b. The applicant may request up to \$800,000.

c. An applicant must have a separate DUNS number to receive HUD grant funds (See the General Section). Only one application can be submitted per campus. If multiple applications are submitted, all will be disqualified. However, different campuses of the same university system are eligible to apply as long as they have a separate DUNS number and an administrative and budgeting structure independent of the other campuses in the system.

d. Institutions that received grants in FY2006 are not eligible to submit an application under this NOFA.

e. Applicants must receive a minimum score of 75 points to be considered for funding.

a. All funds awarded are for a three-year (36 months) grant performance period.

Funds may be recaptured or deobligated from recipients that cannot demonstrate control of a suitable site within one year after the initial notification of award.

d. Environmental Requirements. Selection for award does not constitute approval of any proposed sites.

Following selection for award, HUD will perform an environmental review of properties proposed for assistance in accordance with 24 CFR part 50. The results of the environmental review may require that proposed activities be modified or proposed sites be rejected. Applicants are particularly cautioned not to undertake or commit funds for acquisition or development of proposed

properties prior to HUD approval of specific properties or areas. An application constitutes an assurance that the institution will assist HUD to comply with part 50; will supply HUD with all available and relevant information to perform an environmental review for each proposed property; will carry out mitigating measures required by HUD or select alternate property; and will not acquire, rehabilitate, convert, demolish, lease, repair, or construct property, and not commit or expend HUD or local funds for these program activities with respect to any eligible property until HUD's written approval of the property is received. In supplying HUD with environmental information, applicants should use the same guidance as provided in the HUD Notice CPD-05-07 entitled, "Field Environmental Review Processing for Rural Housing and Economic Development (RHED) grants" issued August 30, 2005. The General Section provides further discussion of the environmental requirements. Further information and assistance on HUD's environmental requirements is available at: <http://hudstage.hud.gov/utilities/intercept.cfm?/offices/cpd/lawsregs/notices/2005/05-07.pdf>.

two-or four-year fully accredited institution, the name of the accrediting agency and an assurance that the accrediting agency is recognized by the U.S. Department of Education;

(5) The project director, if different from the designated contact person, for the project, including phone number, facsimile number, and e-mail address.

d. Narrative statement addressing the Rating Factors. HUD will use the narrative response to the "Rating Factors" to evaluate, rate, and rank applications. The narrative statement is the main source of information. Applicants are advised to review each factor carefully for program specific requirements. The response to each factor should be concise and contain only information relevant to the factor, yet detailed enough to address each factor fully. PLEASE DO NOT REPEAT MATERIAL IN RESPONSE TO THE FIVE FACTORS; INSTEAD, FOCUS ON HOW WELL THE PROPOSAL RESPONDS TO EACH OF THE FACTORS. Where there are subfactors, each subfactor must be presented separately, with the short title of the subfactor presented. Make sure to address each subfactor and provide sufficient information about every element of the subfactor. The narrative section of an application must not exceed 50 pages in length (excluding forms, budget narrative, assurances, and abstract) and must be submitted on 8½ by 11-inch paper, double-spaced on one side of the paper, with one inch margins (from the top, bottom and left to right side of the document) and printed in standard Times New Roman 12-point font. Each page of the narrative must include the applicant's name and should be numbered. Note that although submitting pages in excess of the page limit will not disqualify an applicant, HUD will not consider the information on any excess pages. This exclusion may result in a lower score or failure to meet a threshold requirement. All applicants submitting electronic applications must attach their narrative responses to Rating Factors 1–5 as one attachment. PLEASE DO NOT ATTACH YOUR RESPONSE TO EACH FACTOR SEPARATELY. Please follow the instructions on file extension and file names in the General Section.

e. Budget. The budget submission must include the following:

(1) HUD-424-CB, "Grant Application Detailed Budget." This form shows the total budget by year and by line item for the program activities to be carried out with the proposed HUD grant. Each year of the program should be presented separately. Applicants must also budget for travel cost (airfare, lodging and per diem) for two individuals to attend at least one HUD sponsored AN/NHIAC conference/workshop every year of the three-year grant performance period. To calculate travel expenses, applicants should use Washington, DC as the site of all conferences/workshops. Applicants must also submit this form to reflect the total cost for the entire grant performance period (Grand Total).

