2. MODIFICATIONS

Listed below are the Major Modifications from the Fiscal Year (FY) 2011 Program Funding Announcement:

a. There will be no PEI Performance Based component category for FY2012. This is similar to FY2011. Therefore, the Performance Based funding amount totaling \$7,261,954 (listed under the Program Award Information Section) is not funding for new Performance Based applicants, but funding allocated for previous FY2010 PEI grantees who were awarded Performance Based grants for a three-year duration. Those grantees will receive funding under the PEI-Performance Based component until completion of the grant period.

b. As a threshold requirement for PEI Multi-Year funding, applicants that received FY2010 PEI-PB funding are not eligible to apply under this component because they will continue to be funded through the expiration of their grant. This threshold requirement does not bar FY2010 PEI-PB applicants from applying for other FY2012 components/initiatives, if the applicant meets the specific eligibility requirements for that component/initiative. Additionally, organizations that received FY2011 Multi-Year funding are not eligible to apply for additional Multi-Year funding (PEI/MY) until the year in which the current three-year grant's duration expires. PEI Multi-Year funding is considered additional funding to qualified organizations to support continuation of on-going activities and the expansion or creation of systemic investigations of housing discrimination. However, applicants should be aware that Multi-Year funding is not an automatic funding source for existing grantees. Funding under this and all FHIP initiatives is a competitive process and applicants must meet threshold and other eligibility requirements for funding consideration in future years.

c. PEI Lending Component awardees may not receive a FHOI Lending Component award. Similarly, FHOI Lending Component awardees may not receive a PEI Lending Component award. Awardees are not eligible to receive funding under both EOI- Lending Component and FHOI-Lending Component for the same activities. See chart in Section III.A of this NOFA for all eligibility requirements.

d. For FHOI Establishing New Organizations Component, the sponsored organizations may not receive additional funding under PEI until they become QFHOs and eligible for PEI Multi-Year funding. However, the ENOC sponsored organization is allowed to apply for EOI or FHOI-CDGC funding. An ENOC sponsoring organization is eligible for funding under other initiatives/categories.

e. For FHOI Continued Development General Component (CDGC), applicants applying for FHOI-CDGC are not allowed to combine funds with the PEI Multi-Year component and vice versa. The FHOI-CDGC category is meant for new organizations and organizations that are moving toward eligibility for PEI Multi-Year funding.

f. Disaster Plan. All awardees for FHIP grants are required to provide a continuity of operations disaster plan. Compliance with this requirement means that the grantee will:

(1) Develop an emergency preparedness plan of operations in the event of a disaster (e.g., natural and/or man-made) within their particular geographical region which may affect their ability to operate.

(2) Identify and appoint a Disaster Liaison responsible for ensuring the plan is current and addresses all key areas of the organization (e.g., personnel, equipment, finance, etc.).

(3) All selected grantee's Disaster Liaison will provide copies of the disaster plan to the FHEO Regional Director and Government Technical Representative assigned to them in support of their grant(s). The disaster plan must be presented during the time of grant negotiations, or the grant will not be executed until the plan is provided.

Systemic investigations may include investigation of discrimination in rental, sales, lending, or homeowners insurance practices and may include investigations into whether a HUD funded entity has engaged in discriminatory practices or has failed to affirmatively further fair housing. Systemic investigations may be local, regional, or national in scope.

II. AWARD INFORMATION

A. FY 2012. For Fiscal Year 2012, \$42,500,000 is appropriated for the Fair Housing Initiatives Program (FHIP). This appropriated amount may be supplemented by recaptured FHIP funds awarded in previous years. Of this amount, approximately \$41,180,000 is being made available on a competitive basis to eligible organizations responding to this FHIP NOFA. For a program breakdown by Initiative/Component, eligible applicant, funding, and project period of performance for each component, see the chart in Section III A.

B. Award Instrument. HUD expects to award a cost reimbursable cooperative agreement or grant agreement to each applicant selected for award. The type of funding instrument HUD may offer a successful applicant which sets forth the relationship between HUD and the awardee will be a grant or cooperative agreement, where the principal purpose is the transfer of funds, property, services, or anything of value to the awardee to accomplish an eligible public purpose.

The agreement will identify the eligible activities to be undertaken, financial controls, and special conditions, including sanctions for violations of the agreement, reporting requirements including sub-recipient reporting requirements under the Federal Financial Assistance Accountability and Transparency Act of 2006, and integrity requirements under Section 872 of the Duncan Hunter Defense Authorization Act of 2009. HUD will determine the type of instrument under which the award will be made and monitor progress to ensure that the awardee has achieved the objectives set out in the agreement. Failure to meet such objectives may be the basis for HUD determining the awardee to be in default of the grant or cooperative agreement and for exercising available sanctions, including suspension, termination, and/or recapture of funds. Also, HUD may refer violations or suspected violations to enforcement offices within HUD, the Department of Justice, or other enforcement authorities.

If funds are provided subject to a Cooperative Agreement, HUD will also exercise the right to have substantial involvement by conducting monitoring reviews, requesting quarterly reports, approval of all proposed deliverables documented in the applicant's Work Plan or Statement of Work (SOW), and determining whether the agency meets all certification and assurance requirements.

C. Start Date. For planning purposes, HUD will require a start date of May 31, 2012. Applicants should adjust their budgets, staffing, and SOWs to adhere to this mandatory start date.

h. Inconsistencies in the Requested Amount or Miscalculations. inconsistencies in the requested amount and/or miscalculations that result in amounts over the maximum award amount will be considered excessive and the application will be considered ineligible.

i. Performance. FHAP agencies under a suspension or performance improvement plan based on an agency performance, as designated under CFR Part 115.210(B) at the time of application are ineligible for funding unless the performance issues are resolved to HUD's satisfaction before the application deadline.

j. Eligible Activities. When the majority of the activities are ineligible, HUD will not fund the application.

k. Fair Housing Act/Protected Classes. Applicants that fail to address housing discrimination under the provisions of the Fair Housing Act will be ineligible.

l. Research Activities. Applicants are ineligible for funding if any of their project is aimed solely at research.

m. Suits Against the United States. An application is ineligible for funding if, as a current recipient of FHIP funds (within the last three years), the organization used any funds provided by HUD for the payment of expenses in connection with litigation against the United States (24 CFR 125.104(f)).

n. Other Litigation. An application is ineligible for funding if the organization used funds provided by HUD (within the last three years) under this Program to settle a claim, satisfy a judgment, or fulfill a court order in any defensive litigation (42 U.S.C. 3616 note Sec. 561 (i)).

Applicants that do not meet these requirements will not be eligible to receive an award.

2. Program Requirements.

a. Fair Housing Related Activities. All the activities and costs within the Statement of Work (SOW) and budget must be fair housing related activities, and must demonstrate a connection to furthering the nondiscrimination provisions of the Fair Housing Act and substantially equivalent fair housing laws. HUD will not fund any portion of an application that is not eligible for funding under the regulatory requirements; or that does not meet the requirements under this NOFA. Only the eligible portions of a successful application will be funded.

b. Fair Housing Act/Protected Classes. All FHIP-funded projects must address housing discrimination because of race, color, religion, sex, disability, familial status, and/or national origin and further the nondiscrimination provisions of the Fair Housing Act. The project may address discrimination based on gender stereotyping (e.g., gender identity discrimination). In addition, the project may address source of income discrimination if the organization believes that a practice that is neutral on its face and has been applied neutrally has disparate impact on a protected class under the Fair Housing Act or discrimination based on source of income contributes to a failure to affirmatively further fair housing. HUD is determined to ensure equal opportunity and access to housing in all communities across the nation. All services and activities must be available to the protected class members. The application's description of proposed activities must reflect the commitment to address housing discrimination affecting all of the above protected classes.

3. Additional Requirements.

a. Affirmatively Furthering Fair Housing (AFFH). Under section 808(e)(5) of the Fair Housing Act, HUD has a statutory duty to affirmatively further fair housing (see section III.C.5.d. of the **General Section** for more information). Actions taken should be designed to address impediments to fair housing choice that are identified in the Analysis of Impediments to Fair Housing Choice of the jurisdiction(s) in which the program activities occur; remedy discrimination in housing and urban development activities; promote diverse, integrated living patterns; and promote housing-related opportunities that overcome the effects of past discrimination based upon race, color, national origin, religion, sex, disability, and familial status. Consistent with the Department's FHIP rule at 24 CFR 125.105, applicants must describe practices in the proposed service area that adversely affect the achievement of the goal of fair

housing; specify activities to address these adverse practices to be conducted with FHIP funds, including the final product(s) and/or any reports to be produced; and describe the expected long-term results. Applicants will provide this information in their responses to the Rating Factor Three.

b. Compliance with Fair Housing and Civil Rights Laws.

