Super Notice of Funding Availability (SuperNOFA) for HUD’s Discretionary Programs for Fiscal Year 2003; Notice
Super Notice of Funding Availability (SuperNOFA) for HUD’s Discretionary Programs for Fiscal Year 2003

AGENCY: Office of the Secretary, HUD.

ACTION: Super Notice of Funding Availability (SuperNOFA) for HUD Discretionary Programs.

SUMMARY: This Fiscal Year (FY) 2003 SuperNOFA announces the availability of approximately $2.3 billion in HUD program funds covering 49 funding opportunities within programs operated and administered by HUD offices. This General Section of the SuperNOFA provides the application procedures and requirements that are applicable to all the programs in this SuperNOFA unless otherwise stated in the Program NOFA. The Program Section of this SuperNOFA provides a description of the specific programs for which funding is made available and describes any additional procedures and requirements that are applicable to a specific program. Please be sure you read both the General Section and the Program Section(s) of this SuperNOFA to ensure you respond to all the requirements for all programs you will be seeking funding.

APPLICATION DUE DATES: The information in this APPLICATION DUE DATES section applies to all programs that are part of this SuperNOFA. You, the applicant, must submit a completed application to HUD on or before the respective program’s application due date. Application due dates can be found in the HUD FY 2003 SuperNOFA Funding Chart located in this General Section. Information for each program is reiterated in the appropriate Program Section of this SuperNOFA.

ADDRESSES AND APPLICATION SUBMISSION PROCEDURES: Mailing and Receipt Procedures. The following procedures apply to the delivery and receipt of applications in HUD Headquarters, the Grants Management Center (GMC), and field offices. Please read the following instructions carefully and completely as failure to comply with these procedures may disqualify your application. HUD’s delivery and receipt policies are:

- No hand deliveries will be accepted;
- HUD will not accept any applications sent by facsimile;
- Applications sent to the Robert C. Weaver HUD Headquarters Building or the Public and Indian Housing Grants Management Center (GMC) may be shipped using DHL, Falcon Carrier, Federal Express (FedEx), United Parcel Service (UPS), or the United States Postal Service (USPS), as access by other delivery services is not guaranteed. HUD strongly suggests applicants use the delivery options listed above because no other delivery services are allowed unescorted entry to the HUD Headquarters Building and therefore deliveries by other services are often turned away;
- HUD strongly suggests applications submitted to HUD field offices be sent via USPS, as access by other delivery services is not guaranteed;
- With the exception of the Rural Housing and Economic Development NOFA, all mailed applications must be postmarked on or before midnight of their due date and received within fifteen (15) days of the due date.
- Applications for the Rural Housing and Economic Development NOFA must be received by the deadline date. Application received after the deadline date will not be considered.

Proof of Timely Submission. Except for the Rural Housing and Economic Development NOFA, proof of timely submission of an application in accordance with these requirements consists of the Certificate of Mailing (USPS Form 3817) provided by the United States Post Office showing timely mailing of the application on or before the application due date. In the case of packages submitted to HUD via DHL, Falcon Carrier, FedEx, or UPS, documentary proof of timely submission will be the delivery service receipt indicating the application was submitted to the delivery service on or before the application due date and, through no fault of the applicant, delivery was not in time to meet the filing deadline. Receipts from other than DHL, Falcon Carrier, FedEx, or UPS, delivery services will not be accepted, as HUD cannot guarantee delivery due to its Security procedures. Proof of timely submission to HUD field offices will be the Certificate of Mailing (USPS Form 3817).

Proof of receipt for the Rural and Economic Development NOFA is the date HUD receives the application.

Please remember that mail to federal facilities is screened prior to delivery, so please allow time for your package to be delivered. If an application does not meet the filing requirements it will not receive funding consideration. If you mail your application to the wrong location and the office designated for receipt in accordance with these submission requirements does not receive it, your application will be considered late and not be considered for funding. HUD will not be responsible for directing it to the appropriate office.

Addresses. You, the applicant, must submit a complete application and the required number of copies to the locations identified in the Program Section of this SuperNOFA. When submitting your application, you must refer to the name of the program for which you are seeking funding and include the correct room number to ensure that your application is properly directed. Addresses for HUD headquarters and the Public and Indian Housing Grants Management Center (GMC) are in the HUD 2003 SuperNOFA Funding Chart. Addresses for field offices are listed in Appendix A–3 of the General Section of this SuperNOFA. For applications directed to the Office of Native American Programs Field Offices, please be sure to use the addresses provided in Appendix A–2, Office of Native American Programs Address Listing. Please refer to the Funding Chart or pertinent Program Section of the SuperNOFA for room location or other additional information regarding address requirements for your application submission. Please make sure that you note the correct room number to ensure your application is not misdirected.

Copies of Applications. The Program Section of this SuperNOFA may specify that to facilitate the processing and review of your application, one or more copies of the application also must be sent to an additional HUD location (for example, a copy to the GMC and the original application to HUD Headquarters). If you are required to submit applications to HUD Headquarters (or the GMC) and field offices, the determination that your application was received on time will be made solely on receipt of the application at HUD Headquarters or the GMC, as applicable. If an application received on time at HUD Headquarters or GMC is not complete, or a complete copy was submitted and received on time at a HUD field office, HUD may conduct its review using the field office copy. See the information in Mailing and Receipt Procedures and Proof of Timely Submission above for additional information. If you do not submit the required number of copies HUD may request that you provide the additional copies to the appropriate HUD office(s) in accordance with the procedures described in Section VIII, Corrections to Deficient Applications.

Consolidated Application Submissions. If the applicant, are applying for funding under more than one program in this SuperNOFA, you...
need to submit only one original HUD–424, “Application for Federal Assistance,” which includes the HUD–424B, “Applicant Assurances and Certifications.” Page 2 of the HUD–424 allows you to list all the programs for which you are seeking funding. Once you have submitted one original set of forms, certifications, and assurances, you may send copies of these standard items with any additional application you submit. Make sure to specify the correct program on each copy of the HUD–424 application form and indicate the program to which you have submitted the original signature forms for the standard assurances and certifications. Additionally, the Program Section may specify additional forms, certifications, assurances, or other information that may be required for a particular program in this SuperNOFA.

FOR APPLICATION FORMS, FURTHER INFORMATION, AND TECHNICAL ASSISTANCE:

The published Federal Register document is the official document that HUD uses to evaluate applications. Therefore, if there is a discrepancy between any materials published by HUD in its Federal Register publication and other information provided in hard copy or on HUD’s Web site, the Federal Register publication of the SuperNOFA prevails. Therefore, please be sure to review your application submission against the requirements in the Federal Register file of the SuperNOFA. A PDF copy of the General Section and Program Section for each program in the SuperNOFA is available on HUD’s Web site at http://www.hud.gov and hard copies of these documents can be obtained from the SuperNOFA Information Center by calling 1–800–HUD–8929 or for the hearing-impaired, 1–800–HUD–2209.

Guidebook and Further Information. A guidebook to HUD programs titled “Connecting with Communities: A User’s Guide to HUD Programs and the 2003 SuperNOFA Process” is available from the SuperNOFA Information Center and the HUD Web site at http://www.hud.gov. The guidebook provides a brief description of all HUD programs, a description of the SuperNOFA programs, eligible applicants for these programs, and examples of how programs can work in combination to serve local community needs. To obtain a guidebook, application kit, or print copy of the General Section or program NOFA, call the SuperNOFA Information Center at 1–800–HUD–8929 or 1–800–HUD–2209 (TTY).

You may request general information, copies of the General Section and Program Section of the SuperNOFA, and applications from the SuperNOFA Information Center (1–800–HUD–8929 or 1–800–HUD–2209 (TTY)) between the hours of 9:00 AM and 8:00 PM (Eastern Time) Monday through Friday, except on federal Holidays. When requesting information, please refer to the name of the program you are interested in. Be sure to provide your name, address (including zip code), and telephone number (including area code). To ensure sufficient time to prepare your application, requests for copies of this SuperNOFA can be made immediately following publication of the SuperNOFA. The SuperNOFA Information Center opens for business simultaneously with the publication of the SuperNOFA. You can also obtain information on this SuperNOFA and download application information for this SuperNOFA through the HUD Web site, http://www.hud.gov.

For Technical Assistance. Before the application due date, HUD staff will be available to provide you with general guidance and technical assistance about this SuperNOFA. However, HUD staff is not permitted to assist in preparing your application. Following selection of applicants, but before awards are made, HUD staff are available to assist in clarifying or confirming information that is a prerequisite to the offer of an award or Annual Contributions Contract (ACC) by HUD.

FEDERAL E–GRANTS INFORMATION

Streamlining Federal Financial Assistance. The Federal Financial Assistance Management Improvement Act of 1999 (Pub. L. 106–107) directs each federal agency to develop and implement a plan that, among other things, streamlines and simplifies the application, administrative, and reporting procedures for federal financial assistance programs administered by the agency. This law also requires the Director of the Office of Management and Budget (OMB) to direct, coordinate, and assist federal agencies in establishing (1) a common application and reporting system and, (2) an interagency process for addressing ways to streamline and simplify federal financial assistance application and administrative procedures and reporting requirements for program applicants.

This law also requires OMB to consult with the grantee community as it works with the federal agencies to develop and implement the course of action that would be undertaken by the federal agencies to establish an electronic site for accessing funding information and applications. Over the last two years, HUD has used its website to provide information to the public about HUD’s participation in Interagency efforts to streamline grant and other financial assistance requirements and to seek your input as the federal agencies work together to achieve implementation. To find out about the work being done by the federal agencies to streamline and consolidate the application and reporting requirements, please go to http://www.hud.gov/offices/adm/grants/pl–106107/pl106–107.cfm

eGrants Initiative. HUD is working with the 26 federal grant-making agencies on President George W. Bush’s eGrants Initiative. This Initiative is an effort by federal agencies to develop a common electronic application and reporting system for federal financial assistance. This system will provide “one-stop shopping” for funding opportunities for all federal programs. This system is being developed in response to concerns that it is difficult for organizations to know all the
funding available from the federal government and how to apply for funding. It also is an effort by the federal government to develop common application requirements, further streamlining the application process, making it easier for you, our customers, to apply for funding. The first segment of the eGrants Initiative focuses on allowing the public to easily find funding opportunities and then apply via eGrants. Funding decisions would still be under the control of the federal agency sponsoring the program funding opportunity. To find out more about the eGrants vision and implementation schedule, please visit our website at http://www.hud.gov/offices/adm/grants/egrants/egrants.cfm

I. INTRODUCTION TO THE FY 2003 SUPERNOFA

Background

This SuperNOFA is designed to make it easier to find and apply for funding under a wide variety of HUD programs. The SuperNOFA provides a “menu” of HUD funding opportunities. From this menu, communities are made aware of funding available for their jurisdictions. By providing access to information about available funding at one funding opportunity.

Organization of the SuperNOFA

The SuperNOFA is divided into two major sections, the General Section and the Program Section. The General Section of the SuperNOFA describes the procedures and requirements applicable to all applications. For each funding opportunity, the Program Section describes the eligible applicants, eligible activities, factors for award, and any additional requirements or limitations. Please read both sections carefully to be sure your application is complete. Your attention to the sections will ensure that you apply for funding for which your organization is eligible and that you fulfill all the requirements for application submission.

As part of the simplification of this funding process and to avoid duplication of effort, the SuperNOFA provides for consolidated notices and applications for several of the programs that are part of this SuperNOFA. The funding chart in this introductory section of the SuperNOFA identifies the programs that have been consolidated and for which a consolidated application is made available to eligible applicants.

HUD provides copies of all required forms in this publication. Standard forms, certifications, and assurances applicable to all programs are published in the General Section, Appendix B. The forms and any additional certifications and assurances unique to an individual program follow that program’s section of the SuperNOFA.

The specific statutory and regulatory requirements of the programs that are part of this SuperNOFA continue to apply to each program. Each SuperNOFA Program Section identifies, where necessary, the statutory requirements and other unique requirements applicable to each specific program. Please pay careful attention to the specific submission requirements that are identified for each funding opportunity. Not all applicants are eligible to receive assistance under all funding opportunities identified in this SuperNOFA.

