1. What is this request?

The Department is not requesting funding under the Self-Help and Assisted Homeownership Opportunity Program (SHOP) account in fiscal year 2017. The Department is requesting up to \$10 million for SHOP as a set-aside within the HOME Investment Partnerships Program (see the HOME justification for further details on SHOP). Funding for all capacity building activities, including the Capacity Building for the Community Development and Affordable Housing program authorized under section 4(a) of the HUD Demonstration Act of 1993 (42 U.S.C. 9816 note) and rural capacity building, is requested as a part of the Research and Technology (R&T) account. Within the R&T account, HUD will continue its integrated approach to technical assistance and capacity building, including activities to develop, enhance, and strengthen the technical and administrative capabilities of community development corporations to carry out community development and affordable housing activities for low- and moderate-income persons that support and address local needs and priorities.
