

Apache and Navajo Counties form the northeastern 21,157 square miles of this vast, rural, and economically challenged region.

The Plan Region also includes the Hopi Villages at Moenkopi in Coconino County (see map below).

Moenkopi

This map shows the location of Moenkopi in northeastern Arizona, near the border with Nevada and Colorado. An inset map provides a detailed view of the Moenkopi area, showing the Hopi Villages and the Moenkopi area.