Make sure that the amounts shown on the SF-424, the HUD-424-CB and on all other required program forms are consistent and the budget totals are correct. Remember to check addition in totaling the categories on all forms so that all items are included in the total. If there is any inconsistency between any of the required budget forms, the HUD-424-CB will be used. All budget forms must be fully completed. If an application is selected for award, the applicant may be required to provide greater specificity to the budget during grant agreement negotiations.

(2) *Budget Narrative*. A narrative must be submitted that explains how the applicant arrived at the cost estimates for any line item over \$5,000 cumulative. For example, an applicant proposes to construct a building using HUD funding totaling \$200,000. The following costs estimate reflects this total. Foundation cost \$75,000, electrical work \$40,000, plumbing work \$40,000, finishing work \$35,000, and landscaping \$10,000. The proposed cost estimates should be reasonable for the work to be performed and consistent with rates established for the level of expertise required to perform the work proposed in the geographical area. When necessary, quotes from various vendors or historical data should be used (please make sure they are kept on file and are available for review by HUD at any time). When an applicant proposes to use a consultant, the applicant must indicate whether there is a formal written agreement. For each consultant, please provide the name, if known, hourly or daily rate, and the estimated time on the project. Applicants must use cost estimates based on historical data from the institution and/or from a qualified firm (e.g., Architectural or Engineering firm), vendor, and/or qualified individual (e.g., independent architect or

contractor) other than the institution for projects that involve rehabilitation of residential, commercial and/or industrial structures, and/or acquisition, construction, or installation of public facilities, and improvements. Such an entity must be involved in the business of housing rehabilitation, construction, and/or management. Equipment and contracts cannot be presented as a total estimated cost. For equipment, applicants must provide a list by type and cost for each item. Applicants using contracts must provide an individual description and cost estimate for each contract. Construction costs must be broken down to indicate how funds will be utilized (e.g., demolition, foundation, exterior walls, roofing, electrical work, plumbing, finishing work, etc.)

(3) *Indirect costs*. Indirect costs, if applicable, are allowable based on an established approved indirect cost rate. Applicants must have on file, and submit to HUD if selected for award, a copy of their indirect cost rate agreement. Applicants who are selected for funding that do not have an approved indirect cost rate agreement, established by the cognizant federal agency, will be required to establish a rate. In such cases, HUD will issue an award with a provisional rate and assist applicants with the process of establishing a final rate.

f. Appendix. Applicants receiving a waiver of the electronic submission requirements and submitting a paper copy of the application must place all required forms in this section. The appendix section of the an application must not exceed 15 pages in length (excluding forms, budget narrative and assurances) An applicant SHOULD NOT submit resumes, commitment letters, memoranda of understanding and/or agreements, or other back-up materials. If this information is included, it will not be considered during the review process. Each page must include the applicant's name and should be numbered. HUD will not consider the information on any excess pages. The additional items will also slow the transmission of your application.

C. Submission Dates and Times

A complete application package must be received and validated electronically by the Grants.gov portal no later than 11:59:59 p.m. eastern time on or before the application deadline date. In an effort to address any issues with transmission of your applications, applicants are strongly encouraged to submit their applications at least 48 to 72 hours prior to the application deadline. This will allow an applicant enough time to make the necessary

adjustments to meet the submission deadline in the event Grants.gov rejects the application. Please see the General Section for further instructions. Electronic faxes using the Facsimile Transmittal Cover Sheet (Form HUD-96011) contained in the electronic application must be received no later than 11:59:59 p.m. eastern time on the application deadline date.

D. Intergovernmental Review

This program is excluded from an Intergovernmental Review.

E. Funding Restrictions

Ineligible CDBG Activities are listed at 24 CFR 570.207. Ineligible activities include but are not limited to:

1. New construction of public housing;
2. General government expenses;
3. Political activities;
4. Planning and administrative activities that would result in a grantee exceeding the 20 percent cost limitations (e.g., preparation/submission of HUD reports);
5. Development and/or expansion of an institution's existing curriculum when it is primarily to enhance the institution rather than to achieve the specific goals/objectives of the proposed project; and
6. Construction, renovation, expansion of an institution's own facilities.

F. Other Submission Requirements

1. Application Submission and Receipt Procedure. Please read the General Section carefully and completely for the submission and receipt procedures for all applications because failure to comply may disqualify your application.

