A guidebook to HUD programs titled “Connecting with Communities: A User’s Guide to HUD Programs and the 2002 SuperNOFA process” is available from the SuperNOFA Information Center and the HUD website at www.hud.gov. This guidebook provides a brief description of all HUD programs, a description of the SuperNOFA programs, eligible applicants for these programs, and examples of how programs can work in combination to serve local community needs. To obtain a guidebook, application kit, or print copy of the General Section or program NOFA, call the SuperNOFA Information Center at 1–800–HUD–8929 or 1–800–HUD–2209 (TTY). Copies of all documents related to the SuperNOFA may be downloaded from HUD’s website, www.hud.gov.

For Application Kits and SuperNOFA User Guide. HUD is pleased to provide you with instructions for applying for all HUD programs that are part of this SuperNOFA. The instructions are designed to guide you through the application process and ensure that your application addresses all requirements for the program funding you are seeking. For some announcements of funding availability in this SuperNOFA, HUD provides an application kit; for others, no application kit is required. Each Program Section will specify whether there is an application kit, or only the instructions in the SuperNOFA.

Please note that if there is a discrepancy between information provided in the application kit and the information provided in the published SuperNOFA, the information in the published SuperNOFA prevails. Therefore, please be sure to review your application submission against the requirements in the SuperNOFA.

You may request general information and application kits from the SuperNOFA Information Center (1–800–HUD–8929 or 1–800–HUD–2209 (TTY)). When requesting an application kit, please refer to the name of the program...
you are interested in. Be sure to provide your name, address (including zip code), and telephone number (including area code). To ensure sufficient time to prepare your application, requests for application kits can be made immediately following publication of the SuperNOFA. The SuperNOFA Information Center opens for business simultaneously with the publication of the SuperNOFA. You can also obtain information on this SuperNOFA and application kits for this SuperNOFA through the HUD website, www.hud.gov.

**Consolidated Application Submissions.** If you, the applicant, would like to apply for funding under more than one program in this SuperNOFA, you need only submit one original SF–424 and set of assurances and certifications, accompanied by the HUD–424M provided in this SuperNOFA. Once you have submitted one original set of forms, certifications, and assurances, you need send only copies of these standard items with any additional application you submit. Make sure to specify the correct program, however, on each copy of the SF–424 application form and indicate the program to which you have submitted the original signature forms for the standard assurances and certifications. Additionally, the Program Section may specify additional forms, certifications, assurances, or other information that may be required for a particular program in this SuperNOFA.

**For Further Information.** For answers to questions you may have about this SuperNOFA, you have several options. You may call the SuperNOFA Information Center at 1–800–HUD–8929 or 1–800–HUD–2209 (TTY) between the hours of 9:00 AM and 8:00 PM Eastern Time or you may contact the HUD Office or Processing Center serving your area at the telephone number listed in the SuperNOFA for the program in which you are interested. You may also obtain information on this SuperNOFA and application kits for this SuperNOFA through the HUD website, www.hud.gov.

**For Technical Assistance.** Before the application due date, HUD staff will be available to provide you with general guidance and technical assistance about this SuperNOFA. However, HUD staff are not permitted to assist in preparing your application. Following selection of applicants, but before awards are made, HUD staff are available to assist in clarifying or confirming information that is a prerequisite to the offer of an award or Annual Contributions Contract (ACC) by HUD.

**Satellite Broadcasts.** HUD will hold information broadcasts via satellite for potential applicants to learn more about the programs in this SuperNOFA and preparation of the applications. For more information about the date and time of each broadcast, consult the HUD website, www.hud.gov.

**Streamlining Grants.** The Federal Financial Assistance Management Improvement Act of 1999 (Public Law 106–107) directs each Federal agency to develop and implement a plan that, among other things, streamlines and simplifies the application, administrative, and reporting procedures for Federal financial assistance programs administered by the agency. This law also requires the Director of the Office of Management and Budget (OMB) to direct, coordinate, and assist Federal agencies in establishing (1) a common application and reporting system and, (2) an interagency process for addressing ways to streamline and simplify Federal financial assistance application and administrative procedures and reporting requirements for program applicants.

This law also requires OMB to consult with the grantee community as it works with the Federal agencies to develop and implement the course of action that would be undertaken by the Federal agencies to establish an electronic site for accessing grant information and applications. Over the last year, HUD has held outreach sessions informing you of the goals of this new law and seeking your input as the Federal agencies work together to achieve implementation. To find out about the work being done by the Federal agencies to streamline and consolidate the grant application and reporting requirements please go to www.iagc.gov.

HUD is an active member in the Federal agency working group working to streamline grant application requirements and has established a website where you can obtain information about all grant programs within HUD. You can access this site from our homepage at www.hud.gov by clicking on “HUD Program inventory.” In the future, HUD plans to link this site to grant information of other Federal agencies. If you are interested in finding out more about the “Federal Commons” and the work being done by other agencies, please visit the Inter-Agency Electronic Grants Committee (IAEGC) website at www.fedcommons.gov.

**Introduction to the FY 2002 SuperNOFA**

**HUSD’s FY 2002 SUPERNNOFA PROCESS**

**Background**

This is the fifth year HUD is issuing a SuperNOFA for the majority of its competitive grant programs and other financial assistance programs. The SuperNOFA announces the availability of the majority of HUD’s discretionary funds. The document is designed to simplify the application process, bring consistency and uniformity to the application and selection process, and make it easier to find funding opportunities available from the Department because they are released early in the year and at the same time. Equally important, the SuperNOFA approach is designed to increase the ability of applicants to consider and apply for funding under a wide variety of HUD programs. The SuperNOFA provides a “menu” of HUD programs. From this menu, communities will be made aware of funding available for their jurisdictions. Non-profit organizations, public housing agencies, local and State governments, tribal governments and tribally-designated housing entities, veterans service organizations, faith-based and other community-based non-profit organizations, and others will be able to identify the programs for which they are eligible for funding.

By providing access to information about available funding at one time, HUD believes applicants are better able to coordinate service within communities to avoid duplication and more efficiently serve those most in need of assistance.

**HUSD’s Strategic Goals**

As part of its internal strategic planning processes, the Department has re-assessed its policy goals and priorities for the next five years and, as a result, is in the process of updating the HUD Strategic Plan framework. Activities funded through this SuperNOFA are meant, to the extent practicable, to support the new Strategic Goals described below. Note that these goals reflect an interim change to HUD’s Strategic Plan. In FY 2002, the Department will fully revise its Strategic Plan after consultation with stakeholders and Congress.

**Strategic Goal 1: Make the home-buying process less complicated, the paperwork less demanding and the mortgage process less expensive.** This is a new Strategic Goal that will help to focus the Department’s work in
enforcing the Real Estate Settlement Procedures Act and countering predatory lending. HUD’s activities under this Strategic Goal will help to make homeownership more accessible and less expensive for millions of families and help protect them from predatory lending.

**Strategic Goal 2: Help families move from rental housing to homeownership.** HUD’s second Strategic Goal focuses on HUD’s activities to expand homeownership opportunities for minorities, persons with disabilities, and other Americans, and to help families that rent be able to afford the costs of rental housing.

**Strategic Goal 3: Improve the quality of public housing and provide more choices for its residents.** HUD’s goals for its public and assisted housing programs go beyond simply providing affordable housing. HUD also strives to improve the quality of the housing opportunities provided to families in public and assisted housing. This Goal focuses on improving the management accountability and physical conditions of public and assisted housing and on maximizing the potential of these programs to help families make progress towards self-sufficiency and become homeowners.

**Strategic Goal 4: Strengthen and expand faith-based and other community partnerships that enhance communities.** HUD has a long and rich history of cooperating with faith-based and other community-based organizations to address the needs of underserved communities, including the needs of those Americans for whom homelessness, the lack of affordable housing, and limited alternatives for special needs housing lead to despair and hopelessness. Building on this history, HUD plans to strengthen and expand its partnerships with faith-based and other community-based groups to take further advantage of their capacity to provide quality services to communities and families.

**Strategic Goal 5: Effectively address the challenge of homelessness.** HUD is the primary agency responsible for providing housing and related resources to prevent homelessness and help homeless families and individuals move to permanent housing. HUD has a number of objectives with respect to its homelessness work, including that of ending chronic homelessness in 10 years.

**Strategic Goal 6: Embrace high standards of ethics, management, and accountability.** In order to be effective in meeting the Strategic Goals, it is essential that HUD and HUD’s partners embrace high standards of ethics, management, and accountability. The Secretary has established improved ethics and accountability of HUD staff and HUD’s partners as “perhaps the most important” of HUD’s priorities. This Goal cuts across all of HUD’s programs and applies to each HUD employee and to every organization that partners with HUD to help HUD accomplish its mission.

**Strategic Goal 7: Ensure equal opportunity and access to housing.** HUD’s core mission has always been to help families find affordable and decent housing. This mission will be fulfilled when all Americans are given an equal opportunity to buy or rent housing that matches their individual needs. Unfortunately, instances of discrimination against minorities, architectural barriers to persons with disabilities, and a lack of housing options for the elderly here all combined to exclude some Americans from enjoying the fruits of America’s prosperity. HUD is committed to ending the practice of discrimination through enforcement of fair housing laws as well as through educating lenders, landlords, and tenants in complying with the laws.

