Resident Opportunity and Self-Sufficiency (ROSS) – Service Coordinators Program**

**AGENCY:** Office of the Assistant Secretary for Public and Indian Housing, HUD.

**ACTION:** Notice of Funding Availability for HUD's Fiscal Year (FY) 2013 Resident Opportunity and Self-Sufficiency (ROSS) Service Coordinators Program.

**SUMMARY:** Today's posting provides information and application instructions for the FY2013 ROSS-Service Coordinators program. This Notice is comprised of both the Notice of HUD's Fiscal Year (FY) 2013 Notice of Funding Availability (NOFA), Policy Requirements and **General Section** (2013 General Section) to HUD's FY2013 NOFAs for Discretionary Programs, posted on [www.Grants.gov](http://www.Grants.gov) on August 8, 2012. HUD's ROSS-Service Coordinators Program is authorized by Section 34 of the U.S. Housing Act of 1937, and the Tenant Opportunity Program regulations at 24 CFR Part 964. HUD's FY2013 NOFA Policy Requirements and **General Section** establish threshold and other critical application submission requirements that affect this NOFA. Applicants for this therefore, should review the FY2013 **General Section** as well as this program section NOFA for critical information prior to submitting an application. *Because FY 2013 full-year funding has not been appropriated for this program, the availability of any such funding for this program is contingent upon future Congressional action. HUD will issue a technical correction to this Notice that will identify the amount of funds available and provide any additional requirements that the FY2013 appropriations bill may require. This technical correction may extend the NOFA application deadline date.*

**DATES:** The application deadline is 11:59:59 p.m. eastern time on **February 19, 2013**. Applications must be received by Grants.gov no later than 11:59:59 p.m. eastern time on the application deadline date. Applications submitted to Grants.gov go through a validation process before they are accepted by the Grants.gov system. Please allow time for this process to ensure that you meet the timely receipt requirements. Please see the FY2013 **General Section** for instructions for timely receipt, including actions to take if the application is rejected. Applicants should carefully read the section titled "APPLICATION and SUBMISSION INFORMATION" in the FY2013 **General Section** for electronic application submission and receipt requirements.

**FOR FURTHER INFORMATION CONTACT:** Questions regarding specific program requirements should be directed to the agency contact identified in Section VII of this program NOFA. Prior to the application deadline, program staff will be available to provide general guidance, but not guidance with actually preparing the application. Questions regarding the 2013 **General Section** should be directed to the Grants Management Office at 202-708-0667. **G. Additional Overview Content Information:**

**1. Purpose of Program.** The purpose of the Public and Indian Housing Resident Opportunity and Self Sufficiency (ROSS) Service Coordinators (ROSS-SC) program is to provide grants to public housing agencies (PHAs), tribes/tribally designated housing entities (TDHEs), Resident Associations (RAs), and tax-exempt nonprofit organizations (including grassroots, faith-based and other community-based organizations) for the provision of a Service Coordinator to coordinate supportive services and other activities designed to help Public and Indian housing residents attain economic and housing self-sufficiency. This program works to promote the development of local strategies to coordinate the use of assistance under the Public Housing program with public and private resources, for supportive services and resident empowerment activities. These services should enable participating families to increase earned income, reduce or eliminate the need for welfare assistance, make progress toward achieving economic independence and housing self-sufficiency or, in the case of elderly or disabled residents, help improve living conditions and enable residents to age in-place. A Service Coordinator coordinates services for residents and ensures that program participants are linked to the supportive services they need to achieve self-sufficiency or remain independent. Funds in this program may not be used for the direct provision of these services. This program is similar to

the Public Housing Family Self- Sufficiency program (PH FSS) however; the PH FSS program is open only to PHAs and tribes/TDHEs, has a requirement of an escrow account for its participants and provides one-year funding. The ROSS-SC program is open to nonprofit and Resident Association applicants, provides three-year funding, includes administrative expenses and training as eligible uses of the funds and requires a 25% match by statute. A PHA or tribe may receive grants in both programs.

**2. Funding Available.** A total of approximately \$XX million is available for the ROSS-SC program in Fiscal Year 2013 plus any carryover or recaptured funds from prior ROSS appropriations that may become available. Up to \$XX million of these funds may be set aside to provide funding for the Job-Plus Initiative Pilot should the Jobs Plus program be approved by Congress. The authority for the ROSS program is the XXX.

**3. Award Amounts.** Awards will pay for the annual salary and fringe benefits of Service Coordinators. Awards may be for up to three coordinators, depending on size and type of applicant. Each coordinator position salary must not exceed \$70,000. Awards will also include funds for training and for administrative expenses. Total awards for a 3-year grant term will range from approximately \$246,000 to \$738,000. Please see the program description for more specific information about funding amounts.

**4. Eligible Applicants.** Eligible applicants are PHAs (including newly established consolidated PHAs); tribes/TDHEs; tax-exempt nonprofit organizations including grassroots faith-based and other community-based organizations that have resident support, PHA support or the support of tribes; Resident Associations (RAs); resident councils (RCs); resident organizations (ROs); City-Wide Resident Organizations (CWROs); Intermediary Resident Organizations (IROs); Jurisdiction-Wide Resident Organizations; Regional Resident Organizations; Resident Management Corporations (RMCs); Site-Based Resident Organizations; Statewide Resident Organizations (SROs); and Tribal/TDHE resident groups. The term “Resident Association” or “RA” will be generally used to refer to all types of eligible resident organizations. Please see the section below on “Definition of Terms” for a complete definition of each type of eligible resident organization.