2. Waiver of Electronic Submission Requirements. Applicants should submit their waiver requests in writing using e-mail or fax. Waiver requests must be submitted no later than 15 days prior to the application deadline date and should be submitted to:

Susan Brunson, Office of University Partnerships, E-mail: Susan_S._Brunson@hud.gov, FAX: (202) 708-0309.

Paper applications will not be accepted from applicants that have not been granted a waiver. If an applicant is granted a waiver, the Office of University Partnerships will provide instructions for submission. All applicants submitting applications in paper format must have received a waiver to the electronic application submission requirement and the application must be received by HUD on or before the application deadline date.

V. Application Review Information

A. Criteria

1. Rating Factor 1: Capacity of the Applicant and Relevant Experience (25 Points)

This factor addresses the extent to which the applicant has the resources necessary to successfully implement the proposed project in a timely manner.

a. Knowledge and Experience. For First Time Applicants (25 Points) For Previously Funded Applicants (13 Points). In rating this subfactor, HUD will consider the extent to which the applicant clearly addresses the following:

(1) Describe the knowledge and experience of the proposed project director and staff, including the day-to-day program manager/coordinator, consultants (including technical assistance providers), and contractors in planning and managing the type of project for which funding is being requested; and

(2) Clearly identify the following: key project team members, titles (e.g., project manager/coordinator, etc.), respective roles for the project staff, and a brief description of their relevant experience.

If key personnel have not been hired, applicants must identify the position title, provide a description of duties and responsibilities, and describe the qualifications to be considered in the selection of personnel, including subcontractors and consultants.

Experience will be judged in terms of recent and relevant knowledge and skills of the staff to undertake eligible program activities. HUD will consider experience within the last five (5) years to be recent and experience pertaining to similar activities to be relevant.

b. Past Performance (12 Points) For Previously Funded Applicants Only. This subfactor will evaluate how well an applicant has performed successfully under HUD/AN/NHIAC grants. Applicants must demonstrate this by addressing the following information for all previously completed and open HUD/AN/NHIAC grants:

(1) A list of all HUD/AN/NHIAC grants received, including the dollar amount awarded and the amount expended and obligated as of the date of this application;

(2) A description of the achievement of specific tasks, measurable objectives, and specific outcomes consistent with the approved project management plan;

(3) A list detailing the date the project(s) was completed, was it completed in the original three-year grant performance period; if not

completed, why (including when it was or will be completed);

(4) A comparison of the amount of proposed leveraged funds and/or resources to the amount that was actually leveraged; and

(5) A detailed description of compliance with all reporting requirements, including timeliness of submission, whether reports were complete and addressed all information (both narrative and financial) as required by the grant agreement.

HUD will also review an applicant's past performance in managing funds, including, but not limited to: The ability to account for funding appropriately; timely use of funds received from HUD; meeting performance targets for completion of activities. In evaluating past performance, HUD reserves the right to deduct up to five (5) points from this rating score as a result of the information obtained from HUD's records (i.e., progress and financial reports, monitoring reports, Logic Model submissions, and amendments).

2. Rating Factor 2: Need/Extent of the Problem (10 Points)

This factor addresses the extent to which there is a need for funding the proposed program activities and an indication of the importance of meeting the need(s) in the target area. The need(s) described must be relevant to the activities for which funds are being requested. In addressing this factor, applicants should provide, at a minimum, the following and must cite statistics and/or analyses contained in at least one or more current data sources that are sound and reliable.

(1) Describe the need(s); and

(2) Describe the importance of meeting the proposed needs.

In rating this factor, HUD will consider only current data that is specific to the area where the proposed project activities will be carried out. Sources for localized data can be found at: www.ffiec.gov.

HUD will consider data collected within the last five (5) years to be current. To the extent that the targeted community's Five (5) Year Consolidated Plan and Analysis of Impediments to Fair Housing Choice (AI) identify the level of the problem and the urgency in meeting the need, applicants should include references to these documents in the response to this factor.

Other reliable data sources include, but are not limited to, Census reports, HUD Continuum of Care gap analysis and its E-MAP (<http://www.hud.gov/emaps>), law enforcement agency crime reports, Public Housing Agencies' Comprehensive Plans, community

needs analyses such as provided by the United Way, the applicant's institution, and other sound, reliable and appropriate sources. Needs in terms of fulfilling court orders or consent decrees, settlements, conciliation agreements, and voluntary compliance agreements may also be addressed.