II. HUD’S FY 2003 SUPERNOFA PROCESS

HUD’s Strategic Goals

Implementing HUD’s Strategic Framework and Demonstrating Results. HUD is committed to ensuring that programs result in the achievement of HUD’s strategic mission. To support this effort, grant applications submitted for HUD programs will be rated on how well they tie proposed outcomes to HUD’s policy priorities and Annual Goals and Objectives, and the quality of proposed Evaluation and Monitoring Plans. HUD’s Strategic Framework establishes the following Goals and Objectives for the Department:

1. Increase Homeownership Opportunities
   • Expand national homeownership opportunities.
   • Increase minority homeownership.
   • Make the home buying process less complicated and less expensive.

   • Keep existing homeowners from losing their homes.

2. Promote Decent Affordable Housing
   • Expand access to affordable rental housing.
   • Improve the physical quality and management accountability of public and assisted housing.
   • Increase housing opportunities for the elderly and persons with disabilities.

You can find out about HUD’s Strategic Framework and Annual Performance Plans at http://www.hud.gov/offices/cfo/reports/cfoenpt.cfm.

Policy Priorities. HUD encourages applicants to undertake specific activities that will assist the Department in implementing its policy priorities and which help the Department achieve its goals for FY 2004, when the majority of funding recipients will be reporting programmatic results and achievements. Applicants who include work activities that specifically address one or more of
these policy priorities will receive higher rating scores than applicants who do not address these HUD priorities. Each NOFA in the Program Section of this SuperNOFA will specify which priorities relate to a particular program and how many points will be awarded for addressing those priorities.

(A) Providing Increased Homeownership and Rental Opportunities for Low- and Moderate-Income Persons, Persons with Disabilities, the Elderly, Minorities, and Families with Limited English Proficiency. Too often, these individuals and families are shut out of the housing market through no fault of their own. Often developers of housing, housing counseling agencies, and other organizations engaged in the housing industry must work aggressively to open up the realm of homeownership and rental opportunities to low- and moderate-income persons, persons with disabilities, the elderly, minorities, or families with limited English proficiency. Many of these families are anxious to have a home of their own but are not aware of the programs and assistance that is available. Applicants are encouraged to address the housing, housing counseling, and other related supportive services needs of these individuals and coordinate their proposed activities with funding available through HUD’s affordable housing programs and home loan programs. Proposed activities support strategic goals 1, 2, and 4.

(B) Improving Our Nation’s Communities. HUD wants to improve the quality of life for those living in distressed communities. Applicants are encouraged to include activities which:

(1) Bnipal into distressed communities to:
   • Finance business investments to grow new businesses;
   • Maintain and expand existing businesses;
   • Create a pool of funds for new small and minority-owned businesses;
   • Create decent jobs for low-income persons.

(2) Improve the environmental health and safety of families living in public and privately-owned housing by including activities which:
   • Coordinate lead hazard reduction programs with weatherization activities funded by state and local governments, and the federal government;
   • Reduce or eliminate health related hazards in the home caused by toxic agents such as molds and other allergens, carbon monoxide and other hazardous agents and conditions.

(3) Make communities more livable.
   • Provide public and social services.

   • Improve infrastructure and community facilities.

Activities support strategic goals 2, 3, and 4.

(C) Encouraging Accessible Design Features. As described in Section V, applicants must comply with applicable civil rights laws including the Fair Housing Act, Section 504 of the Rehabilitation Act of 1973, and the Americans with Disabilities Act. These laws, and regulations implementing them, provide for nondiscrimination based on disability and require housing and other facilities to incorporate certain features intended to provide for their use and enjoyment by persons with disabilities. HUD is encouraging applicants to add accessible design features beyond those required under civil rights laws and regulations. These features would eliminate many other barriers limiting the access of persons with disabilities to housing and other facilities. Copies of the Uniform Federal Accessibility Standards (UFAS) are available from the SuperNOFA Information Center (1–800–HUD–8929 or 1–800–HUD–2209 (TTY)) and also from the Office of Fair Housing and Equal Opportunity, U.S. Department of Housing and Urban Development, Room 5230, 451 Seventh Street, SW, Washington, DC 20410–2000; 202–755–5404 or 1–800–877 8399 (TTY Federal Information Relay Service).

Accessible design features are intended to promote visitability and incorporate features of universal design as described below:

(1) Visitability in New Construction and Substantial Rehabilitation.

Applicants are encouraged to incorporate visitability standards where feasible in new construction and substantial rehabilitation projects. Visitability standards allow a person with mobility impairments access into the home, but do not require that all features be made accessible. Visitability means that there is at least one entrance at grade (no steps), approached by an accessible route such as a sidewalk; and that the entrance door and all interior passage doors are at least 2 feet 10 inches wide, allowing 32 inches of clear passage space. A visitable home also serves persons without disabilities, such as a mother pushing a stroller or a person delivering a large appliance. More information about visitability is available at http://www.concretechange.org.

Activities support strategic goals 1, 2, 3, and 4.

(2) Universal Design. Applicants are encouraged to incorporate universal design in the construction or rehabilitation of housing, retail establishments, and community facilities funded with HUD assistance. Universal design is the design of products and environments to be usable by all people to the greatest extent possible, without the need for adaptation or specialized design. The intent of universal design is to simplify life for everyone by making products, communications, and the built environment more usable by as many people as possible at little or no extra cost. Universal design benefits people of all ages and abilities. In addition to any applicable required accessibility features under Section 504 of the Rehabilitation Act of 1973 or the design and construction requirements of the Fair Housing Act, the Department encourages applicants to incorporate the principles of universal design when developing housing, community facilities, and electronic communication mechanisms, or when communicating with community residents at public meetings or events. HUD believes that by creating housing that is accessible to all, it can increase the supply of affordable housing for all, regardless of ability or age. Likewise, creating places where people work, train, and interact which are useable and open to all residents increases opportunities for economic and personal self-sufficiency. More information on Universal Design is available from the Center for Universal Design, at http://www.design.ncsu.edu/~cud/ or the Resource Center on Accessible Housing and Urban Design, at http://www.abledata.com/2/accessibi.htm. Activities support strategic goals 1, 2, 3, and 4.

(D) Providing Full and Equal Access to Grassroots Faith-Based and Other Community-Based Organizations in HUD Program Implementation.

(1) HUD encourages non-profit organizations, including grassroots faith-based and other community-based organizations, to participate in the vast array of programs for which funding is available through this SuperNOFA. HUD also encourages states, units of local government, universities, and colleges and other organizations to partner with grassroots organizations, e.g., civic organizations, faith-communities, and grassroots faith-based and other community-based organizations that have not been effectively utilized. These grassroots organizations have a strong history of providing vital community services such as assisting the homeless and preventing homelessness, counseling individuals and families on fair housing rights, providing elderly housing opportunities, developing first-time
homeownership programs, increasing homeownership and rental housing opportunities in neighborhoods of choice, developing affordable and accessible housing in neighborhoods across the country, creating economic development programs, and supporting the residents of public housing facilities. HUD wants to make its programs more effective, efficient, and accessible by expanding opportunities for grassroots organizations to participate in developing solutions for their own neighborhoods. Additionally, HUD encourages applicants to include these grassroots faith-based and other community-based organizations in their work plans. Applicants, their partners, and participants must review the Program Section of this SuperNOFA to determine whether they are eligible to apply for funding directly or whether they must establish a working relationship with an eligible applicant in order to participate in a HUD funding opportunity. Grassroots faith-based and other community-based organizations, and applicants who currently or propose to partner, fund, subgrant, or subcontract with grassroots organizations (including grassroots faith-based or other community-based non-profits eligible under applicable program regulations) in conducting their work programs will receive higher rating points as specified in the program section of this SuperNOFA.

(2) Definition of Grassroots Organizations.

(a) HUD will consider an organization a “grassroots organization” if the organization is headquartered in the local community to which it provides services; and,

(i) Has a social services budget of $300,000 or less, or

(ii) Has six or fewer full-time equivalent employees.

(b) Local affiliates of national organizations are not considered “grassroots.” Local affiliates of national organizations are encouraged, however, to partner with grassroots organizations but must demonstrate that they are currently working with a grassroots organization (e.g., having a faith community or civic organization, or other charitable organization provide volunteers).

(c) The cap provided in paragraph (2)(a)(i) above includes only that portion of an organization’s budget allocated to providing social services. It does not include other portions of the budget such as salaries and expenses not directly provided in the provision of social services.

Activities support strategic goal 6.

(E) Colonias. The Department of Housing and Urban Development is seeking to improve housing conditions for families living in Colonias. Colonias means any identifiable, rural community that:

- Is located in Arizona, California, New Mexico, or Texas;
- Is within 150 miles of the border between the United States and Mexico; and
- Is determined to be a colonia on the basis of objective need criteria, including lack of potable water supply, lack of adequate sewage systems, and lack of decent, safe, sanitary, and accessible housing.

Applicants proposing to create affordable housing and provide services to the Colonias will receive higher rating points.

Activities support strategic goals 1, 2, 3, and 4.

(F) Participation of Minority-Serving Institutions in HUD Programs. Pursuant to Executive Orders 13256 President’s Board of Advisors on Historically Black Colleges and Universities, 13230 President’s Advisory Commission on Educational Excellence for Hispanic Americans, 13216 Increasing Participation of Asian Americans and Pacific Islanders in Federal Programs, and 13270 Tribal Colleges and Universities, HUD is strongly committed to broadening the participation of Minority-Serving Institutions (MSIs) in its programs. HUD is interested in increasing the participation of MSIs in order to advance the development of human potential, strengthen the nation’s capacity to provide high quality education, and increase opportunities for MSIs to participate and benefit from federal financial assistance programs. HUD encourages all applicants and recipients to include meaningful participation of MSIs in their work programs. A listing of MSIs can be found on the Department of Education Web site at http://www.ed.gov/offices/OCR/minorityinst.html or HUD’s Web site at http://www.hud.gov.

Activities support strategic goals 3 and 4.

(G) Participation in Energy Star. The Department of Housing and Urban Development has adopted a wide-ranging energy action plan for improving energy efficiency in all program areas. As a first step in implementing the energy plan, HUD, the Environmental Protection Agency (EPA) and the Department of Energy (DoE) have signed a joint partnership to promote energy efficiency in HUD’s affordable housing efforts and programs. The purpose of the Energy Star partnership is to promote energy efficiency of the affordable housing stock, but also to help protect the environment. Applicants constructing, rehabilitating, or maintaining housing or community facilities are encouraged to promote energy efficiency in design and operations. They are urged especially to purchase and use Energy Star labeled products. Applicants providing housing assistance or counseling services are encouraged to promote Energy Star building by homebuyers and renters. Program activities can include developing Energy Star promotional and information materials, outreach to low- and moderate-income renters and buyers on the benefits and savings when using Energy Star products and appliances, and promoting the designation of community buildings and homes as Energy Star compliant. For further information about Energy Star see http://www.energystar.gov or call 1–888–STAR–YES (1–888–782–7937) or for the hearing-impaired, 1–888–588–9920 TTY.

Activities support strategic goals 1 and 2.

(H) Ending Chronic Homelessness within Ten Years. President Bush has set a national goal to end chronic homelessness within ten years. Secretary Mel Martinez has embraced this goal and has pledged that HUD’s grant programs will be used to support the President’s goal and more adequately meet the needs of chronically homeless individuals. A person experiencing chronic homelessness is defined as an unaccompanied individual with a disabling condition who has been continuously homeless for a year or more or has experienced four or more episodes of homelessness over the last three years. In this year’s SuperNOFA, applicants are encouraged to target assistance to chronically homeless persons by undertaking activities that will result in:

- Creation of affordable group homes or rental housing units;
- Establishing a set-aside of units of affordable housing for the chronically homeless;
- Substance abuse treatment programs targeted to homeless population;
- Job training programs which will provide opportunities for economic self-sufficiency;
- Counseling programs that assist homeless persons in finding housing, financial management, anger management, and building interpersonal relationships;
- Supportive services, such as health care assistance that will permit...
homeless individuals to become productive members of society;  
• Provision of Service Coordinators or One Stop Assistance Centers that will ensure that chronically homeless persons have access to a variety of social services.  
Activities support Strategic Goals 2 and 3.