In general, prior ROSS-SC grantees are eligible to apply for 2013 funding. However, *new (not renewal)* applicants wishing to serve PHAs that are currently being served by a ROSS-SC grant will receive lower status in the lottery than *new* applicants to serve PHAs that are *not* being served by any prior ROSS-SC funding. *New* funding will not be granted to serve projects that are currently being served with funding from prior ROSS-SC grants. Site-Based Resident Associations that received funding from prior ROSS-SC grants will not be eligible for *new* funding under this NOFA. A maximum of three site-based Resident Associations serving any one PHA will be funded through this NOFA. Please see the “Definition of Terms” Section below for further information about what constitutes a “new applicant,” a “renewal applicant,” and “new funding.”

**5. Cost Sharing/Match Requirement.** At least 25 percent of the requested grant amount is required as a match. The match may be in cash and/or in-kind donations. Match may also be made up of self-sufficiency and supportive services/programs provided to participants in the ROSS-SC program. The match is a threshold requirement.

**6. Grant term.** The grant term for each funding category is 3 years from the execution date of the grant agreement.

**7. Coordination Between Programs with Services or Service Coordination.** HUD encourages jurisdictions or neighborhoods that receive funding from any of the following programs that serve the same geographic area or the same population to coordinate among the programs, where appropriate, in order to leverage shared resources, avoid duplication of services, and improve access and service delivery for participating families: ROSS Service Coordinators, Public Housing Family Self-Sufficiency, Housing Choice Voucher Family Self-Sufficiency, HOPE VI Revitalization, Choice Neighborhoods, Elderly/Disabled Service Coordinators, HUD-VASH, Family Unification Vouchers, Multi-Family Service Coordinators, HOPWA, Continuum of Care programs and/or other special use housing assistance which also comprises services or service coordination.

## **FULL TEXT OF ANNOUNCEMENT**

### **I. FUNDING OPPORTUNITY DESCRIPTION**

**A. Purpose.** The purpose of the ROSS-SC program is to provide funding to hire and maintain Service Coordinators (SC) who will assess the needs of residents of conventional Public Housing or Indian housing and coordinate available resources in the community to meet those needs. The ultimate goal of a ROSS-Family Service Coordinator is to assist families to increase earned income and move towards economic and housing self-sufficiency. Similarly, the ultimate goal of a ROSS-Elderly/Disabled Service Coordinator is to ensure that residents can maintain independent living and age in-place in their units and avoid placement in a full-care facility to the greatest extent possible. Applicants must indicate whether their SCs will serve families, elderly/disabled residents, or a mix of the three.

### **B. Number of Positions for Which Eligible Applicants May Apply**

**1. For PHA and Tribe/TDHE applicants,** the number of positions is determined by the number of ACC units under contract. PHAs must use the number of occupied conventional public housing units as of September 30, 2012. If an applicant is a new PHA with a new PHA identifying number and ACC created by the consolidation of two or more divesting PHAs, the PHA's application shall be considered a renewal under this NOFA if at least one of the divesting PHAs had a ROSS Coordinators Program grant under the 2010 NOFA. The number of positions that a new consolidated PHA may apply for shall be based on the total sum of occupied units at each divesting PHA as of September 30, 2012. Similarly, a newly consolidated PHA may apply for *new* funding if none of the divesting PHAs received funding under the 2010 NOFA. Please see eligibility chart below for more information. The resultant new PHA must be registered as the new entity at [www.SAM.gov](http://www.SAM.gov). Registration at SAM.gov includes Central Contractor (CCR) Registration.

Tribes/TDHEs should use the number of units counted as Formula Current Assisted Stock for FY2012 as defined in 24 CFR 1000.316 and 1000.314. Tribes that have not previously received funds from the Department under the U.S. Housing Act of 1937 should count housing units

under management that are owned and operated by the tribe and that are identified in their housing inventory as of September 30, 2012. Applicants may apply for up to 3 SCs depending

on the size and type of the applicant. The program ratio for the number of eligible SCs is in the table provided.

The SC does not have to serve all residents in a particular PHA or Project. However, each SC must serve a minimum of 50 units each year. SCs generally serve an average of between 50 - 400 residents. In addition to coordinating services, part of the SC's role is to convene a Program Coordinating Committee (PCC), similar to the PCC required under the Family Self-Sufficiency program, to coordinate services for families and/or elderly/disabled residents. HUD expects that all entities wishing to serve residents at a particular PHA or Tribe will have coordinated their grant-seeking efforts. However, if more than one application proposing to serve the same Project is received, they will both be reviewed and if both are deemed eligible to enter the lottery, the first chosen will be funded. Only one application per Project will be granted.

**2. Nonprofit Applicants.** Nonprofit applicants may apply with the support of a PHA or Tribe, or with the support of one or more RAs. A nonprofit applicant with support from a PHA/tribe/TDHE may apply to serve a PHA/tribe/TDHE using the ratios stated below (see ratio chart under Section II "Award Information.") A nonprofit applicant applying with the support of an RA(s) may apply for up to one SC per RA (or set of RAs if combining RAs is required to achieve the minimum number of units to be served) for a total of not more than three SCs per PHA. A nonprofit applicant may apply to serve as many as 3 PHAs or Tribes (up to 9 SCs), but must submit a separate application for each PHA or Tribe to be served unless they are proposing to split one SC's time between PHAs or Tribes. In this case, one application may be submitted, but a letter of support from each PHA or Tribe (or RA at each PHA) is required and the PHA or Tribe listed first on the SF424 and HUD52768 will be considered the lead PHA or Tribe. A nonprofit may apply to renew its 2010 grant, and if it is under the 3 PHA maximum, may apply to serve new PHAs/tribes/TDHES or RAs for a total of three applications for a maximum of 9 SCs.