(1) With the exception of federally recognized Indian tribes and their instrumentalities, (a) applicants and their sub recipients must comply with all applicable fair housing and civil rights requirements in 24 CFR 5.105(a), including, but not limited to, the Fair Housing Act, Title VI of the Civil Rights Act of 1964, Section 504 of the Rehabilitation Act of 1973, Title II of the Americans Disabilities Act, and Section 109 of the Housing and Community Development Act of 1974; and (b) if the applicant's state or local government has passed a law or laws proscribing discrimination in housing based on sexual orientation or gender identity, or a law or laws proscribing discrimination based on lawful source of income, the applicant and any proposed sub-recipients must comply with those laws.

(2) If the applicant is conducting programs or activities with funds received under a HUD program NOFA in a state or local jurisdiction that has passed a law or laws proscribing discrimination in housing based upon sexual orientation or gender identity; or, a law or laws proscribing discrimination in housing based on lawful source of income, the applicant and its subrecipients must comply with those laws of the states or localities in which the programs or activities are conducted as well.

(3) If you are a federally recognized Indian tribe, you should review the particular civil rights requirements for the funding program specified in the program's authorizing legislation, implementing regulations, and funding notice. For example, for programs authorized under the Native American Housing Assistance and Self-Determination Act, the nondiscrimination provisions enumerated at 24 CFR 1000.12 apply. Furthermore, the applicable civil rights requirements may depend on whether the applicant is a Federally-recognized tribe.

c. Executive Order 13166, "Improving Access to Services for Persons with Limited English Proficiency (LEP)."

Executive Order 13166 seeks to improve access to federally assisted programs and activities for individuals who, as a result of national origin, are limited in their English proficiency. Applicants obtaining federal financial assistance from HUD shall take reasonable steps to ensure meaningful access to their programs and activities to LEP individuals. As an aid to recipients, HUD published *Final Guidance to Federal Financial Assistance Recipients: Title, VI Prohibition Against National Origin Discrimination Affecting Limited English Proficient Persons* (LEP Guidance) in the Federal Register on January 22, 2007 (72 FR 2732). For assistance and information regarding LEP obligations, go to http://www.justice.gov/crt/lep/guidance/HUD_guidance_Jan07.pdf. For more information on LEP, please visit <http://www.hud.gov/offices/fheo/promotingfh/lep.cfm>.

d. Accessibility Requirements.

All grant recipients and sub-recipients must use facilities and services that are physically accessible to persons with disabilities. Where physical accessibility is not achievable, recipients and sub-recipients must give priority to alternative methods of product delivery that offer

programs and activities to qualified individuals with handicaps in the most integrated setting appropriate in accordance with Section 504 of the Rehabilitation Act of 1973 (29 U.S.C. §794) and its implementing regulations at 24 CFR Part 8, and Title III of the Americans with Disabilities Act.

e. Accessible Technology.

Section 508 of the Rehabilitation Act (Section 508) requires HUD and other federal departments and agencies to ensure, when developing, procuring, maintaining, or using electronic and information technology (EIT), that the EIT allow, regardless of the type of medium, persons with disabilities to access and use information and data on a comparable basis as is made available to and used by persons without disabilities. Section 508's coverage includes, but is not limited to, computers (hardware, software, word processing, email, and Internet sites), facsimile machines, copiers, and telephones. Among other things, Section 508 requires that, unless an undue burden would result to the federal department or agency, EIT must allow individuals with disabilities who are federal employees or members of the public seeking information or services to have access to and use of information and data on a comparable basis as that made available to employees and members of the public who are not disabled. Where an undue burden exists to the federal department or agency, alternative means may be used to allow a disabled individual use of the information and data. Section 508 does not require that information services be provided at any location other than a location at which the information services are generally provided. HUD encourages its funding recipients to adopt the goals and objectives of Section 508 by ensuring, whenever EIT is used, procured, or developed, that persons with disabilities have access to and use of the information and data made available through the EIT on a basis comparable as is made available to and used by persons without disabilities. This does not affect recipients' required compliance with Section 504 of the Rehabilitation Act and, where applicable, the Americans with Disabilities Act. Applicants and recipients seeking further information on accessible technology should go to <http://www.section508.gov/>.

f. Economic Opportunities for Low-and very Low-Income Persons (Section 3).

While the requirements of Section 3 of the Housing and Urban Development Act of 1968 do not apply to this NOFA, recipients of funding under this program should attempt to ensure that low- and very low-income residents of the metropolitan area where these funds are spent, particularly those that receive federal housing assistance, be informed of new training and employment opportunities created as a result of the funds awarded.

g. Eligibility of Successor Organizations for PEI. HUD recognizes that QFHOs and FHOs may either merge with each other or other organizations. The merger of a QFHO or an FHO with a new organization that has a separate Employer Identification Number (EIN) does not confer QFHO or FHO status upon the successor organization. To determine whether the successor organization meets eligibility requirements for this Initiative, HUD will look at the enforcement-related experience of the successor organization (based upon the successor organization's EIN). The successor organization must establish in its application that it is a private, tax-exempt organization with the requisite two years of enforcement related experience for a QFHO or one year experience for an FHO to be eligible to apply under the PEI Initiative. For the PEI Multi-year Funding Component, when QFHOs merge with another QFHO during the period of performance, HUD will look at the enforcement related experience of the merged

organization to determine continued eligibility status as a QFHO. When QFHOs merge with a FHO with one year experience or less, HUD will assess the eligibility of the new organization under the PEI Multi-year Funding Component. If HUD determines that the organization is eligible, then HUD will issue a new award agreement and require submission of a Code of Conduct for the new organization as well as an establishment of the new LOCCS account. In addition, the new organization must secure a new DUNS number and have an active registration in CCR before HUD will make the award to the new organization or allow additional funds to be drawn.

h. Education and Outreach Initiative National Based Program. National Media Campaign Component. Applicants must meet the eligibility requirements for EOI as outlined in Section III.A.1 of this NOFA. QFHOs, other fair housing enforcement organizations, and other nonprofit organizations representing groups of persons protected under Title VIII of the Civil Rights Act of 1968. Applicants must have at least five years of experience as an advertising, media or public relations organization or must partner with an advertising and media services organization with at least five years of experience as an advertising, media, or public relations organization. Applicants must provide a centralized coordination interactive media-based effort for the development, Applicants will be ineligible if they fail to meet these requirements.

i. Education and Outreach Local/Regional/Community Based Program. Affirmatively Furthering Fair Housing Training Component. Applicants must develop and implement an affirmatively furthering fair housing training curriculum suitable for audiences such as recipients of federal financial assistance, including but not limited to CDBG recipients; HOME program, or other supportive housing services and housing/economic development programs; affordable housing planners and/or developers; community development members; public housing authorities; affordable housing developers; housing counseling agencies or organizations involved in community development planning or economic development or planning for development and fair housing organizations about best practices to affirmatively further fair housing, and access to appropriate data sources. Activities should include providing basic affirmatively further fair housing education and must address strategies that are consistent with applicable laws, regulations and HUD guidance.

j. Private Enforcement Initiative and Fair Housing Organizations Initiative.

(1) Lending Discrimination Components. Eligible activities include but are not limited to:

(a) Intake and Investigation. (b) Investigation of Systemic Violations. Investigation of possible systemic violations and enforcement pursuant to other equal opportunity or fair lending statutes that accompany a suspected fair housing violation including but not limited to the investigation of mortgage rescue scams, especially those targeted at one or more groups protected against discrimination under the Act;

(c) Loan Workouts/Refinancing/Modifications. Assisting clients with loan workouts, refinancing, or modifications necessary as the result of a violation of the Fair Housing Act or other lending law; and

(d) Education and Outreach under PEI and FHOI. Education and outreach activities may include:

(1) Education. Providing education and counseling to persons who may have encountered lending discrimination in services, terms, strategies, or schemes related to the prevention of mortgage default or foreclosure. Such training may include:

(a) Training on discriminatory lending practices such as:

- (i) Bait and switch schemes;
- (ii) Loan flipping;
- (iii) Loan packing;
- (iv) Mortgage servicing scams; and
- (v) Equity stripping.