**Strategic Goal 8: Support community and economic development efforts.** HUD funds a variety of programs that help to support the community and economic development efforts of state and local communities. The largest of these programs is the Community Development Block Grant program. Other programs include Section 108 loan guarantees, the Brownfields Economic Development Initiative, the Lead Hazard Reduction and the Healthy Homes Program, the University Partnership Programs, the Indian Community Development Block Grant and Renewal Communities, Empowerment Zones and Enterprise Communities. Additionally, HUD’s Native eDGE initiative supports a telephone call center, a publications clearinghouse, website, and a technical assistance information center so that tribes, Native Americans, lending institutions, and private businesses wishing to do business with Tribal governments and entities can collaborate to promote economic growth.

**Changes in the SuperNOFA Process for FY 2002**

**Rating Factors.** Applications for most programs in this SuperNOFA will be rated according to five standard Rating Factors (see Section III (C) below). For FY 2000, Rating Factor 5, “Coordination, Self-Sufficiency and Sustainability,” has been expanded to reflect this Administration’s priority for fostering self-sufficiency.

**Coordination means you, the applicant, are working with other organizations that are not directly participating in your proposed work activities and have agreed to share information and outcomes that result from the successful completion of your activities, so that the other organizations and members of the community can benefit from the results and improve the overall success of related activities within the community. The goal of coordination is to ensure that programs do not operate in isolation.** Coordination looks beyond the support given to the applicant’s program claimed by the applicant under Rating Factor 4, Leveraging, and asks “How does the applicant’s program fit into other activities and programs that are being carried out by others in the community?”

**Self-sufficiency refers to the extent to which proposed activities can result in increased independence and empowerment. Increased independence can result from expanded job opportunities, homeownership, or housing in a wider range of neighborhoods, additional educational opportunities, and improved living environments.**

**Sustainability refers to two distinct issues: (1) The potential for an applicant organization to become financially self-sustaining; and, (2) the potential of a specific project or activity to be sustained into the future absent any HUD funding. Just as a business plan presents to a commercial lender an outline of a course of action for an organization to become profitable, the information in the application for this factor will outline a realistic path for the applicant to become financially independent without a need for continued HUD funding.**

**Applicant Debriefing.** Beginning not less than 30 days after the awards for assistance are announced in the **Federal Register , and for at least 120 days after awards for assistance are announced, HUD will provide any requesting applicant with a debriefing on their application. All requests for debriefing must be made in writing or by email by the authorized official whose signature appears on the SF-424 or his or her successor in office. Submit your request to the person or organization identified as the Contact under the section entitled “Further Information and Technical Assistance” or as specified in the Program Section of the SuperNOFA under which you applied for assistance. Information provided to you during your debriefing will include, at a
minimum, the final score you received for each rating factor, final evaluator comments for each rating factor, and the final assessment indicating the basis upon which assistance was provided or denied.

Points Deducted for Poor Performance. As part of HUD’s efforts to place greater emphasis on accountability, applicants who received prior awards and failed to meet their program goals may have points deducted from their rating score. Specific details on how points will be deducted are included, as applicable, in the Program Section of the SuperNOFA.

New Programs and Changes to Programs. The FY 2002 SuperNOFA includes the following new funding opportunities:
• Housing Counseling Services Targeting the Colonias;
• Public Housing Resident Opportunity and Self-Sufficiency (ROSS) for Neighborhood Networks Program; and
• Public Housing Resident Opportunity and Self-Sufficiency (ROSS) for Homeownership Supportive Services Program.

Funding opportunities that have changed significantly or been renamed include:
• Housing Choice Voucher (HCV) Family Self-Sufficiency (FSS) Program Coordinators Program, replacing Family Self Sufficiency (FSS) Program Coordinators;
• Healthy Homes Demonstration Program, replacing the Healthy Homes Demonstration and Education Program of Fiscal Year 2001; and
• Healthy Homes and Lead Technical Studies, replacing the program for Healthy Homes Research.

Not Available for FY 2002. Funding opportunities that were part of the FY 2001 SuperNOFA but are not available in FY 2002 are:
• Public Housing Drug Elimination—Technical Assistance Program (DETAP);
• Indian Housing Drug Elimination Program;
• Drug Elimination New Approach Anti-Drug Program;
• Drug Elimination Grants for Multifamily Low Income Housing; and,
• Community Housing Development Organization (CHDO) TA.

Funding will be announced later in the year for:
• Revitalization of Severely Distressed Public Housing (HOPE VI);
• Homeownership Research Studies;
• Lead Elimination Action Program (LEAP); and
• Urban Scholars Fellowship Program.

Funding Notices Issued Prior to the SuperNOFA. Due to statutory deadlines for the obligation of funds or for other reasons, there are several programs that have been issued prior to the SuperNOFA. These include:
• Fair Share Allocation of Incremental Voucher Funding;
• Community Development Work Study Program; and
• Capacity Building for Community Development and Affordable Housing. Information on these programs is available on the HUD website at www.hud.gov.

Changes to the HOPE VI Program. As indicated earlier, HOPE VI is not included in the FY 2002 SuperNOFA. The HOPE VI NOFA will be published separately in the Federal Register at a later date and will be posted on the HUD website, www.hud.gov. Each eligible PHA will receive a HOPE VI Application Kit that will also include the published NOFA. HUD anticipates that the FY 2002 HOPE VI NOFA will reflect some significant changes. Thresholds and rating criteria are being re-examined with a particular emphasis on issues of project readiness, extent of severe distress, leverage, grant amounts and distribution, homeownership, and relocation-related services.

Changes to Policy Priorities. Section VI of this SuperNOFA has been updated to reflect the changes in policy priorities. Please be sure to read the section carefully. Among the new priorities are the inclusion of faith-based and other community-based organizations in program development and implementation, and an emphasis on services to the Colonias. This SuperNOFA also reflects administrative initiatives announced by the Secretary, including a commitment to core values and ethical business practices and an intention to foster intergovernmental partnership and strengthen state and local participation in Federal programs.

Organization of the SuperNOFA

The SuperNOFA is divided into two major sections, the General Section and the Program Section. The General Section of the SuperNOFA describes the procedures and requirements applicable to all applications. The Program Section of the SuperNOFA describes each program and program component that is part of this SuperNOFA. For each funding opportunity, the Program Section describes the eligible applicants, eligible activities, factors for award, and any additional requirements or limitations. Please read both sections carefully to be sure your application is complete. Your attention to the sections will ensure that you apply for funding for which your organization is eligible and that you fulfill all the requirements for application submission.

As part of the simplification of this funding process and to avoid duplication of effort, the SuperNOFA provides for consolidated applications for several of the programs that are part of this SuperNOFA. HUD programs that provide assistance for, or complement, similar activities (for example, the Continuum of Care programs and CPD Technical Assistance programs) have a consolidated application that reduces the administrative and paperwork burden applicants would otherwise encounter. The Program Chart in this introductory section of the SuperNOFA identifies the programs that have been consolidated and for which a consolidated application is made available to eligible applicants.

HUD provides copies of all required forms in this publication. The standard forms, certifications, and assurances applicable to all programs, or the great majority of programs, in the SuperNOFA follow the General Section as Appendix B. The forms and any additional certifications and assurances that are unique to the individual program will follow that program section of the SuperNOFA.

The specific statutory and regulatory requirements of the programs that are part of this SuperNOFA continue to apply to each program. The SuperNOFA will identify, where necessary, the statutory requirements and differences applicable to the specific programs. Please pay careful attention to the specific submission requirements that are identified for each funding opportunity. Not all applicants are eligible to receive assistance under all funding opportunities identified in this SuperNOFA.

The Programs of This SuperNOFA and the Amount of Funds Allocated

The funding opportunities that are part of this SuperNOFA are identified in the following chart. The amount of funds available is based on funds appropriated in FY 2002 and funds recaptured from prior years’ appropriations. In the event that HUD recaptures program funds or other funds become available for a program, HUD reserves the right to increase the available funding by these additional amounts.

The chart also includes the application due date, the OMB approval number for the information collection requirements, and the Catalog of Federal Domestic Assistance (CFDA) number for each funding opportunity.

Paperwork Reduction Act Statement. The information collection requirements in this SuperNOFA have been approved by OMB under the Paperwork Reduction Act of 1995 (44 U.S.C. 3501–3520). The preceding chart provides the OMB approval number for each program that is part of this SuperNOFA. Where the chart notes that an OMB number is pending, this means that HUD has submitted the information to OMB to obtain an approval number and HUD’s request for the number is pending. As soon as HUD receives the approval number, the number will be published in the Federal Register and provided to the SuperNOFA Information Center. Under the Paperwork Reduction Act, an agency may not conduct or sponsor, and a person is not required to respond to, a collection of information unless the collection displays a valid control number.

