CD-TA program(s) applied for, as described in the regulations;

(2) (5 points) The relevant experience and competence of your key personnel in managing complex, multi-faceted or multi-disciplinary programs that require coordination with other CD-TA entities or multiple, diverse units in an organization;

(3) (5 points) You have sufficient personnel or access to qualified experts or professionals to deliver the proposed level of technical assistance in each proposed service area in a timely and effective fashion.

Rating Factor 2: Potential Effectiveness of the Application in Meeting Needs of Target Groups/Localities and Accomplishing Project Objectives for Each CD-TA Program for which Funds Are Requested (20 Points)

In rating this factor, HUD will consider the extent to which your application:

(1) (10 points) Identifies high priority needs and issues for the CD program in each community or Field Office jurisdiction for which CD-TA funding is requested, or on a national or regional basis for national HOPWA grants;

(2) (5 points) Outlines a clear and cost-effective plan of suggested TA activities for addressing those needs and aiding a broad diversity of eligible grantees and/or beneficiaries, including those which traditionally have been under-served; and

(3) (5 points) Identifies creative activities to assist eligible grantees in participating in the development of, and improving, local Consolidated Plans and comprehensive strategies.

Rating Factor 3: Soundness of Approach (40 Points)

In rating this factor, HUD will consider the extent to which your application evidences a sound approach in addressing identified needs and:

(1) (15 points) Provides a cost effective plan for designing, organizing, and carrying out the suggested technical assistance activities within the framework of the Demand/Response System or, for HOPWA TA applicants, in addressing the HOPWA TA goal.

(2) (15 points) Demonstrates an effective outreach and assistance program to specifically identified disadvantaged communities, populations (HOPWA only) and/or organizations which previously have been underserved and have the potential to participate in CPD programs.

(3) (5 points) Provides for full geographic coverage, including urban and rural areas, (directly or through a consortium of providers) of a single State or Field Office jurisdiction or is targeted to address the needs of rural areas, minority groups or other underserved groups or for HOPWA TA applicants, addresses other approaches that respond to identified needs.

(4) (5 points) Proposes a feasible, creative plan, which uses state of the art or new promising technology, to transfer models and lessons learned in each of its CD-TA program's activities to grantees and/or program beneficiaries in other CD-TA programs.

Rating Factor 4: Leveraging Resources (10 Points)

This factor addresses your ability to secure community resources (note: financing is a community resource) which can be combined with HUD's program resources to achieve program purposes. In evaluating this factor HUD will consider:

The extent to which you have partnered with other entities to secure additional resources to increase the effectiveness of the proposed program activities. Resources may include funding or in-kind contributions, such as services or equipment, allocated to the purpose(s) of the award you are seeking. Resources may be provided by governmental entities, public or private nonprofit organizations, for-profit private organizations, or other entities willing to partner with the applicant. You also may partner with other program funding recipients to coordinate the use of resources in the target area.

You must provide evidence of leveraging/partnerships by including in the application letters of firm commitments, memoranda of understanding, or agreements to participate from those entities identified as partners in the application. Each letter of commitment, memorandum of understanding, or agreement to participate should include the organization's name, proposed level of commitment and responsibilities as they relate to the proposed program. The commitment must also be signed by an official of the organization legally able to make commitments on behalf of the organization.

Rating Factor 5: Comprehensiveness and Coordination (10 Points)

This factor addresses the extent to which you coordinate your activities with other known organizations, participate or promote participation in a community's Consolidated Planning process and Continuum of Care homeless assistance strategy, and are working towards addressing a need in a holistic and comprehensive manner through linkages with other activities in the community.

In evaluating this factor, HUD will consider the extent to which you demonstrate you have:

(1) Coordinated your proposed activities with those of other groups or organizations prior to submission in order to best complement, support and coordinate all known activities and if funded, the specific steps you will take to share information on solutions and outcomes with others. Describe any

written agreements, memoranda of understanding in place, or that will be in place after award.

(2) Taken or will take specific steps to work with recipients of technical assistance services to become active in the community's Consolidated Planning process (including the Analysis of Impediments to Fair Housing Choice) established to identify and address a need/problem that is related to the activities you propose.

(3) Taken or will take specific steps to develop linkages to coordinate comprehensive solutions through meetings, information networks, planning processes or other mechanisms with:

(a) Other HUD-funded projects/activities outside the scope of those covered by the Consolidated Plan; and

(b) Other Federal, State or locally funded activities, including those proposed or on-going in the community.