(b) Training on discriminatory tactics used may include:

- (i) Bombarding vulnerable owners with phone calls, flyers and posters to build trust after learning of mortgage delinquencies through published reports;
- (ii) Isolating victims from legal advice and from their lenders by assuring victims that they will handle all details of their mortgage delinquency; and
- (iii) Having owners sign paperwork without telling victims what they are signing.

NOTE: Applicants must provide activities that alert persons protected under the Act of the above unfair lending practices.

k. Private Enforcement Initiative. Multi-Year Component. Applicants that received FY2010 PEI-PB or FY 2011 PEI-MY funding are ineligible to receive a new FY2012 PEI-MY grant. They will receive funding under their current PEI-PB and PEI-MY grants .

l. Single Audit Requirement. All applicants who have expended \$500,000 or more in Federal financial assistance within a single year (this can be a program or fiscal year) must be audited in accordance with the OMB A-133 requirements as established in 24 CFR Part 84 and 24 CFR Part 85. If you receive \$500,000 or more in Federal financial assistance, applicants must set aside funds to complete the audit.

m. Tax Exempt Status. Applicants for PEI and FHOI must be a 501(c)(3) tax-exempt organization as determined by the Internal Revenue Service (IRS) prior to the application deadline date to be eligible for funding. Please provide an IRS report showing 501(c)(3) status. This requirement is not applicable to EOI applicants.

n. Dun and Bradstreet Numbering System. (DUNS) Numbering Requirement. Refer to the **General Section** for information regarding the DUNS requirement. You will need to have a DUNS number to apply for funding via grants.gov as well as receive an award from HUD. The DUNS number used in the application must be for the applicant organization identified in Box 8a on the HUD424, Application for Federal Financial Assistance.

o. Independence of Awards. The application submitted must be independent and capable of being implemented without reliance on the selection of other applications. Applicants applying under one of the FHIP Initiatives may not use the performance (e.g., performance review rating or successfully completed activities) of another organization to meet the requirements of Rating Factor 1.

p. Testing Requirements for PEI and FHOI Applicants. All applicants that propose testing must review the FHIP Regulation at 24 CFR 125.107 and reflect these requirements in their application. Further, in addition to meeting the requirements of 24 CFR 125.107, applicants should be prepared to adopt policies and practices that include a criminal background check on potential testers and a requirement that potential testers certify under penalty of perjury that they meet the requirements under that section.. Costs for all background checks should be included in the applicant's budget.

q. FHOI-ENOC Sponsoring Organization Certification. Under the FHOI-ENOC competition, if you are sponsoring an organization, you must submit the application and must certify that the sponsored organization has the ability to become a FHO. The period of performance for the award of funds to assist in establishment of an organization is 12-18 months. Total funding is awarded to the sponsoring organization which then distributes funding to the sponsored organization based upon performance. If performance for the sponsored organization falls below "Good," the sponsoring organization will immediately notify the HUD Government Technical Representative (GTR) of the performance shortfalls and suspend all funding. The HUD GTR will conduct a monitoring review of the sponsored and sponsoring organizations to ensure all financial and management systems are adequate. If HUD makes the determination that financial and management systems of the sponsored organization are not adequate, HUD may provide technical assistance or terminate the grant. The sponsoring organization may expend FHIP funds for administrative purposes as described above.

r. Training Funds. The proposed budget must set aside \$10,000 annually to be utilized to participate in HUD mandatory sponsored or approved training. For the PEI Multi-Year component, the proposed budget must set aside \$10,000 annually for a 36-month duration subject to availability of appropriations. Also, sponsoring organizations should set aside \$10,000 annually for ENOC sponsored organizations to participate in HUD mandatory sponsored or approved training.

If the applicant is awarded more than one grant, HUD reserves the right to examine the requested trainings needs. If additional training funds are not needed, HUD reserves the right to transfer funds back to fair housing activities during negotiations.

D. Intergovernmental Agency Review Intergovernmental agency review is not required for this program.

E. Funding Restrictions

1. Indirect Cost Rate. If you are awarded FHIP funds, HUD staff will request that you provide your federally approved indirect cost rate during budget negotiations. If you do not have a federally approved indirect cost rate and HUD is the cognizant agency, HUD will submit a request within 30 days after award to establish a rate. For information on indirect cost rates, you can review HUD's training on http://portal.hud.gov/hudportal/HUD?src=/program_offices/administration/grants/training/odgmotraining.

2. Retainer Fees. FHIP recipients are under specific restrictions regarding establishment of retainer agreements and recovery of legal fees from HUD-funded cases. Data on fees,

settlements, and verdicts are matters of public record. Awardees must provide this information to HUD on an annual basis. Neither the grantee nor the individual(s) on whose behalf any action is filed can request that HUD waive these provisions.

3. Reimbursement Requirement. PEI and FHOI grantees are required to reimburse the Federal government the amount of the grant from all financial settlements, conciliations, and agreements reached as a result of their use of FHIP funds. With prior approval from the HUD Government Technical Representative (GTR), grantees may choose to use the funds as program income to further fair housing activities rather than returning these funds to HUD.

4. PEI and FHOI Limitations for Education & Outreach. There is a 20 percent limit on the dollar amount allowed for education and outreach related activities that can be funded in an enforcement award. If you exceed the limit, points will be deducted in the rating process and if awarded, funds will be adjusted to maintain the required limitation.

5. Fair Housing Organizations Initiative-Establishing New Organizations Initiative. ENOC sponsoring organizations are only eligible to receive up to 15 percent of the funding under the grant for administrative expenses associated with establishing the sponsored organization. In addition, the sponsoring organization must submit a statement outlining:

(a) What is expected of the sponsored organization; and

(b) The mission of the sponsored organization and a timeline for creation of an independent sponsored organization.

F. Other Submission Requirements: If you cannot access the toll-free number or experience problems, you may use (215) 825-8798 (this is not a toll-free number). Applicants must follow the directions provided in the **General Section** (section IV.B.6.d.(3)(b)) for faxing information as part of their application submission. When attaching files to the application using the attachments form, applicants must strictly adhere to the file naming requirements in the **General Section** (see section IV.B.6.d. (1) through (2)). Failure to do so will result in the application being rejected by the Grants.gov system with a “VIRUS DETECT” error message.

G. Waiver Requests. Electronic delivery via Grants.gov is HUD’s required method for application submission. Applicants interested in applying for FHIP funding must submit their applications electronically or request a waiver from the Assistant Secretary for Fair Housing and Equal Opportunity. The request must state the basis for the waiver. HUD’s regulation on waivers, found in 24 CFR part 5, states that waivers can be granted for cause.

Applicants must submit their waiver requests, in writing at least 15 days prior to the application deadline, to:

Assistant Secretary for Fair Housing and Equal Opportunity
451 7th Street, SW
Room 5100
Washington, DC, 20410

A copy of all waiver requests must simultaneously be submitted to:

Myron P. Newry, Director, FHEO-FHIP Division
451 7th Street, SW
Room 5226
Washington, DC, 20410

If you are granted a waiver, the notification will provide instructions on where to submit the application and how many copies are required. If you receive a waiver of the electronic application submission requirement, your paper copy application must be received by HUD in room 5226 no later than 4:30 pm eastern time on the application deadline date. HUD applications are scanned. The scanning facility at HUD Headquarters closes at 5:00 pm eastern time. Applicants must allow adequate time for the application to be scanned through this facility. Applications not received in 5226 by the 4:30 pm Eastern Time deadline date shall be deemed ineligible. There is no grace period for paper application submissions.

HUD will not accept a paper application without a waiver being granted.

V. APPLICATION REVIEW INFORMATION

A. Criteria for PEI, FHOI, and EOI Applications. The criteria for rating and ranking applications, as well as the maximum points for each Rating Factor, are provided below. The maximum number of points awarded any application under the rating factors is 100. An additional two Bonus Points may be applicable for activities conducted within the RC/EZ/EC. The activities must benefit the residents of the RC/EZ/EC. (**General Section V.A.1.a.** for information on RC/EZ/EC bonus points).

