**RENTAL ASSISTANCE FOR NON-  
ELDERLY PERSONS WITH  
DISABILITIES RELATED TO  
CERTAIN DEVELOPMENTS**

**FUNDING AVAILABILITY FOR RENTAL ASSISTANCE FOR NON-ELDERLY PERSONS WITH DISABILITIES RELATED TO CERTAIN TYPES OF SECTION 8 PROJECT-BASED DEVELOPMENTS AND SECTIONS 202, 221(d)(3) AND 236 DEVELOPMENTS**

**Program Overview**

*Purpose of the Program.* The purpose of this program is to provide vouchers to non-elderly disabled families who are not currently receiving housing assistance in certain Section 8 project-based developments due to the owners establishing preferences for the admission of elderly families, or in certain types of Section 202, Section 221(d)(3), or Section 236 developments where the owners are restricting occupancy in the developments (or portions thereof) to elderly families. The vouchers will enable non-elderly disabled families to rent affordable housing.

*Available Funds.* Approximately \$20 million in one-year budget authority for approximately 3,600 Section 8 vouchers.

*Eligible Applicants.* Public housing agencies (PHAs), Indian Housing Authorities (IHAs), Indian tribes and their tribally designated housing entities are not eligible to apply because the Native American Housing Assistance and Self-Determination Act of 1996 does not allow HUD to enter into new Section 8 annual contributions contracts (ACC) with IHAs after September 30, 1997.

*Application Deadline.* June 20, 2000.

*Match.* None

**II. Amount Allocated**

(A) *Available Funding.* Approximately \$20 million in one-year

budget authority is available to provide assistance to approximately 3,600 non-elderly disabled families (who are not currently receiving housing assistance in certain Section 8 project-based developments due to the owners establishing a preference for the admission of elderly families, and for non-elderly disabled families not being housed in certain Section 202, Section 221(d)(3) and Section 236 developments or portions thereof where the owners have restricted occupancy to elderly families).

In the event approvable applications are received for more than the approximately \$20 million announced as available under this announcement, funds will be transferred from the approximately \$20 million available under the funding announcement for Rental Assistance for Non-Elderly Persons with Disabilities in Support of Designated Housing Plans program to the extent funds remain unobligated after funding all approvable applications under that announcement.

Any funding remaining unobligated under this announcement providing assistance for non-elderly persons with disabilities related to certain developments will be used first to fund any approval applications under the announcement for Rental Assistance for Non-Elderly Persons with Disabilities in Support of Designated Housing Plans, for which there may be insufficient funds. Any funds still remaining unobligated will be used to fund any approvable applications under the announcement for Mainstream Housing Opportunities for Persons with Disabilities for which there are insufficient funds.

(B) *Voucher Funding, Preliminary Fees and Underfunding Corrections.*

(1) *Voucher Funding.*

(a) *Maximum Voucher Request.* PHAs are limited to applying for no more than a maximum of 200 units (vouchers). A PHA may apply only for the number of units needed to house:

(i) Those non-elderly disabled families who are on the waiting list of an owner of a Section 8 project-based development identified in this announcement where the owner elected to provide preferences to elderly families and to house other non-elderly disabled families residing in the community who would qualify for one- or zero-bedroom units; or

(ii) Those non-elderly disabled families who are on the waiting list of, or are otherwise residing in the community, but in either instance are not being housed in certain assisted housing developments listed in this announcement where the owners have

restricted occupancy in the developments (or portion thereof) to elderly. Non-elderly disabled families in this second category would also need to qualify for one-or zero bedroom units.

**Note:** The PHA may apply for a two-bedroom unit under this Section I(B) in such instances where a non-elderly disabled family requires the extra bedroom for purposes of a live-in aide, or for medical equipment.

(b) *Determination of Funding Amount for the PHA's Requested Number of Vouchers.* HUD will determine the amount of funding that you will be awarded under this announcement based upon an actual annual per unit cost using the following three step process:

(i) HUD will extract the total expenditures for all your Section 8 tenant-based assistance programs and the unit months leased information from the most recent approved year end statement (form HUD-52681) that the PHA has filed with HUD. HUD will divide the total expenditures for all of your Section 8 tenant-based assistance programs by the unit months leased to derive an average monthly per unit cost.

(ii) HUD will multiply the monthly per unit cost by 12 (months) to obtain an annual per unit cost.