VI. Application Submission Requirements

In addition to the forms, certifications and assurances listed in Section II(G) of the General Section of the SuperNOFA (collectively referred to as the "standard forms"), your application must, at a minimum, contain the following items (except that the following paragraphs (C), (D), (E), (F), and (G) do not apply to HOPWA TA applicants). The standard forms can be found in Appendix B to the General Section of the SuperNOFA.

(A) Transmittal Letter which identifies the SuperNOFA, the CD-TA programs for which funds are requested and the dollar amount requested for each program, and the applicant or applicants submitting the application. If your organization has never received a CPD technical assistance award, please include a statement to this effect in the transmittal letter. Additionally, HOPWA TA applicants are requested to submit a two-page executive summary outlining the key elements of the proposed TA activities.

(B) Narrative statement addressing the Factors for Award described in Section V(B) of this CD-TA Program section of this SuperNOFA. You should number the narrative response in accordance with each factor for award. This narrative statement will be the basis for evaluating your application. It should include a plan of suggested TA activities as described in Factors 2, 3, and elsewhere. These suggested TA activities may form a starting point for negotiating the TADP described in Section IV(A)(3) of this CD-TA Program section of the SuperNOFA. However, they are used primarily for purposes of

rating and evaluation and may be substantially altered and revised during negotiations with the Field Offices on the content of the TADPs (see Section IV(A)(3)) or Headquarters program office for national projects.

(C) Statement that identifies the Field Office jurisdictions in which you propose to offer services. If you will not offer services throughout the full jurisdictional area of the Field Office, your statement should identify the service areas involved (e.g., States, counties, etc.), as well as the communities in which you propose to offer services.

(D) A matrix that summarizes the amount of funds you are requesting for each CD-TA program in each Field Office jurisdiction. (See the CD-TA application kit for a copy of the matrix to be submitted.)

(E) A statement as to whether you propose to use pass-through funds for CHDOs under the CHDO TA program, and, if so, the amount and proposed uses of such funds.

(F) If applying for the CHDO TA program, a certification as to whether you qualify as a primarily single-State provider under section 233(e) of the Cranston-Gonzalez Affordable Housing Act and as discussed in Section III(C)(3) of this CD-TA Program section of this SuperNOFA.

(G) A statement as to whether you propose to be considered for the role of lead CD-TA provider in one or more specific program areas in a Field Office jurisdiction, and if so, your organization's capabilities and attributes that qualify you for the role.

(H) Budget Summary identifying costs for implementing the plan of suggested TA activities by cost category for each CD-TA program for which funds are requested by Field Office or as a National Provider (in accordance with the following):

(1) Direct Labor by position or individual, indicating the estimated hours per position, the rate per hour, estimated cost per staff position and the total estimated direct labor costs;

(2) Fringe Benefits by staff position identifying the rate, the salary base the rate was computed on, estimated cost per position, and the total estimated fringe benefit cost;

(3) Material Costs indicating the item, quantity, unit cost per item, estimated cost per item, and the total estimated material costs;

(4) Transportation Costs, as applicable.

(5) Equipment charges, if any. Equipment charges should identify the type of equipment, quantity, unit costs and total estimated equipment costs;

(6) Consultant Costs, if applicable. Indicate the type, estimated number of consultant days, rate per day, total estimated consultant costs per consultant and total estimated costs for all consultants;

(7) Subcontract Costs, if applicable. Indicate each individual subcontract and amount;

(8) Other Direct Costs listed by item, quantity, unit cost, total for each item listed, and total other direct costs for the award;

(9) Indirect Costs should identify the type, approved indirect cost rate, base to which the rate applies and total indirect costs.

These line items should total the amount requested for each CD-TA program area. The grand total of all CD-TA program funds requested should reflect the grand total of all funds for which application is made.

VII. Corrections to Deficient Applications

The General Section of the SuperNOFA provides the procedures for corrections to deficient applications.

VIII. Environmental Requirements

In accordance with 24 CFR 50.19(b)(9) and 58.34(a)(9), the assistance provided by these programs relates only to the provision of technical assistance and is categorically excluded from the requirements of the National Environmental Policy Act and not subject to environmental review under the related laws and authorities. This determination is based on the ineligibility of real property acquisition, construction, rehabilitation, conversion, leasing or repair for HUD assistance under these technical assistance programs.