Two additional Bonus Points may also be available to applicants that are working in communities that have received Preferred Sustainability Status under the FY2011 Sustainable Communities Regional Planning Grant Program and/or the FY2011 HUD funded Challenge Grant Program (hereafter referred to as the Preferred Sustainability Status Communities). See V.B.1.d.(3) below for additional detailed requirement information.

1. Rating Factor 1: Capacity of Applicant and Relevant Organizational Experience (up to 40 points).

a. For EOI, PEI and FHOI Applicants. This factor addresses the extent to which the organization has the experience and capacity necessary to successfully complete the proposed project by the end of the grant performance period. In rating this factor, HUD will consider the extent to which the applicant clearly does the following;

(1) Activities and Results. Describe your activities and results (outcomes) achieved on previous FHIP grants. PEI Multi-Year and Lending Discrimination Component applicants must specify how FY2012 funds will include the capacity to conduct systemic investigations. Specifically, for the Lending Discrimination Components, applicants must specify how FY2012 funds will increase and extend systemic lending discrimination investigations and outcomes. For the PEI Multi-Year Component, applicants must specify how FY2012 funds will expand PEI FHIP

funded activities or other fair housing enforcement activities towards increased systemic investigations of housing discrimination activities and outcomes.

(2) GTR Final Assessment Report. HUD will also evaluate how well an applicant has performed successfully under completed and/or open HUD FHIP grants. The evaluation will be based on your past FY2008 and/or FY 2009 GTR Final Performance Assessment Report prepared by the HUD Government Technical Representative. If the GTR Final Performance Assessment Report was conducted prior to FY2008, the applicant will be considered a new applicant. Also, FY2010 and FY2011 applicants will be considered new applicants. Applicants must list all HUD FHIP grants received between FY2008 through 2011, including the grant number, dollar amount awarded and the amount expended and obligated as of the date the application is submitted.

(3) Financial Management. HUD will review the GTR Final Assessment Report as an indicator of how applicant managed funds, including but not limited to the ability to account for funding appropriately, timely use of funds received from HUD, meeting performance targets for completion of activities, timely submission of required progress reports; compliance with the program's terms and condition, receipt of promised leveraged resources; and timely closeouts. In assuring financial management capacity, HUD reserves the right to request an assessment of your organization's financial management system and your Board's role in financial management or oversight. Please see the **General Section** under Threshold Requirements for additional information.

In evaluating past performance under this factor, HUD will give GTR Final Performance Assessment Report information to the TEP and reserves the right to deduct points from this rating score as a result of information obtained.

NOTE: Applicants submitting applications under PEI and EOI may not use another organization's GTR Final Performance Assessment Report for assessment under this sub-factor. If you do, you will receive 0 points under this sub-factor and sub-factor b, below.

(4) Staff and Organization Capability. You must describe staff expertise and your organization's ability to complete the proposed activities within the grant period. HUD recognizes that, in carrying out the proposed activities, you may have persons already on staff, plan to hire additional staff, or will rely on contractors or consultants to perform specific tasks. You must describe your staffing plan and the extent to which you plan to add staff (employees) or contractors. If your application proposes using contractors you must provide a statement showing how you will evaluate and provide oversight for each contractor.

(a) Description and expertise of staff (this includes contractors and consultants) (up to 20 points for current FHIP grantees and up to 25 points for new applicants.)

You must show that you will have sufficient, qualified staff who will be available to complete the proposed activities. Applicants must identify each staff person assigned to the proposed project by name and position, and the percentage of time that each staff will devote- to the proposed project. In addition, applicants must identify previous FY 2009 and FY2010 grant awards, and identify each staff person assigned to the previous projects, including staff name,

position and percentage of time devoted to those project(s). Also, applicants must clearly identify staff's fair housing related experience. Staff's time and efforts under each Initiative/Component must be based on a May 31, 2012, start date. If you are applying for multiple grants under the FHIP, you must show in your application how you will manage, operate, and maintain activities, performance requirements and, timetables for these multiple grants.

(b) Organizational Experience (up to 15 points for current FHIP grantees or new applicants). In responding to this sub-factor, you must show that your organization has conducted past project(s) similar in scope and complexity (whether FHIP funded or not) to the project proposed in your application or engaged in activities that, although not similar, are readily transferable to the proposed project.

(c) Performance on past project(s) (up to 5 points for current grantees and 0 points for new applicants). HUD will assess your organization's past performance in conducting activities relevant to your current application. For current FHIP grantees' past performance will be assessed based on your most recent FY2008 or FY2009 GTR Final Performance Assessment Report for FHIP received from your HUD GTR.

- 5 points if you received an "Excellent";
- 3 points if you received a "Good"; and
- 1 point if you received a "Fair"

b. For EOI National Media Campaign Applicants Only.

This factor is an additional requirement to those listed above for EOI National Media Campaign applicants. The factor addresses the extent to which the applicant has the organizational resources necessary to successfully implement the proposed activities in a timely manner, and the applicant's ability to develop and implement large information campaign projects as appropriate on a national level. The rating of the "applicant" or the "applicant's organization and staff" for technical merit or threshold compliance (See Section III.C.3.h. above), unless otherwise specified, will include any sub-contractors, consultants, sub-recipients that are firmly committed to the project. You must describe your staff's experience in production of written materials relating to fair housing education and experience in public relations.

You must show that you have the ability to effectively develop, implement, make modifications as necessary, and manage an interactive online and offline media campaign on a national scale or partner with an organization that has this capacity or that you have comparable experience to undertake a national fair housing training program. If you fail to meet this requirement, no points will be awarded under this factor. Your application must also clearly demonstrate how your organization represents groups of persons protected under Title VIII of the Civil Rights Act of 1968.

c. For EOI Affirmatively Furthering Fair Housing Applicants.

This is an additional requirement to those listed above. Applicants must show your organizational and staff experience in identifying and developing strategies on the obligation to affirmatively further fair housing and in providing written materials and regional/local training to groups of people on issues related to affirmatively furthering fair housing, segregation and racial disparities or fair housing compliance. If you fail to meet these requirements, no points will be awarded under this factor.

2. Rating Factor 2: Need/Distress/Extent of the Problem (up to 20 points)

This factor addresses the extent to which there is a need for funding the proposed activities. The need(s) described must be relevant to the activities for which funds are being requested under factor (3). Applicants should also address the need as it relates to the need for systemic investigations of fair housing issues.

a. EOI (except National based program & Regional/Local Community based AFFH program), PEI and FHIOI.

(1) Need. Describe the specific need(s) that will be addressed under this application:

(2) Continued Need. Describe the continuation of the identified need. For example: Any potential imminent adverse consequences to persons in protected classes covered under the Fair Housing Act if not selected for funding; and

(3) Link Between Need and Activities. Describe the link between the need and your proposed activities. This should include:

(a) The presence of systemic housing discrimination, high segregation indices or other evidence of discrimination prohibited by the Fair Housing Act within the project area.

(b) For the Lending Discrimination Components (PEI, FHIO), applicants must specify how FY2012 funds will increase and extend the systemic housing discrimination investigations and outcomes.

(c) For the PEI Multi-Year Component, applicants must specify how FY2012 funds will expand existing PEI FHIP funded activities towards increased systemic investigations of housing discrimination activities and outcomes

To receive maximum points for this factor there must be a direct relationship between the purpose of the program proposed for FHIP funding, your proposed activities, the fair housing needs of the community or communities, and how you plan to address systemic discrimination in a way that meets those fair housing needs.

Applicants must describe their organization's knowledge of and proximity to the targeted (service) area as well as the urgency of the fair housing needs.

Applicants will not receive the full 20 points under this rating factor unless they address the target area's impediments to fair housing choice. These may be documented in the applicable Analysis of Impediments to Fair Housing Choice or identified by the organization.

Furthermore, applicants should address the need for language assistance services in languages other than English by describing the target population's language needs and actions which will make the applicant's activities available to meet those language needs.

d. EOI National Media Component. This factor addresses:

(1) Documentation of Need. How the applicant documents and defines the national fair housing need that its proposed activities and methods are intended to address;

(2) Approach. How its proposal offers the most effective approach for meeting that national need; and

(3) National Need. Extent to which it defines, describes, and documents the national need the application intends to address, which demonstrates a grasp of the elements of the need, its pervasiveness at the national level, and an understanding of the necessary mass media vehicles to disseminate information to address the need.