General Section of the SuperNOFA

I. Authority, Purposes of the FY 2002 SuperNOFA, Funding Amounts, Restrictions Concerning Tobacco Products and Eligible Applicants and Activities

(A) Authority. HUD’s authority for making funding available under this SuperNOFA is the FY 2002 Department of Veterans Affairs and Housing and Urban Development and Independent Agencies Appropriations Act, Public Law 107–73, approved November 26, 2001 (FY 2002 HUD Appropriations Act). Generally, this statement of authority is not repeated in the individual program sections of this SuperNOFA. The authority provision in the program sections identifies additional statutes and regulations that authorize the requirements listed for the funding competitions that make up this SuperNOFA.

(B) Purposes. The purposes of this SuperNOFA are to:

(1) Make funding available to empower communities and residents. The funding made available by this SuperNOFA will assist community leaders and residents, including low- and moderate-income residents and faith-based and other community-based grassroots organizations, in using HUD funds to develop viable communities and provide decent housing for all citizens, without discrimination.

(2) Simplify the application process for funding under HUD programs. For the majority of funding in this year’s SuperNOFA, the SuperNOFA continues to provide the SuperNOFA Information Center in the use of existing resources, HUD encourages members of a community to join together and pool all available resources in a common, coordinated effort. By making all of HUD’s competitive funding available in one document, HUD encourages you, the applicant, to be able to relate the activities proposed for funding under this SuperNOFA to the community’s Consolidated Plan and Analysis of Impediments to Fair Housing Choice (AI). Applicants who demonstrate a coordinated effort will obtain higher scores than applicants who do not.

(4) Promote self-sufficiency and economic opportunity for the persons and communities being served by your program of activities. HUD’s goal is to promote the self-sufficiency of those most in need of assistance, ensuring that the funds provided can result in measurable progress in increasing homeownership opportunities for low income and minority households, providing training and job opportunities so individuals and families can be economically self-sufficient, and better coordinating the delivery of services to homeless persons, persons with disabilities and minorities or residents where English may be a second language.

(C) Funding Available. As noted in the Introductory Section of this SuperNOFA, the HUD programs in this SuperNOFA are allocated amounts based on appropriated funds. If HUD recaptures funds in any program, HUD reserves the right to increase the available funding by those amounts.

(D) Restrictions on the Use of HUD Funds in Support of the Sale of Tobacco Products. Section 211 of the FY 2001 HUD Appropriations Act prohibits the use of HUD funds to construct, operate, or otherwise benefit a facility or facilities with a designated portion that sells or intends to sell predominantly cigarettes or other tobacco products. The Act defines the predominant sale of cigarettes or other tobacco products to mean representing more than 35 percent of annual in-store, non-fuel sales. Therefore, any programs funded with remaining or recaptured FY 2001 funds must adhere to this prohibition.

(E) Eligible Applicants and Eligible Activities. The Program Section of the SuperNOFA describes the eligible applicants and eligible activities for each program.

II. Requirements and Procedures Applicable to All Programs

Except as may be modified in the Program Section of this SuperNOFA, the requirements, procedures and principles found below apply to all programs that are part of this SuperNOFA. Please read the Program Section of the SuperNOFA for additional requirements or information.

(A) Statutory Requirements. To be eligible for funding under this SuperNOFA, you, the applicant, must meet all statutory and regulatory requirements applicable to the program or programs for which funding is sought. If you need copies of the program regulations, they are available from the SuperNOFA Information Center or through the HUD website, www.hud.gov. HUD will not consider an application from an ineligible applicant. See the Program Section for instructions on how HUD will respond to proposed activities that are ineligible. With the exception of the Section 202 and Section 811 programs, HUD may also eliminate the ineligible activities from funding consideration and reduce grant amounts accordingly.

(B) Threshold Requirements.

(1) Compliance with Fair Housing and Civil Rights Laws

(a) With the exception of federally recognized Indian tribes and their instrumentalities, all applicants and their subrecipients must comply with all Fair Housing and Civil Rights laws, statutes, regulations, and Executive Orders as enumerated in 24 CFR 5.105(a). If you are a federally recognized Indian tribe, you must comply with the non-discrimination provisions enumerated at 24 CFR 1003.601, as applicable. In addition to these requirements, there may be program-specific threshold requirements identified in the Program Sections of the SuperNOFA.

(b) If you, the applicant:

(i) Have been charged with a systemic violation of the Fair Housing Act alleging ongoing discrimination; or,

(ii) Are a defendant in a Fair Housing Act lawsuit filed by the Department of Justice alleging an on-going pattern or practice of discrimination; or,

(iii) Have received a letter of non-compliance findings under Title VI, Section 504, or Section 109, and if the charge, lawsuit, or letter of findings has
not been resolved to HUD’s satisfaction before the application deadline stated in the individual program NOFA, you may not apply for assistance under this SuperNOFA. HUD will not rate and rank your application. HUD’s decision regarding whether a charge, lawsuit, or a letter of findings has been satisfactorily resolved will be based upon whether appropriate actions have been taken to address allegations of ongoing discrimination in the policies or practices involved in the charge, lawsuit, or letter of findings.

(2) Conducting Business In Accordance With Core Values and Ethical Standards. Entities subject to 24 CFR Parts 84 and 85 (most non-profit organizations and State, local and tribal governments or government agencies or instrumentalities who receive Federal awards of financial assistance) are required to develop and maintain a written code of conduct (see Sections 84.42 and 85.36(b)(3)). Consistent with regulations governing specific programs, your code of conduct must: prohibit real and apparent conflicts of interest that may arise among officers, employees, or agents; prohibit the solicitation and acceptance of gifts or gratuities by your officers, employees and agents for their personal benefit in excess of minimal value; and, outline administrative and disciplinary actions available to remedy violations of such standards. If awarded assistance under this SuperNOFA, you will be required, prior to entering into a grant agreement with HUD, to submit a copy of your code of conduct and describe the methods you will use to ensure that all officers, employees, and agents of your organization are aware of your code of conduct.

(3) Other Threshold Requirements. The Program Section for the funding for which you are applying may specify other threshold requirements. Additional threshold requirements may be identified in the discussion of “eligibility” requirements in the Program Section.

(D) Affirmatively Furthering Fair Housing. Under Section 808(e)(5) of the Fair Housing Act, HUD is obliged to affirmatively further fair housing. HUD requires the same of its grant recipients. Unless otherwise specified in the Program Section of this SuperNOFA, if you are an applicant, you will have a duty to affirmatively further fair housing opportunities for classes protected under the Fair Housing Act. Protected classes are color, national origin, religion, sex, disability or perceived ability, and family status. Unless otherwise instructed in the Program Section of this SuperNOFA, your application must include specific steps to:

(1) Overcome the effects of impediments to fair housing that were identified in the jurisdiction’s Analysis of Impediments (AI) to Fair Housing Choice;

(2) Remedy discrimination in housing; and/or

(3) Promote fair housing rights and fair housing choice.

Further, you, the applicant, have a duty to carry out the specific activities provided in your responses to the SuperNOFA rating factors that address affirmatively furthering fair housing. Please see the Program Section of this SuperNOFA for further information. The requirements to affirmatively further fair housing apply to:

- Alaskan Native Native Hawaiian Institutions Assisting Communities (AN/NHIA);
- Assisted Living Conversion Program (ALCP) for Eligible Multifamily Housing Projects;
- Brownfields Economic Development Initiative (BEDI);
- Community Outreach Partnership Centers (COPC);
- Continuum of Care Homeless Assistance Programs (SHP, Shelter Plus Care, Section 8 Moderate Rehab);

- Section 202 Supportive Housing for Elderly Persons;
- Section 811 Supportive Housing for Persons with Disabilities;
- Self-Help Homeownership Opportunity Program (SHOP);
- Service Coordinators in Multifamily Housing; and
- YouthBuild Program.

(E) Economic Opportunities for Low- and Very Low-Income Persons (Section 3). Certain programs in this SuperNOFA require recipients of assistance to comply with Section 3 of the Housing and Urban Development Act of 1968 (Section 3), 12 U.S.C. 1701u (Economic Opportunities for Low- and Very Low-Income Persons in Connection with Assisted Projects) and the HUD regulations at 24 CFR part 135, including the reporting requirements at subpart E. Section 3 requires recipients to ensure that, to the greatest extent feasible, training, employment and other economic opportunities will be directed to low- and very-low income persons, particularly those who are recipients of government assistance for housing, and business concerns which provide economic opportunities to low- and very-low income persons. As noted in the Program Section of this SuperNOFA, Section 3 is applicable to the following programs:

- Alaska Native/Native Hawaiian Institutions Assisting Communities (AN/NHIA);
- Assisted Living Conversion Program (ALCP);
- Brownfields Economic Development Initiative (BEDI);

Businesses, and Women-Owned Businesses. HUD is committed to ensuring that small businesses, small disadvantaged businesses, and women-owned businesses participate fully in HUD’s direct contracting and in contracting opportunities generated by HUD grant funds. Too often, these businesses still experience difficulty accessing information and successfully biding on Federal contracts. State, local, and tribal governments are required by 24 CFR 85.36(e) and non-profit recipients of assistance (grantees and sub-grantees) by 24 CFR 84.44(b), to take all necessary affirmative steps in contracting for purchase of goods or services to assure that minority firms, women’s business enterprises, and labor surplus area firms are used when possible, or as specified in the Program Section.

