Section 202 - Supportive Housing for the Elderly

Project Location : Wichita, KS  
Non-Profit Sponsor : Sisters of St. Joseph of Wichita, KS  
Co-Sponsor : Via Christi Senior Services, Inc.  
Capital Advance : \$4,330,600  
Five-year rental subsidy: \$1,011,500  
Number of units : 66  
Project Description :

This project will provide independent living for very low-income persons, 62 years of age or older. The sponsor proposes support services and architectural amenities necessary to allow for the aging in place of all tenants. The support services will be provided to the individual residents on an as-needed basis through existing community programs offering meals, transportation, legal services, adult day care and support groups. The community room will allow for the flexibility of various meal programs, health needs, and social gatherings.

Section 811 - Supportive Housing for Persons with Disabilities

Project Location : Kansas City, KS  
Non-Profit Sponsor : Bethphage  
Capital Advance : \$654,500  
Five-year rental subsidy: \$123,000  
Number of units : 8  
Project Description :

The sponsor proposes eight units of rental housing that provides safe, decent and accessible housing for persons with a developmental disability in Kansas City, Kansas. This project will offer a structured living environment for individuals who require assistance to access and utilize community-based services. The sponsor believes that persons with developmental disabilities should be valued as a member of the community and resources should be available to provide integrated support.

Project Location : Olathe, KS  
Non-Profit Sponsor : Accessible Space, Inc.  
Co-Sponsor : National Multiple Sclerosis Society  
Capital Advance : \$1,127,900  
Five-year rental subsidy: \$215,000  
Number of units : 15  
Project Description :

Project to contain 15 barrier free apartment units for persons with mobility impairments, traumatic brain injuries and severe physical disabilities. The residents will be able to live independently in the community in affordable rental housing. The structure will be located in close proximity to major shopping, medical and recreational facilities, combined with the availability of an express bus line that will allow residents access to downtown, offering opportunities for residents to become fully integrated into the community.