The applicant's description of the national need will be used to evaluate the depth of the applicant's understanding of the problem as an indication of ability to address the problem.

To receive maximum points for this factor there must be a direct relationship between the purpose of the program proposed for FHIP funding, your proposed activities, and the way in which your proposal will address fair housing education needs at the national level. Applicant must describe how it will monitor and track the results of the national campaign.

Applicants will not receive the full 20 points under this rating factor unless they address the need for language assistance services in languages other than English as part of meeting the need that has been identified by your application.

c. For the Regional/Local/Community based Affirmatively Furthering Fair Housing Training Component. If you apply for the National Affirmatively Furthering Fair Housing Training Component, you must:

(1) Unmet Need addressed by the Curriculum. Describe how the curriculum will address an unmet need for participants and how the proposed training will meet those needs and what outcomes you expect based upon the proposed need;

(2) AFFH. Show how your curriculum will address the obligation to affirmatively further fair housing (AFFH) and potential appropriate strategies to affirmatively further fair housing for states, entitlement jurisdictions and public housing authorities; and

(3) Training Delivery. Describe how the curriculum and training will address those strategies and the proposed deliverables for the training delivery. Training materials must include, at a minimum, a participant manual, a power point presentation, exercises, and an evaluation form. The application must describe how the services will assist the Department in meeting its stated goals and sub-goals.

To receive the full 20 points for this factor there must be a direct relationship between the purpose of the program proposed for FHIP funding, the proposed activities, and the affirmative furthering fair housing needs of the participants. Applicants must describe their organization's knowledge of the national need as well as the urgency of the fair housing needs.

3. Rating Factor 3: Soundness of Approach (up to 28 points). This factor addresses the soundness, quality, and effectiveness of the proposed work plan and the commitment of the applicant to sustain the proposed project activities. Points are awarded under this factor for the quality of the approach or method used to implement the activities proposed in relation to the need(s) identified in factor (2). For each policy priority you must discuss the relationship of your activities to HUD's Strategic Goals and sub-goals.

For Multi-year applicants, if you addressed HUD's Strategic Goals and sub-goals in your FY2011 application, you must show how you will continue those activities with these funds and include or expand your work to support systemic investigations. You must assure that your project addresses performance measures/outcomes in support of these goals and provide a SOW and budget to establish a numerical baseline and targets for those measures. If applicants addressed specific policy priorities or strategic goals in the FY2011 application which was funded but feel there is a need to change strategies for FY2012, the goal may be switched, but the new goal must still be consistent with the development of systemic investigations; the applicant must show how both goals will complement the organization's final objective.

a. Support of Policy Priorities (up to 5 points).

As described in the General Section, HUD is encouraging applicants to undertake programs and projects consistent with the HUD's Strategic Goals and HUD's Policy Priorities policy. Under this program, NOFA applicants are required to address the following policy priorities to receive policy priority points:

(1) Affirmatively Furthering Fair Housing (up to 3 points). HUD is interested in funding housing and community development activities that afford residents an opportunity to live in a variety of neighborhoods and not be confined to affordable housing choices in areas of high poverty or areas that are not racially or ethnically diverse. Recognizing that housing and community development efforts must address a complex network of social and economic factors in order to promote more diverse, inclusive communities, HUD seeks to encourage its grantees to undertake comprehensive and innovative strategies to affirmatively further fair housing. To earn full points for this Policy Priority, applicants must go beyond the minimum affirmatively furthering fair housing requirements of this NOFA to which they are applying and demonstrate a history of success at affirmatively furthering fair housing, including a description of measurable outcomes the applicant has achieved. To receive the full 3 points under this Policy Priority an applicant must respond to at least three of the activities listed below and explain how success will be measured during the grant performance period. Applicants must also explain how they will collect the related baseline and outcome data, and provide evidence of their capacity to collect and interpret the data.

These activities are:

- (a) Housing Discrimination.** Analyzing and eliminating housing discrimination in your jurisdiction or multiple jurisdictions for the national applicants;
- (b) Housing Choice.** Promoting fair housing choice for all persons;
- (c) Inclusive Communities.** Providing opportunities for inclusive patterns of housing occupancy regardless of race, color, religion, sex, familial status, disability or national origin;
- (d) Persons with Disabilities.** Experience in conducting on a regional/local/community based project or national project promoting housing that is structurally accessible to, and useable by, all persons, particularly persons with disabilities;
- (e) Expanding Opportunities Outside Institutional Settings.** Helping individuals with disabilities find housing outside of an institution setting; and
- (f) Compliance.** Fostering compliance with the nondiscrimination provisions of the Fair Housing Act. This includes:
 - (i) Eliminating Barriers.** Identifying and developing concrete plans to remove discriminatory barriers to housing choice;
 - (ii) Systemic Barriers.** Addressing systemic discrimination barriers.

(2) Capacity Building and Knowledge Sharing (up to 2 points). HUD recognizes that successful program implementation can occur only in partnership with effective grantees. Working with our partners to align programs is fundamental to building resiliency in difficult economic times. Capacity building is therefore critical to strengthen the capacity of HUD's partners – especially state and local governments. Capacity building is the development of core skills within partner organizations. Increased technical capabilities and knowledge sharing will allow HUD's partners to participate in decision making and planning process, coordinate on cross-programmatic, place-based approaches, and ensure that expertise is institutionalized. Capacity building is featured in HUD's Strategic Plan for FY2010-2015, Goal 4 (See Section 1.C). Specifically, Sub-goal 4E reads, "Build the capacity of local, state and regional public and private organizations." HUD seeks to fund grantees that undertake activities that build enduring capacity of partners and mechanisms for knowledge sharing.

To earn policy priority points, applicants should focus on the following activities:

(a) Strengthening the capacity of state and local partners, including governments and nonprofit organizations, to affirmatively further fair housing, implement HUD's programs, participate in decision making and planning processes to ensure racially diverse communities, and coordinate on cross-programmatic, place-based approaches through grant making and technical assistance to eliminate discriminatory barriers within particular jurisdictions or regional areas; and

(b) Support knowledge sharing and innovation by disseminating best practices, peer-to-peer learning experiences, publishing analyses based on data or research including testing, and helping to incubate and test new ideas for the creation of diverse communities where unlawful discrimination does not exist.

To receive additional points for this policy priority, grantees must go beyond the threshold requirements of this NOFA. Successful applicants must detail how the applicant will provide knowledge-sharing experiences to their relevant organizations such as community development agencies of jurisdictions, owners of assisted and private market housing, local community decision makers, transportation agency staff, FHAP or other fair housing agency operations or others that influence decisions about placement of housing and disparities in access to opportunity within your community. Further, successful applicants must demonstrate in the proposed program design and implementation that the applicant's project activities will result in long-term benefits and increase capacity to assess the knowledge of, and educate the public on fair housing, affirmatively furthering fair housing, expansion of affordable housing into areas of high opportunity and/or affirmative marketing (on a regional/local community based project). Applicants must also describe in the eLogic Model the methods they will employ to measure and report to HUD on their progress at achieving these outcomes.

b. Proposed Statement of Work (SOW) and Information Requirements (up to 12 points).

This sub-factor will be evaluated on the extent to which the applicant provides a clear detailed description of the proposed project activities, and the anticipated results (outcomes) they will have on the target area(s) at the end of the grant's performance period. The Statement of Work (SOW) must describe in detail all proposed project activities and major tasks /steps to complete the proposed activities) required to successfully implement the proposed project. The SOW must also identify the anticipated measurable outcomes these activities will have on the targeted population, as well as key team members/staff and partners, as identified in Factor 1 who will be responsible and accountable for completing each major task.

In addition Multi-year Component applicants must also identify in their SOW and budget activities the continuation of existing activities or expansion or creation of systemic investigation(s) based on prior 2011 PEI FHIP funded activities or other fair housing enforcement activities. Applicants for the Multi-year Component will also be required to submit a SOW and a separate budget for each actual year of the organization's activities. Funding for additional years beyond FY2012 is subject to the availability of appropriations.

(1) National Media Campaign Component Applicants. In addition to addressing the requirements for all applicants, HUD anticipates that products will be available in at least 2 languages, including English. Deliverables may include social media utilization for education, and Rich Site Summary (RSS) feeds. Deliverables may also include written educational materials such as brochures, fliers, and other fair housing material posters and other graphic materials such as bus ads or mall ads, videos or other educational material and training material such as power points for identified audiences suitable for providing fair housing education on various topics. Graphic materials may include, but are not limited to, separately produced and printed posters or bus ads for national public dissemination, brochures and other written materials or ads or other outreach materials to be distributed to targeted audiences through social media that are designed to educate individuals, organizations and housing providers about the provisions of the Fair Housing Act.