(G) Relocation. The relocation requirements of the Uniform Relocation Assistance and Real Property Acquisition Policies Act of 1970, as amended, and the implementing government-wide regulation at 49 CFR part 24 cover any person who moves permanently from real property or moves personal property from real property directly because of acquisition, rehabilitation, or demolition for an activity undertaken with HUD assistance. Some HUD program regulations also cover persons who are temporarily relocated.

Applicants should review the regulations for the programs for which they are applying when planning their project.

(H) Forms, Certifications, and Assurances. You, the applicant, are required to submit signed copies of the standard forms, certifications, and assurances listed in this section, unless the requirements in the Program Section specify otherwise. Also, the Program Section may specify additional forms, certifications, assurances or other information that may be required for a particular program in this SuperNOFA.

As part of HUD’s continuing efforts to improve the SuperNOFA process, several of the required standard forms have been simplified this year. The standard forms, certifications, and assurances are:

- Standard Form for Application for Federal Assistance (SF–424) (which includes civil rights/fair housing certification);
- Federal Assistance Funding Matrix and Certifications, (HUD–424M);
- Standard Form for Budget Information—Non-Construction Programs (SF–424A) or Standard Form for Budget Information-Construction Programs (SF–424C), as applicable;
- Standard Form for Assurances—Non-Construction Programs (SF–424B) or Standard Form for Assurances—Construction Programs (SF–424D), as applicable;
  - Drug-Free Workplace Certification (HUD–50070);
  - Certification of Payments to Influence Federal Transaction (HUD–50071) and, if engaged in lobbying, the Disclosure Form Regarding Lobbying (SF–LLL) (federally recognized tribes and tribally designated housing entities (TDHEs) established by federally recognized Indian tribes as a result of the exercise of the tribe’s sovereign power are excluded from coverage of the Byrd Amendment, but State recognized Indian tribes and TDHEs established under State law are required to submit this certification);
  - Applicant/Recipient Disclosure/Update Report (HUD–2880);
  - Certification Regarding Debarment and Suspension (HUD–2992) as required by 24 CFR 24.510 (The provisions of 24 CFR part 24 apply to the employment, engagement of services, awarding of contracts, subgrants, or funding of any recipients, contractors or subcontractors, during any period of debarment, suspension, or placement in ineligibility status, and a certification is required);
  - Certification of Consistency with RC/EZ/EC Strategic Plan (HUD–2990), if applicable;
  - Certification of Consistency with the Consolidated Plan (HUD–2991) if applicable;
  - Acknowledgment of Application Receipt (HUD–2993); and,
  - Client Comments and Suggestions (HUD 2994).

Copies of these standard forms follow this General Section of the SuperNOFA. Copies of forms that are particular to an individual program follow the funding information for that program. Also included in Appendix B to the General Section is the Funding Application for the Housing Choice Voucher Program (HUD 52515).

Note: Forms SF–424A and SF–424C ask for information which is similar to the information required by form HUD 4123—Cost Summary which is listed as a required form under the ICDBG Program Section of this SuperNOFA and which is a required form for that program. Also note that there are assurances separate from SF–424B and 424D for the ICDBG program, which are specific to that program.

(I) OMB Circulars and Government-wide Regulations Applicable to Grant Programs. Certain OMB circulars also apply to programs in this SuperNOFA. The policies, guidance, and requirements of OMB Circular A–87 (Cost Principles Applicable to Grants, Contracts and Other Agreements with State and Local Governments), OMB Circular A–21 (Cost Principles for Education Institutions), OMB A–122 (Cost Principles for Nonprofit Organizations), OMB Circular A–133 (Audits of States, Local Governments, and Non-Profit Organizations), and the regulations in 24 CFR part 84 (Grants and Agreements with Institutions of Higher Education, Hospitals, and other Non-Profit Organizations), and 24 CFR part 85 (Administrative Requirements for Grants and Cooperative Agreements to State, Local, and Federally recognized Indian tribal governments), may apply to the award, acceptance, and use of assistance under the programs of this SuperNOFA, and to the remedies for non-compliance, except when inconsistent with the provisions of the FY 2002 HUD Appropriations Act, other Federal statutes or regulations, or the provisions of this SuperNOFA.

Compliance with additional OMB Circulars or government-wide regulations may be specified for a particular program in the Program Section of the SuperNOFA. Copies of the OMB Circulars may be obtained from EOP Publications: Room 2200; New Executive Office Building; Washington, DC 20503; telephone (202) 395–7332 (this is not a toll free number); or, from the website, www.whitehouse.gov/omb/circulars/index.html.

(j) Environmental Requirements. If you become a grantee under one of the programs in this SuperNOFA or under a particular program in that SuperNOFA that assist physical development activities or property acquisition, you are generally prohibited from acquiring, rehabilitating, converting, leasing, repairing or constructing property, or committing or expending HUD or non-HUD funds for these types of program activities, until one of the following has occurred:

(1) HUD has completed an environmental review in accordance with 24 CFR part 50; or

(2) For programs subject to 24 CFR part 58, HUD has approved a grantee’s Request for Release of Funds (HUD Form 7015.15) following a Responsible Entity’s completion of an environmental review.

You, the applicant, should consult the Program Section of the SuperNOFA for the applicable program to determine the procedures for, timing of, and any exclusions from environmental review under a particular program. For applicants applying for funding under the Sections 202 or 811 Programs, please note the environmental review requirements for these programs.
(K) **Conflicts of Interest.** If you are a consultant or expert who is assisting HUD in rating and ranking applicants for funding under this SuperNOFA, you are subject to 18 U.S.C. 208, the Federal criminal conflict of interest statute, and the Standards of Ethical Conduct for Employees of the Executive Branch regulation published at 5 CFR part 2635. As a result, if you have assisted or plan to assist applicants with preparing applications for this SuperNOFA, you may not serve on a selection panel and you may not serve as a technical advisor to HUD for this SuperNOFA. All individuals involved in rating and ranking this SuperNOFA, including experts and consultants, must avoid conflicts of interest or the appearance of conflicts. Individuals involved in the rating and ranking of applications must disclose to HUD’s General Counsel or HUD’s Ethics Law Division the following information, if applicable: how the selection or non-selection of any applicant under this SuperNOFA will affect the individual’s financial interests, as provided in 18 U.S.C. 208; or, how the application process involves a party with whom the individual has a covered relationship under 5 CFR 2635.502. The individual must disclose this information prior to participating in any matter regarding this SuperNOFA. If you have questions regarding these provisions or if you have questions concerning a conflict of interest, you may call the Office of General Counsel, Ethics Law Division, at 202–708–3815.

(L) **Accessible Technology.** The Rehabilitation Act Amendments of 1998 apply to all electronic information technology (EIT) used by a grantee for transmitting, receiving, using, or storing information to carry out the responsibilities of any federal grant awarded. The Act’s coverage includes, but is not limited to, computers (hardware, software, word-processing, email, and web pages), facsimile machines, copiers and telephones. When developing, procuring, maintaining, or using EIT, funding recipients must ensure that the EIT allows employees with disabilities and members of the public with disabilities to have access to and use of information and data that is comparable to the access and use of information and data by employees and members of the public who do not have disabilities. If these standards impose a hardship on a funding recipient, they may provide an alternative means to allow the individual to use the information and data. However, no recipient will be required to provide information services to a person with disabilities at any location other than the location at which the information services is generally provided.

**III. Application Selection Process**

(A) **Rating Panels.** To review and rate applications, HUD may establish panels. These panels may include persons not currently employed by HUD. HUD may include these non-HUD employees to obtain certain expertise and outside points of view, including views from other Federal agencies.

(1) **Rating.** HUD will evaluate and rate all applications for funding that meet the threshold requirements and rating factors for award described in this SuperNOFA. This will include rating the applicant and/or the applicant’s organization and staff for technical merit or threshold compliance as well as any sub-contractors, consultants, sub-recipients, and members of consortia that are firmly committed to the project. In evaluating applications for funding HUD will take into account applicants’ past performance in managing funds, including the ability to account for funds appropriately; timely use of funds received either from HUD or other Federal, State, or local programs; meeting performance targets for completion of activities; and, number of persons to be served or targeted for assistance. HUD may include information at hand or available from public sources such as, but not limited to, newspapers, Inspector General or Government Accounting Office Reports or Findings, and/or hotline complaints that have been proven to have merit. In evaluating past performance, HUD may elect to deduct points from the rating score or establish threshold levels as specified under the Factors for Award in the Program Section of this SuperNOFA. (2) **Rating.** HUD will rank applicants within each program or, for Continuum of Care applicants, across the three programs identified in the Continuum of Care section of this SuperNOFA. HUD will rank applicants only against those applying for the same program funding. Where there are set-asides within a program competition, you, the applicant, will compete against only those applicants in the same set-aside competition.