(iii) HUD will multiply the annual per unit cost derived under paragraph (ii) above by the Section 8 Housing Assistance Payments Program Contract Rent Annual Adjustment Factor (with the highest utility included) to generate an adjusted annual per unit cost.

**Note:** If you do not currently administer a Section 8 certificate or voucher program your voucher funding will be based upon the annual actual per unit costs of a PHA in your most immediate area administering a Section 8 certificate or voucher program, using the three step process described immediately above.

(2) *Preliminary Fee.* A preliminary fee of up to \$500 per unit for preliminary (start-up) expenses will be paid to PHAs that have not previously administered their own Section 8 tenant-based program that are selected for funding under this announcement. The preliminary fee will be provided to such PHAs only in their first year administering Section 8 vouchers.

(3) *Underfunding Corrections.* If prior to the award of funding HUD determines that any awardees under the FY 1999 NOFA for the same purpose have been underfunded, HUD will increase funding to the amount that the awardee should have received.

### III. Program Description, Eligible Applicants, and Eligible Participants

(A) *Program Description.* This program provides Section 8 vouchers to

non-elderly disabled families who are not currently receiving housing assistance in certain Section 8 project-based developments due to the owners establishing preferences for the admission of elderly families, or in certain types of Section 202, Section 221(d)(3), or Section 236 developments where the owners are restricting occupancy in the developments (or portions thereof) to elderly families. The vouchers will enable non-elderly disabled families to rent affordable housing. The specific types of developments covered under these two broad categories are as follows:

(1) Section 651 of the Housing and Community Development Act of 1992 (42 U.S.C. 13611 allowed owners of the following covered Section 8 project-based developments (limited to only such developments originally designed primarily for occupancy by elderly families) to provide preferences to elderly families in selecting tenants for available assisted units in those projects:

(a) Section 8 New Construction Program, 24 CFR part 880;

(b) Section 8 Substantial Rehabilitation Program, 24 CFR part 881;

(c) State Housing Agencies Program (insofar as involving new construction and substantial rehabilitation), 24 CFR part 883;

(d) New Construction Set-Aside for Section 515 Rural Rental Housing Projects Program, 24 CFR part 884; and

(e) Section 8 Housing Assistance Program for the Disposition of HUD-Owned Projects (insofar as involving substantial rehabilitation), 24 CFR part 886, subpart C.

(2) Section 658 of the 1992 Act provides that an owner of a Federally assisted project (or portion thereof) that was designed for occupancy for elderly families may continue to restrict occupancy in such project (or portion) to elderly families in accordance with the rules, standards, and agreements governing occupancy in such housing in effect at the time of the development of the housing. The three types of assisted housing developments covered by Section 658 are as follows:

(a) Housing assisted under section 202 of the Housing Act of 1959, as such section existed before the enactment of the National Affordable Housing Act (NAHA);

(b) Housing financed by a loan or mortgage insured under section 221(d)(3) of the National Housing Act that bears an interest rate determined under section 221(d)(5); and

(c) Housing insured, assisted or held by the Secretary or a State or State

Agency under section 236 of the National Housing Act.

(B) *Eligible Applicants.*

(1) A PHA established pursuant to State law may apply for funding under this announcement. A regional (multi-county) or State PHA is eligible to apply for funding. Indian Housing Authorities (IHAs), Indian tribes and their tribally designated housing entities are not eligible to apply because the Native American Housing Assistance and Self-Determination Act of 1996 does not allow HUD to enter into new Section 8 annual contributions contracts (ACC) with IHAs after September 30, 1997.

(2) Some PHAs currently administering the Section 8 voucher and certificate programs have, at the time of publication of this SuperNOFA, major program management findings from Inspector General audits, HUD management reviews, or independent public accountant (IPA) audits that are open and unresolved or other significant program compliance problems. HUD will not accept applications for additional funding from these PHAs as contract administrators if, on the application due date, the findings are either not closed, or sufficient progress toward closing the findings has not been made to HUD's satisfaction. The PHA must also, to HUD's satisfaction, be making satisfactory progress in addressing any program compliance problems. If the PHA wants to apply for funding under this announcement, the PHA must submit an application that designates another housing agency, nonprofit agency, or contractor, that is acceptable to HUD. The PHA's application must include an agreement by the other housing agency, nonprofit agency, or contractor to administer the new funding increment on behalf of the PHA, and a statement that outlines the steps the PHA is taking to resolve the program findings and the program compliance problems. *Immediately after the publication of this SuperNOFA, the local HUD Field Office will notify, in writing, those PHAs that are not eligible to apply without such an agreement. Concurrently, the local HUD Field Office will provide a copy of each such written notification to the Grants Management Center.* The PHA may appeal the decision in writing, if HUD has mistakenly classified the PHA as having outstanding management or compliance problems. Any appeal must be accompanied by conclusive evidence of HUD's error and must be received prior to the application deadline. The appeal should be submitted to the local HUD Field Office where a final determination shall be made. Concurrently, the local HUD Field