**3. Site-Based Resident Association Applicants.** Site-based resident association applicants may apply for one coordinator each, provided that the minimum number of units will be served. A Site-Based Resident Council that was funded in prior ROSS-SC competitions may apply only for a renewal of its 2010 grant, not for a new grant. A maximum of three site-based Resident Associations serving any one PHA will be funded through this NOFA. If more than three are deemed eligible for the lottery, the first three chosen will be funded. The remaining applications will NOT be put into the general lotteries.

**4. State-wide, National and other Resident Associations.** State-wide, national and other resident associations with tax-exempt nonprofit status should apply using the eligibility guidelines for nonprofit applicants.

**5. Joint Applicants.** More than one PHA/tribe/TDHE or RA may combine their eligible units and share the number of SCs for which they are eligible together. In this case, a lead applicant must be identified.

**6. Renewal Applicants.** *If the number of SCs for which an applicant is eligible has changed since the original 2010 application, a renewal applicant is eligible to apply for the number of SCs for which it is NOW eligible (i.e. if the number of units has decreased, the number of SCs may have decreased also and vice versa.)*

### III. ELIGIBILITY INFORMATION

#### A. Eligible Applicants.

1. Eligible applicants are PHAs, tribes/TDHEs, RAs, and tax-exempt nonprofit organizations supported by PHAs, tribes/TDHEs or RAs. In general, prior ROSS-SC Grantees are eligible to apply for 2013 funding. However, *new (not renewal)* applicants wishing to serve PHAs that are currently being served by prior ROSS-SC grant will receive lower status in the lottery than *new* applicants to serve PHAs that are *not* being served by prior ROSS-SC funding. *New* funding will not be granted to serve projects that are currently being served with funding from prior ROSS-SC grants. Site-Based Resident Associations that received funding from prior ROSS-SC grants will only be eligible for *renewal* funding, they will not be eligible for *new* funding under this NOFA. A maximum of three site-based Resident Associations serving any one PHA will be funded through this NOFA.

2. **EDSC Provision.** PHA applicants that are currently eligible to receive annual renewal funding under the Elderly/Disabled Service Coordinator program funded from the Operating Fund (this is *not* the ROSS-SC program for which this NOFA is providing funding) for one or more Elderly/Disabled Service Coordinators (EDSC), that apply to serve elderly/disabled residents through this NOFA will forgo all future eligibility for EDSC Renewal Funding through the Operating Subsidy. To confirm if your PHA is affected by this EDSC provision, please see the list of PHAs that are eligible to receive EDSC funding by going to: [http://portal.hud.gov/hudportal/HUD?src=/program\\_offices/public\\_indian\\_housing/programs/ph/am/of/edscp2013](http://portal.hud.gov/hudportal/HUD?src=/program_offices/public_indian_housing/programs/ph/am/of/edscp2013). When completing your ROSS-SC application, please pay special attention to the **EDSC section** on the HUD form 52768 – “ROSS Service Coordinators Funding Request.”

3. **Non-profit Organizations.** Nonprofits are eligible applicants if they are representing or acting at the request of an RA or PHA/tribe/TDHE. Accordingly, nonprofit applicants must demonstrate support from one or more RAs or PHAs/tribes/TDHEs by submitting support letters from the organization(s) they will be applying to serve. Applicants should see the FY 2013 **General Section** for instructions on submitting support letters and other documentation with their electronic application.

4. **Renewal Applicants.** This is an applicant that was funded in the FY10 ROSS-SC competition. To view a list of eligible 2010 renewal applicants, see: <http://portal.hud.gov/hudportal/documents/huddoc?id=ResidentOpportunityandSelf.pdf>.

5. **Maximum Number of Service Coordinators.** A maximum of three site-based Resident Associations serving any one PHA can be funded through this NOFA. If more than three are deemed eligible for the lottery, the first three chosen will be funded. The remaining applications will NOT be put into the general lotteries.

**B. Cost Sharing or Matching.** The required match is 25 percent of requested funds. Match is a threshold requirement. Therefore, applicants who do not demonstrate the minimum 25 percent match will not receive further consideration for funding. Match may be cash or in-kind and may also be made up of self-sufficiency and supportive services/programs provided to participants in the ROSS-SCs program. Please see the section below on threshold requirements for more information on what is required for the match.

## **C. Other**

**1. Eligible Program Activities.** Funds awarded to applicants under this NOFA may be used for:

**a. Service Coordinator Functions.** Although the exact role for the SC shall be designed to meet the needs of the project's community, below is a listing of recommended functions for an SC:

(1) Coordinate a Local Program Coordinating Committee (PCC) with local service providers to ensure that program participants are linked to supportive services needed to achieve self-sufficiency. The SC will act as a liaison between the residents/PHA and local service providers.

(2) Market the program to residents, including residents that are single parent heads-of-household.

(3) Provide general case management which includes intake, assessment, education, and referral of residents to service providers in the local community.

(4) Coordinate and oversee the delivery of services, ensuring services are provided on a regular, ongoing, and satisfactory basis.

(5) Coordinate and sponsor educational events, which may include topics relating to health care, job search seminars, life skills training, etc.

(6) Assist the PHA, tribe/TDHE or RA to create a resident group to promote self-sufficiency efforts and/or encourage residents to build informal support networks with other residents, family, and friends.

(7) Encourage the formation of Civic Engagement and/or Self-Help Groups with residents and faith-based and/or other community-based groups if a particular need is evident. The purpose is to foster a sense of community and encourage residents' efforts to support and assist each other in their efforts to move toward self-sufficiency or age in-place.

(8) Monitor and track the ongoing provision of services including supportive services from community agencies. Keep the case management and provider agencies up-to-date regarding the progress of individual participants. Monitor the provision of supportive services where appropriate.

(9) Track and report to HUD on the progress of residents enrolled in the program.

(10) Evaluate the overall success of the program.