(B) **Threshold Requirements.** HUD will review your application to determine whether it meets all of the threshold requirements described in Section III(B), above. Only applications that meet all of the threshold requirements will be eligible to be rated and ranked.

(C) **Factors for Award Used to Evaluate and Rate Applications.** For each program that is part of this SuperNOFA, the points awarded for the rating factors total 100. Depending upon the program for which you the applicant seek funding, the funding opportunity may provide for up to six bonus points as provided in paragraphs (1)–(3) of this Section III(C).

(1) **RC/EZ/EC.** The SuperNOFA provides for the award of two bonus points for eligible activities/projects that the applicant proposes to be located in federally designated Empowerment Zones (EZs), Enterprise Communities (ECs), Urban Enhanced Enterprise Communities (EECs), Strategic Planning Communities, or Renewal Communities (RCs), serve the residents of these areas, and are certified to be consistent with the area’s strategic plan. (For ease of reference in the SuperNOFA, all these federally designated areas are collectively referred to as “RC/EZ/ECs” and residents of any of these federally designated areas as “RC/EZ/EC residents.”) The individual funding announcement will indicate if the bonus points are available for that funding.

The SuperNOFA contains a certification that must be completed for the applicant to be considered for RC/EZ/EC bonus points. A list of RCs, EZs, ECs, EECs, and Strategic Planning Communities is attached to this General Section of the SuperNOFA as Appendix A–2 and is also available from the SuperNOFA Information Center, and the HUD website, www.hud.gov.

(2) **Brownfield Showcase Communities:** In the BEDI competition, two bonus points are available for federally designated Brownfields Show Case Communities. (Please see BEDI section of this SuperNOFA for additional information.) A list of the federally designated RCs, EZs, ECs, Enhanced ECs, and Brownfield Showcase Communities is available from the SuperNOFA Information Center or through the HUD website, www.hud.gov.

(3) **Court-Ordered Consideration.** For any application submitted by the City of Dallas, Texas, for funds under this SuperNOFA for which the City of Dallas is eligible to apply, HUD will consider the extent to which the strategies or plans in the application or applications will be used to eradicate the vestiges of racial segregation in the Dallas Housing Authority’s low-income housing programs. The City of Dallas should address the effect, if any, that vestiges of racial segregation in Dallas Housing Authority’s low-income housing programs have on potential participants in the programs covered by this SuperNOFA, and identify proposed actions for remedying those vestiges. HUD may add up to 2 bonus points to...
the score based upon this consideration. This special consideration results from the score based upon this consideration.

13840 Federal Register
Continuum of Care.

Factor 1: Capacity of the Applicant and Relevant Organizational Staff
Factor 2: Need/Extent of the Problem
Factor 3: Soundness of Approach
Factor 4: Leveraging Resources
Factor 5: Coordination, Self-Sufficiency and Sustainability

The Continuum of Care Homeless Assistance Programs have only two factors that receive points: Need and Continuum of Care.

(D) Negotiation. After HUD has rated and ranked all applications and made selections, HUD may require, depending upon the program, that all winners participate in negotiations to determine the specific terms of the grant agreement and budget. In cases where HUD cannot successfully conclude negotiations with a selected applicant or a selected applicant fails to provide HUD with requested information, an award will not be made to that applicant. In this instance, HUD may offer an award, and proceed with negotiations with the next highest-ranking applicant.

(E) Adjustments to Funding.
(1) HUD reserves the right to fund less than the full amount requested in your application to ensure the fair distribution of the funds and that the purposes of a specific program are met.
(2) HUD will not fund any portion of your application that: is not eligible for funding under specific program statutory or regulatory requirements; does not meet the requirements of this SuperNOFA; or may be duplicative of other funded programs or activities from previous years’ awards or other selected applicants. Only the eligible portions of your application (including nonduplicative portions) may be funded.
(3) If funds remain after funding the highest-ranking applications, HUD may fund all or part of the next highest-ranking application in a given program. If you, the applicant, turn down an award offer, HUD will make an offer of funding to the next highest-ranking application. If funds remain after all selections have been made, remaining funds may be available for other competitions for each program where there is a balance of funds.
(4) In the event HUD commits an error that, when corrected, would result in selection of an otherwise eligible applicant during the funding round of this SuperNOFA, HUD may select that applicant when sufficient funds become available.

(F) Performance and Compliance Actions of Grantees. HUD will measure and address the performance and compliance actions of grantees in accordance with the applicable standards and sanctions of their respective programs.

IV. Application Submission Requirements

As discussed in the Introductory Section of this SuperNOFA, part of the simplification of this funding process is to reduce the duplication of effort that has been required of applicants in the past. Before the SuperNOFA process, many of HUD’s applicants were required to complete and submit similar applications for HUD funded programs. As the Program Chart shows, the FY 2002 SuperNOFA provides, as did the previous SuperNOFAs, for consolidated applications for several of the programs for which funding is available under this SuperNOFA.

V. Corrections to Deficient Applications

After the application due date, HUD may not, consistent with its regulations in 24 CFR part 4, subpart B, consider any unsolicited information you, the applicant, may want to provide. HUD may contact you to clarify an item in your application or to correct technical deficiencies. HUD may not seek clarification of items or responses that improve the substantive quality of your response to any rating factors. In order not to unreasonably exclude applications from being rated and ranked, HUD may contact applicants to ensure proper completion of the application and to do so on a uniform basis for all applicants. Examples of curable (correctable) technical deficiencies include failure to submit the proper certifications or failure to submit an application that contains an original signature by an authorized official. In each case, HUD will notify you in writing by describing the clarification or technical deficiency. HUD will notify applicants by facsimile or by USPS, return receipt requested. Clarifications or corrections of technical deficiencies in accordance with the information provided by HUD must be submitted within 14 calendar days of the date of receipt of the HUD notification. (If the due date falls on a Saturday, Sunday, or Federal holiday, your correction must be received by HUD on the next day that is not a Saturday, Sunday, or Federal holiday.) If the deficiency is not corrected within this time period, HUD will reject the application as incomplete and it will not be considered for funding. (Sections 202 and 811 Programs provide for appeal of rejection of an application on technical deficiency. Please see the Program Section for these programs for additional information and instructions.)

VI. HUD’s FY 2002 SuperNOFA Policy Priorities

This Section describes important initiatives that HUD is encouraging applicants to undertake in implementing programs funded under this SuperNOFA. Seven SuperNOFA policy priorities are listed below. Each of the seven policy priorities support the interim Strategic Goals listed in Part II of this NOFA, as noted below.

(A) Increasing Homeownership Opportunities for Low- and Moderate-Income Persons, Persons with Disabilities, the Elderly, Minorities, and Families where English may be a Second Language. Too often these individuals and families are shut out of the housing market through no fault of their own. HUD encourages applicants to work aggressively to open up the realm of homeownership to many who want the joy, security, and sense of community that comes from owning a home of their own. Proposed activities can support Strategic Goals 1, 2, and 7.

(B) Improving the Quality of Public Housing and Providing More Choices for Its Residents. HUD wants to improve the quality of life for those living in public housing, not only by improving the physical surroundings of public housing developments, but by providing residents greater opportunities to move from public housing into homeownership opportunities or into a community with greater housing choices and better educational and employment opportunities. Proposed
activities directly support Strategic Goal 3, but can also support Strategic Goals 4, and 7.

(C) Encouraging Accessible Design Features. As described in Section II (B) and (H), applicants must be in compliance with applicable civil rights laws including the Fair Housing Act, Section 504 of the Rehabilitation Act of 1973, and the Americans with Disabilities Act. These laws, and regulations implementing them, provide for nondiscrimination based on disability and require housing and facilities to incorporate certain features intended to provide for their use and enjoyment by persons with disabilities.

HUD is encouraging applicants to add accessible design features beyond those required under civil rights laws and regulations. These features would eliminate many other barriers limiting the access of persons with disabilities to housing and other facilities. These accessible design features are intended to promote visitability and incorporate features of universal design as described below:

(i) Visitability in New Construction and Substantial Rehabilitation. Applicants are encouraged to incorporate visitability standards where feasible in new construction and substantial rehabilitation projects. Visitability standards allow a person with mobility impairments access into the home, but do not require that all features be made accessible. Visitability means at least one entrance at grade (no steps), approached by an accessible route such as a sidewalk; the entrance door and all interior passage doors are at least 2 feet 10 inches wide, allowing 32 inches of clear passage space. A visitable home also serves persons without disabilities, such as a mother pushing a stroller or a person delivering a large appliance. Copies of the Uniform Federal Accessibility Standards (UFAS) are available from the SuperNOFA Information Center (1–800–HUD–8929 or 1–800–HUD–2209 (TTY)) and also from the Office of Fair Housing and Equal Opportunity; U.S. Department of Housing and Urban Development; Room 5230, 451 Seventh Street, SW.; Washington, DC 20410; 202–755–5404 or 1–800–877–8399 (TTY Federal Information Relay Service). Proposed activities support Strategic Goal 7.

