#### PROGRAM PURPOSE

The Rental Housing Assistance Program (RAP) was established by the Housing and Community Development Act of 1974 to provide additional rental assistance subsidy to property owners on behalf of very low-income tenants. HUD stopped issuing new RAP contracts with the introduction of Section 8. Rent Supplement (Rent Supp) contracts were available to Section 221(d)(3) Below Market Interest Rates (BMIR), Section 231, Section 236 (insured and non-insured), and Section 202 properties to provide rental assistance to low-income tenants for the life of the mortgage. Funds in this account are used to provide extension or amendment funding to existing Rent Supp or RAP contracts or are available for transfer to the Project-Based Rental Assistance (PBRA) account as Rent Supp or RAP contracts convert through the Rental Assistance Demonstration (RAD).

#### BUDGET OVERVIEW

The 2022 President's Budget does not request funding for the Other Assisted Housing Program, which is equal to the 2021 enacted level.

#### JUSTIFICATION

There are no properties remaining under the Rent Supplement or Rental Assistance Program. The last remaining properties were preserved through the Rental Assistance Demonstration, and there are no remaining eligible uses for funds in this account. The Budget assumes the Department will perform a reconciliation of the remaining Rent Supp and RAP balances in the account. The Consolidated Appropriations Act, 2021 (P.L. 116-260) rescinds some of the unobligated balances from the Rental Housing Assistance account.