3. Rating Factor 3: Soundness of Approach (44 Points)

This factor addresses the quality and effectiveness of the proposed work plan and the commitment of the institution to sustain the proposed project activities.

a. (37 Points) Quality of the Work Plan. This subfactor will be evaluated on the extent to which an applicant provides a clear detailed description of the proposed project activities, anticipated accomplishments and the impact they will have on the target population at the end of the project.

(1) (32 Points) Specific Activities. The work plan must describe all proposed project activities and major tasks required to successfully implement them. The work plan must also identify the anticipated accomplishment and impact these activities will have on the target population. In addressing this subfactor applicants must provide a clear description of each proposed activity and address the following:

(a) Describe each proposed project activity in measurable terms (e.g., the number of homes that will be renovated, the number of jobs created, etc.);

(b) List and describe how each activity meets one of the following Community Development Block Grant (CDBG) Program national objectives:

- Benefit low- and moderate-income person;
- Aid in the prevention or elimination of slums or blight; or
- Meet other community development needs having a particular urgency because existing conditions pose a serious and immediate threat to the health and welfare of the community, and other financial resources are not available to meet such needs.

Criteria for determining whether an activity addresses one or more objectives are provided at 24 CFR 570.208;

(c) Describe the measurable outcomes that will be realized as a result of implementing each activity (by the end of the grant period) will have or expect to have on the target population;

(d) Identify the major tasks required (in sequential order) to successfully implement and complete each proposed project activity. Include the target

completion dates for these tasks (in 6 month intervals, up to 36 months);

(e) Identify key staff, as described in Factor 1, who will be responsible and accountable for completing each task; and

(f) Describe how the project director will work with partners and citizens to accomplish the proposed project activities.

(2) (5 Points) Describe clearly how each proposed activity will:

(a) Expands the role of the institution in the community;

(b) Address the needs identified in Factor 2;

(c) Relate to and not duplicate other activities in the target area. Duplicative efforts will be acceptable only if an applicant can demonstrate through documentation that there is a population in need that is not being served; and

(d) Involve citizens of the target area in the planning and implementation of the proposed project activity (e.g., development of an advisory committee that is representative of the target community).

b. (3 Points) Involvement of the faculty and students. The applicant must describe how it proposes to integrate the institution's students and faculty into the proposed project activities.

c. (2 Points) HUD Policy Priorities. As described in the General Section, to earn points under this subfactor, HUD requires applicants to undertake specific activities that will assist the Department in implementing its policy priorities and that help the Department achieve its goals and objectives in FY2008, when the majority of grant recipients will be reporting programmatic results and achievements. In rating this subfactor, HUD will evaluate the extent to which a program will further and support HUD's priorities. The quality of the responses provided to one or more of HUD's priorities will determine the score an applicant can receive. Applicants must describe how each policy priority selected will be addressed. Applicants that just list a priority will receive no points.

The total number of points an applicant can receive under this subfactor is two (2). Each policy priority addressed has a point value of one (1) point with the exception of the policy priority to remove regulatory barriers to affordable housing, which has a point value of up to two (2) points. To receive these two (2) points, an applicant must: (1) complete either Part A or Part B (not both), (2) include appropriate documentation, (3) identify a point of contact, (4) indicate how this priority

will be addressed and (5) submit the completed questionnaire, (HUD-27300) "HUD's Initiative on Removal of Regulatory Barriers" found in the General Section along with required documentation. It is up to the applicant to determine which of the policy priorities they elect to address to receive the available two (2) points.

d. (2 Points) Economic Opportunities for Low- and Very-Low Income Persons (Provision of Section 3). This subfactor will be evaluated on the extent to which an applicant describes how it proposes to:

(1) Provide opportunities to train and employ Section 3 residents; and/or

(2) Award contracts to Section 3 contractors (See the regulations at 24 CFR).

Regulations regarding the provision of Section 3 of the Housing and Urban Development Act of 1968 (12 U.S.C. 1701u) can be located at 24 CFR Part 135.

4. Rating Factor 4: Leveraging Resources (9 Points)

This factor addresses the ability of the applicant to secure resources and develop partnerships that can be combined with HUD's grant funds to achieve the program's purpose.