(ii) Universal Design. Applicants are encouraged to incorporate universal design in the construction or rehabilitation of housing, retail establishments, and community facilities funded with HUD assistance. Universal design of products and environments to be usable by all people to the greatest extent possible, without the need for adaptation or specialized design. The intent of universal design is to simplify life for everyone by making products, communications, and the built environment more usable by as many people as possible at little or no extra cost. Universal design benefits people of all ages and abilities. In addition to any applicable required accessibility features under Section 504 of the Rehabilitation Act of 1973 or the design and construction requirements of the Fair Housing Act, the Department encourages applicants to incorporate the principles of universal design when developing housing, community facilities, electronic communication mechanisms, or when communicating with community residents at public meetings or events. HUD believes that by creating housing that is accessible to all, it can increase the supply of affordable housing for all, regardless of ability or age. Likewise, creating places where people work, train, and interact which are useable and open to all residents increases opportunities for economic and personal self-sufficiency. Proposed activities under this priority will support Strategic Goals 2, 7, and 8.

(D) Improving Computer Access, Literacy, and Employment Opportunities. The Department seeks to promote activities that provide access to computers to low- and moderate-income adults and children who do not have access and, therefore, may be disadvantaged with respect to education, work, and training opportunities. HUD encourages applicants to incorporate education and job training opportunities through initiatives such as HUD’s Neighborhood Networks. Neighborhood Networks enhance the self-sufficiency, employability, and economic self-reliance of low-income families and the elderly living in HUD-insured or HUD-assisted properties, and public housing by providing on-site computer access and training resources.

Applicants are encouraged to teach adults and children how to use computers to achieve economic self-sufficiency, provide job training and placement, and establish public-private partnerships to support community-learning centers and provide apprenticeship opportunities. Proposed activities can support Strategic Goals 2, 3, 4, 5, 7, and 8.

(E) Providing Full and Equal Access to Faith-Based and Other Community-Based Organizations in HUD Program Implementation. (1) HUD encourages non-profit organizations, including grassroots faith-based and other community-based organizations, to participate in the vast array of programs for which funding is available through this SuperNOFA. HUD believes that grassroots organizations, e.g., civic organizations, congregations, and faith-based and other community-based organizations, have not been effectively utilized. These grassroots organizations have a strong history of providing vital community services such as assisting the homeless and preventing homelessness, counseling individuals and families on fair housing rights, providing elderly housing opportunities, developing first time home ownership programs, increasing homeownership and rental housing opportunities in neighborhoods of their choice, developing affordable and accessible housing in neighborhoods across the country, creating economic development programs, and supporting the residents of public housing facilities. The goal of this policy priority is to make HUD’s programs more effective, efficient, and accessible by expanding opportunities for grassroots organizations to participate in developing solutions for their own neighborhoods. Additionally, HUD encourages applicants to include these faith-based and other community-based grassroots organizations in their workplans. Applicants, their partners, and participants must review the Program Section of this SuperNOFA to determine eligibility. Faith-based and other community-based grassroots organizations, and applicants who currently or propose to partner, fund, or subcontract with grassroots organizations, including faith-based or other community-based non-profits eligible under applicable program regulations, in conducting their work programs will receive higher rating points as specified in the program section of this SuperNOFA.

(2) Definition of Grassroots Organizations.

(a) HUD will consider an organization a “grassroots organization” if the organization is headquartered in the local community to which it provides services; and,

(i) Has a social services budget of $300,000 or less, or

(ii) Has six or fewer full-time equivalent employees.

(b) Local affiliates of national organizations are not considered “grassroots.” Local affiliates of national organizations are encouraged, however, to partner with grassroots organizations but must demonstrate that they are currently working with a grassroots organization, e.g., having a congregation or civic organization, or other charitable organization provide volunteers.
(c) The cap provided in paragraph
(2)(a)(i) above includes only that portion of an organization’s budget allocated to
providing social services. It does not
include other portions of the budget
such as salaries and expenses. Activities
under this priority directly support
Strategic Goal 4.

(F) Ensuring that Programs are
Accountable for the Promises Made
and the Actions Taken. HUD encourages
applicants to include program measures
to ensure that promises made in your
application for funding for persons to be
assisted, units to be constructed or
rehabilitated, timelines and budgets to
be followed, and results to be achieved
can be accounted for and independently
assessed to ensure performance goals
have been met. Applicants who have
included means of assessing progress
and tracking performance goals and
achievements against promises made in
the application will receive higher
rating points. Actions taken to support
this priority directly support Strategic
Goal 6.

(G) Colonias. HUD seeks to improve
housing conditions for families living in
Colonias. A Colonias means any
identifiable community that:
(i) is located in Arizona, California,
New Mexico, or Texas:
(ii) is within 150 miles of the border
between the United States and Mexico:
and
(iii) meets objective need criteria,
including lack of decent, safe, sanitary, and
accessible housing. Activities performed under this
priority primarily support Strategic Goal
8, but can also support Strategic Goals
3, 4, and 7.

VII. Findings and Certifications

(A) Environmental Impact. A Finding
of No Significant Impact with respect to
the environment has been made in
accordance with HUD regulations at 24
CFR part 50 that implement Section
102(2)(C) of the National Environmental
Finding of No Significant Impact is
available for public inspection during
regular business hours in the Office of
the General Counsel, Regulations
Division, Room 10276, U.S. Department
of Housing and Urban Development,
451 Seventh Street, SW., Washington,
DC 20410–0500.

(B) Executive Order 13132,
Federalism. Executive Order 13132
prohibits, to the extent practicable and
permitted by law, an agency from
promulgating policies that have
federalism implications and either impose substantial direct compliance
}

costs on State and local governments
and are not required by statute, or
preempt State law, unless the relevant
requirements of Section 6 of the
Executive Order are met. This
SuperNOFA does not have federalism
implications and does not impose
substantial direct compliance costs on
State and local governments or preempt
State law within the meaning of the
Executive Order.

(C) Executive Order 12372,
Intergovernmental Review of Federal
Programs. Executive Order 12372 was
issued to foster intergovernmental
partnership and strengthen federalism
by relying on State and local processes
for the coordination and review of
Federal financial assistance and direct
Federal development. The Order allows
each State to designate an entity to
perform a State review function. The
official listing of State Points of Contact
(SPOC) for this review process can be
found at www.whitehouse.gov/omb/
grants/spoc.html. States not listed on
the website have chosen not to
participate in the intergovernmental
review process and, therefore, do not
have a SPOC. If your State has a SPOC,
you should contact them to see if they
are interested in reviewing your
application prior to submission to HUD.
Please make sure that you allow ample
time for this review process when
developing and submitting your
applications. If your State does not have
a SPOC, you may send applications
directly to HUD.

(D) Prohibition Against Lobbying
Activities. The applicant, are subject to the provisions of Section 319
of the Department of Interior and
Related Agencies Appropriation Act for
Fiscal Year 1991, 31 U.S.C. 1352 (the
Byrd Amendment), which prohibits
recipients of Federal contracts, grants,
or loans from using appropriated funds
for lobbying the executive or legislative
branches of the Federal government in
connection with a specific contract,
grant, or loan. You are required to
certify, using the certification found at
Appendix A to 24 CFR part 100, that you
will not and have not used appropriated
funds for any prohibited lobbying
activities. In addition, you must
disclose, using Standard Form LLL
“Disclosure of Lobbying Activities,” any
funds, other than federally appropriated
funds, that will be or have been used to
influence Federal employees, members of
Congress, and congressional staff
regarding specific grants or contracts.
 Federally recognized Indian tribes and
tribally designated housing entities
(TDHEs) established by federally
recognized Indian tribes as a result of
the exercise of the tribe’s sovereign
power are excluded from coverage of the
Byrd Amendment, but State-recognized
Indian tribes and TDHEs established
under State law must comply with this
requirement.

(E) Section 102 of the HUD Reform
Act, Documentation and Public Access
Requirements. Section 102 of the
Department of Housing and Urban
Development Reform Act of 1989 (42
U.S.C. 3545) (Hud Reform Act) and the
regulations codified in 24 CFR part 4,
subpart A, contain a number of
provisions that are designed to ensure
greater accountability and integrity in
the provision of certain types of
assistance administered by HUD. On
January 14, 1992, HUD published a
notice that also provides information on
the implementation of Section 102 (57
FR 1942). The documentation, public
access, and disclosure requirements of
Section 102 apply to assistance awarded
under this SuperNOFA as follows:

(1) Documentation and public access
requirements. HUD will ensure that
documentation and public information
regarding each application submitted
pursuant to this SuperNOFA are
sufficient to indicate the basis upon
which assistance was provided or
denied. This material, including any
letters of support, will be made
available for public inspection for a
five-year period beginning not less than 30
days after the award of the assistance.
Material will be made available in
accordance with the Freedom of
Information Act (5 U.S.C. 552) and
HUD’s implementing regulations (24
CFR part 15).

(2) Debriefing. Beginning not less than
30 days after the awards for assistance
are announced in the above-mentioned
Federal Register notice and for at least
120 days after awards for assistance are
announced, HUD will provide a
debriefing to any applicant requesting
one on their application. All debriefing
requests must be made in writing or by
e-mail by the authorized official whose
signature appears on the SF–424 or his
or her successor in office, and submitted
to the person or organization identified
as the Contact under the section entitled
“Further Information and Technical
Assistance” in the Program Section of
the SuperNOFA under which you
applied for assistance. Information
provided during a debriefing will
include, at a minimum, the final score
you received for each rating factor, final
evaluator comments for each rating
factor, and the final assessment
indicating the basis upon which
assistance was provided or denied.