Changes in the FY 2003 SuperNOFA Process

New Rating Factor 5. For FY 2003, rating Factor 5 has been changed to “Achieving Results and Program Evaluation.” This factor emphasizes HUD’s commitment to ensuring that applicants keep promises made in their application and assess their performance to ensure performance goals are met.

Achieving results means you, the applicant, have clearly identified the benefits or outcomes of your program. Outcomes are ultimate goals.

Program evaluation requires that you, the applicant, track and measure your performance. Performance indicators should be objectively quantifiable and measure actual against planned achievements. Your Evaluation and Monitoring Plan should identify what you are going to measure, how it will be measured, and the steps you have in place to make adjustments to your work plan if performance targets are not met within established timeframes.

HUD has included a new form, Logic Model, to help you measure your performance. Performance indicators that will allow you to measure performance to ensure performance goals are met.

The HUD 424 CBW is added as a common detailed Budget Worksheet to replace various budget worksheets used throughout the Department. These forms are available on HUD’s Web Site at http://www.hud.gov/offices/adm/grants/fundsavvml.cfm.

Race and Ethnicity. OMB published revised standards for collecting racial data on October 30, 1997. All agencies were required to be in compliance with the 1997 standards by January 1, 2003. These standards allow HUD and the other Federal agencies to acknowledge the growing diversity of the U.S. population.

Under this policy, HUD and its business partners must offer individuals who are responding to agency data requests for race, the option of selecting one or more of five racial categories. HUD must also treat ethnicity as a separate category from race and change terminology for certain racial and ethnic groups. These definitions have been standardized across the Federal government and are provided below.

The two ethnic categories as revised by the Office of Management and Budget (OMB) are defined below:

• Hispanic or Latino. A person of Cuban, Mexican, Puerto Rican, South or Central American, or other Spanish culture or origin, regardless of race.

• Not Hispanic or Latino. A person not of Cuban, Mexican, Puerto Rican, South or Central American, or other Spanish culture or origin, regardless of race.

The five racial categories as revised by the Office of Management and Budget are defined as follows:

• American Indian or Alaska Native. A person having origins in any of the original peoples of North and South America (including Central America), and who maintains tribal affiliation or community attachment.

• Asian. A person having origins in any of the original peoples of the Far East, South Asia, or the Indian subcontinent including, for example, Cambodia, China, India, Japan, Korea, Malaysia, Pakistan, the Philippine Islands, Thailand, and Vietnam.

• Black or African American. A person having origins in any of the black racial groups of Africa. Terms such as “Haitian” or “Negro” can be used in addition to “Black” or “African American”.

• Native Hawaiian or Other Pacific Islander. A person having origins in any of the original peoples of Hawaii, Guam, Samoa, or other Pacific Islands.

• White. A person having origins in any of the original peoples of Europe, the Middle East, or North Africa.

Self-reporting or self-identification, rather than observer identification is the preferred method for collecting race and ethnicity data. Self-identification means that responses are based on self-perception. If you are required to provide HUD with race and ethnicity data, you must collect the data asking separate questions for race and for ethnicity. Furthermore, when collecting data the ethnicity question should precede the question about race. The Office of Management and Budget has recommended this sequence because pre-tests conducted by the U.S. Census Bureau found that placing ethnicity before race significantly reduced the non-response rate to the ethnicity question.

Thus, when collecting data from respondents it should be collected using the following two-question approach:

Ethnicity: (Select only one)

• Hispanic or Latino
• Not Hispanic or Latino

Race: (Select one or more):

• American Indian or Alaskan Native
• Asian
• Black or African American
• Native Hawaiian or Pacific Islander
• White

Once data is collected using the method above, it can be analyzed and aggregated when reporting ethnicity and race data to HUD. You should use the categories listed in the template below to report the aggregate information. If any multiple race category not included in the template exceeds one percent of the population, you should identify the category, the actual count, and its percentage of population. In addition, you should identify the total number of all racial categories reported that do not fit the list of categories below, and do not equate to one percent of the total population being reported including, the total number of all such racial and ethnic categories. Finally, you should indicate the aggregate totals of all the information you have gathered including the total of all racial categories and the total of all the ethnic categories.
For grantees that are currently collecting data, you may need to compare data collected under both standards. Guidance on bridging data periods will be available in the Program Section of the SuperNOFA and HUD's SuperNOFA Web site at http://www.hud.gov. A copy of this reporting form can be found in Appendix B of the General Section of this SuperNOFA.
Below is the standard format for reporting this information.

The funding opportunities that are part of this SuperNOFA are identified in the following chart. The amount of funds available is based on funds appropriated in FY 2003 and funds recaptured from prior years’ appropriations. In the event that HUD recaptures program funds or other funds become available for a program, HUD reserves the right to increase the available funding by these additional amounts.

The chart also includes the application due date, the OMB approval number for the information collection requirements, and the Catalog of Federal Domestic Assistance (CFDA) number for each funding opportunity.

Paperwork Reduction Act Statement. The information collection requirements in this SuperNOFA have been approved by OMB under the Paperwork Reduction Act of 1995 (44 U.S.C. 3501–3520). The preceding chart provides the OMB approval number for each program that is part of this SuperNOFA. Where the chart notes that an OMB number is pending, this means that HUD has submitted the information to OMB to obtain an approval number and HUD’s request for the number is pending. As soon as HUD receives the approval number, the number will be published in the Federal Register and provided to the SuperNOFA Information Center. Under the Paperwork Reduction Act, an agency may not conduct or sponsor, and a person is not required to respond to, a collection of information unless the collection displays a valid control number.

IV. Authority, Funding Amounts, and Eligible Applicants and Activities

(A) Authority. HUD’s authority for making funding available under this SuperNOFA is Division K, Consolidated Appropriations Resolution, 2003, Public Law 108–7, approved February 20, 2003 (FY 2003 Consolidated Appropriations). Generally, this statement of authority is not repeated in the Program Section of this SuperNOFA. The authority provision in the Program Section identifies additional statutes and regulations that authorize the requirements listed for the funding competitions that make up this SuperNOFA.

(B) Funding Available. As noted in Section III of this General Section of the SuperNOFA, the HUD programs in this SuperNOFA are allocated amounts based on appropriated funds. If HUD recaptures funds in any program, HUD reserves the right to increase the available funding by those amounts.

(C) Eligible Applicants and Eligible Activities. The Program Section of the SuperNOFA describes the eligible applicants and eligible activities for each program.

V. Requirements and Procedures Applicable to All Programs

Except as may be modified in the Program Section of this SuperNOFA, the requirements, procedures and principles listed below apply to all programs that are part of this SuperNOFA. Please read the Program Section of the SuperNOFA for additional requirements or information.

(A) Statutory and Regulatory Requirements. To be eligible for funding under this SuperNOFA, you, the applicant, must meet all statutory and regulatory requirements applicable to the program or programs for which you seek funding. If you need copies of the program regulations, they are available from the SuperNOFA Information Center or through the HUD Web site, http://www.hud.gov. See the Program Section for instructions on how HUD will respond to proposed activities that are ineligible. With the exception of the Section 202 and Section 811 programs, HUD may also eliminate the ineligible activities from funding consideration and reduce funding amounts accordingly. Because of the competitive demand for Section 202 and Section 811 funds, applications to these two programs that include ineligible activities will be rejected and will not be rated and ranked.

(B) Threshold Requirements. (1) Ineligible Applicants. HUD will not consider an application from an ineligible applicant. (2) Compliance with Fair Housing and Civil Rights Laws. (a) With the exception of federally recognized Indian tribes and their instrumentalities, all applicants and their subrecipients must comply with all Fair Housing and Civil Rights laws, statutes, regulations, and Executive Orders as enumerated in 24 CFR 5.105(a), as applicable. If you are a federally recognized Indian tribe, you must comply with the non-discrimination provisions enumerated at 24 CFR 1000.12, as applicable. In addition to these requirements, there may be program-specific threshold requirements identified in the Program Sections of the SuperNOFA.

(b) If you, the applicant: (i) Have been charged with a systemic violation of the Fair Housing Act alleging ongoing discrimination; (ii) Are a defendant in a Fair Housing Act lawsuit filed by the Department of Justice alleging an on-going pattern or practice of discrimination; or, (iii) Have received a letter of non-compliance findings, identifying on-going or systemic noncompliance, under Title VI of the Civil Rights Act, Section 504 of the Rehabilitation Act, or Section 109 of the Housing and Community Development Act; and If the charge, lawsuit, or letter of findings has not been resolved to HUD’s satisfaction before the application deadline stated in the individual program NOFA, you may not apply for assistance under this SuperNOFA. HUD will not rate and rank your application. HUD’s decision regarding whether a charge, lawsuit, or a letter of findings has been satisfied will be based upon whether appropriate actions have been taken to address allegations of ongoing discrimination in the policies or practices involved in the charge, lawsuit, or letter of findings.

Examples of actions that may be taken prior to the application deadline to resolve the charge, lawsuit, or letter of findings, include but are not limited to:

(i) Voluntary compliance agreement signed by all parties in response to the letter of findings;
(ii) HUD-approved conciliation agreement signed by all parties;
(iii) Consent order or consent decree; or
(iv) Judicial ruling or a HUD Administrative Law Judge’s decision that exonerates the respondent of any allegations of discrimination.

(3) Conducting Business In Accordance with Core Values and Ethical Standards. Entities subject to 24 CFR parts 84 and 85 (most non-profit organizations and state, local and tribal governments or government agencies or instrumentalities who receive federal awards of financial assistance) are required to develop and maintain a written code of conduct (see §§84.42 and 85.36(b)(3)). Consistent with regulations governing specific programs, your code of conduct must: prohibit real and apparent conflicts of interest that may arise among officers, employees, or agents; prohibit the solicitation and acceptance of gifts or gratuities by your officers, employees, and agents for their personal benefit in excess of minimal value; and, outline administrative and disciplinary actions available to remedy violations of such standards. If awarded assistance under this SuperNOFA, you will be required, prior to entering into an agreement with HUD, to submit a copy of your code of conduct and describe the methods you will use to ensure that all officers, employees, and agents of your organization are aware of your code of conduct. Failure to meet the requirement for a code of conduct will prohibit you from receiving an award of funds from HUD.

(4) Delinquent Federal Debts. Consistent with the purpose and intent of 31 U.S.C. 3720B and 28 U.S.C. 3201(e), no award of federal funds shall be made to an applicant who has an outstanding delinquent federal debt until: (a) The delinquent account is paid in full; (b) a negotiated repayment schedule is established and at least one payment is received; or (c) other arrangements satisfactory to the Department of Housing and Urban Development are made prior to the deadline submission date.

(5) Pre-Award Surveys. HUD may arrange for a pre-award survey of the applicant's
financial management system in cases where the recommended applicant has no prior federal support, the program area has reason to question whether the applicant’s financial management system meets federal financial management standards, or the applicant is considered a high risk based upon past performance or financial management findings. HUD will not make an award to any applicant who does not have a financial management system that meets federal standards. 

(6) Other Threshold Requirements. The Program Section for the funding for which you are applying may specify other threshold requirements. Additional threshold requirements may be identified in the discussion of “eligibility” requirements in the Program Section.

(D) Affirmatively Furthering Fair Housing. Under Section 808(e)(3) of the Fair Housing Act, HUD is obliged to affirmatively further fair housing. HUD requires the same of its funding recipients. If you are a successful applicant, you will have a duty to affirmatively further fair housing opportunities for classes protected under the Fair Housing Act. Protected classes are race, color, national origin, religion, sex, disability, and familial status. Unless otherwise instructed in the Program Section of this SuperNOFA, your application must include specific steps to:

(1) Overcome the effects of impediments to fair housing choice that were identified in the jurisdiction’s Analysis of Impediments (AI) to Fair Housing Choice;

(2) Remedy discrimination in housing; and/or

(3) Promote fair housing rights and fair housing choice.

Further, you, the applicant, have a duty to carry out the specific activities provided in your responses to the SuperNOFA rating factors that address affirmatively furthering fair housing. Please see the Program Section of this SuperNOFA for additional information.