HUD will consider the extent to which the applicant established partnerships with other entities to secure additional resources to increase the effectiveness of the proposed project activities. Resources may include funding or in-kind contributions, such as services or equipment, allocated for the purpose(s) of the project activities. Resources may be provided by governmental entities, public or private nonprofit organizations, for-profit private organizations, or other entities. Applicants may also establish partnerships with other program funding recipients to coordinate the use of resources in the target area. Overhead and other institutional costs (e.g., salaries, indirect costs, etc.) that the institution has waived may be counted.

Examples of potential sources for outside assistance include:

- Federal, state, and local governments
- Public Housing Agencies
- Local or national nonprofit organizations
- Financial institutions and/or private businesses
- Foundations
- Faith-based and other community-based organizations.

To address this factor, an applicant must provide an outline in the application and have the original commitment letters, memoranda of

understanding and/or agreements that show the extent and firm commitment of all proposed leveraged resources (including any commitment of resources from the applicant's own institution) that address the following information for each leveraged resource/fund on file at the time of application submission:

(1) The name of the organization and the executive officer authorizing the funds/goods and/or services (only applicable to the narrative section);

(2) The cash amount contributed or dollar value of the in-kind goods and/or services committed (If a dollar amount and its use is not shown, the value of the contribution will not be scored for award);

(3) A specific description of how each contribution is to be used toward the proposed activities;

(4) A description of the current and/or past working relationship that the institution has with the organization contributing the resources and the involvement they will have with this proposed project.

(5) The date the contribution will be made available and a statement that describes the duration of the contribution;

(6) Any terms or conditions affecting the commitment, other than receipt of a HUD Grant; and

(7) The signature of the appropriate executive officer authorized to commit the funds and/or goods and/or services. (Only applicable to the written documentation) Please remember that only items eligible for funding under this program can be counted.

Do not submit commitment letters, memoranda of understanding and/or agreements at the time of application submission but have the originals on file at the time of submission. **IF THIS INFORMATION IS INCLUDED, IT WILL NOT BE CONSIDERED DURING THE REVIEW PROCESS.** Applicants chosen to proceed to the next step in the selection process for award will be required to submit the signed commitment letters, memoranda of understanding and/or agreements outlined in the application, within seven (7) calendar days after initial contact from the Office of University Partnerships (OUP). Letters, memoranda of understanding, or agreements must be submitted on the provider's letterhead and should be addressed to Sherone Ivey, Associate Deputy Assistant Secretary for University Partnerships. The date of the letter, memorandum of understanding, or agreement from the CEO of the provider organization must be dated no earlier than nine months prior to this published NOFA. OUP will provide specific instructions on how

these documents must be submitted when contact is made with the applicant. HUD will only request and consider the resources/organizations that are listed in the outline submitted in the application. If OUP does not receive those documents with the required information and within the allotted timeframe, an applicant will not receive points under this factor.

In scoring this factor, HUD will award:

- Nine (9) points to an applicant that provides properly documented leveraging resources as listed in their application that are 15 percent or more of the amount requested under this program;

- Seven (7) to eight (8) points to applicants that provide documentation that includes at least five of the seven required items outlined above and that represents 10 to 14 percent of the amount requested under this program;

- Five (5) to six (6) points to applicants that provide documentation that includes at least four of the seven required items outlined above and that represents 10 to 14 percent of the amount requested under this program;

- Three (3) to four (4) points to applicants that provide documentation that includes at least five of the seven required items outlined above and that represents 5 to 9 percent of the amount requested under this program;

- One (1) to two (2) points to applicants that provide documentation that includes at least three of the seven required items outlined above and that represents 5 to 9 percent of the amount requested under this program; and

- Zero (0) points to applicants that provide documentation of leveraging resources as listed above that are less than 5 percent of the amount requested.

5. Rating Factor 5: Achieving Results and Program Evaluation (12 Points)

This factor reflects HUD's goal to embrace high standards of management and accountability. It measures the applicant's commitment to assess their performance to achieve the program's proposed objectives and goals. Applicants are required to develop an effective, quantifiable, outcome oriented evaluation plan for measuring performance and determining that objectives and goals have been achieved by using the Logic Model. The Logic Model is a summary of the narrative statements presented in Factors 1–4. Therefore, the information submitted on the Logic Model should be consistent with the information contained in the narrative statements.

