ACTION: Notice of Funding Availability (NOFA) for the Continuum of Care Homeless Assistance Programs; correction.

SUMMARY: On September 20, 2010, HUD posted on its website the Notice of Funding Availability (NOFA) for the Continuum of Care (CoC) Homeless Assistance Programs for Fiscal Year 2010. This notice corrects Appendix A of the NOFA, the List of Counties Defined as Rural for the FY2010 Selection Criteria. The deadline for submission of applications remains **November 18, 2010**.

DATES: The application submission date is **November 18, 2010**, by 11:59:59 p.m. Eastern Time.

SUPPLEMENTARY INFORMATION:

On September 20, 2010, HUD posted its FY2010 CoC Homeless Assistance Programs NOFA. Subsequent to posting the FY2010 CoC NOFA, HUD identified an error in Appendix A of the NOFA, the "List of Counties Defined as Rural for the FY2010 Selection Criteria." Specifically, HUD determined that six counties were inadvertently omitted from Appendix A. These six counties are: Chautauqua County, KS; Harlan County, KY; Johnson County, MO; Marion County, MS; San Miguel County, NM; and Grimes County, TX. As a result of this error, HUD is correcting Appendix A to include these counties. As provided in the FY2010 CoC NOFA, counties listed on Appendix A and otherwise meeting the criteria described in Section III.C.2.a.(5) of the FY2010 CoC Homeless Assistance Programs NOFA, are eligible for consideration for the selection priority described in Section V.B.2 of that NOFA.

In addition, HUD determined that five counties not meeting the definition of a rural county used in the FY2010 CoC NOFA were inadvertently included on the list of rural counties in Appendix A. These counties have been removed from the list and projects proposing to serve these counties will not be considered in the selection priority for the rural areas described in Section V.B.2 of that NOFA. These five counties are: Butler County, KS; Hardin County, KY; Jackson County, MO; Madison County, MS; and Grayson County, TX.

This correction does not change submission deadlines, funding criteria, and other requirements for the FY2010 CoC Homeless Assistance NOFA. As a result, applicants that have submitted FY2010 CoC Homeless Assistance applications prior to this publication do not need to resubmit an updated their applications. This information may change the selection priorities and/or criteria for some proposed projects. Applicants that are impacted by the change may wish to have their application returned for revisions based on information from this technical correction. These applicants should contact HUD's HRE Help Desk at www.hudhre.info/helpdesk as soon as possible before the November 18, 2010, application submission deadline.

For the convenience of applicants, a revised version of the NOFA will be posted and can be found and downloaded from www.Grants.gov and www.hudhre.info.