The requirements to affirmatively further fair housing apply to:

• Alaska Native/Native Hawaiian Institutions Assisting Communities (AN/NHIAC);

• Assisted Living Conversion Program (ALCP) for Eligible Multifamily Housing Projects;

• Brownfields Economic Development Initiative (BEDI);

• Community Outreach Partnership Centers (COPC);

• Continuum of Care Homeless Assistance Programs (SHP, Shelter Plus Care, Section 8 Moderate Rehab);

(E) Economic Opportunities for Low- and Very Low-Income Persons (Section 3). Certain programs in this SuperNOFA require recipients of assistance to comply with Section 3 of the Housing and Urban Development Act of 1968 (Section 3), 12 U.S.C. 1701u (Economic Opportunities for Low- and Very Low-Income Persons in Connection with Assisted Projects) and the HUD regulations at 24 CFR part 135, including the reporting requirements at subpart E. Section 3 requires recipients to ensure that, to the greatest extent feasible, training, employment, and other economic opportunities will be directed to low- and very-low-income persons, particularly those who are recipients of government assistance for housing, and business concerns which provide economic opportunities to low- and very low-income persons. As noted in the Program Section of this SuperNOFA, Section 3 is applicable to the following programs:

• Alaska Native/Native Hawaiian Institutions Assisting Communities (AN/NHIAC);

• Assisted Living Conversion Program (ALCP);

• Brownfields Economic Development Initiative (BEDI);

• Continuum of Care Homeless Assistance Programs;

• Healthy Homes and Lead Technical Studies;

(F) Ensuring the Participation of Small Businesses, Small Disadvantaged Businesses, and Women-Owned Businesses. HUD is committed to ensuring that small businesses, small disadvantaged businesses, and women-owned businesses participate fully in HUD’s direct contracting and in contracting opportunities generated by HUD financial assistance. Too often, these businesses still experience difficulty accessing information and successfully bidding on federal contracts. State, local, and tribal governments are required by 24 CFR 85.36(e) and non-profit recipients of assistance (grantees and sub-grantees) by 24 CFR 84.44(b), to take all necessary affirmative steps in contracting for purchase of goods or services to assure that minority firms, women’s business enterprises, and labor surplus area firms are used when possible, or as specified in the Program Section.

(G) Relocation. The relocation requirements of the Uniform Relocation Assistance and Real Property Acquisition Policies Act of 1970, as amended, and Policies on Subsidized Government-wide regulation at 49 CFR part 24 cover any person who moves
permanently from real property or moves personal property from real property directly because of acquisition, rehabilitation, or demolition for an activity undertaken with HUD assistance. Some HUD program regulations also cover persons who are temporarily relocated. See, e.g., 24 CFR 570.606(b)(2)(i)(D)(1)—(3), providing guidance on temporary relocation for CDBG. Applicants should review the regulations for the programs for which they are applying when planning their project.

(H) Forms, Certification, and Assurances. You, the applicant, are required to submit signed copies of the standard forms, certifications, and assurances listed in this section, unless the requirements in the Program Section specify otherwise. In addition, the Program Section may specify additional forms, certifications, assurances, or other information that may be required for a particular program in this SuperNOFA. As part of HUD’s continuing efforts to improve the SuperNOFA process, several of the required standard forms have been simplified this year. The HUD standard forms, certifications, and assurances are:

- Disclosure of Lobbying Activities (SF–LLL);
- Application for Federal Assistance (HUD–424);
- Budget Summary for Competitive Grant Programs (HUD–424C);
- Applicant Assurances and Certifications (HUD–424B);
- Grant Application Detailed Budget (HUD–424–CB);
- Grant Application Detailed Budget Worksheet (HUD–424–CBW);
- Applicant/Recipient Disclosure/Update Report (HUD–2880);
- Certification of Consistency with RC/EZ/EC Strategic Plan (HUD–2990) if applicable;
- Certification of Consistency with the Consolidated Plan (HUD–2991) if applicable;
- Acknowledgment of Application Receipt (HUD–2993);
- Client Comments and Suggestions (HUD 2994) (Optional);
- Survey on Ensuring Equal Opportunity for Applicants (HUD–23004);
- Race and Ethnic Data Reporting Form (HUD–27061);
- Program Outcome Logic Model (HUD–96010–I).

Copies of these standard forms and the Funding Application for the Housing Choice Voucher Program (HUD 52515) follow this General Section of the SuperNOFA. Copies of forms that are particular to an individual program follow the funding information for that program.

(I) Name Check Review. Applicants are subject to a name check review process. Name checks are intended to reveal matters that significantly reflect on the applicant’s management and financial integrity, or if any key individuals have been convicted or are presently facing criminal charges. If the name check reveals significant adverse findings that reflect on the business integrity or responsibility of the recipient and/or key individual, HUD reserves the right to: (a) Deny funding or consider suspension/termination of an award immediately for cause; (b) require the removal of any key individual from association with management of and/or implementation of the award; and (c) make appropriate provisions or revisions with respect to the method of payment and/or financial reporting requirements.

(J) False Statements. A false statement in an application is grounds for denial or termination of an award and grounds for possible punishment as provided in 18 U.S.C. 1001.

(K) OMB Circulars and Government-wide Regulations Applicable to Financial Assistance Programs. Certain OMB circulars also apply to programs in this SuperNOFA. The policies, guidance, and requirements of OMB Circular A–87 (Cost Principles Applicable to Grants, Contracts and Other Agreements with State and Local Governments), OMB Circular A–21 (Cost Principles for Education Institutions), OMB A–122 (Cost Principles for Nonprofit Organizations), OMB Circular A–133 (Audits of States, Local Governments, and Non-Profit Organizations), and the regulations in 24 CFR part 84 (Grants and Agreements with Institutions of Higher Education, Hospitals, and other Non-Profit Organizations), and 24 CFR part 85 (Administrative Requirements for Grants and Cooperative Agreements to State, Local, and Federally recognized Indian tribal governments), may apply to the award, acceptance, and use of assistance under the programs of this SuperNOFA, and to the remedies for non-compliance, except when inconsistent with the provisions of the FY 2003 Consolidated Appropriations, other federal statutes or regulations, or the provisions of this SuperNOFA. Compliance with additional OMB Circulars or government-wide regulations may be specified for a particular program in the Program Section of the SuperNOFA. Copies of the OMB Circulars may be obtained from EOP Publications, Room 2200, New Executive Office Building, Washington, DC 20503, telephone (202) 395–3080 (this is not a toll-free number) or 1–800–877 8399 (TTY Federal Information Relay Service); or, from the Web site, http://www.whitehouse.gov/omb/circulars/index.html.

(L) Environmental Requirements. If you become a recipient under one of the programs in this SuperNOFA that assist physical development activities or property acquisition, you are generally prohibited from acquiring, rehabilitating, converting, demolishing, leasing, repairing or constructing property, or committing or expending HUD or non-HUD funds for these types of program activities, until one of the following has occurred:

(1) HUD has completed an environmental review in accordance with 24 CFR part 50; or

(2) For programs subject to 24 CFR part 58, HUD has approved a recipient’s Request for Release of Funds (Form HUD 7015.15) following a Responsible Entity’s completion of an environmental review.

You, the applicant, should consult the Program Section of the SuperNOFA for the applicable program to determine the procedures for, timing of, and any exclusions from environmental review under a particular program. For applicants applying for funding under the Sections 202 or 811 Programs, please note the environmental review requirements for these programs.

(M) Conflicts of Interest. If you are a consultant or expert who is assisting HUD in rating and ranking applicants for funding under this SuperNOFA, you are subject to 18 U.S.C. 208, the federal conflict of interest statute, and the Standards of Ethical Conduct for Employees of the Executive Branch regulation published at 5 CFR part 2635. As a result, if you have assisted or plan to assist applicants with preparing applications for this SuperNOFA, you may not serve on a selection panel and you may not serve as a technical advisor to HUD for this SuperNOFA. All individuals involved in rating and ranking this SuperNOFA, including experts and consultants, must avoid conflicts of interest or the appearance of conflicts. Individuals involved in the rating and ranking of applications must disclose to HUD’s General Counsel or HUD’s Ethics Law Division the following information, if applicable: how the selection or non-selection of any applicant under this SuperNOFA will affect the individual’s financial interests, as provided in 18 U.S.C. 208; or, how the application process involves a party with whom the individual has a covered relationship under 5 CFR 2635.02. The individual must disclose this information prior to participating in any matter regarding this SuperNOFA.
you have questions regarding these provisions or if you have questions concerning a conflict of interest, you may call the Office of General Counsel, Ethics Law Division, at (202) 708–3815.  

(N) Prohibition Against Lobbying Activities. You, the applicant, are subject to the provisions of Section 319 of the Department of Interior and Related Agencies Appropriation Act for Fiscal Year 1991, 31 U.S.C. 1352 (the Byrd Amendment), which prohibits recipients of federal contracts, grants, or loans from using appropriated funds for lobbying the executive or legislative branches of the federal government in connection with a specific contract, grant, or loan. When you sign Form HUD–424, Application for Federal Assistance, you certify, to the best of your knowledge and belief, that no federal appropriated funds have been paid, or will be paid, by or on behalf of the applicant, to any person for influencing or attempting to influence an officer or employee of an agency, a Member of Congress, an officer or employee of Congress, or an employee of a Member of Congress, in connection with the awarding of this federal grant or its extension, renewal, amendment, or modification. In addition, you must disclose, using Standard Form LLL “Disclosure of Lobbying Activities,” any funds, other than federally appropriated funds, that will be or have been used to influence federal employees, Members of Congress, and congressional staff regarding specific grants or contracts. Federally recognized Indian tribes and tribally designated housing entities (TDHEs) established by federally recognized Indian tribes as a result of the exercise of the tribe’s sovereign power are excluded from coverage of the Byrd Amendment, but state-recognized Indian tribes and TDHEs established under state law must comply with this requirement.  

(O) Accessible Technology. The Rehabilitation Act Amendments of 1998 (the Act) apply to all electronic information technology (EIT) used by a recipient for transmitting, receiving, using, or storing information to carry out the responsibilities of any federal funds awarded. The Act’s coverage includes, but is not limited to, computers (hardware, software, word-processing, email, and web pages), facsimile machines, copiers, and telephones. When developing, procuring, maintaining, or using EIT, funding recipients must ensure that the EIT allows employees with disabilities and members of the public with disabilities to have access to and use of information and data that is comparable to the access and use of information and data by employees and members of the public who do not have disabilities. If these standards impose a hardship on a funding recipient, a recipient may provide an alternative means to allow the individual to use the information and data. However, no recipient will be required to provide information services to a person with disabilities at any location other than the location at which the information services is generally provided.  

(P) Procurement of Recovered Materials: State agencies and agencies of a political subdivision of a state that are using assistance under this SuperNOFA for procurement, and any person contracting with such an agency with respect to work performed under an assisted contract, must comply with the requirements of Section 6002 of the Solid Waste Disposal Act, as amended by the Resource Conservation and Recovery Act. In accordance with Section 6002, these agencies and persons must procure items designated in guidelines of the Environmental Protection Agency at 40 CFR part 247 that contain the highest percentage of recovered materials practicable, consistent with maintaining a satisfactory level of competition, where the purchase price of the item exceeds $10,000 or the quantity acquired in the preceding fiscal year exceeded $10,000; must procure solid waste management services in a manner that maximizes energy and resource recovery; and must have established an affirmative procurement program for procurement of recovered materials identified in the EPA guidelines.  

(Q) Participation in HUD-Sponsored Program Evaluation. As a condition of the receipt of financial assistance under this SuperNOFA all successful applicants will be required to cooperate with all HUD staff or contractors performing HUD-funded research and evaluation studies.  

(R) Executive Order 13202. Preservation of Open Competition and Government Neutrality Towards Government Contractors’ Labor Relations on Federal and Federally Funded Construction Projects. Consistent with Executive Order 13202, “Preservation of Open Competition and Government Neutrality Towards Government Contractors’ Labor Relations on Federal and Federally Funded Construction Projects,” as amended, it is a condition of receipt of assistance under this SuperNOFA that neither you nor any subrecipient or program beneficiary, may require bidders, offerors, contractors, or subcontractors to enter into or adhere to any agreement with any labor organization on any construction project funded in whole or in part by such award or on any related federally funded construction project; or prohibit bidders, offerors, contractors, or subcontractors from entering into or adhering to any such agreement on any such construction project; or otherwise discriminate against bidders, offerors, contractors, or subcontractors on any such construction project because they become or refuse to become or remain signatories or otherwise to adhere to any such agreements. Contractors and subcontractors are not prohibited from voluntarily entering into such agreements. A recipient or its construction manager may apply to HUD under Section 5(c) of the Executive Order for an exemption from these requirements for a project where a construction contract on the project had been awarded as of February 17, 2001, and was subject to requirements that are prohibited under the Executive Order.  

