

FY 02 Lead Hazard Control Grantees

City of Manchester, New Hampshire
One City Hall Plaza
Manchester, NH 03101
Amount of Award: \$895,726
Contact: Robert S. MacKenzie
(603) 624-6450

Manchester, New Hampshire

The City of Manchester, New Hampshire will be awarded \$895,726 to reduce lead-based paint hazards in approximately 150 eligible units in eleven contiguous census tracts within the city. The City's Community Improvement Program will manage the comprehensive lead hazard control grant program with the implementation of the work plan assigned to The Way Home and Southern New Hampshire Services. Other public and private sector organizations including health, housing, financial, and faith-based and community based organizations will participate in the program.

The City of Manchester, New Hampshire Lead Hazard Control Grant Program will provide approximately \$397,929 in local in-kind matching funds.
