

**SUPPLEMENTARY INFORMATION:** The Department will submit the proposed information collection to OMB for review, as required by the Paperwork Reduction Act of 1995 (44 U.S.C. Chapter 35, as amended). This notice is soliciting comments from members of the public and affected agencies concerning the proposed collection of information to: (1) Evaluate whether the proposed collection of information is necessary for the proper performance of the functions of the agency, including whether the information will have practical utility; (2) evaluate the accuracy of the agency's estimate of the burden of the proposed collection of information; (3) enhance the quality, utility, and clarity of the information to be collected; and (4) minimize the burden of the collection of information on those who are to respond, including through the use of appropriate automated collection techniques or other forms of information technology, e.g., permitting electronic submission of responses.

*This Notice also lists the following information:*

*Title of Proposal:* Training Evaluation Form.

*OMB Control Number:* 2577—  
Pending.

*Description of the need for the information and proposed use:* On September 19, 2005 (70 FR 54983), HUD published a final rule amending the regulations of the Public Housing Operating Fund Program at 24 CFR part 990, which was developed through negotiated rulemaking. Part 990 provides a new formula for distributing operating subsidy to public housing agencies (PHAs) and establishes requirements for PHAs to convert to asset management.

Subpart H of the part 990 regulations (§§ 990.255 to 990.290) establishes the requirements regarding asset management. Under § 990.260(a), PHAs that own and operate 250 or more dwelling rental units must operate using an asset management model consistent with the subpart H regulations. However, for calendar year 2008, that regulation is superseded by § 225 of Title II of Division K of the Consolidated Appropriations Act, 2008, Public Law 110-161 (approved December 26, 2007). Under that law, PHAs that own or operate 400 or fewer units may elect to transition to asset management, but they are not required to do so.

The Consolidated Appropriations Act, 2008, Public Law 110-161, also provided “ \* \* \* \$5,940,000 for competitive grants and contracts to third parties for the provision of technical assistance to public housing agencies

related to the transition and implementation of asset-based management in public housing.” The contract now in effect will provide for web-based training, on-site seminars and on-site technical assistance to assist PHAs in implementing asset management. The Training Evaluation Form will be used by the Office of Public and Indian Housing to determine how the training and technical assistance can be improved to meet PHA needs.

*Agency form number, if applicable:* Pending.

*Members of affected public:* Public housing agencies.

*Estimation of the total number of hours needed to prepare the information collection including number of respondents:* The estimated number of respondents is 29,288 annually with one response per respondent. The average number for each response is .033 hours, for a total reporting burden of 966 hours.

*Status of the proposed information collection:* New collection.

#### **SUPPLEMENTARY INFORMATION:**

##### **Authority To Grant Waivers**

The Department of Defense, Emergency Supplemental Appropriations To Address Hurricanes in the Gulf of Mexico, and Pandemic Influenza Act, 2006 (Pub. L. 109-148, approved December 30, 2005) (the 2006 Act) appropriated \$11.5 billion in CDBG funds for necessary expenses related to disaster relief, long-term recovery, and restoration of infrastructure directly related to the consequences of the covered disasters. The State of Mississippi received an allocation of \$5,058,185,000 from this appropriation. The 2006 Act authorized the Secretary to waive, or specify alternative requirements for, any provision of any statute or regulation that the Secretary administers in connection with the obligation by the Secretary or use by the recipient of these funds and guarantees, except for requirements related to fair housing, nondiscrimination, labor standards, and the environment, upon a request by the State and a finding by the Secretary that such a waiver would not be inconsistent with the overall purpose of the statute. The law further provided that the Secretary may waive the requirement that activities benefit persons of low and moderate income, except that at least 50 percent of the funds granted must benefit primarily persons of low and moderate income, unless the Secretary otherwise makes a finding of compelling need. Additionally, regulatory waiver authority is provided by 24 CFR 5.110. The following waivers and alternative requirements came in response to written requests from the State of Mississippi and are being retained, with the exception of some of the overall benefit waivers, after reconsideration.

The Secretary has found that the following waivers and alternative requirements, as described below, are not inconsistent with the overall purpose of 42 U.S.C. 5301 *et seq.*, Title I of the Housing and Community Development Act of 1974, as amended (the 1974 Act); or of 42 U.S.C. 12704 *et seq.*, the Cranston-Gonzalez National Affordable Housing Act, as amended.

Under the requirements of the Department of Housing and Urban Development Act, as amended (42 U.S.C. 3535(q)), regulatory waivers must