(S) Executive Order 13166, Improving Access to Persons With Limited English Proficiency (LEP). Consistent with Executive Order 13166, “Improving Access to Persons With Limited English Proficiency (LEP)” issued on August 11, 2000, all HUD recipients should take reasonable steps to provide certain materials and information available in languages other than English. The determination as to what materials, languages, and modes of translation/interpretation services should be used shall be based upon: (a) The specific needs and capabilities of the LEP populations among the award recipient’s program beneficiaries and potential beneficiaries of assistance (e.g. tenants, community residents, counsellors, trainees, etc.); (b) the recipient’s primary and major program purposes; (c) resources of the recipient and size of the program; and (d) local housing, demographic, and community conditions and needs. Further guidance may be found at http://www.lep.gov.  

(T) Executive Order 13279 Equal Protection of the Laws for Faith-Based and Community Organizations. HUD is committed to full implementation of 13279 and has undertaken a review of all policies and regulations that have implications for faith-based and community organizations, and has established a policy priority to provide full and equal access to grass-roots faith-based and other community-based organizations in HUD programs and implementation. As part of HUD’s efforts to support the Administration’s
VI. Application Selection Process

(A) Threshold Compliance. Only applications that meet all of the threshold requirements will be eligible to be rated and ranked.

(B) Rating Panels. To review and rate applications, HUD may establish panels which may include persons not currently employed by HUD. HUD may include these non-HUD employees to obtain certain expertise and outside points of view, including views from other federal agencies.

Rating. HUD will evaluate and rate all applications for funding that meet the threshold requirements.

• Past Performance. In evaluating applications for funding HUD will take into account applicants’ past performance in managing funds, including the ability to account for funds appropriately; timely use of funds received either from HUD or other federal, state, or local programs; meeting performance targets for completion of activities and receipt of promised matching or leveraged funds; and, number of persons to be served or targeted for assistance. HUD may consider information available from HUD’s records or available from public sources such as, but not limited to, newspapers, Inspector General or Government Accounting Office Reports or Findings, and/or hotline complaints that have been proven to have merit.

• Deducting Points for Poor Performance. In evaluating past performance, HUD may elect to deduct points from the rating score or establish threshold levels as specified under the Factors for Award in the Program Section of this SuperNOFA.

Ranking. HUD will rank applicants within each program or, for Continuum of Care applicants, across the three programs identified in the Continuum of Care section of this SuperNOFA. HUD will rank applicants only against those applying for the same program funding. Where there are set-asides within a program competition, you, the applicant, will compete against only those applicants in the same set-aside competition.

(C) Factors for Award Used to Evaluate and Rate Applications. For each program that is part of this SuperNOFA, the points awarded for the rating factors total 100. Depending upon the program for which you, the applicant, are seeking funding, the funding opportunity may provide for up to four bonus points as provided in paragraphs (1) and (2) of this Section VII(C).

(1) RC/EZ/EC. The SuperNOFA provides for the award of two bonus points for eligible activities/projects that the applicant proposes to be located in federally designated Empowerment Zones (EZs), Enterprise Communities (ECs), Urban Enhanced Enterprise Communities (EECs), Strategic Planning Communities, or Renewal Communities (RCs), that serve the residents of these areas, and are certified to be consistent with the area’s strategic plan. (For ease of reference in the SuperNOFA, all these federally designated areas are collectively referred to as “RC/EZ/ECs” and residents of any of these federally designated areas as “RC/EZ/EC residents.”) The individual funding announcement will indicate if the bonus points are available for that funding.

The SuperNOFA contains a certification that must be completed for the applicant to be considered for RC/EZ/EC bonus points. A list of RCs, EZs, ECs, EECs, and Strategic Planning Communities is attached to this General Section of the SuperNOFA as Appendix A–2 and is also available from the SuperNOFA Information Center, and the HUD Web site, http://www.hud.gov.

(2) Brownfields Show Case Communities: In the BEDI competition, two bonus points are available for federally designated Brownfields Show Case Communities. (Please see BEDI section of this SuperNOFA for additional information.) A list of the federally designated RCs, EZs, ECs, Enhanced ECs, and Brownfields Show Case Communities is available from the SuperNOFA Information Center or through the HUD Web site, http:// www.hud.gov.

(D) The Five Standard Rating Factors for FY 2003. The majority of programs in this SuperNOFA use the five rating factors described below. Additional details about the five rating factors and the maximum points for each factor are provided in the Program Section of the SuperNOFA. HUD recommends that the applicant, should carefully read the factors for award as described in the Program Section of the SuperNOFA. HUD has established these five factors as the basic factors for award in every program that is part of this SuperNOFA. For a specific funding opportunity, however, HUD may modify these factors to take into account specific program needs or statutory or regulatory limitations imposed on a program. The standard factors for award, except as modified in the program area section, are:

Factor 1: Capacity of the Applicant and Relevant Organizational Staff
Factor 2: Need/Extent of the Problem
Factor 3: Soundness of Approach
Factor 4: Leverage Resources
Factor 5: Achieving Results and Program Evaluation

The Continuum of Care Homeless Assistance Program has only two factors that receive points: Need and Continuum of Care.

(E) Negotiation. After HUD has rated and ranked all applications and made selections, HUD may require, depending upon the program, that all selected applicants participate in negotiations to determine the specific terms of the funding agreement and budget. In cases where HUD cannot successfully conclude negotiations with a selected applicant or a selected applicant fails to provide HUD with requested information, an award will not be made to that applicant. In this instance, HUD may offer an award, and proceed with negotiations with the next highest-ranking applicant.

(F) Adjustments to Funding. (1) HUD reserves the right to fund less than the full amount requested in your application to ensure the fair distribution of funds and ensure that the purposes or requirements of a specific program are met.

(2) HUD will not fund any portion of your application that: is not eligible for funding under specific program statutory or regulatory requirements; does not meet the requirements of this SuperNOFA; or may be duplicative of other funded programs or activities from prior year awards or other selected applicants. Only the eligible portions of your application (including nonduplicative portions) may be funded.

(3) If funds remain after funding the highest-ranking applications, HUD may fund all or part of the next highest-ranking application in a given program. If you, the applicant, turn down an award offer, HUD will make an offer of funding to the next highest-ranking application. If funds remain after all selections have been made, remaining funds may be available for other competitions for each program where there is a balance of funds.
(4) In the event HUD commits an error that, when corrected, would result in selection of an otherwise eligible applicant during the funding round of this SuperNOFA, HUD may select that applicant when sufficient funds become available.

(G) Performance and Compliance Actions of Funding Recipients. HUD will measure and address the performance and compliance actions of funding recipients in accordance with the applicable standards and sanctions of their respective programs.

VII. Application Submission Requirements

Be sure to read and follow the application submission requirements published in the Program Section for which you are applying. As noted above, once you have submitted one signed, original set of forms, certifications and assurances, you may send copies of these standard items with each additional application you submit.

VIII. Corrections to Deficient Applications

After the application due date, HUD may not, consistent with its regulations in 24 CFR part 4, subpart B, consider any unsolicited information you, the applicant, may want to provide. HUD may contact you to clarify an item in your application or to correct technical deficiencies. HUD may not seek clarification of items or responses that improve the substantive quality of your response to any rating factors. In order not to unreasonably exclude applications from being rated and ranked, HUD may contact applicants to ensure proper completion of the application and will do so on a uniform basis for all applicants. Examples of curable (correctable) technical deficiencies include failure to submit the proper certifications or failure to submit an application that contains an original signature by an authorized official or failure to submit the requested number of copies. In each case, HUD will notify you in writing by describing the clarification or technical deficiency. HUD will notify applicants by facsimile or by USPS, return receipt requested. Clarifications or corrections of technical deficiencies in accordance with the information provided by HUD must be submitted within 14 calendar days of the date of receipt of the HUD notification. (If the due date falls on a Saturday, Sunday, or federal holiday, your correction must be received by HUD on the next day that is not a Saturday, Sunday, or federal holiday.) If the deficiency is not corrected within this time period, HUD will reject the application as incomplete and it will not be considered for funding. (Sections 202 and 811 Programs provide for appeal of rejection of an application on technical deficiency. Please see the Program Section for these programs for additional information and instructions.)

IX. Findings and Certifications

Environmental Impact. A Finding of No Significant Impact with respect to the environment has been made in accordance with HUD regulations at 24 CFR part 50 that implement Section 102(2)(C) of the National Environmental Policy Act of 1969 (42 U.S.C. 4332). The Finding of No Significant Impact is available for public inspection between 8:00 a.m. and 5:00 p.m. in the Office of the General Counsel, Regulations Division, Room 10276, U.S. Department of Housing and Urban Development, 451 Seventh Street, SW., Washington, DC 20410–0500.

X. Executive Orders and Congressional Intent

(A) Executive Order 13132, Federalism. Executive Order 13132 prohibits, to the extent practicable and permitted by law, an agency from promulgating policies that have federalism implications and either impose substantial direct compliance costs on state and local governments or are not required by statute, or preempt state law, unless the relevant requirements of Section 6 of the Executive Order are met. This SuperNOFA does not have federalism implications and does not impose substantial direct compliance costs on state and local governments or preempt state law within the meaning of the Executive Order.

(B) Executive Order 12372, Intergovernmental Review of Federal Programs. Executive Order 12372 was issued to foster intergovernmental partnership and strengthen federalism by relying on state and local processes for the coordination and review of federal financial assistance and direct federal development. HUD implementing regulations are published in 24 CFR part 52. The Order allows each state to designate an entity to perform a state review function. The official listing of State Points of Contact (SPOC) for this review process can be found at http://www.whitehouse.gov/omb/grants/spec.html. States not listed on the website have chosen not to participate in the intergovernmental review process and, therefore, do not have a SPOC. If your state has a SPOC, you should contact them to see if they are interested in reviewing your application prior to submission to HUD. Please make sure that you allow ample time for this review process when developing and submitting your applications. If your state does not have a SPOC, you may send applications directly to HUD.

(C) Sense of Congress. It is the sense of Congress, as published in section 409(a) of the Conference Report of HRJ 2, that, to the greatest extent practicable, all equipment and products purchased with funds made available in this Act should be American-made.

XI. Public Access, Documentation and Disclosure

(A) Section 102 of the HUD Reform Act, Documentation and Public Access Requirements. Section 102 of the Department of Housing and Urban Development Reform Act of 1989 (42 U.S.C. 3545) (HUD Reform Act) and the regulations codified in 24 CFR part 4, subpart A, contain a number of provisions that are designed to ensure greater accountability and integrity in the provision of certain types of assistance administered by HUD. On January 14, 1992, HUD published a notice that also provides information on the implementation of Section 102 (57 FR 1942). The documentation, public access, and disclosure requirements of Section 102 apply to assistance awarded under this SuperNOFA as follows:

(1) Documentation, public access, and disclosure requirements. HUD will ensure that documentation and other information regarding each application submitted pursuant to this SuperNOFA are sufficient to indicate the basis upon which assistance was provided or denied. This material, including any letters of support, will be made available for public inspection for a five-year period beginning not less than 30 days after the award of the assistance. Material will be made available in accordance with the Freedom of Information Act (5 U.S.C. 552) and HUD’s implementing regulations (24 CFR part 15).