“Outcomes” are benefits accruing to institutions of higher education and/or

communities during or after participation in the AN/NHIAC program. Applicants must clearly identify the outcomes to be measured and achieved. Examples of outcomes include increased community development in the target community by a certain percentage, increased employment opportunities in the target community by a certain percentage, increased incomes/wages or other assets for persons trained, and or enhanced family stability through the creation of affordable housing opportunities.

In addition, applicants must establish interim benchmarks and outputs that lead to the ultimate achievement of outcomes. “Outputs” are the direct products of the program's activities. Examples of outputs are the number of new affordable housing units, the number of homes that have been renovated, and the number of facilities that have been constructed or rehabilitated. Outputs should produce outcomes for the program. At a minimum, an applicant must address the following activities in the evaluation plan:

a. Measurable outputs to be accomplished (e.g., the number of persons to be trained and employed; houses to be built pursuant to 24 CFR 570.207 or rehabilitated; minority-owned businesses to be started);

b. Measurable outcomes the grant will have on the community in general and the target area or population; and

c. The impact the grant will have on assisting the university to obtain additional resources to continue this type of work at the end of the grant performance period.

The information must be placed on a HUD-96010, Program Logic Model form. HUD has developed a new approach to completing this form. Please carefully read the General Section for instructions, training is available. (Form HUD-96010 will be excluded from the page count.) If an applicant utilizes “other” from the Logic Model categories, then the applicant should describe briefly this “other” category within the Rating Factor 5 narrative. If a narrative is provided, those pages will be included in the page count.

B. Review and Selection Process

1. Application Selection Process

Two types of reviews will be conducted:

a. A threshold review to determine an applicant's basic eligibility; and

b. A technical review for all applications that pass the threshold review to rate and rank the application

based on the "Rating Factors" listed in Section V.A.

Only those applications that pass the threshold review will receive a technical review and be rated and ranked.

2. Rating Panels

To review and rate applications, HUD may establish panels, which may include experts or consultants not currently employed by HUD to obtain certain expertise.

3. Ranking

HUD will fund applications in rank order, until all available program funds are awarded. In order to be considered for funding, an applicant must receive a minimum score of 75 points out of a possible 100 points for Factors 1 through 5, plus up to two bonus points that may be awarded for activities conducted in the RC/EZ/EC-II communities, as described in the General Section. If two or more applications have the same number of points, the application with the most points for Factor 3 shall be selected. If there is still a tie, the application with the most points for Factor 1 shall be selected. If there is still a tie, the application with the most points for Factors 2, 4 and then 5 shall be selected, in that order, until the tie is broken. HUD reserves the right to make

selections out of rank order to provide for geographic distribution of grantees.

HUD also reserves the right to reduce the amount of funding requested in order to fund as many highly ranked applications as possible. Additionally, if funds remain after funding the highest ranked applications, HUD may fund part of the next highest-ranking application. If an applicant turns down an award offer, HUD will make an award to the next highest-ranking application. If funds remain after all selections have been made, the remaining funds will be carried over to the next funding cycle's competition.

4. Correction to Deficient Applications

See the General Section.

C. Anticipated Announcement and Award Dates

Announcements of awards are anticipated on or before September 30, 2007.

VI. Award Administration Information

A. Award Notices

After all selections have been made, HUD will notify all winning applicants in writing. HUD may require winning applicants to participate in additional negotiations before receiving an official

award. For further discussion on this matter, please refer to the General Section.

B. Administrative and National Policy Requirements

Refer to the General Section.

1. Debriefing. The General Section provides the procedures for requesting a debriefing. C. Reporting

All grant recipients under this NOFA are required to submit quarterly progress reports.

The progress reports shall consist of two components, a narrative that must reflect the activities undertaken during the reporting period and a financial report that reflects costs incurred by budget line item, as well as a cumulative summary of cost incurred during the reporting period.

For each reporting period, as part of the required report to HUD, grant recipients must include a completed

Logic Model form (HUD-96010), which identifies output and outcome achievements.

For FY2007, HUD is considering a new concept for the Logic Model. The new concept is a Return on Investment (ROI) statement. HUD will be publishing a separate notice on the ROI concept.

Public reporting burden for the collection of information is estimated to average 59 hours per annum per respondent for the application and grant administration. This includes the time for collecting, reviewing, and reporting the data for the application, quarterly, and final reports. The information will be used for grantee selection and monitoring the administration of funds. Response to this request for information is required in order to receive the benefits to be derived.