The applicant should plan to produce adequate number of printed and training materials for national distribution to a wide range of audiences. The application should specify the intended audiences of the educational material.

The applicant will be expected to develop a common theme for the materials which may be based on past national media campaigns, such as HUD's "Live Free", "Welcome Home" and "Fair Housing...It's the Law" themes, or a newly developed theme which addresses a broad fair housing message. Materials should be graphically connected to each other by color, image or text or all three.

The proposed SOW should clearly identify the proposed activities, the specific deliverables and the anticipated outcomes.

(2) For the Regional Local Affirmatively Furthering Fair Housing Training Component Only. In addition to the requirements for applicants, applicants for the Regional Local Affirmatively Furthering Fair Housing Training Component must create a web-based and/or live classroom training session(s) to educate CDBG entitlement jurisdictions, HOME Program or other supportive housing services and housing/economic development programs; affordable housing planners and/or developers; community development members; public housing authorities; affordable housing developers; housing counseling agencies or organizations involved in community development planning or economic development or planning for developments and fair housing organizations on Affirmatively Furthering Fair Housing issues and provide a plan for delivery of the training sessions and written material. Web-based training may be available using any number of media sources.

c. Budget and Cost Estimates (up to 11 point).

For all Applicants. HUD will assess the soundness of the planned approach by evaluating the quality, thoroughness, necessity, cost effectiveness, and reasonableness of costs to carry out the project activities, as well as the appropriateness of budget allocations and rationality of the proposed budget and narrative. The budget information provided will be evaluated based on whether the expenses are reasonable, thoroughly explained, supported, and appropriate to carry out the proposed project. Your budget must relate to the tasks in the SOW, including identifying key team members/staff and partners, as identified in Factor 1 who will be

responsible and accountable for completing major task, and to HUD's Program Outcome Logic Model (HUD -96010). Failure to provide a written Narrative Budget Work Plan will result in a 2 points reduction.

4. Rating Factor 4: Leveraging Resources/ Developing Partnership (up to 2 points). This factor addresses the ability of the applicant to increase capacity by developing partnerships and securing resources that can be combined with HUD's FHIP funds. It is HUD's intent that these resources will assist the organization through this project in achieving its purpose and long-term commitment to the community after funds have expired. To receive full points under this factor an applicant must have both internal resources (provided by the applicant) and external resources.

a. Firm Commitment of Leveraging or Collaboration. HUD requires applicants to secure resources from sources other than what is requested under this FHIP NOFA. Leveraging of community resources may include funding or in-kind contributions, such as workspace or services of equipment, allocated to facilitate proposed project activities. Contributions or cash from the applicant, affiliates, subsidiaries, divisions, or employees of the applicant do not qualify as in-kind contributions. Cash or funds from an applicant's previously established investment account(s) may qualify as in-kind resources; however, support documentation must be provided. Resources may be provided by governmental entities (including other HUD programs if such costs are allowed by statute), public or private nonprofit organizations, faith based organizations, for profit or civic private organizations, or other entities' planned contributions. In order to obtain points for leveraging third party resources you must provide signed letters of firm commitment or signed agreements from the organizations and/or individuals that will provide financial or in-kind support for your project on the respective organization's letterhead. See **General Section** (section IV.B.6.d.) for instructions on how third party documents are to be submitted to HUD via the electronic submission process.

(1) For All Applicants. Each letter of firm commitment or documents must:

(a) State definitively a commitment to provide funding or in-kind resources (although the commitment may be on the condition that your organization receives a FHIP award);

(b) Identify the organization and/or individual committing resources to the project and state the timeline for use of these funds in relation to the project. The letter must identify any affiliation with the applicant;

(c) Identify the sources and amounts of the leveraged resources (the total FHIP and non FHIP amounts must match those in your proposed budget submitted under Rating Factor 3); and

(d) Describe how these resources will be used under your SOW; and Be dated and signed by the individual or organization official legally able to make commitments for the organizations on the organization's official letterhead.

If the resources are in-kind or donated goods, the firm commitment letter must indicate the fair market value of those resources and describe how this fair market value was determined. Do not include indirect costs as a part of any in-kind resources. In-kind leveraging contributions, as well as Program Income must comply with 24 CFR 84.23 and 84.24 requirements. Goods and

services secured with FHIP funds cannot be used for any in-kind or donated services (for example, services of a current staff person on a FHIP funded project).

There will be no points awarded for general letters of support endorsing the project from organizations, including elected officials at the local, State, or national levels, and/or individuals in your community. If your project is not supported by at least 10% of non-FHIP resources, then you will not receive any points under this factor. Points will be assigned for each Initiative based on the following scale:

Points Awarded	Leveraging Resources
One	From 10 percent to less than 30 percent of total project costs from non FHIP resources
Two	30 percent or more of total project costs from non-FHIP resources OR Less than 30 percent of total project costs from non-FHIP resources AND a letter of firm commitment from a FHAP which when combined together exceeds 30 percent of the total project costs

5. Rating Factor 5: Achieving Results and Program Evaluation (10 Points)

This factor reflects HUD's goal to embrace high standards of management and accountability. It measures the applicant's commitment to assess their performance to achieve the projects' proposed objectives and goals. Applicants are required to develop an effective, quantifiable, outcome-oriented evaluation plan for measuring performance and determining that objectives and goals have been achieved by using HUD's Program Outcome Logic Model (HUD -96010). The Logic Model is a summary of the narrative statements presented in Factors 1 through 3. Therefore it should be consistent with the information contained in the narrative statements. In evaluating this factor, HUD will assess the extent to which the applicant demonstrates how results of the project will be measured as outlined in the proposed Statement of Work. To meet this factor requirement, applicants must submit a completed eLogic Model[®] (HUD-96010). Instructions on use of the eLogic Model[®] are provided in the form itself. The form is part of the Instructions download found at http://www.grants.gov/applicants/apply_for_grants.jsp. A narrative response is not required for this Rating Factor as all applicants must use the eLogic Model[®] form. Applicants that submit narrative responses rather than use the eLogic Model[®] form found in the instructions download or provided by HUD will receive no points under this Rating Factor. Applicants who have identified outputs and outcome measurements and methods for assessing those against commitments made in the application, will receive higher points than those that do not. Please see the Logic Model Assessment Matrix found in Attachment 1 of the **General Section**. The only submission requirement for this Rating Factor is HUD's Logic Model (HUD96010).

If applicants do not have access to Excel, please contact the Office of Departmental Grants Management and Oversight at 202-708-0667. Requests for assistance to obtain a customized

eLogic Model[®] must be made at least 15 days prior to the application deadline to allow the ability to fulfill the request.

Applicants should also review the Logic Model training which can be found at http://portal.hud.gov/hudportal/HUD?src=/program_offices/administration/grants/training/odgmotraining. The Logic Model includes:

a. Needs. HUD will review the proposed activities/outputs and outcomes (as the units of measurement you select for evaluating the impact of your proposed project) in relation to the needs of your intended audience or target populations.

b. Output. The Logic Model has a prepared list of activities, outcomes, and indicators associated with Fair Housing. Some examples of activities and outputs for PEI and EOI applicants can be found at

http://portal.hud.gov/hudportal/HUD?src=/program_offices/administration/grants/fundsavail

Applicants must select one or more activities from the listing of “Fair Housing Services Provided” that will be undertaken by their organization. You must select from the list “Fair Housing Services Provided” and may not add additional services to that list to receive points under this Rating Factor. HUD will review the direct products of the applicant’s activities that lead to the ultimate achievement of outcomes.

c. Outcome. Applicants must choose from this list of “Year 1, Year 2, or Year 3” outcomes that are provided as part of the FHIP NOFA, as appropriate, or applicants may choose “Other” outcomes. If “Other” outcomes are identified, applicants must provide a brief statement to describe these activities or outcomes. Applicants who do not either select from the list “Outcomes and Indicators” or select “Other” but fail to provide a brief description of the outcomes they identify will not receive points under this Rating Factor. Successful applicants will be required to assess their progress and track their performance in meeting the goals and objectives outlined in the work plan.

d. Accountability. Accountability can be achieved using specific measurement tools to assess the impact of recipient activities.