(2) HUD Form 2880. HUD will also make available to the public for five years all applicant disclosure reports (HUD Form 2880) submitted in connection with this SuperNOFA. Update reports (also reported on HUD Form 2880) will be made available along with the applicant disclosure reports, but in no case for a period of less than three years. All reports, both applicant disclosures and updates, will be made available in accordance with the Freedom of Information Act (5 U.S.C. 552) and HUD’s implementing regulations (24 CFR part 5).
(3) Publication of Recipients of HUD Funding. HUD’s regulations at 24 CFR part 4 provide that HUD will publish a notice in the Federal Register to notify the public of all decisions made by the Department to provide:
   (i) Assistance subject to Section 102(a) of the HUD Reform Act; and/or
   (ii) Assistance provided through grants or cooperative agreements on a discretionary (non-formula, non-demand) basis, but that is not provided on the basis of a competition.

(4) Debriefing. Beginning 30 days after the awards for assistance are publicly announced and for at least 120 days after awards for assistance are publicly announced, HUD will provide a debriefing to any applicant requesting one on their application. All debriefing requests must be made in writing or by email by the authorized official whose signature appears on the SF 424 or his or her successor in office, and submitted to the person or organization identified as the Contact under the section entitled “Further Information and Technical Assistance” in the Program Section of the SuperNOFA under which you applied for assistance. Information provided during a debriefing will include, at a minimum, the final score you received for each rating factor, final evaluator comments for each rating factor, and the final assessment indicating the basis upon which assistance was provided or denied.

(B) Section 103 of the HUD Reform Act. HUD’s regulations implementing Section 103 of the Department of Housing and Urban Development Reform Act of 1989 (42 U.S.C. 3537a), codified in 24 CFR part 4, subpart B, section 4.26(2)(c) et. seq. and 4.28 apply to this funding competition. The regulations continue to apply until the announcement of the selection of successful applicants. HUD employees involved in the review of applications and in the making of funding decisions are limited by the regulations from providing advance information to any person (other than an authorized employee of HUD) concerning funding decisions or from otherwise giving any applicant an unfair competitive advantage. Persons who apply for assistance in this competition should confine their inquiries to the subject areas permitted under 24 CFR part 4.

Applicants or employees who have ethics related questions should contact the HUD Ethics Law Division at 202–708–3815. (This is not a toll-free number.) HUD employees who have specific program questions should contact the appropriate field office counsel or Headquarters counsel for the program to which the question pertains.

XII. The FY 2003 SUPERNOFA Process and Future HUD Funding Processes

Each year, HUD strives to improve its SuperNOFA. The FY 2003 SuperNOFA was revised based upon comments received during the FY 2002 funding process. HUD continues to welcome comments and feedback from applicants and other members of the public on how HUD may further improve its competitive funding process. In FY 2004, as part of Public Law 106–107 streamlining efforts and the interagency eGrants Initiative, HUD anticipates making considerable changes to the format and presentation of its funding notices. We are continually striving to ensure effective communication with our program funding recipients and potential funding recipients. HUD has been posting pertinent documents related to these efforts on its website. HUD encourages you to visit our website on an ongoing basis to keep abreast of the latest developments. Our website address for information on the eGrants Initiative is http://www.hud.gov/offices/adm/grants/egrants/TEGRANTS.cfm. Information on Grant streamlining activities can be found on http://www.hud.gov/offices/adm/grants/pl-106-107/pl106-107.cfm.

The description of programs for which funding is available under this SuperNOFA follows this General Section and its appendices.

Mel Martinez,

Secretary.

The filing of a form is required for each payment or agreement to make payment to any lobbying entity for influencing or attempting to influence an officer or employee of any agency, a Member of Congress, an officer or employee of Congress, or an employee of a Member of Congress in connection with a covered Federal action. Complete all items that apply for both the initial filing and material change report. Refer to the implementing guidance published by the Office of Management and Budget for additional information.

1. Identify the type of covered Federal action for which lobbying activity is and/or has been secured to influence the outcome of a covered Federal action.

2. Identify the status of the covered Federal action.

Include prefixes, e.g., "RFP-DE-90-001."

9. For a covered Federal action where there has been an award or loan commitment by the Federal agency, enter the Federal amount of the award/loan commitment for the prime entity identified in item 4 or 5.

10. (a) Enter the full name, address, city, State and zip code of the lobbying registrant under the Lobbying Disclosure Act of 1995 engaged by the reporting entity identified in Item 4 to influence the covered Federal action.

<tr>
<td><strong>1 - Personnel (Direct Labor)</strong></td>
<td>This section should show the labor costs for all individuals supporting the grant program effort (regardless of the source of their salaries). The hours and costs are for the full life of the grant. If an individual is employed by a contractor or subgrantor, their labor costs should not be shown here. Please include all labor costs which are associated with the proposed grant program, including those costs which will be paid for with in-kind or matching funds. Do not show fringe or other indirect costs in this section. Please use the hourly labor cost for salaried employees (use 2,080 hours per year or the value your organization uses to perform this calculation). An employee working less than full time on the grant should show the numbers of hours they will work on the grant.</td>
</tr>
<tr>
<td><strong>2 - Fringe Benefits</strong></td>
<td>Use the standard fringe rates used by your organization. You may use a single fringe rate (a percentage of the total direct labor) or list each of the individual fringe charges. The spreadsheet is set up to use the Total Direct Labor Cost as the base for the fringe calculation. If your organization calculates fringe benefits differently, please use a different base and discuss how you calculate fringe as a comment.</td>
</tr>
<tr>
<td><strong>3 - Travel</strong></td>
<td><strong>3a - Transportation - Local Private Vehicle</strong> If you plan on reimbursing staff for the use of privately owned vehicles or if you are required to reimburse your organization for mileage charges, show your mileage and cost estimates in this section. <strong>3b - Transportation - Airfare</strong> Show the estimated cost of airfare required to support the grant program effort. Show the destination and the purpose of the travel as well as the estimated cost of the tickets. Each program NOFA discusses the travel requirements which should be listed here. <strong>3c - Transportation - Other</strong> If you or are charged monthly by your organization for a vehicle for use by the grant program, indicate those costs in this section. Provide estimates for other transportation costs which may be incurred (metro, etc.).</td>
</tr>
<tr>
<td>3d - Per Diem or Subsistence</td>

</tr>
<tr>

</tr>
<tr>
<td>5a - Consumable Supplies</td>
<td>List the consumable supplies you propose to purchase. General office or other common supplies may be estimated using an anticipated consumption rate.</td>
</tr>
<tr>
<td>5b - Non-consumable materials</td>
<td>List furniture, computers, printers, and other items which will not be consumed in use. Please list the quantity and unit cost.</td>
</tr>
<tr>
<td>6  - Consultants</td>

</tr>

</table>
| 7  - Contracts and Sub-Grantees | List the contractors and sub-grantees which will help accomplish the grant effort. Examples of contracts which should be shown here include contracts with Community Based Organizations; liability insurance; and training and certification for contractors and workers. If any contractor, sub-contractor, or sub-grantee is expected to receive over 10% of the total Federal amount requested, a separate Grant Application Detailed Budget (Worksheet) should be developed for that contractor or sub-grantee and the total amount of their proposed effort should be shown as a single entry in this section. Unless your proposed program will perform the primary grant effort with in-house employees (which should be listed in section 1), the costs of performing the primary grant activities should be shown in this section. Types of activities which should be shown in this section:  
  - Contracts for all services  
  - Training for individuals not on staff  
  - Contracts with Community Based Organizations or Other Governmental Organizations (note the 10% requirement discussed above)  
  - Insurance if your program will procure it separately  
  Please provide a short description of the activity the contractor or subgrantee will perform, if not evident. |

9 - Other Direct Costs

Other Direct Costs include a number of items that are not appropriate for other sections.

Other Direct Costs may include:

- Staff training
- Telecommunications
- Printing and postage
- Relocation, if costs are paid directly by your organization (if relocation costs are paid by a subgrantee, it should be reflected in Section 7)

10 - Indirect Costs

OMB Circular A87 defines indirect costs are those that have been incurred for common or joint purposes. These costs benefit more than one cost objective and cannot be readily identified with a particular final cost objective without effort disproportionate to the results achieved. Indirect costs include:

(a) indirect costs originating in each department or agency of the governmental unit carrying out Federal awards and (b) the costs of central governmental services distributed through the central service cost allocation plan and not otherwise treated as direct costs.

The spreadsheet is set up to use the Total Direct Labor plus the Fringe Benefits costs as the base for the indirect cost calculation. If your organization calculates indirect costs differently, please use a different base and discuss how you calculate fringe as a comment.
The eight rightmost columns allow you to identify how the costs will be spread between the HUD Share and other contributors (including Match funds and Program Income). This information will help the reviewers better understand your program and priorities.

Public reporting burden for this collection of information is estimated to average 2.0 hours per response, including the time for reviewing instructions, searching existing data sources, gathering and maintaining the data needed, and completing and reviewing the collection of information. This agency may not conduct or sponsor, and a person is not required to respond to, a collection information unless that collection displays a valid OMB control number.

Privacy Act Statement. Except for Social Security Numbers (SSNs) and Employer Identification Numbers (EINs), the Department of Housing and Urban Development (HUD) is authorized to collect all the information required by this form under section 102 of the Department of Housing and Urban Development Reform Act of 1989, 42 U.S.C. 3531. Disclosure of SSNs and EINs is optional. The SSN or EIN is used as a unique identifier. The information you provide will enable HUD to carry out its responsibilities under Sections 102(b), (c), and (d) of the Department of Housing and Urban Development Reform Act of 1989, Pub. L. 101-235; approved December 15, 1989. These provisions will help ensure greater accountability and integrity in the provision of certain types of assistance administered by HUD. They will also help ensure that HUD assistance for a specific housing project under Section 102(d) is not more than is necessary to make the project feasible after taking account of other government assistance. HUD will make available to the public all applicant disclosure reports for five years in the case of applications for competitive assistance, and for generally three years in the case of other applications. Update reports will be made available along with the disclosure reports, but in no case for a period generally less than three years. All reports, both initial reports and update reports, will be made available in accordance with the Freedom of Information Act (5 U.S.C. 552) and HUD's implementing regulations at 24 CFR Part 15. HUD will use the information in evaluating individual assistance applications and in performing internal administrative analyses to assist in the management of specific HUD programs. The information will also be used in making the determination under Section 102(d) whether HUD assistance for a specific housing project is more than is necessary to make the project feasible after taking account of other government assistance. You must provide all the required information. Failure to provide any required information may delay the processing of your application, and may result in sanctions and penalties, including imposition of the administrative and civil money penalties specified under 24 CFR § 4.38.

Note: This form only covers assistance made available by the Department. States and units of general local government that carry out responsibilities under Sections 102(b) and (c) of the Reform Act must develop their own procedures for complying with the Act.

Part I. Threshold Determinations - Applicants Only

Part I contains information to help the applicant determine whether the remainder of the form must be completed. Recipients filing Update Reports should not complete this Part.

If the answer to either questions 1 or 2 is No, the applicant need not complete Parts II and III of the report, but must sign the certification at the end of the form.

Part II. Other Government Assistance and Expected Sources and Uses of Funds.

A. Other Government Assistance. This Part is to be completed by both applicants and recipients for assistance and recipients filing update reports. Applicants and recipients must report any other government assistance involved in the project or activity for which assistance is sought. Applicants and recipients must report any other government assistance involved in the project or activity. Other government assistance is defined in note 4 on the last page. For purposes of this definition, other government assistance is expected to be made available if, based on an assessment of all the circumstances involved, there are reasonable grounds to anticipate that the assistance will be forthcoming.

Both applicant and recipient disclosures must include all other government assistance involved with the HUD assistance, as well as any other government assistance that was made available before the request, but that has continuing vitality at the time of the request. Examples of this latter category include tax credits that provide for a number of years of tax benefits, and grant assistance that continues to benefit the project at the time of the assistance request.

The following information must be provided:

1. Enter the name and address, city, State, and zip code of the government agency making the assistance available.
2. State the type of other government assistance (e.g., loan, grant, loan insurance).
3. Enter the dollar amount of the other government assistance that is, or is expected to be, made available with respect to the project or activities for which the HUD assistance is sought (applicants) or has been provided (recipients).
4. Uses of funds. Each reportable use of funds must clearly identify the purpose to which they are to be put. Reasonable aggregations may be used, such as "total structure" to include a number of structural costs, such as roof, elevators, exterior masonry, etc.