Office shall provide the Grants Management Center with a copy of its written response to the appeal, along with a copy of the PHA's written appeal. Major program management findings are those that would cast doubt on the capacity of the PHA to effectively administer any new Section 8 voucher funding in accordance with applicable HUD regulatory and statutory requirements.

(C) *Eligible Participants.* Eligible participants include non-elderly disabled families who were on the waiting list (at the time of the PHA's application) of a covered development identified in this announcement where the owner had exercised a preference for the admission of elderly families, or restricted occupancy to elderly families, respectively, at the time the PHA received the names of these families from the owner of the development(s) for purposes of requesting Section 8 rental vouchers in response to this announcement. These non-elderly disabled families need not be listed on the PHA's Section 8 waiting list in order to be offered and receive Section 8 assistance; i.e., it is sufficient that their names are on the waiting list for a covered development at the time their names are provided to the PHA by the owner. Eligible participants also include other non-elderly disabled families residing in the community who would qualify for a one-or zero-bedroom unit. (See the note in this announcement at the end of Section II(B) for those limited instances in which a PHA could also apply for funding for a two-bedroom unit.) Non-elderly disabled families must be income eligible under 24 CFR 982.201(b) in order to receive a rental voucher.

#### IV. Program Requirements and Operations

In addition to the civil rights compliance and nondiscrimination requirements listed in the **General Section** of this SuperNOFA, grantees must meet the following program requirements:

(A) *Affirmatively Furthering Fair Housing.* Each successful applicant will have a duty to affirmatively further fair housing. Applicants will be required to identify the specific steps that they will take to:

- (1) Address the elimination of impediments to fair housing that were identified in the jurisdiction's Analysis of Impediments (AI) to Fair Housing Choice;
- (2) Remedy discrimination in housing; or
- (3) Promote fair housing rights and fair housing choice.

Further applicants have a duty to carry out the specific activities cited in their responses under this announcement to address affirmatively furthering fair housing.

(B) *Certifications and Assurances.* Each applicant is required to submit signed copies of Assurances and Certifications. The standard Assurances and Certifications are on Form HUD-52515, Funding Application, which includes the Equal Opportunity Certification, Certification Regarding Lobbying, and Certification Regarding Drug-Free Workplace Requirements.

(C) *Voucher Assistance Requirements.*

(1) *Section 8 regulations.* PHAs must administer the Section 8 vouchers received under this announcement in accordance with HUD regulations and requirements governing the Section 8 Housing Choice Voucher Program.

(2) *Section 8 admission requirements.* Section 8 assistance must be provided to eligible applicants in conformity with regulations and requirements governing the Section 8 Housing Choice Voucher Program and the PHA's administrative plan.

(3) *Turnover.* When a voucher under this announcement becomes available for reissue (e.g., the family initially selected for the program drops out of the program or is unsuccessful in the search for a unit), the rental assistance may be used only for another individual or family eligible for assistance under this announcement subject to appropriations for renewal funding, from the date the rental assistance is placed under an annual contributions contract (ACC).

(D) *PHA Responsibilities.* In addition to PHA responsibilities under the Section 8 Housing Choice Voucher Program and HUD regulations concerning nondiscrimination based on disability (24 CFR 8.28) and to affirmatively further fair housing, PHAs that receive voucher funding shall:

(1) Where requested by an individual, assist program participants to gain access to supportive services available within the community, but not require eligible applicants or participants to accept supportive services as a condition of participation or continued occupancy in the program.

(2) Identify public and private funding sources to assist participants with disabilities in covering the costs of modifications that need to be made to their units as a reasonable accommodation for their disabilities.

(3) Not deny persons who qualify for rental assistance under this program other housing opportunities, or otherwise restrict access to PHA programs to eligible applicants who choose not to participate.

(4) Provide Section 8 search assistance.

(5) In accordance with regulatory guidance, provide higher rent to owners necessary for the provision of accessible units and structural modifications for persons with disabilities.

(6) Provide technical assistance to owners for making reasonable accommodations or making units accessible to persons with disabilities.

