State of Maine

The State of Maine will be awarded \$2,160,000 to provide cost-effective lead-based paint hazard control efforts throughout the State except for the cities of Portland, Lewiston and Auburn. The Maine State Housing Authority Division of Energy and Housing Services will administer the lead hazard control grant program. Partners in their efforts include the Childhood Lead Poisoning Prevention Program, the Maine Department of Environmental Protection, USDA Rural Development, the Maine Department of Economic and Community Development, the City of Westbrook and a four Community Action Agencies. The program intends to perform lead hazard control intervention work in approximately 190 eligible units with 25 targeted for the Brown Street neighborhood in the City of Westbrook.

The State of Maine will provide approximately \$930,000 in local in-kind matching funds.