B. Non-Government Assistance. Note that the applicant and recipient disclosure report must specify all expected sources and uses of funds - both from HUD and any other source - that have been or are to be, made available for the project or activity. Non-government sources of

Part III. Interested Parties.
This Part is to be completed by both applicants and recipients filing update reports. Applicants must provide information on:
1. All developers, contractors, or consultants involved in the application for the assistance or in the planning, development, or implementation of the project or activity and
2. any other person who has a financial interest in the project or activity for which the assistance is sought that exceeds $50,000 or 10 percent of the assistance (whichever is lower).

Note: A financial interest means any financial involvement in the project or activity, including (but not limited to) situations in which an individual or entity has an equity interest in the project or activity, shares in any profit on resale or any distribution of surplus cash or other assets of the project or activity, or receives compensation for any goods or services provided in connection with the project or activity. Residency of an individual in housing for which assistance is being sought is not, by itself, considered a covered financial interest.

The information required below must be provided.
1. Enter the full names and addresses. If the person is an entity, the listing must include the full name and address of the entity as well as the CEO. Please list all names alphabetically.
2. Entry of the Social Security Number (SSN) or Employee Identification Number (EIN), as appropriate, for each person listed is optional.
3. Enter the type of participation in the project or activity for each person listed: i.e., the person’s specific role in the project (e.g., contractor, consultant, planner, investor).
4. Enter the financial interest in the project or activity for each person listed. The interest must be expressed both as a dollar amount and as a percentage of the amount of the HUD assistance involved.

Note: If any of the source/use information required by this report has been provided elsewhere in this application package, the applicant need not repeat the information, but need only refer to the form and location to incorporate it into this report. (It is likely that some of the information required by this report has been provided on SF 424A, and on various budget forms accompanying the application.) If this report requires information beyond that provided elsewhere in the application package, the applicant must include in this report all the additional information required.

Recipients must submit an update report for any change in previously disclosed sources and uses of funds as provided in Section 1.D.5., above.

The term does not include contracts, such as procurements contracts, that are subject to the Federal Acquisition Regulation (FAR) (48 CFR Chapter 1).
3. See 24 CFR §4.9 for detailed guidance on how the threshold is calculated.
4.    b. Have not within a three-year period preceding this proposal, been convicted of or had a civil judgment rendered against them for commission of fraud or a criminal offense in connection with obtaining, attempting to obtain, or performing a public (Federal, State, or local) transaction or contract under a public transaction; violation of Federal or State antitrust statutes or commission of embezzlement, theft, forgery, bribery, falsification, or destruction of records, making false statements, or receiving stolen property;
   c. Are not presently indicted for or otherwise criminally or civilly charged by a governmental entity (Federal, State, or local) with commission of any of the offenses enumerated in paragraph (1)(b) of this certification; and
   d. Have not within a three-year period preceding this application/proposal had one or more public transactions (Federal, State, or local) terminated for cause or default.

2. Where the prospective primary participant is unable to certify to any of the statements in this certification, such prospective participant shall attach an explanation to this proposal.

Instructions for Certification (A)

1. By signing and submitting this proposal, the prospective primary participant is providing the certification set out below.

2. The inability of a person to provide the certification required below will not necessarily result in denial of participation in this covered transaction. The prospective participant shall submit an explanation of why it cannot provide the certification set out below. The certification or explanation will be considered in connection with the department or agency's determination whether to enter into this transaction. However, failure of the prospective primary participant to furnish a certification or an explanation shall disqualify such person from participation in this transaction.

3. The certification in this clause is a material representation of fact upon which reliance was placed when the department or agency determined to enter into this transaction. If it is later determined that the prospective primary participant knowingly rendered an erroneous certification, in addition to other remedies available to the Federal Government, the department or agency may terminate this transaction for cause of default.

4. The prospective primary participant shall provide immediate written notice to the department or agency to whom this proposal is submitted if at any time the prospective primary participant learns that its certification was erroneous when submitted or has become erroneous by reason of changed circumstances.

5. The terms covered transaction, debarred, suspended, ineligible, lower tier covered transaction, participant, person, primary covered transaction, principal, proposal, and voluntarily excluded, as used in this clause, have the meanings set out in the Definitions and Coverage sections of the rules implementing Executive Order 12549. You may contact the department or agency to which this proposal is being submitted for assistance in obtaining a copy of these regulations.

6. The prospective primary participant agrees by submitting this proposal that, should the proposed covered transaction be entered into, it shall not knowingly enter into any lower tier covered transaction with a person who is debarred, suspended, declared ineligible, or voluntarily excluded from participation in this covered transaction, unless authorized by the department or agency entering into this transaction.

7. The prospective primary participant further agrees by submitting this proposal that it will include the clause titled "Certification Regarding Debarment, Suspension, Ineligibility and Voluntary Exclusion - Lower Tier Covered Transaction," provided by the department or agency entering into this covered transaction, without modification, in all lower tier covered transactions and in all solicitations for lower tier covered transactions.

8. A participant in a covered transaction may rely upon a certification of a prospective participant in a lower tier covered transaction that it is not debarred, suspended, ineligible, or voluntarily excluded from the covered transaction, unless it knows that the certification is erroneous. A participant may decide the method and frequency by which it determines this eligibility of its principals. Each participant may, but is not required to, check the Nonprocurement List.

9. Nothing contained in the foregoing shall be construed to require establishment of a system of records in order to render in good faith the certification required by this clause. The knowledge and information of a participant is not required to exceed that which is normally possessed by a prudent person in the ordinary course of business dealings.

10. Except for transactions authorized under paragraph (6) of these instructions, if a participant in a covered transaction knowingly enters into a lower tier covered transaction with a person who is suspended, debarred, ineligible, or voluntarily excluded from participation in this transaction, in addition to other remedies available to the Federal Government, the department or agency may terminate this transaction for cause of default.
Certification B: Certification Regarding Debarment, Suspension, Ineligibility and Voluntary Exclusion - Lower Tier Covered Transactions

Instructions for Certification (B)

1. By signing and submitting this proposal, the prospective lower tier participant is providing the certification set out below.

2. The certification in this clause is a material representation of fact upon which reliance was placed when this transaction was entered into. If it is later determined that the prospective lower tier participant knowingly rendered an erroneous certification, in addition to other remedies available to the Federal Government, the department or agency with which this transaction originated may pursue available remedies, including suspension and/or debarment.

3. The prospective lower tier participant shall provide immediate written notice to the person to which this proposal is submitted if at any time the prospective lower tier participant learns that its certification was erroneous when submitted or has become erroneous by reason of changed circumstances.

4. The terms covered transaction, debarred, suspended, ineligible, lower tier covered transaction, participant, person, primary covered transaction, principal, proposal, and voluntarily excluded, as used in this clause, have the meanings set out in the Definitions and Coverage sections of rules implementing Executive Order 12549. You may contact the person to which this proposal is submitted for assistance in obtaining a copy of these regulations.

The knowledge and information of a participant is not required to exceed that which is normally possessed by a prudent person in the ordinary course of business dealings.

9. Except for transactions authorized under paragraph (5) of these instructions, if a participant in a lower covered transaction knowingly enters into a lower tier covered transaction with a person who is suspended, debarred, ineligible, or voluntarily excluded from participation in this transaction, in addition to other remedies available to the Federal Government, the department or agency with which this transaction originated may pursue available remedies including suspension and/or debarment.

Public reporting burden for this collection is estimated to average 1.15 hours per response, including the time for reviewing instructions, searching existing data sources, gathering the data needed, and completing and reviewing the information collection instrument. HUD may not collect this information, and you are not required to complete this form unless it displays a currently valid OMB control number.
Instructions for the Race and Ethnic Data Reporting form (HUD-27061)

A. General Instructions:

This form is intended to be used by two categories of respondents: (1) applicants requesting funding from the Department of Housing and Urban Development (HUD); and (2) organizations who receive HUD Federal financial assistance that are required to report race and ethnic information.

In compliance with OMB direction to revise the standards for collection of racial data, HUD has revised its standards as depicted on this form. The revised standards are designed to acknowledge the growing diversity of the U.S. population. Using the revised standards, HUD offers organizations that are responding to HUD data requests for racial information, the option of selecting one or more of nine racial categories to identify the racial demographics of the individuals and/or the communities they serve, or are proposing to serve. HUD’s collection of racial data treats ethnicity as a separate category from race and has changed the terminology for certain racial and ethnic groups from the way it has been requested in the past using two distinct ethnic categories. The revised definitions of ethnicity and race have been standardized across the Federal government and are provided below.

1. The two ethnic categories as revised by the Office of Management and Budget (OMB) are defined below.

   **Hispanic or Latino.** A person of Cuban, Mexican, Puerto Rican, South or Central American, or other Spanish culture or origin, regardless of race. The term “Spanish origin” can be used in addition to “Hispanic” or “Latino.”

   **Not Hispanic or Latino.** A person not of Cuban, Mexican, Puerto Rican, South or Central American, or other Spanish culture or origin, regardless of race.

2. The five racial categories as revised by the Office of Management and Budget are defined below:

   **American Indian or Alaska Native.** A person having origins in any of the original peoples of North and South America (including Central America), and who maintains tribal affiliation or community attachment.

   **Asian.** A person having origins in any of the original peoples of the Far East, Southeast Asia, or the Indian subcontinent including, for example, Cambodia, China, India, Japan, Korea, Malaysia, Pakistan, the Philippine Islands, Thailand, and Vietnam.

   **Black or African American.** A person having origins in any of the black racial groups of Africa. Terms such as “Haitian” or “Negro” can be used in addition to “Black” or “African American.”

   **Native Hawaiian or Other Pacific Islander.** A person having origins in any of the original peoples of Hawaii, Guam, Samoa, or other Pacific Islands.

   **White.** A person having origins in any of the original peoples of Europe, the Middle East or North Africa.

   **Note:** The information required to be reported may be collected and submitted to HUD via the use of this form or by other means, such as summary reports or via electronic reporting mechanisms. The primary goal to be achieved is the provision of the summary racial and ethnic data of the population(s) proposed to be served or that is being served by your organization in a consistent manner across all HUD programs.
B. Specific Instructions for Completing the Form:

Organizations using this form should collect the individual responses from the community of individuals you intend to serve or those that you are serving, as applicable. After the individual collections are gathered, you should report (via this form or by the use of other means such as electronic reports that provide the summary data required by this form) the aggregate totals of the racial and ethnic data that you collect via the applicable categories as described below:

**Total Number of Racial Categories Reported:** Under this column you should indicate the total number of responses collected in the blocks next to the applicable categories.

**Total Number of Ethnic Category Responses (Hispanic or Latino):** Under this column you should indicate the total number of responses collected in the blocks next to the applicable racial categories (e.g., you would enter the total number of Asian respondents that indicated they are Hispanic or Latino). When collecting this information from beneficiaries of the Federal financial assistance all respondents should be required to indicate their ethnic category, which requires either a “yes” or “no” response.

**Other multi-racial categories:** Next to this racial category, indicate all racial categories (if any) identified by respondents that do not fit the nine racial categories above, and which have a total count that exceeds one percent of the total population being reported. You must identify each such racial category, including the actual count, the percentage of the total population (in parenthesis), and the actual count for the ethnic categories.

For example, if you obtain data that indicates that the total population being served is 200 and includes 10 Cajun Americans and 12 Creole Americans, and those numbers of Cajun and Creole Americans each equates to more than one percent of the total population being served, and 2 of the Cajun Americans indicate they belong to the Hispanic/Latino ethnic category and 3 of the Creole Americans indicate they belong to the Hispanic/Latino ethnic category, you should complete the form as follows:

<table>
<thead>
<tr>
<th>Racial Categories</th>
<th>Total Number of Racial Categories Reported</th>
<th>Total Number of Ethnic Category Responses (Hispanic or Latino)</th>
</tr>
</thead>
<tbody>
<tr>
<td>* Other multi-racial categories: [Per the form instruction, write in a description using the box on the right]</td>
<td>Cajun American 10 (5%)</td>
<td>2</td>
</tr>
<tr>
<td></td>
<td>Creole American 12 (6%)</td>
<td>3</td>
</tr>
</tbody>
</table>

How the percentage should be applied will vary by program depending on whether the program is required to provide data on the total community, or on the beneficiaries/individuals that are being served or that are proposed to be served.