(3) Disclosures. HUD will make
information available to the public for five years all applicant disclosure reports (HUD Form
(4) **Publication of Recipients of HUD Funding.** HUD’s regulations at 24 CFR part 4 provide that HUD will publish a notice in the *Federal Register* to notify the public of all decisions made by the Department to provide:

(i) Assistance subject to Section 102(a) of the HUD Reform Act; and/or

(ii) Assistance provided through grants or cooperative agreements on a discretionary (non-formula, non-demand) basis, but that is not provided on the basis of a competition.

(F) **Section 103 of the HUD Reform Act.** HUD’s regulations implementing Section 103 of the Department of Housing and Urban Development Reform Act of 1989 (42 U.S.C. 3537a), codified in 24 CFR part 4, subpart B, apply to this funding competition. The regulations continue to apply until the announcement of the selection of successful applicants. HUD employees involved in the review of applications and in the making of funding decisions are limited by the regulations from providing advance information to any person (other than an authorized employee of HUD) concerning funding decisions or from otherwise giving any applicant an unfair competitive advantage. Persons who apply for assistance in this competition should confine their inquiries to the subject areas permitted under 24 CFR part 4.

Applicants or employees who have ethics related questions should contact the HUD Ethics Law Division at 202–708–3815. (This is not a toll-free number.) HUD employees who have specific program questions should contact the appropriate field office counsel or Headquarters counsel for the program to which the question pertains.

**VIII. The FY 2002 SuperNOFA Process and Future HUD Funding Processes**

Each year, HUD strives to improve its SuperNOFA. The FY 2002 SuperNOFA was revised based upon comments received during the FY 2001 funding process. HUD continues to welcome comments and feedback from applicants and other members of the public on how HUD may further improve its competitive funding process.

The description of programs for which funding is available under this SuperNOFA follows this General Section and its appendices.

Dated: March 14, 2002.

**Mel Martinez,**
Secretary.

Public Reporting Burden for this collection of information is estimated to average 5.0 hours per response, including the time for reviewing instructions, searching existing data sources, gathering and maintaining the data needed, and completing and reviewing the collection of information. General Instructions

This form is designed so that application can be made for funds from one or more grant programs. In preparing the budget, adhere to any existing Federal grantor agency guidelines which prescribe how and whether budgeted amounts should be separately shown for different functions or activities within the program. For some programs, grantor agencies may require budgets to be separately shown by function or activity. For other programs, grantor agencies may require a breakdown by function or activity. Sections A, B, C, and D should include budget estimates for the whole project except when applying for assistance which requires Federal authorization in annual or other funding period increments. In the later case, Sections A, B, C, and D should provide the budget for the first budget period (usually a year) and Section E should present the need for Federal assistance in the subsequent budget periods. All applications should contain a breakdown by the object class categories shown in Lines a-k of Section B.

Section A. Budget Summary Lines 1-4 Columns (a) and (b)

For applications pertaining to a single Federal grant program (Federal Domestic Assistance Catalog number) and not requiring a functional or activity breakdown, enter on Line 1 under Column (a) the catalog program title and the catalog number in Column (b).

For applications pertaining to a single program requiring budget amounts by multiple functions or activities, enter the name of each activity or function on each line in Column (a), and enter the catalog number in Column (b). For applications pertaining to multiple programs where none of the programs require a breakdown by function or activity, enter the catalog program title on each line in Column (a) and the respective catalog number on each line in Column (b). For applications pertaining to multiple programs where one or more programs require a breakdown by function or activity, prepare a separate sheet for each program requiring the breakdown. Additional sheets should be used when one form does not provide adequate space for all breakdown of data required. However, when more than one sheet is used, the first page should provide the summary totals by programs.

Lines 1-4, Columns (c) through (g)

For new applications, leave Columns (c) and (d) blank. For each line entry in Columns (a) and (b), enter in Columns (e), (f), and (g) the appropriate amounts of funds needed to support the project for the first funding period (usually a year).

For continuing grant program applications, submit these forms before the end of each funding period as required by the grantor agency. Enter in Columns (c) and (d) the estimated amount of funds which will remain unobligated at the end of the grant funding period only if the Federal grantor agency instructions provide for this. Otherwise, leave these columns blank. Enter in columns (e) and (f) the amounts of funds needed for the upcoming period. The amount(s) in Column (g) should be the sum of amounts in Columns (e) and (f).

For supplemental grants and changes to existing grants, do not use Columns (c) and (d). Enter in Column (e) the amount of the increase or decrease of Federal funds and enter in Column (f) the amount of the increase or decrease of non-Federal funds. In Column (g) enter the new total budgeted amount (Federal and non-Federal) which includes the total previous authorized budgeted amounts plus or minus, as appropriate, the amounts shown in Columns (e) and (f). The amount(s) in Column (g) should not equal the sum of amounts in Columns (e) and (f).

Line 5—Show the totals for all columns.

Section B. Budget Categories

In the column headings (a) through (4), enter the titles of the same programs, functions, and activities shown on Lines 1-4, Column (a), Section A. When additional sheets are prepared for Section A, provide similar column headings on each sheet. For each program, function or activity, fill in the total requirements for funds (both Federal and non-Federal) by object class categories.

Lines 6a—Show the totals of Lines 6a to 6h in each column.

Line 6j—Show the amount of indirect cost.

Line 6k—Enter the total of amounts on Lines 6i and 6j. For all applications for new grants and continuation grants the total amount in column (5), Line 6k, should be the same as the total amount shown in Section A, Column (g), Line 5. For supplemental grants and changes to grants, the total amount of the increase or decrease as shown in Columns (1)-(4), Line 6k should be the same as the sum of the amounts in Section A, Columns (e) and (f) on Line 5.

Line 7—Enter the estimated amount of income, if any, expected to be generated from this project. Do not add or subtract this amount from the total project amount. Show under the program narrative statement the nature and source of income. The estimated amount of program income may be considered by the federal grantor agency in determining the total amount of the grant.
Section C. Non-Federal Resources

Lines 8-11—Enter amounts of non-Federal resources that will be used on the grant. If in-kind contributions are included, provide a brief explanation on a separate sheet.

Column (a)—Enter the program titles identical to Column (a), Section A. A breakdown by function or activity is not necessary.

Column (b)—Enter the contribution to be made by the applicant.

Column (c)—Enter the amount of the State's cash and in-kind contribution if the applicant is not a State or State agency. Applicants which are a State or State agencies should leave this column blank.

Column (d)—Enter the amount of cash and in-kind contributions to be made from all other sources.

Column (e)—Enter totals of Columns (b), (c), and (d).

Line 12—Enter the total for each of Columns (b)-(e). The amount in Column (e) should be equal to the amount on Line 5, Column (f) Section A.

Line 13—Enter the amount of cash needed by quarter from the grantor agency during the first year.

Line 14—Enter the amount of cash from all other sources needed by quarter during the first year.

Line 15—Enter the totals of amounts on Lines 13 and 14.

Section E. Budget Estimates of Federal Funds Needed for Balance of the Project

For new applications and continuation grant applications, enter in the proper columns amounts of Federal funds which will be needed to complete the program or project over the succeeding funding periods (usually in years). This section need not be completed for revisions (amendments, changes, or supplements) to funds for the current year of existing grants.

If more than four lines are needed to list the program titles, submit additional schedules as necessary.

Line 20—Enter the total for each of the Columns (b)-(e). When additional schedules are prepared for this Section, annotate accordingly and show the overall totals on this line.

Section F. Other Budget Information

Line 21—Use this space to explain amounts for individual direct object-class cost categories that may appear to be out of the ordinary or to explain the details as required by the Federal grantor agency.

Line 22—Enter the type of indirect rate (provisional, predetermined, final or fixed) that will be in effect during the funding period, the estimated amount of the base to which the rate is applied, and the total indirect expense.

Form HUD-2880 (3/99)
Public reporting burden for this collection of information is estimated to average 2.0 hours per response, including the time for reviewing instructions, searching existing data sources, gathering and maintaining the data needed, and completing and reviewing the collection of information. This agency may not conduct or sponsor, and a person is not required to respond to, a collection information unless that collection displays a valid OMB control number.