Applicants must also reference policy priorities as noted in your response to Rating Factor 3(a) and relate them to your project’s goals, as appropriate.

e. Management Questions. Grantees must submit answers to the management questions, if they are applicable to their SOW and program of activities and outcomes. For PEI Multi-year funding applicants this includes demonstrating their plan to provide information on the number of testing parts, conciliations, settlements, and inquiries completed.

(3) Preferred Sustainability Status Community Bonus Points. An additional two Bonus Points may be available to applicants that are working in the following ways with communities that have received Preferred Sustainability Status under the HUD FY2010 and FY2011 Sustainable Communities Regional Planning Grant Program and/or the FY2010 and FY2011 HUD funded Challenge Grant Program (hereafter referred to as the Preferred Sustainability Status Communities).

To be eligible to receive Preferred Sustainability Status Communities bonus points, an applicant is required to obtain a certification from the Designated Point of Contact for the designated Preferred Sustainability Status Community using form HUD-2995 which verifies that the applicant has met the following criteria:

- (a) The applicant is engaged in activities, that in consultation with the designated Point of Contact of the HUD designated Preferred Sustainability Status Community furthers the purposes of the Regional Planning Grant Program or the Challenge Grant Program; and
- (b) The applicant’s proposed activities either directly reflect the Livability Principles cited and contained in HUD’s **General Section** to the FY2012 NOFAs or will result in the delivery of services that are consistent with the goals of the Livability Principles; and
- (c) The applicant has committed to maintain an on-going relationship with the HUD Preferred Sustainability Status Community for the purposes of being part of the planning and implementation processes in the designated area.

The form must be signed and dated anytime from the date of the publication of the funding opportunity on www.Grants.gov to the deadline date of the funding opportunity. Any certifications signed before or after those dates will not be acceptable. If the applicant is from the agency that holds Point of Contact status in a particular Preferred Sustainability Status Community, the form HUD2995 must be certified by the appropriate HUD Regional Administrator in consultation with field staff.

For ease of reference in this notice, all of these federally designated areas are collectively referred to as Preferred Sustainable Status Communities (PSSC).

(4) Ineligible Applications. Ineligible applications will not be rated or ranked. The maximum number of points to be awarded for the Rating Factors is 100 plus a potential 2 bonus points for RC/EC/EZ, and 2 bonus points for applicants working with communities that have received Preferred Sustainability Status under the FY2010 and FY2011 Sustainable Communities

Regional Planning Grant Program and/or the FY2010 and the FY2011 HUD funded Challenge Grant Program (hereafter referred to as the Preferred Sustainability Status Communities).

(5) Minimum Score to be Funded. Only applications with a rating of 75 points or more will be considered of sufficient quality for funding.

2. Tie Breaking. When two or more applications have the same total overall score, the application with the higher score under Rating Factor 2 will be ranked higher. If applications still have the same score, the tie will be broken by the Rating Factor 1 score. If a tie remains, then the tie will be broken by the Rating Factor 3 score. And if a tie still remains, the application committing the greatest amount of Leveraged funds under Rating Factor 4 will be selected.

3. Adjustments to Funding. As provided in the **General Section** (see section V), HUD may approve an application for an amount lower than the amount requested, fund only portions of the application, withhold funds after approval, reallocate funds among activities and/or require that special conditions be added to the grant agreement, in accordance with 24 CFR 84.14, the requirements of the **General Section**, or where:

- a. HUD determines the amount requested for one or more eligible activities is unreasonable or unnecessary;
- b. An ineligible activity is proposed in an otherwise eligible project;
- c. Insufficient funding amounts remain to award the full amount requested in the application, and HUD determines that partial funding is a viable option;
- d. The past record of key personnel warrants special conditions; or,
- e. Training funds are not reserved for FHIP training.

4. Reallocation of Funds. After all applications within funding range have been selected or obligations are completed in an Initiative if funds are still available, the Selecting Official or designee will have the discretion to reallocate those remaining funds in rank order among Initiatives as follows:

- a. PEI** – Any remaining funds from any component will be reallocated first within that Initiative, if after reallocating funds within the Initiative; and funds still remain, they shall be reallocated to EOI.
- b. EOI** – Any remaining funds from any component will be reallocated first within that Initiative; if after reallocating funds within the Initiative; and left over funds remain, they shall be reallocated to PEI;
- c. FHOI** – Any remaining funds from any component will be reallocated first within that initiative. If after reallocating funds within that Initiative; funds still remain, they shall be reallocated to PEI.

5. Maximum Award. Applicants are ineligible for funding if they have requested funding in excess of the maximum amount allowed under the Initiative or Component for which they have applied. In addition, inconsistencies in the requested amount and/or miscalculations that result in amounts over the maximum award amounts will be considered excessive; therefore the application will be considered ineligible.

VI. AWARD ADMINISTRATION INFORMATION

A. Award Notices

1. Applicant Notification and Award Procedures.

a. Notification. Information about the review and award process will not be available during the HUD evaluation period, which begins on the application deadline date for this NOFA and lasts for approximately 90 days thereafter. However, you will be advised, in writing or by telephone, if HUD determines that your application is ineligible, or has technical deficiencies which may be corrected as described in the **General Section** (see section V.B.2). HUD will only communicate with persons specifically identified in the SF424 in the application. HUD will not provide information about the application to any third party such as contractors.

b. Negotiations. If you are selected, HUD will require you to participate in negotiations to determine the specific terms of your cooperative or grant agreement. The selection is conditional and does not become final until the negotiations are successfully concluded and the grant or cooperative agreement is signed and executed based upon the negotiations. HUD will negotiate only with the person identified in the application as the Director of the organization or if specifically identified in the application as the Project Director. HUD will not negotiate with any third party (i.e., a contractor, etc.). The Grant Officer and Government Technical Representative will determine on a case-by-case basis if technical assistance or special conditions are required.

c. Applicant Scores. After awards are announced, applicants will receive a copy of their final score. HUD will not release the names of applicants or their scores to any third party. Applicants may secure a copy of a successful FHIP application for FY2012 at: http://portal.hud.gov/hudportal/HUD?src=/program_offices/administration/foia/highscore after all funding decisions are made. HUD's FOIA page has archived the highest rated application for FY2010 and before.

B. Administrative and National Policy Requirements.

1. Environmental Requirements. In accordance with 24 CFR 50.19(b)(3), (4), (9), (12), and (13) of HUD regulations, activities assisted under this program are categorically excluded from the requirements of the National Environmental Policy Act and are not subject to environmental review under related laws and authorities.

2. Procurement of Recovered Materials. State agencies (FHAP agencies) and agencies of a political subdivision of a State that are using assistance under a HUD program NOFA for procurement, and any person contracting with such an agency with respect to work performed under an assisted contract, must comply with the requirements of Section 6002 of the Solid Waste Disposal Act, as amended by the Resource Conservation and Recovery Act.

3. Product Information. Press releases and any other product intended to be disseminated to the public must be submitted to the Government Technical Representative (GTR) two days before release for approval and acceptance.

4. Ensuring the Participation of Small Disadvantaged Businesses, and Women Owned Businesses. (See **General Section** at section III.C.5.e.)

5. Payment Contingent on Completion. Payment of FHIP funds is made on a reimbursement basis. Payments are contingent on the satisfactory and timely completion of your project activities and products as reflected in your grant or cooperative agreement. Requests for funds must be accompanied by financial and progress reports.

6. Copyright Materials. You may copyright any work that is eligible for copyright protection subject to HUD's right to reproduce, publish, or otherwise use your work for Federal purposes, and to authorize others to do so as required in 24 CFR § 84.36.

7. Complaints Against Awardees. Each FHIP award is overseen by a HUD Grant Officer (See www.hud.gov for list of FHEO Regional Directors). Complaints from the public against FHIP grantees should be forwarded to the Grant Officer. The Grant Officer's name and contact information is provided in the grant agreement. If, after notice and consideration of relevant information, the Grant Officer concludes that there has been inappropriate conduct, such as a violation of FHIP requirements, terms or conditions of the grant, or any other applicable statute, regulation or other requirement, HUD will take appropriate action in accordance with 24 CFR § 84.62. Such action may include: written reprimand; consideration of past performance in awarding future FHIP applications; repayment to HUD of funds received under the grant; or temporary or permanent denial of participation in the FHIP in accordance with 24 CFR part 24.