(E) *Definitions.*

(1) *Elderly Family.* A family whose head of household, spouse, or sole member is 62 years or older.

(2) *Non-elderly Disabled Family.* A family who is not elderly, and whose head, spouse, or sole member is a person with disabilities. The term "non-elderly disabled family" may include two or more such persons with disabilities living together, and one or more such persons with disabilities living with one or more persons who are determined essential to the care and well-being of the person or persons with disabilities (live-in aides).

(3) *Person with Disabilities.* A person who—

(a) Has a disability as defined in section 223 of the Social Security Act (42 U.S.C. 423), or

(b) Is determined to have a physical, mental or emotional impairment that:

(i) Is expected to be of long-continued and indefinite duration;

(ii) Substantially impedes his or her ability to live independently; and

(iii) Is of such a nature that such ability could be improved by more suitable housing conditions, or

(c) Has a developmental disability as defined in section 102 of the Developmental Disabilities Assistance and Bill of Rights Act (42 U.S.C. 6001(5)).

The term "person with disabilities" does not exclude persons who have the disease of acquired immunodeficiency syndrome (AIDS) or any conditions arising from the etiologic agent for acquired immunodeficiency syndrome (HIV).

**Note:** While the above definition of a "person with disabilities" is to be used for purposes of determining a family's eligibility for a Section 8 voucher under this announcement, the definition of a person with disabilities contained in section 504 of the Rehabilitation Act of 1973 and its implementing regulations must be used for purposes of meeting the requirements of Fair Housing laws, including providing reasonable accommodations.

No individual shall be considered a person with disabilities for the purpose of determining eligibility solely on the basis of any drug or alcohol dependence.

(4) *Section 8 Search Assistance.* Assistance to increase access by program participants to housing units in a variety of neighborhoods (including areas with low poverty concentrations) and to locate and obtain units suited to their needs.

#### V. Application Selection Process

After the Grants Management Center has screened all applications and disapproved any found unacceptable for further processing, the Grants Management Center will review all remaining applications to ensure that they are technically adequate and responsive to the requirements identified in this program section of this SuperNOFA.

HUD Headquarters will fund on a first-come, first-serve basis all approvable applications that are recommended for funding by the Grants Management Center, based upon the date and time the application is received in the Grants Management Center. As applications are selected, the cost of funding the applications will be subtracted from the funds available. In the event approvable applications are received for more than the approximately \$20 million available funds will be transferred from the approximately \$20 million available under the Rental Assistance for Non-elderly Persons with Disabilities in Support of Designated Housing Plans program to the extent such funds have not been obligated under that program for approvable applications. Applications will be funded for the total number of units requested and recommended for approval by the Grants Management Center. When remaining budget authority is insufficient to fund the last selected application in full the Grants Management Center will fund that application to the extent of the funding available, unless the application indicates that the PHA will only accept a higher number of units. In that event, HUD will fund the next selected application that has indicated a willingness to accept the lesser amount of funding for units available.

#### VII. Application Submission Requirements

(A) *Form HUD-52515.* All PHAs must complete and submit form HUD-52515, Funding Application, for the Section 8 Housing Choice Voucher Program (dated January 1996). This form includes all necessary certifications for Fair Housing, Drug Free Workplace and Lobbying Activities. Section C of the form should be left blank. A copy of Form HUD-52515 is included in the

forms found in Appendix B to the **General Section** of the SuperNOFA. The form must be completed in its entirety, with the exception of Section C, signed and dated.

(B) *Letter of Intent and Narrative.* The PHA must state in its cover letter to the application whether the PHA will accept a reduction in the number of vouchers, and the minimum number of vouchers the PHA will accept, since the funding is limited and HUD may only have enough funds to approve a smaller amount than the number of vouchers requested. The maximum number of vouchers that a PHA may apply for under this announcement is limited to 200.

(C) *Demonstration of Need: Certification/Waiting List Information and Other Non-Elderly Disabled Families Residing in the Community.* In order to support the number of vouchers being requested on the form HUD-52515, the PHA's application must include:

(1) A certification from the owner of a covered development (see the different types of covered developments listed in Section III(A)(1) and (2) of this announcement), stating the specific type of covered development, preferences are provided to elderly families in selecting tenants (Section 8 project-based developments) or occupancy in the development is restricted to elderly families (assisted housing developments), and the number of non-elderly disabled families on the owner's waiting list for the development. (PHAs may contact the local HUD Field Office's Director, Multifamily Division, to get the addresses and telephone numbers of the developments falling under Section III(A)(1) and (2) in this announcement. The PHA will then need to contact the management/owners of these developments within their jurisdiction to verify that the development is a covered development. Owners of covered developments are encouraged to cooperate with PHAs and provide the required certification (if applicable) in a timely manner, along with the names, addresses and telephone numbers of those families on the development's waiting list that are non-elderly disabled families.)

