Grand Gateway, Oklahoma

Grand Gateway Economic Development Association will be awarded \$1,774,691. Grand Gateway plans to conduct lead hazard control in approximately 137 units. The Program will concentrate its efforts on the Tar Creek Superfund Site, but will also focus efforts throughout Ottawa County. Grand Gateway has developed a collaborative with agencies such as: all area City Councils, the Ottawa County Health Department, Quapaw Indian Tribe, Cherokee Nation, Indian Health Services, Ottawa County Community Partnership, Inter-Tribal Council, the Native American Council on Aging, and Oklahoma Department of Environmental Quality.

Grand Gateway will provide \$228,238 in local matching funds.