**Balance of individuals reporting more than one race:** This block is intended to capture the balance of any racial categories that are not included in the list of nine above, and are not included under “Other multi-racial categories.” Indicate the total number of all racial categories reported that do not fit the nine racial categories above, and do not equate to one percent of the total population being reported. Be sure to also indicate the total number of all such ethnic categories.

**Total:** On the last row of the form you should indicate the aggregate totals of all the information you have gathered including the total of all racial categories and the total of all the ethnic categories.

Certification Regarding Lobbying

The undersigned certifies, to the best of his or her knowledge and belief, that:

1. No Federal appropriated funds have been paid or will be paid, by or on behalf of the undersigned, to any person for influencing or attempting to influence an officer or employee of an agency, a Member of Congress, an officer or employee of Congress, or an employee of a Member of Congress in connection with the awarding of any Federal contract, the making of any Federal grant, the making of any Federal loan, the entering into of any cooperative agreement, and the extension, continuation, renewal, amendment, or modification of any Federal contract, grant, loan, or cooperative agreement.

2. If any funds other than Federal appropriated funds have been paid or will be paid to any person for influencing or attempting to influence an officer or employee of any agency, a Member of Congress, an officer or employee of Congress, or an employee of a Member of Congress in connection with this Federal contract, grant, loan, or cooperative agreement, the undersigned shall complete and submit Standard Form-LLL, "Disclosure Form to Report Lobbying," in accordance with its instructions.
(3) The undersigned shall require that the language of this certification be included in the award documents for all subawards at all tiers (including subcontracts, subgrants, and contracts under grants, loans, and cooperative agreements) and that all subrecipients shall certify and disclose accordingly.

This certification is a material representation of fact upon which reliance was placed when this transaction was made or entered into. Submission of this certification is a prerequisite for making or entering into this transaction imposed by section 1352, title 31, U.S. Code. Any person who fails to file the required certification shall be subject to a civil penalty of not less than $10,000 and not more than $100,000 for each such failure.

Certification Regarding Drug-Free Workplace Requirements

Instructions for Drug-Free Workplace Requirements Certification:

By signing and/or submitting this application or grant agreement, the grantee is providing the certification set out below.

2. The certification set out below is a material representation of fact upon which reliance is placed when the agency awards the grant. If it is later determined that the grantee knowingly rendered a false certification, or otherwise violates the requirements of the Drug-Free Workplace Act, the agency, in addition to any other remedies available to the Federal Government, may take action authorized under the Drug-Free Workplace Act.

3. Workplaces under grants, for grantees other than individuals, need not be identified on the certification. If known, they may be identified in the grant application. If the grantee does not identify the workplaces at the time of application, or upon award, if there is no application, the grantee must keep the identity of the workplace(s) on file in its office and make the information available for Federal inspection. Failure to identify all known workplaces constitutes a violation of the grantee’s drug-free workplace requirements.

4. Workplace identifications must include the actual address of buildings (or parts of buildings) or other sites where work under the grant takes place. Categorical descriptions may be used (e.g., all vehicles of a mass transit authority or State highway department while in operation, State employees in each local unemployment office, performers in concert halls or radio studios).

5. If the workplace identified to the agency changes during the performance of the grant, the grantee shall inform the agency of the change(s), if it previously identified the workplaces in question (see paragraph three).

6. Definitions of terms in the Nonprocurement Suspension and Debarment common rule and Drug-Free Workplace common rule apply to this certification. Grantees’ attention is called, in particular, to the following definitions from these rules:

   Controlled substance means a controlled substance in Schedules I through V of the Controlled Substances Act (21 U.S.C. 812) and as further defined by regulation (21 CFR 1308.11 through 1308.15);

   Conviction means a finding of guilt (including a plea of nolo contendere) or imposition of sentence, or both, by any judicial body charged with the responsibility to determine violations of the Federal or State criminal drug statutes;

   Criminal drug statute means a Federal or non-Federal criminal statute involving the manufacture, distribution, dispensing, use, or possession of any controlled substance;

   Employee means the employee of a grantee directly engaged in the performance of work under a grant, including: (i) All direct charge employees; (ii) All indirect charge employees unless their impact or involvement is insignificant to the performance of the grant; and, (iii) Temporary personnel and consultants who are directly engaged in the performance of work under the grant and who are on the grantee’s payroll. This definition does not include workers not on the payroll of the grantee (e.g., volunteers, even if used to meet a matching requirement, consultants or independent contractors not on the grantee’s payroll, or employees subcontractors or subcontractors in covered workplaces).

A. The grantee certifies that it will or will continue to provide a drug-free workplace by:

(a) Publishing a statement notifying employees that the unlawful manufacture, distribution, dispensing, possession, or use of a controlled substance is prohibited in the grantee’s workplace and specifying the actions that will be taken against employees for violation of such prohibition;

(b) Establishing an ongoing drug-free awareness program to inform employees about:

   (1) The dangers of drug abuse in the workplace;
   (2) The grantee’s policy of maintaining a drug-free workplace;
   (3) Any available drug counseling, rehabilitation, and employee assistance programs; and
   (4) The penalties that may be imposed upon employees for drug abuse violations occurring in the workplace;

(c) Making it a requirement that each employee to be engaged in the performance of the grant be given a copy of the statement required by paragraph (a);

(d) Notifying the employee in the statement required by paragraph (a) that, as a condition of employment under the grant, the employee will:

   (1) Abide by the terms of the statement; and
   (2) Notify the employer in writing of his or her conviction for a violation of a criminal drug statute occurring in the workplace no later than five calendar days after such conviction;
(e) Notifying the agency in writing, within ten calendar days after receiving notice under paragraph (d)(2) from an employee or otherwise receiving actual notice of such conviction. Employers of convicted employees must provide notice, including position title, to every grant officer or other designee on whose grant activity the convicted employee was working, unless the Federal agency has designated a central point for the receipt of such notices. Notice shall include the identification number(s) of each affected grant;

(f) Taking one of the following actions, within 30 calendar days of receiving notice under paragraph (d)(2), with respect to any employee who is so convicted:

1. Taking appropriate personnel action against such an employee, up to and including termination, consistent with the requirements of the Rehabilitation Act of 1973, as amended; or

2. Requiring such employee to participate satisfactorily in a drug abuse assistance or rehabilitation program approved for such purposes by a Federal, State, or local health, law enforcement, or other appropriate agency;

(g) Making a good faith effort to continue to maintain a drug-free workplace through implementation of paragraphs (e), (b), (c), (d), (e) and (f).

B. The grantee may insert in the space provided below the site(s) for the performance of work done in connection with the specific grant:

Logic Model Instructions  U.S. Department of Housing and Urban Development  Office of Departmental Grants Management and Oversight

The public reporting burden for this collection of information for the Logic Model is estimated to average 2 hours per response for applicants, including the time for reviewing instructions, searching existing data sources, gathering and maintaining the data needed, and completing and reviewing the collection of information and preparing the application package for submission to HUD. HUD may not conduct, and a person is not required to respond to, a collection of information unless the collection displays a valid control number. Send comments regarding this burden estimate or any other aspect of this collection of information, including suggestions to reduce this burden, to the Reports Management Officer, Paperwork Reduction Project, in the Office of Information Technology, U.S. Department of Housing and Urban Development, Washington, DC 20410-3600. When providing comments, please refer to OMB Approval No. 2535-0114.

Instructions:

Responses to rating factor five should be in this format. Your response should be in bullet format rather than narrative. Please read each NOFA carefully to ensure the performance measures requested for this factor are reflected on the logic model form.

Program Name: The HUD funding program under which you are applying. If you are applying for a component of a program please include the Program Name as well as the Component Name.

Component Name: The HUD funding program under which you are applying.

Column 1: HUD’s Strategic Goals: Indicate in this column the number of the goal(s) that your proposed service or activity is designed to achieve. HUD’s strategic goals are:

1. Increase homeownership opportunities.
2. Promote decent affordable housing.
3. Strengthen communities.
4. Ensure equal opportunity in housing.
5. Embrace high standards of ethics, management, and accountability.
6. Promote participation of grass-roots faith-based and other community-based organizations.

Policy Priority: Indicate in this column the number of the HUD Policy Priority(ies), if any, your proposed service or activity promotes. Applicants are encouraged to undertake specific activities that will assist the Department in implementing its Policy Priorities. HUD’s Policy Priorities are:

i  form HUD-96010-I
1. Providing Increased Homeownership and Rental Opportunities for Low- and Moderate-Income Persons, Persons with Disabilities, the Elderly, Minorities, and Families with Limited English Proficiency.
2. Improving the Quality of Life in our Nation’s Communities.
3. Encouraging Accessible Design Features.
4. Providing Full and Equal Access to Grass-Roots Faith-Based and Other Community-Based Organizations in HUD Program Implementation.
5. Improving Housing Conditions in Colonias.
6. Increasing Participation of Minority Serving Institutions in HUD Programs.
8. Ending Chronic Homelessness in Ten Years

**Column 2: Problem, Need, or Situation:** Provide a general statement of need that provides the rationale for the proposed service or activity.

**Column 3: Service or Activity:** Identify the activities or services that you are undertaking in your work plan, which are crucial to the success of your program. Not every activity or service yields a direct outcome.

**Column 4 and Column 5: Benchmarks:** These columns ask you to identify benchmarks that will be used in measuring the progress of your services or activities. **Column 4** asks for specific interim or final products (called outputs) that you establish for your program’s services or activities. **Column 5** should identify the results associated with the product or output. These may be numerical measures characterizing the results of a program activity, service or intervention and are used to measure performance. These outputs should lead to targets for achievement of outcomes. Results should be represented by both the actual # and % of the goal achieved.

**Column 4: Benchmarks/Output Goal:** Set quantifiable output goals, including timeframes. These should be products or interim products, which will allow you and HUD to monitor and assess your progress in achieving your program workplan.

**Column 5: Benchmark/Output Result:** Report actual result of your benchmarks. The actual result could be number of housing units developed or rehabilitated, jobs created, or number of persons assisted. Outputs may be short, intermediate or long-term.

**Column 6 and Column 7: Outcomes:** **Column 6** and **Column 7** ask you to report on your expected and actual outcomes – the ultimate impact you hope to achieve. **Column 6** asks you to identify outcomes in terms of the impact on the community, people’s lives, changes in economic or social status, etc. **Column 7** asks for the actual result of the outcome measure listed in Column 6, which should be updated as applicable.
Column 6: **Outcomes/Goals:** Identify the outcomes that resulted in broader impacts for individuals, families/households, and/or the community. For example, the program may seek to improve the environmental conditions in a neighborhood, increase affordable housing, increase the assets of a low-income family, or improve self-sufficiency.

Proxy Outcome(s): Often direct measurement of the intended outcome is difficult -- or even impossible -- to measure. In these cases, applicants/grantees should use a proxy or surrogate measure that corresponds with the desired outcome. For example, improving quality of life in a neighborhood could be measured by a proxy indicator such as increases in home prices or decreases in crime. Training programs could be measured by the participant’s increased wages or reading skills. The person receiving the service must meet eligibility requirements of the program.

Column 7: **Outcomes/Actual Result:** Identify specific achievements of outcomes listed in Column 6.

Column 8: **Measurement Reporting Tools:** (a) List the tools used to track output or outcome information (e.g., survey instrument; attendance log; case report; pre-post test; waiting list; etc); (b) Identify the place where data is maintained, e.g. central database; individual case records; specialized access database, tax assessor database; local precinct; other; (c) Identify the location, e.g. on-site; subcontractor; other; (d) Indicate how often data is required to be collected, who will collect it and how often data is reported to HUD; and (e) Describe methods for retrieving data, e.g. data from case records is retrieved manually, data is maintained in an automated database. This tool will be available for HUD review and monitoring and should be used in submitting reporting information.

Column 9: **Evaluation Process:** Identify the methodology you will periodically use to assess your success in meeting your benchmark output goals and output results, outcomes associated to the achievement of the purposes of the program, as well as the impact that the work has made on the individuals assisted, the community, and the strategic goals of the Department. If you are not meeting the goals and results projected for your performance period, the evaluation process should be used as a tool to ensure that you can adjust schedules, timing, or business practices to ensure that goals are met within your performance period.