**b. Salary and Fringe Benefits of One or More SCs.** Under this award the maximum amount HUD will contribute to a SC's salary and fringe benefits will not exceed \$70,000 per year. Fringe benefits may include all extra costs (insurance, taxes, retirement contributions, etc.)

associated with employment that are normally covered by your agency. Salary comparables for your local area must be used to determine the maximum amount for which your organization is eligible to apply. Grantees must pay their ROSS-SC staff the full amount of the salary they have requested from HUD. Applicants should take into consideration both the salary and the fringe benefits for each ROSS-SC when determining how much to request in grant funds.

**c. Part-Time Service Coordinators.** A part-time SC may be retained where appropriate, however, the minimum units served remains the same. One or more PHAs may share a full-time position if that is deemed most appropriate for the applicant's program. More than one person may job-share a SC position, so that for example, two part-time staff people may be hired to fulfill the duties of one full-time ROSS-SC. A full-time ROSS-SC staff person may not also serve the functions of an FSS coordinator.

**d. Training and Travel Pursuant to Training Related to Professional and/or Program Development.** All training and associated travel must be approved by the HUD Field Office or Area ONAP prior to incurring expenses. HUD may provide Start-Up training for all new SCs after awards are made.

**e. Administrative Costs.** Administrative costs may be used for activities including, but not limited to the list contained in Section IV.E of this NOFA. The funds HUD awards to ROSS-SC grantees to cover administrative costs, may only be used to support the ROSS program. **These funds may not be used by grantees' Central Office Cost Center to cover other PHA costs.**

**2. Examples of Services to Be Coordinated.** Supportive services to which residents might be connected will vary with need and community resources. However, the spectrum of services offered should be as broad and as responsive to residents' needs as possible. PLEASE NOTE: These services cannot be paid for using funds from this grant (except where allowed under Admin costs.) SCs may connect residents to organizations providing the following types of services. The provision of these and other similar services would qualify as match.

**3. Threshold Requirements.** Applicants must respond to each threshold requirement clearly and thoroughly by following the instructions below. If your application fails one threshold requirement (regardless of the type of threshold) it will be considered a failed application and will not receive further consideration for funding. HUD will not consider an application from an ineligible applicant. Also, applications that are submitted with ONLY the electronic forms and none of the other required attachments will be deemed “ineligible.”

**a. Match.**

(1) All applicants are required to have in place a firmly committed match contribution equivalent to 25 percent of the total grant amount requested. The match may be provided as a cash or in-kind donation. Applicants must show a match of at least 25% of the grant amount requested in order to be considered for funding. Applicants must show their match on the HUD52769. All providers listed are not required to provide a letter attesting to match. However, if applicants list match, be it in-kind or cash, on the HUD52769, a letter attesting to that match commitment must be on file with the applicant and available for review upon request. Match may be for the value of services provided by partner organizations as well as for the eligible activities under this grant (e.g. salary, fringe, admin and training). The purpose of the match, whether cash or in-kind is to ensure that your ROSS program is comprised of services that meet at least 50% of the needs identified in the HUD52769. Value of space provided for activities related to carrying out the ROSS-SC program as well as administrative assistance, including salaries and supplies may be counted towards the value of match as well.

(2) The match certification on the HUD52769 Needs/Partners Form must be signed by the applicant’s Executive Director, Resident Association Board President, Tribal Chairman or other person authorized to make the stated commitment and/or attest to the match contribution from other partners. Please note that all forms with signatures must be scanned and attached to your application or submitted by fax, using the facsimile cover sheet provided with this application on Grants.gov.

(3) Joint applicants must together have at least a 25 percent match. Applicants who do not demonstrate the minimum 25 percent match will fail this threshold requirement and will not receive further consideration for funding.

(4) Please note that if you are using federal funds as a source of match, this use must be allowed by the originating statute governing the funds to be used towards match.

(5) Match donations must be firmly committed, which means that the amount of match resources and their dedication to ROSS-funded activities must be explicit, in writing, and signed by a person authorized to make the commitment. The letters of commitment/MOUs/tribal resolutions must indicate the total dollar value of the commitment; include a calculation to show how the value of the commitment was derived (see below); be dated between the publication date of this NOFA and the application deadline for this NOFA; and indicate how the commitment will relate to the proposed program. If the commitment is in-kind, the letters should explain exactly what services or material will be provided. The commitment must be available at time of award. *Applicants proposing to use their own, non-ROSS grant funds to meet the match requirement, in whole or in part, must also have a letter of commitment indicating the type of match (cash or in-kind), the source of the match, the value of the match, and how the match will be used. The source of funds must be shown on the HUD-52769.*

(6) Resources/in-kind services that can be committed include: in-kind services provided to the applicant; funds from federal sources (not including ROSS funds) that by statute allow those funds to be used for matching purposes, including, for example, Community Development Block Grant (CDBG) funds, Indian Housing Block Grant (IHBG) funds; funds from any state or local government sources, and funds from private contributions. Applicants may also partner with other program funding recipients to coordinate the use of resources in the target area.

(7) The value of volunteer time and services shall be computed by using the normal professional rate for the local area or the national minimum wage rate (\$7.25) multiplied by the number of staff to be provided to the grant, multiplied by the total number of hours, multiplied by the number of years the commitment will be provided. **(Example:** (\$7.25 per hour) x (2 volunteers) x (50 total hours per year) x (3 years) = \$2,175.00)

(8) The value of any donated material, equipment, building space, or lease, shall be provided in a letter from the organization making the donation stating the value of the contribution **and** the duration of the commitment. **(Example:** community center space monthly rent valued at: \$1000 per month x 12 months x 3 years = \$36,000)

**b. Past Performance Related to Capacity.** As part of the HUD evaluation of capacity all applicants will undergo a Past Performance review by their local Field Office or Area ONAP during the application review period. This is a threshold requirement. All applicants are also subject to the Threshold Requirements of the FY 2013 **General Section**.

