Project Location : Moscow, ID
Non-Profit Sponsor : Mercy Housing Idaho Inc.
Capital Advance : \$1,003,100
Five-year rental subsidy: \$185,000
Number of units : 14
Project Description :

The funds will be used for the construction of an apartment complex with 7 one-bedroom and 6 two-bedroom units for adults with developmental disabilities. The two bedroom units will make it possible for a resident to have live-in attendant care or, if desired, a roommate. There will also be a 2-bedroom manager's unit. The driving force behind the project are a number of elderly parents of people with developmental disabilities who are concerned about their children's futures.