Privacy Act Statement. Except for Social Security Numbers (SSNs) and Employer Identification Numbers (EINs), the Department of Housing and Urban Development (HUD) is authorized to collect all the information required by this form under section 102 of the Department of Housing and Urban Development Reform Act of 1989, 42 U.S.C. 3531. Disclosure of SSNs and EINs is optional. The SSN or EIN is used as a unique identifier. The information you provide will enable HUD to carry out its responsibilities under Sections 102(b), (c), and (d) of the Department of Housing and Urban Development Reform Act of 1989, Pub. L. 101-235, approved December 15, 1989. These provisions will help ensure greater accountability and integrity in the provision of certain types of assistance administered by HUD. They will also help ensure that HUD assistance for a specific housing project under Section 102(d) is not more than is necessary to make the project feasible after taking account of other government assistance. HUD will make available to the public all applicant disclosure reports for five years in the case of applications for competitive assistance, and for generally three years in the case of other applications. Update reports will be made available along with the disclosure reports, but in no case for a period generally less than three years. All reports, both initial reports and update reports, will be made available in accordance with the Freedom of Information Act (5 U.S.C. §552) and HUD's implementing regulations at 24 CFR Part 15. HUD will use the information in evaluating individual assistance applications and in performing internal administrative analyses to assist in the management of specific HUD programs. The information will also be used in making the determination under Section 102(d) whether HUD assistance for a specific housing project is more than is necessary to make the project feasible after taking account of other government assistance. You must provide all the required information. Failure to provide any required information may delay the processing of your application, and may result in sanctions and penalties, including imposition of the administrative and civil money penalties specified under 24 CFR §4.38.

Note: This form only covers assistance made available by the Department. States and units of general local government that carry out responsibilities under Sections 102(b) and (c) of the Reform Act must develop their own procedures for complying with the Act.

The information required below must be provided:

1. Enter the full names and addresses. If the person is an entity, the listing must include the full name and address of the entity as well as the CEO. Please list all names alphabetically.

2. Enter the Social Security Number (SSN) or Employee Identification Number (EIN), as appropriate, for each person listed.

Instructions for Certification (A)

1. By signing and submitting this proposal, the prospective primary participant is providing the certification set out below.

2. The inability of a person to provide the certification required below will not necessarily result in denial of participation in this covered transaction. The prospective participant shall submit an explanation of why it cannot provide the certification set out below. The certification or explanation will be considered in connection with the department or agency's determination whether to enter into this transaction. However, failure of the prospective primary participant to furnish a certification or an explanation shall disqualify such person from participation in this transaction.

3. The certification in this clause is a material representation of fact upon which reliance was place when the department or agency determined to enter into this transaction. If it is later determined that the prospective primary participant knowingly rendered an erroneous certification, in addition to other remedies available to the Federal Government, the department or agency may terminate this transaction for cause of default.

4. The prospective primary participant shall provide immediate written notice to the department or agency to whom this proposal is submitted if at any time the prospective primary participant learns that its certification was erroneous when submitted or has become erroneous by reason of changed circumstances.

5. The terms covered transaction, debarred, suspended, ineligible, lower tier covered transaction, participant, person, primary covered transaction, principal, proposal, and voluntarily excluded, as used in this clause, have the meanings set out in the Definitions and Coverage sections of the rules implementing Executive Order 12549. 7. The prospective primary participant further agrees by submitting this proposal that it will include the clause titled "Certification Regarding Debarment, Suspension, Ineligibility and Voluntary Exclusion - Lower Tier Covered Transaction," provided by the department or agency entering into this covered transaction, without modification, in all lower tier covered transactions and in all solicitations for lower tier covered transactions.

8. A participant in a covered transaction may rely upon a certification of a prospective participant in a lower tier covered transaction that it is not debarred, suspended, ineligible, or voluntarily excluded from the covered transaction, unless it knows that the certification is erroneous. A participant may decide the method and frequency by which it determines this eligibility of its principals. Each participant may, but is not required to, check the Nonprocurement List.

9. Nothing contained in the foregoing shall be construed to require establishment of a system of records in order to render in good faith the certification required by this clause. The knowledge and information of a participant is not required to exceed that which is normally possessed by a prudent person in the ordinary course of business dealings.

10. Except for transactions authorized under paragraph (6) of these instructions, if a participant in a covered transaction knowingly enters into a lower tier covered transaction with a person who is suspended, debarred, ineligible, or voluntarily excluded from participation in this transaction, in addition to other remedies available to the Federal Government, the department or agency may terminate this transaction for cause of default.

4. The terms covered transaction, debarred, suspended, ineligible, lower tier covered transaction, participant, person, primary covered transaction, principal, proposal, and voluntarily excluded, as used in this clause, have the meanings set out in the Definitions and Coverage sections of rules implementing Executive Order 12549. (2) If any funds other than Federal appropriated funds have been paid or will be paid to any person for influencing or attempting to influence an officer or employee of any agency, a Member of Congress, an officer or employee of Congress, or an employee of a Member of Congress in connection with this Federal contract, grant, loan, or cooperative agreement, the undersigned shall complete and submit Standard Form-LLL, "Disclosure Form to Report Lobbying," in accordance with its instructions.

Certification Regarding Drug-Free Workplace Requirements

Instructions for Drug-Free Workplace Requirements Certification:

1. By signing and/or submitting this application or grant agreement, the grantee is providing the certification set out below.

2. The certification set out below is a material representation of fact upon which reliance is placed when the agency awards the grant. If it is later determined that the grantee knowingly rendered a false certification, or otherwise violates the requirements of the Drug-Free Workplace Act, the agency, in addition to any other remedies available to the Federal Government, may take action authorized under the Drug-Free Workplace Act.

3. Workplaces under grants, for grantees other than individuals, need not be identified on the certification. If known, they may be identified in the grant application. If the grantee does not identify the workplaces at the time of application, or upon award, if there is no application, the grantee must keep the identity of the workplace(s) on file in its office and make the information available for Federal inspection. Failure to identify all known workplaces constitutes a violation of the grantee’s drug-free workplace requirements.

4. Workplace identifications must include the actual address of buildings (or parts of buildings) or other sites where work under the grant takes place. Categorical descriptions may be used (e.g., all vehicles of a mass transit authority or State highway department while in operation. State employees in each local unemployment office, performers in concert halls or radio studios).

5. If the workplace identified to the agency changes during the performance of the grant, the grantee shall inform the agency of the change(s), if it previously identified the workplaces in question (see paragraph three).

6. Definitions of terms in the Nonprocurement Suspension and Debarment common rule and Drug-Free Workplace common rule apply to this certification. Grantees’ attention is called, in particular, to the following definitions from these rules:

   Controlled substance means a controlled substance in Schedules I through V of the Controlled Substances Act (21 U.S.C. 812) and as further defined by regulation (21 CFR 1308.11 through 1308.15);

   Conviction means a finding of guilt (including a plea of no contest) or imposition of sentence, or both, by any judicial body charged with the responsibility to determine violations of the Federal or State criminal drug statutes;

   Criminal drug statute means a Federal or non-Federal criminal statute involving the manufacture, distribution, dispensing, use, or possession of any controlled substance;

   Employee means the employee of a grantee directly engaged in the performance of work under a grant, including: (i) All direct charge employees; (ii) All indirect charge employees unless their impact or involvement is insignificant to the performance of the grant; and, (iii) Temporary personnel and consultants who are directly engaged in the performance of work under the grant and who are on the grantee’s payroll. This definition does not include workers not on the payroll of the grantee (e.g., volunteers, even if used to meet a matching requirement; consultants or independent contractors not on the grantee’s payroll; or employees or subrecipients or subcontractors in covered workplaces).

A. The grantee certifies that it will or will continue to provide a drug-free workplace by:

(a) Publishing a statement notifying employees that the unlawful manufacture, distribution, dispensing, possession, or use of a controlled substance is prohibited in the grantee’s workplace and specifying the actions that will be taken against employees for violation of such prohibition;

(b) Establishing an ongoing drug-free awareness program to inform employees about:

   (1) The dangers of drug abuse in the workplace;

   (2) The grantee’s policy of maintaining a drug-free workplace;

   (3) Any available drug counseling, rehabilitation, and employee assistance programs; and

   (4) The penalties that may be imposed upon employees for drug abuse violations occurring in the workplace;

(c) Making it a requirement that each employee to be engaged in the performance of the grant be given a copy of the statement required by paragraph (a);

(d) Notifying the employee in the statement required by paragraph (a) that, as a condition of employment under the grant, the employee will:

   (1) Abide by the terms of the statement; and

   (2) Notify the employer in writing of his or her conviction for a violation of a criminal drug statute occurring in the workplace no later than five calendar days after such conviction;
(e) Notifying the agency in writing, within ten calendar days after receiving notice under paragraph (d)(2) from an employee or otherwise receiving actual notice of such conviction. Employers of convicted employees must provide notice, including position title, to every grant officer or other designee on whose grant activity the convicted employee was working, unless the Federal agency has designated a central point for the receipt of such notices. Notice shall include the identification number(s) of each affected grant.

(f) Taking one of the following actions, within 30 calendar days of receiving notice under paragraph (d)(2), with respect to any employee who is so convicted:

(1) Taking appropriate personnel action against such an employee, up to and including termination, consistent with the requirements of the Rehabilitation Act of 1973, as amended; or

(2) Requiring such employee to participate satisfactorily in a drug abuse assistance or rehabilitation program approved for such purposes by a Federal, State, or local health, law enforcement, or other appropriate agency;

(g) Making a good faith effort to continue to maintain a drug-free workplace through implementation of paragraphs (a), (b), (c), (d), (e) and (f).
