The City of Phoenix Neighborhood Services Department will collaborate with the Phoenix Children's Hospital, the Arizona Department of Health Services, and the City of Phoenix Head Start to assess and conduct interventions in at least 150 privately owned housing units in the City of Phoenix. The target population will be concentrated in the Phoenix Neighborhood Initiative Areas and Enterprise Community. The project will assess and correct a spectrum of housing-related hazards in the target area, conduct community and family education activities and provide at least 3 jobs for low-income workers in the Enterprise Community.