**(1) Renewal Applicants.** For renewal applicants, this past performance review will include a review of the materials submitted with this application, information contained in prior eLogic Models and budgetary reporting received by the Field Office/Area ONAP as well as the following criteria (NOTE: applicants who fail two or more of the following evaluation criteria will fail the past performance threshold):

- i. Number of units served to ensure that the minimum required number of units were served under the prior grant;
- ii. Achievement of at least 50% of the goals contained in the 2010 Logic Model;
- iii. Timeliness of drawdowns. Drawdowns that occur on a regular monthly or bi-monthly basis to pay for the salary of the ROSS-SC (or ongoing administrative or training costs) are considered timely drawdowns. Field offices will evaluate applicants who have not drawn down

in a timely manner on a case-by-case basis to determine whether there was good cause to explain untimely drawdowns;

iv. Timeliness of reporting. Annual reporting (yearly Logic Model and SF-425 financial statements) is due 30 days after the anniversary date of grant award; closeout reports (cumulative Logic Model and SF-425 financial statements) are due 90 days after grant closeout. Field offices will evaluate applicants who have not submitted 2 or more reports in a timely manner on a case-by-case basis to determine whether there was good cause to explain late submissions.

v. Troubled Status. Applicants who are designated PHAS troubled by the application deadline date of this NOFA must submit a Contract Administrator Partnership Agreement (CAPA). Troubled applicants must submit a narrative statement of no more than ten pages (12 point, Times New Roman, double spaced, 1" margins) addressing their Contract Administrator's recent (within the past five years) and relevant experience (pertaining to having provided or coordinated supportive services) in assisting troubled PHAs successfully meet the criteria above (paragraphs i-iv).

vi. *Renewal applicants that have been notified of deficiencies in reporting and/or performance in their ROSS program by the Field Office/Area ONAP and have failed to address these deficiencies in the timeframe established in the notification by the Field Office/Area ONAP must submit a Contract Administrator Partnership Agreement with their application (see HUD sample form HUD-52755).* Applicants in this category must submit a narrative statement of no more than ten pages (12 point, Times New Roman, double spaced, 1" margins) addressing their Contract Administrator's:

1. Recent experience (within the past five years),
2. Relevant experience (pertaining to having provided or coordinated supportive services)
3. Successful experience (achieving specific program results and timely drawdowns).

Any applicant that is unsure about whether they are required to submit a CAPA and narrative, should contact the Office of Public Housing in the local HUD field office/area ONAP to determine whether they are required to have a CAPA.

**NOTE:** Applicants required to submit a CAPA who fail to submit one at the time of application *will fail* this threshold requirement and will not receive further consideration for funding.

The Past Performance Review will be conducted on a Pass/Fail Basis by the applicant's local HUD field office/area ONAP. Renewal applicants need not submit past performance narratives with their application *unless they are PHAS troubled or have been notified by their local HUD field office/area ONAP of performance deficiencies.*

**(2) New Applicants.** HUD's field offices/Area ONAPs will evaluate information and data provided by applicants in response to the evaluation criteria below as well as an applicant's past performance on other HUD awards to determine whether the applicant has the organizational capacity and resources necessary to successfully implement the proposed activities within the grant period. If a new applicant has had previous Public & Indian Housing awards with HUD, the review will also take into account information in HUD's records regarding adherence to

reporting requirements. HUD may also take into account the applicant's past history in providing timely responses to HUD inquiries and meeting program requirements under past awards for which it has been funded. The Past Performance Review will be conducted on a Pass/Fail Basis.

**NOTE: *New applicants ONLY*** - please include with your application a narrative statement of no more than ten pages (12 point, Times New Roman, double spaced, 1" margins) addressing the factors below (subsections a and b). In assessing Past Performance of new applicants, the Field Office or Area ONAP will evaluate the Past Performance and Capacity of the applicant or for troubled applicants and RAs, the Contract Administrator to do future work based upon the following elements:

**(a) Capacity of Applicant/Contract Administrator and Proposed Staff.**

HUD will evaluate the past performance of a new applicant's (or Contract Administrator's) ability to successfully implement past grant programs designed to promote resident self-sufficiency or assist elderly or disabled residents to remain independent and age-in-place. Applicants must include in their application a narrative statement demonstrating the recent, relevant and successful knowledge and experience of the applicant, proposed Service Coordinator(s) and/or partners in planning and managing SC or similar programs. You may provide resumes or position descriptions (where staff is not yet hired) for SCs that will be on applicant staff or contracted. (Resumes, position descriptions, and other HUD forms do not count toward the page limit. Please do not include any Social Security numbers.)

The narrative or other documentation should show that the applicant and/or the SC(s) on staff or proposed to be hired have (or will have):

- (1) Recent experience (within the last 5 years);
- (2) Relevant experience (pertaining to having provided or coordinated supportive services);
- (3) Successful experience (attracted a significant number of residents, kept them involved and produced specific results) in conducting and completing similar activities.

**(b) Program Administration and Fiscal Management**

In describing past experience the applicant must include (for itself or its Contract Administrator):

- (1) A list of self-sufficiency grants received in the last five years, the grant amounts, and grant terms (years) of the grants, and the source of the funding;
- (2) A description of timely expenditure of program funding throughout the term of past grants. Timely means regular draw-downs throughout the life of the grant, i.e., quarterly draw-downs, timely completion of activities and all funds expended by the end of the grant term;
- (3) A description of how the applicant has leveraged funding or in-kind services equal to or beyond amounts that were originally proposed for the listed past projects;
- (4) The project management structure and program accountability, including the use of a Contract Administrator, if applicable, including how partners will report to the SC(s) and how the SC(s) will work with other senior staff; and
- (5) If applicable, a list of any audit findings in the past 5 years (e.g. Government Accountability, Inspector General (IG), management review, fiscal audits, etc.), notification of any material weaknesses and what the applicant has done to address them.

