

RATING FACTOR 2: DISTRESS/EXTENT OF PROBLEM

(optional form)

Applicant: _____

Project Name/Title: _____

Instructions: The applicant is required to provide information related to the poverty and unemployment rates for the Target area (the area in which the EDI/BEDI assistance will be used and/or benefits from the EDI/BEDI) compared with the jurisdiction as a whole and the Nation. In addition the applicant may include other indicators of social and/or economic decline, such as information demonstrating the jurisdiction's stagnant or failing tax base, substandard and/or overcrowded housing units, rent burden, local crime statistics, etc. A data source and date are required for each indicator. Use of data from the applicant's Consolidated Plan and/or its Analysis of Impediments to Fair Housing Choice (AI) is encouraged.

	Required Indicators	Target Area	Jurisdiction	Nation	Data Source & Date
1	Poverty Rate _____	_____	_____	_____	_____