(2) PHAs must also submit information supportive of the number of other non-elderly disabled families residing in the community who would qualify for one-bedroom or zero-bedroom units (not on the waiting lists of covered developments). (See the note at the end of Section II(B) of this announcement which identifies those limited instances in which a PHA may apply for funding for a two-bedroom

unit.) The application must demonstrate a need for vouchers by providing information documenting that the demand for housing for non-elderly disabled families would equal or exceed the requested number of vouchers (not to exceed 200). The PHA must assess and document the need using a range of sources including, but not limited to: census data, information from the PHA's waiting list (both public housing and Section 8), statistics on recent public housing admissions and certificate and voucher use, data from local advocacy groups and local public and private service agencies familiar with the housing needs of non-elderly disabled families, and pertinent information from the Consolidated Plan (including the Analysis of Impediments to Fair Housing Choice) applicable to the PHA's jurisdiction. (See 24 CFR 91.205(d).)

(D) *Statement Regarding the Steps the PHA Will Take to Affirmatively Further Fair Housing.* The areas to be addressed in the PHA's statement should include, but not necessarily be limited to:

(1) Elimination of impediments to fair housing that were identified in the jurisdiction's Analysis of Impediments (AI) to Fair Housing Choice;

(2) Remedy discrimination in housing for persons with disabilities regardless of race, color, religion, sex, familial status, national origin, or nature of disability; or

(3) Promote fair housing rights and fair housing choice.

(E) *Program Summary.* Provide a separate one paragraph statement describing how the vouchers being applied for will address the local housing needs of eligible disabled families in renting decent, safe, affordable housing. Describe, where applicable, how the vouchers will be used to expand existing housing choices, and whether the PHA intends to use the vouchers to establish or expand upon its existing partnerships with local government, nonprofit agencies, or private industry groups. Also address any related notable local program activities, best practices, or accomplishments.

#### VII. Corrections to Deficient Applications

(A) *Acceptable Applications.* The **General Section** of the SuperNOFA provides the procedures for corrections to deficient applications.

(B) *Unacceptable Applications.*

(1) After the 14-calendar day technical deficiency correction period (as provided in the General Section), the Grants Management Center will disapprove all applications that the

Grants Management Center determines are not acceptable for processing. The notification of rejection letter will state the basis for the decision.

(2) Applications that fall into any of the following categories will not be processed:

(a) Applications that do not meet the threshold fair housing and civil rights compliance requirements of Section II(B) of the **General Section** of the SuperNOFA

(b) The PHA has major program management findings in an Inspector General audit, HUD management review, or independent public accountant (IPA) audit for its voucher or certificate programs that are not closed or on which satisfactory progress in resolving the findings is not being made; or program compliance problems for its voucher or certificate programs on which satisfactory progress is not being made. The only exception to this category is if the PHA has been identified under the policy established in Section III(B)(2) of this announcement and the PHA makes application with a designated contract administrator. Major program management findings are those that would cast doubt on the capacity of the PHA to effectively administer any new Section 8 voucher funding in accordance with applicable HUD regulatory and statutory requirements.

(c) The PHA has failed to achieve a lease-up rate of 90 percent for its combined certificate and voucher units under contract for its fiscal year ending in 1998. Category (c) may be passed, however, if the PHA achieved a combined certificate and voucher budget authority utilization rate of 90 percent or greater for its fiscal year ending in 1998. In the event the PHA is unable to meet either of these percentage requirements, the PHA may still pass category (c) if the PHA submits information to the Grants Management Center, as part of its application, demonstrating that it was able to either increase its combined certificate and voucher lease-up rate to 90 percent or greater for its fiscal year ending in 1999, or was able to increase combined certificate and voucher budget authority