**c. Troubled Applicants.** All applicants (new and renewal) found to have capacity or past performance problems that call into question the ability of the applicant to properly administer an effective ROSS-SC program must submit a Contract Administrator Partner Agreement (see HUD-52755 as a sample) with their application. A Contract Administrator cannot be a troubled PHA. The field office/area ONAP will evaluate the capacity of the entity proposed to serve as a Contract Administrator and will determine whether that entity is approvable and the proposed agreement acceptable.

**d. Demonstrated Link between Partners and Local Need.**

To address this threshold requirement, applicants should use the HUD52769 Needs/Providers Form to identify local needs. Applicants *must identify a minimum of ten (10) need categories*. If less than 10 are identified, this requirement will not be considered to have been met. Applicants should identify a service provider who will meet each need category. *In order to be considered for funding, applicants must show that they have partners in the community (or the applicant themselves) that can meet at least 50% of the service categories identified as being needed.* The applicant itself may be listed as meeting one or more service needs if the funding for the service/program comes from funding other than a current or previous ROSS grant and will continue for the three-year grant term. *If the applicant is proposing to meet a need, please indicate the funding source on the HUD52769 for each service the applicant will provide in order to demonstrate that it is NOT a current or previous ROSS grant and that it will cover the grant term e.g. XYZ PHA, Operating Fund, 2013-2016.* It will be a part of the role of the SC to continue to build upon the partnerships that are in place at the time of the application and to expand the services available to residents.

Please note that the Secretaries of HUD and Labor co-signed a letter encouraging PHAs and local Workforce Investment Boards (WIBs) to partner for job training and placement of public housing residents. For more information, see:

[http://portal.hud.gov/hudportal/documents/huddoc?id=DOC\\_4248.pdf](http://portal.hud.gov/hudportal/documents/huddoc?id=DOC_4248.pdf) or  
<http://portal.hud.gov/hudportal/HUD?src=/recovery/partnerships>

**e. Letters of Support for Nonprofit Applicants.**

This threshold requirement applies to nonprofit applicants only. All nonprofit applicants must include a letter of support from either the Public Housing Authority/tribe/TDHE(s) or the particular Resident Association(s) they intend to serve. All letters of support must be signed by an authorized representative of the supporting organization and be dated between the publication date of this NOFA and the application deadline published in this NOFA, or any amended deadline. Please be advised that all letters with signatures will need to be scanned and attached to the application or faxed using the facsimile cover sheet included with the application package.

(1) Nonprofit applicants that receive support from Resident Associations must also submit form HUD52753 (Certification of Resident Council Board of Election) for each RA from which the nonprofit is receiving support. Submitting this form is not applicable where nonprofits submit letters of support from the PHA/tribe/TDHE.

(2) PHA/RA letters of support must indicate the number of eligible units at the PHA (or the number of eligible units represented by the RA, in the case of RA support letters) and list the names (and/or Project number(s), where applicable) of the Projects to be served. The letter should also describe to what extent the PHA/RA is familiar with the nonprofit applicant and

indicate their support of the nonprofit application. Letters must include contact information and the name and title of the person authorized to sign for the organization. Please see the FY 2013 **General Section** for instructions for submitting the required letters with your electronic application.

**f. General Section Thresholds.**

All applicants must meet the Threshold requirements in the FY 2013 **General Section** including “Resolution of Outstanding Civil Rights Matters,” found at section III.C.2.d. of the **General Section**.

**4. Program Requirements.**

**a. Contract Administrator.** All RAs and PHAS Troubled PHA applicants must have a Contract Administrator. The Contract Administrator must assure that the financial management system and procurement procedures that will be in place during the grant term will fully comply with either 24 CFR parts 84 or 85, as appropriate.

Contract administrators are expressly forbidden from accessing HUD’s Line of Credit Control System (LOCCS) and submitting vouchers on behalf of grantees. Contract Administrators must also assist grantees in meeting HUD’s reporting requirements. Contract Administrators may be: local housing agencies; community-based organizations such as community development corporations (CDCs), churches, temples, synagogues, mosques; nonprofit organizations; state/regional/local associations, agencies and organizations. *Troubled PHAs are not eligible to be Contract Administrators.* Organizations that the applicant proposes to use as the Contract Administrator must not violate or be in violation of other conflicts of interest as defined in 24 CFR part 84 and 24 CFR part 85. HUD Field Offices or Area ONAPs will have final approval of Contract Administrators.

**b. Achieving Results and Program Evaluation**

(1) An important element in any supportive service program is the development and reporting of performance measures and outcomes. This requirement emphasizes HUD’s determination to ensure that applicants develop performance and outcome measures that are focused on residents achieving economic and housing self-sufficiency and reducing or eliminating dependency on any type of subsidized housing or welfare assistance. Additionally, achieving outcomes and accurate evaluation will assist HUD in meeting its commitment to federal requirements for accountability. Applicants must demonstrate how they propose to measure their success and outcomes as they relate to the Department’s Strategic Plan.

(2) HUD requires ROSS applicants to develop an effective, quantifiable, outcome-oriented plan for measuring performance and determining that goals have been met. Applicants must use the eLogic Model form HUD96010 for this purpose.