8. Double Payments. If you are awarded funds under this NOFA, you (and any contractor or consultant) may not charge or claim credit for the activities performed under this project under any other Federally assisted project.

9. Performance Sanctions. A grantee or contractor failing to comply with the requirements set forth in its grant or cooperative agreement will be liable for such sanctions as may be authorized by law, including repayment of improperly used funds, termination of further participation in the FHIP, and denial of further participation in programs of HUD or any federal agency.

10. Corrections to Deficient Applications. In order not to unreasonably exclude applications from being rated and ranked, HUD may contact applicants to ensure proper completion of the application, and will do so on a uniform basis for all applicants. HUD may not seek clarification of items or responses that improve the substantive quality of an applicant's response to any rating factors or which correct deficiencies which are in whole or part of a rating factor, including items that impact EZ/EC bonus points or the Preferred Sustainable Communities Bonus Points. Applicants will have five business days from date of notification to submit the required documents to HUD. Applicants will be notified by fax and telephone about corrections to ensure notification. The applicants must submit the corrections by using the form HUD90611

found in their downloaded application to submit the technical cures to HUD. See the FY2012 **General Section** for further details.

11. Federal Funding Accountability and Transparency Act. As required by the Federal Funding Accountability and Transparency Act¹ (“Transparency Act” or “FFATA”) and subsequent OMB guidance, information on the first-tier subawards related to Federal contracts and grants and the executive compensation of awardees must be made publicly available.

C. Reporting

1. Quarterly Reporting. All grant recipients under this NOFA are required to submit quarterly reports and progress reports. The progress reports shall consist of two components: a narrative that must reflect the activities undertaken during the reporting period and a financial report that reflects the costs incurred by budget line item, as well as a cumulative summary of costs incurred during the reporting period. In addition, grant recipients must submit a HUD 96010 Program Outcome Logic Model Form annually, which identifies their program’s output and outcome achievements

2. Race and Ethnicity Reporting. HUD requires that funded recipients collect racial and ethnic beneficiary data. The Department has adopted the Office of Management and Budget’s Standards for the Collection of Racial and Ethnic Data. In view of these requirements, you should use Form HUD-27061, Racial and Ethnic Data Reporting Form (and instructions for its use), found on www.HUDclips.org. Also, quarterly and as your project ends, you must report meaningful data derived from client feedback on how they benefited from your project’s activities.

3. Transparency Act Reporting

(1) Recipient Reporting to Meet the Requirements of the Federal Funding Accountability and Transparency Act of 2006, as amended.

(a) Prime Grant Awardee Reporting. Prime recipients of HUD financial assistance are required to report certain subawards in the federal governmentwide website www.fsrs.gov or its successor system.

Starting with awards made October 1, 2010 prime financial assistance awardees receiving funds directly from HUD are required to report subawards and executive compensation information both for the prime award and subaward recipients, including awards made as pass-through awards or awards to vendors, if:

(1) The initial prime grant award is \$25,000 or greater, or the cumulative prime grant award will be \$25,000 or greater if funded incrementally as directed by HUD in accordance with OMB guidance; and

(2) The sub-award is \$25,000 or greater, or the cumulative subaward will be \$25,000 or greater. For reportable subawards, if executive compensation reporting is required and subaward recipients’ executive compensation is reported through the Central Contractor Registration (CCR) system, the prime recipient is not required to report this information. The reporting of award and subaward information is in accordance with the requirements of Federal Financial Assistance Accountability and Transparency Act of 2006, as amended by section 6202 of Public

Law 110-252, hereafter referred to as the “Transparency Act” and OMB Guidance issued to the Federal agencies on September 14, 2010 (75 FR 55669) and in OMB Policy guidance. The prime awardee will have until the end of the month plus one additional month after a subaward or pass-through award is obligated to fulfill the reporting requirement. Prime recipients are required to report the following information for applicable subawards. This information will be displayed on a public government website pursuant to the Transparency Act.

- (i) Name of entity receiving award;
- (ii) Amount of award
- (iii) Funding agency;
- (iv) North American Industry Classification System (NAICS) code for contracts/CFDA program for financial assistance awards;
- (v) Program source;
- (vi) Award title descriptive of the purpose of the funding action;
- (vii) Location of the entity (including Congressional district);
- (viii) Place of Performance (including Congressional district);
- (ix) Unique identifier of the entity and its parent; and
- (x) Total compensation and names of top five executives.

For the purposes of reporting into the FFATA Sub-award Reporting System (FSRS) reporting site, the unique identifier is the Dun and Bradstreet Universal Numbering System (DUNS) number the entity has obtained from Dun and Bradstreet, and for Prime awardees the DUNS number registered in the Central Contractor Registration as required by HUD regulation 24 CFR 5.1004.

(b) Prime Grant Awardee Executive Compensation Reporting. Prime awardees must also report in the governmentwide website the total compensation and names of the top five executives in the prime awardee organization if:

- (i) More than 80% of the annual gross revenues are from the Federal government, and those revenues are greater than \$25 million annually; and
- (ii) Compensation information is not readily available through reporting to the Securities Exchange Commission (SEC.)

(c) Subaward Executive Compensation Reporting. Prime grant awardees must also report in the governmentwide website the total compensation and names of the top five executives in the subawardees if:

(i) More than 80% of the annual gross revenues are from the Federal government, and those revenues are greater than \$25 million annually; and

(ii) This required compensation information is not readily available through reporting to the Securities Exchange Commission (SEC.) For applicable subawards, if executive compensation reporting is required and subaward recipients' executive compensation is reported through the Central Contractor Registration (CCR) system, the prime recipient is not required to report this information.

(d) Transparency Act Reporting Exemptions. The Transparency Act exempts any sub-awards less than \$25,000 made to individuals and any sub-awards less than \$25,000 made to an entity whose annual expenditures are less than \$300,000. Subawards with a cumulative total of \$25,000 or greater are subject to subaward reporting beginning the date the subaward total award amount reaches \$25,000. The Transparency Act also prohibits reporting of any classified information. Any other exemptions to the requirements must be approved by the Office of Management and Budget.

NOTE: For the purposes of FFATA reporting requirements, "prime grant awardee" or "prime grant award" or "grant award" includes awardees of, and awards for, capital advances for the Section 202 Housing for the Elderly and Section 811 Housing for Persons with Disabilities programs.

4. Compliance with Section 872 of the Duncan Hunter National Defense Authorization Act for Fiscal Year 2009 (Pub. L. 110-417), hereafter referred to as "Section 872" Section 872 requires the establishment of a governmentwide data system – the Federal Awardee Performance and Integrity Information System (FAPIIS) - to contain information related to the integrity and performance of entities awarded federal financial assistance and making use of the information by federal officials in making awards. OMB is in the process of issuing regulations regarding federal agency implementation of section 872 requirements. A technical correction to this General section may be issued when such regulations are promulgated.

HUD anticipates that the terms and conditions to its FY2012 awards will contain requirements related to meeting FFATA and Section 872 requirements.

VIII. OTHER INFORMATION

A. Paperwork Reduction Act. The information collection requirements contained in this document have been approved by the Office of Management and Budget (OMB) under the Paperwork Reduction Act of 1995 (44 U.S.C. 3501-3520) and assigned OMB control approval number 2529-0033. In accordance with the Paperwork Reduction Act, HUD may not conduct or

sponsor, and a person is not required to respond to a collection of information unless the collection displays a currently valid OMB control number. Public reporting burdens for the collection of information are estimated to approximate 105 hours per annum per respondent for the application and grant administration. This includes the time for collecting, reviewing, and reporting the data for the application, semi-annual reports and final report. The information will be used for grantee selection and monitoring the administration of funds. Response to this request for information is required in order to receive the benefits to be derived.

B. Environmental Impact. This NOFA provides funding under the Fair Housing Initiatives Program (“FHIP”) at 24 C.F.R., part 125, which does not contain environmental review provisions because it concerns activities that are listed in 24 C.F.R. 50.19(b) as categorically excluded from environmental review under the National Environmental Policy Act of 1969 (42 U.S.C. 4321)(“NEPA”). Accordingly, under 24 C.F.R. 50.19(c)(5), this NOFA is categorically excluded from environmental review under NEPA.