utilization to 90 percent or more for its fiscal year ending in 1999. PHAs that have been determined by HUD to have passed either the 90 percent lease-up, or 90 percent budget authority utilization requirement for their fiscal year ending in 1998 will be listed on the HUD Home Page site on the Internet's world wide web (<http://www.hud.gov>). A PHA not listed must either submit information in its application supportive of its 90 percent lease-up or 90 percent budget authority utilization performance for its fiscal year ending in 1999, or submit information as part of its application supportive of its contention that it should have been included among those PHAs HUD listed on the HUD Home Page as having achieved either a 90 percent lease-up rate or 90 percent budget authority utilization rate for fiscal years ending in 1998. Appendix A to this program section indicates the methodology and data sources used by HUD to calculate the lease-up and budget authority utilization percentage rates for PHAs with fiscal years ending in 1998. Any PHA wishing to submit information to the Grants Management Center in connection with its 1998 fiscal year or 1999 fiscal year for the purposes described immediately above (so as to be eligible under category (c) to submit an application) will be required to use the same methodology and data sources indicated in Appendix A.

(d) The PHA is involved in litigation and HUD determines that the litigation may seriously impede the ability of the PHA to administer the vouchers.

(e) An application that does not comply with the requirements of 24 CFR 982.102 and this program section after the expiration of the 14-calendar day technical deficiency correction period will be rejected from processing.

(f) The application was submitted after the application due date.

(g) The application was not submitted to the official place of receipt as indicated in the paragraph entitled "Address for Submitting Applications" at the beginning of this announcement.

(h) The applicant has been debarred or otherwise disqualified from providing assistance under the program.

### VIII. Environmental Requirements

In accordance with 24 CFR 50.19(b) (11) of the HUD regulations, tenant-based rental activities under this program are categorically excluded from the requirements of the National Environmental Policy Act of 1969 (NEPA) and are not subject to environmental review under the related laws and authorities. This announcement provides funding for these activities under 24 CFR part 982, which does not contain environmental review provisions because of the categorical exclusion of these activities from environmental review. Accordingly, under 24 CFR 50.19(c)(5), issuance of this announcement is also categorically excluded from environmental review under NEPA.

### IX. Authority

Authority for this program is found in the Departments of Veteran's Affairs and Housing and Urban Development, and Independent Agencies Appropriations Act, FY 2000 (Pub.L. 106-74, approved October 20, 1999). This FY 2000 Appropriations Act authorized appropriations for Section 8 vouchers to assist non-elderly disabled families affected by the establishment of preferences in accordance with section 651 of the Housing and Community Development Act of 1992, or the restriction of occupancy to elderly families in accordance with section 658 of the Act. The FY 2000 Appropriations Act also allows the Secretary to transfer any unobligated funds for this purpose to assist non-elderly disabled families to the extent they are not needed under Sections 651 and 658 for such families. Therefore, any funds remaining unobligated under this program section of this SuperNOFA will be used first to fund any approvable applications under the Rental Assistance for Non-Elderly Persons With Disabilities in Support of Designated Housing Plans program for which there are insufficient funds. Thereafter, any funds still remaining unobligated will be used to fund applications under the Mainstream Program in the SuperNOFA.

## APPENDIX A

**METHODOLOGY FOR DETERMINING LEASE-UP AND BUDGET  
AUTHORITY UTILIZATION PERCENTAGE RATES**

Using data from the HUDCAPS system, HUD determined which PHAs met the 90% budget authority utilization or 90% lease-up criteria. The data used in the determination was based on PHA fiscal years ending in 1998. The budget authority utilization and lease-up rates were determined based upon the methodology indicated below.

**Budget Authority Utilization**

Percentage of budget authority utilization was determined by comparing the total contributions required to the annual budget authority (ABA) available for the PHA 1998 year combining the certificate and voucher programs.

Total contributions required were determined based on the combined actual costs approved by HUD on the form HUD-52681, Year End Settlement Statement. The components which make up the total contributions required are the total of housing assistance payments, ongoing administrative fees earned, hard to house fees earned, and IPA audit costs. From this total any interest earned on administrative fees is subtracted. The net amount is the total contributions required.

ABA is the prorated portion applicable to the PHA 1998 year for each funding increment which had an active contract term during all or a portion of the PHA year.

**EXAMPLE:**

PHA ABC	
Fiscal year 10/1/97 through 9/30/98

Lease-up Rate

The lease-up rate was determined by comparing the contract units (funding increments active as of the end of the PHA 1998 year) to the unit months leased (divided by 12) reported on the combined HUD 52681, Year End Settlement Statement(s) for 1998.

Active funding increments awarded by HUD for special purposes such as litigation, relocation/replacement, housing conversions, etc., were excluded from the contract units as HUD recognizes that many of these unit allocations have special requirements which require extended periods of time to achieve lease-up.