(3) Applicants must establish interim benchmarks, or outputs, for their proposed program that lead to the ultimate achievement of outcomes. “Outputs” are the direct products of a program’s activities. Examples of outputs are: the number of eligible families that participate in supportive services, the number of new services provided; the number of residents receiving counseling; or the number of households using a technology center. Outputs should produce outcomes for your program. “Outcomes” are benefits accruing to the residents, families, and/or

communities during or after participation in the ROSS program. Outcomes are not the development or delivery of services or program activities, but the results of the services delivered or program activities – the ultimate results of the program. Applicants must clearly identify the outcomes to be achieved and measured. Examples of outcomes are: increasing homeownership rates; increasing residents’ financial stability (e.g., increasing assets of a household through savings); or increasing employment stability (e.g., whether persons assisted obtain or retain employment for one or two years after job training completion).

(4) To fulfill this program requirement, applicants must identify program outputs, outcomes, and performance indicators that will allow applicants to measure the outcomes achieved by themselves and their partners. Performance indicators should be objectively quantifiable and measure actual achievements against anticipated achievements. Applicants’ eLogic Models should identify what applicants are going to measure and how they are going to measure it. If an applicant proposed to refer residents to financial literacy education or counseling, the applicant should report on the financial literacy-related policy priorities listed as options for activities and outcomes in the eLogic Model. *Before adding new outputs or outcomes, please CAREFULLY review the options given in the drop-down menus contained in the eLogic Model. HUD expects that most of the eligible program activities and overall outcomes will be represented already without the need to identify new activities or outcomes.*

(5) *Applicants must fill out the eLogic Model in its entirety, which includes Columns 1-7, and Sections A-E in column 7.* Please note that the eLogic Models are reviewed for completeness only during the competition process. Successful applicants will be given the opportunity to revise their eLogic Models upon grant agreement. Deficiencies found in Column 7 will not be treated as deficiencies for the competition process, but will need to be remedied by successful applicants in the grant agreement process.

(6) This NOFA supports the HUD policy priorities of (1) Job Creation/Employment, (4) Knowledge Sharing and Capacity Building and (5) Using Housing as a Platform for Improving Other Outcomes. Please remember that the eLogic Model will be reviewed to determine eligibility for Policy Priority Status.

**c. Compliance with Fair Housing and Civil Rights Laws.** All applicants must comply with the requirements in Section III.C. of the FY 2013 **General Section**.

**d. Affirmatively Furthering Fair Housing.**

Section 808(e)(5) of the Fair Housing Act requires HUD to affirmatively further fair housing in its programs and activities, and HUD extends this obligation to the activities of the Department’s funded recipients. Section III.C. of the FY 2013 **General Section** directs applicants to discuss in their application how they will carry out their proposed activities in a manner that affirmatively furthers fair housing in their proposed activities, unless otherwise directed in the program NOFA. Applicants under this NOFA do not have to include a statement on AFFH in their application, because successful applicants will undertake the following AFFH activities:

(1) Ensure that each participant in the ROSS program receives training and information on rights and remedies available under the federal, state and local fair housing and civil rights laws and a copy of the housing discrimination complaint form.

(2) Ensure that each participant is told how to file a fair housing complaint and given the toll-free number for the Housing Discrimination Hotline; 1-800-669-9777.

(3) If the family is currently living in a high poverty census tract in the PHA's jurisdiction, ensure that the family is provided with an explanation of the advantages of moving to an area that does not have a high concentration of low-and very low-income people. Participants in the program shall be provided information on housing opportunities available throughout the region which will provide the participant the opportunity to be closer to work or school; provide for economic, cultural, racial and ethnic diversity with lower poverty rates and high school dropout rates, and/or greater access to essential goods and services; and how to access such opportunities through support organizations in the area.

(4) Seek out fair housing training and technical assistance which will assist the coordinator and the PHA develop steps to affirmatively further fair housing for their program participants. Fair housing training and technical assistance may be available through the local Fair Housing Initiatives Program (FHIP) agency or the Fair Housing Assistance Program (FHAP) agency. A listing of FHIPs and FHAPs can be found at [www.hud.gov/offices/fheo/partners/FHIP/fhip.cfm](http://www.hud.gov/offices/fheo/partners/FHIP/fhip.cfm) (FHIP) and [www.hud.gov/offices/fheo/partners/FHAP/agencies.cfm](http://www.hud.gov/offices/fheo/partners/FHAP/agencies.cfm) (FHAP).

**NOTE:** Indian tribes and tribally designated housing entities receiving assistance under NAHASDA are not required to undertake these AFFH activities and are not required to submit a statement on affirmatively furthering fair housing.

**e. Communications.** Successful applicants must ensure that notices of and communications during all training sessions and meetings are provided in a manner that is effective for persons with hearing, visual, and other communications-related disabilities consistent with Section 504 of the Rehabilitation Act of 1973, and as applicable, the Americans with Disabilities Act. (This includes ensuring that training materials are in appropriate alternative formats as needed, e.g. Braille, audio, large type, sign language interpreters, and assistive listening devices, etc.) See 24 CFR Part 8.6. Where physical accessibility is not achievable, recipients and subrecipients must give priority to alternative methods of product delivery that offer such activities to qualified individuals with disabilities in the most integrated setting appropriate in accordance with Section 504 of the Rehabilitation Act (29 U.S.C. § 794) and its implementing regulations at 24 CFR Part 8, and Titles II and III of the Americans with Disabilities Act and their implementing regulations at 28 CFR Parts 35 and 36, as applicable.

In addition, successful applicants must ensure training facilities and services are physically accessible to persons with disabilities in accordance with Section 504 and that persons with limited English proficiency (LEP) will have meaningful access to programs and activities. Furthermore, HUD encourages all grant recipients and sub-recipients to adopt the goals and objectives of Section 508 of the Rehabilitation Act of 1973 by ensuring that electronic and information technology is made available to persons with disabilities on a comparable basis as it

is made available to persons without disabilities. See the discussion of Accessible Technology Requirements in Section III.C.4. of the FY2013 **General Section**.

**f. Nonprofit Status.** All nonprofit applicants must submit their IRS determination letter to prove their 501(c)(3) tax-exempt status. Please see the FY2013 **General Section** for instructions for submitting attachments and required documentation with your electronic application.

**g. Economic Opportunities for Low- and Very Low-Income Persons (Section 3).** Grantees must comply with Section 3 of the Housing and Urban Development Act of 1968, 12 U.S.C. 1701u and ensure that training, employment, and contracting opportunities shall, to the greatest extent feasible, be directed toward low- and very low-income persons, particularly those who are recipients of government assistance for housing and to business concerns that provide economic opportunities to low- and very low-income persons. For this program, these requirements apply to the hiring of ROSS SCs. Section 3 regulations at 24 CFR Part 135, subparts B and E, impose certain reporting requirements on recipients, including the submission of an annual report, using HUD60002 on HUD's online system at [www.hud.gov/section3](http://www.hud.gov/section3). See Section III.C.4.d. of the FY2103 General Section for more information. See also reporting requirements under Section 3 in section VI.C. of this NOFA. For tribes/TDHES, the procedures and requirements of Part 135 apply to the maximum extent consistent with, but not in derogation of, preferences for the benefit of Indians under §7(b) of the Indian Self Determination and Education Assistance Act (25 U.S.C. 450e(b)).

**h. General Section Requirements.** All applicants, lead and non-lead, should refer to "Other Requirements and Procedures Applicable to All Programs" of the FY 2013 **General Section** for requirements pertaining specifically to procurement and for information regarding other requirements to which they may be subject.

## **5. Number of Applications Permitted.**

**a. PHA/tribe/TDHES.** Such applicants may submit only one application each. That application may be for a New OR a Renewal application, but not both. PHAs may propose to serve their own projects.

**b. Site-Based RAs** may propose to serve their own residents and may submit one application each. A maximum of three site-based Resident Associations serving any one PHA will be funded through this NOFA.

**c. Nonprofit Organizations** (including state and national nonprofit Resident Associations) may apply to serve residents at as many as three (3) PHAs/tribes/TDHES, but must submit a separate application for each PHA to be served unless they will be serving more than one PHA with only one SC. If this is the case, one application is acceptable, but a letter of support from each PHA (or an RA from each PHA) to be served must be included in the application and the PHA listed on the SF424 and first on the HUD52768 will be considered the lead PHA.

Nonprofits that are applying as FY10 renewal applicants may also apply as new applicants as long as the total number (new and renewal) of applications for each nonprofit does not exceed three.

**d. Multiple Applications.** Each application should be complete in and of itself and will be evaluated independently. If a nonprofit applicant submits more than one application, separate, individualized, non-duplicated match letters must be kept on file.

**e. More than one application per project.** HUD expects that all entities wishing to serve residents at a particular PHA will have coordinated their grant-seeking efforts. If more than one application proposing to serve the same Project is received, they will both be reviewed and if both are deemed eligible to enter the lottery, the first chosen in the lottery will be funded.

**f. Joint applications.** Two or more applicants may join together to submit a joint application for proposed grant activities. However, joint applications must designate a lead applicant. The PHA listed first on the SF424 and HUD52768 will be considered the lead PHA. In addition, the lead applicant must be registered with Grants.gov and submit the application using the Grants.gov portal. Lead applicants are subject to all threshold requirements. Non-lead applicants are subject to the following threshold requirements as applicable:

(1) Letter(s) of support from each PHA or RA to be served for nonprofit applicants;

(2) A copy of the 501(c)(3) tax-exempt determination letter from the IRS as evidence of the organization's tax-exempt status;

(3) Threshold requirements outlined in Section III.C.2. of the FY 2013 **General Section**; and

(4) All members of a consortium are subject to the requirements of this NOFA and the terms and conditions of the award.

*Applicants that are part of a joint application may not also submit separate applications as sole applicants under this NOFA.*

**NOTE:** Joint applicants may combine their eligible units to determine the maximum funding amount the applicants are eligible to receive. However, if more than one PHA is to be served by a non-profit applicant, a letter of support from each PHA (or an RA at each PHA) to be served is required in the application. *Also, a Certification of Consistency with the Consolidated Plan is required for each PHA to be served.*

**6. Eligible Participants.** All residents assisted by ROSS SCs must be residents of conventional public housing or NAHASDA-assisted housing. HUD encourages outreach to single parent heads-of-households.

**7. Eligible Projects.** Only conventional Public and Indian housing projects and NAHASDA-assisted developments/projects may be served by ROSS grant funds. Other housing developments/projects, including, but not limited to: private housing, federally insured housing, federally subsidized, or assisted (i.e., assisted under Section 8, Section 202, Section 811, Section 236), and others are not eligible to participate in ROSS. *Applicants are not eligible to receive*

*funding for projects that are currently being served by prior years' ROSS-SC competitions except where eligible for renewal applications.*

If an applicant is granted a waiver, the approval notice will provide instructions for submission. **All applications in paper format must have received a waiver to the electronic application requirement and the application must be received by HUD in accordance with the guidance contained in the notification approving the waiver.** The waiver approval will identify where to submit the application and deadline time.

**2. Proof of Timely Submission.** Please see the FY2013 **General Section** for this information. Applicants that fail to meet the deadline for application receipt will not receive funding consideration.

**3. For Waiver Recipients Only.** If HUD grants a waiver, the applicant will be notified of the application submission requirements for paper copy applications. Paper copy applications must be received by the appropriate HUD office no later than the application deadline date to meet the timely receipt requirements. More information regarding delivery will be given in a waiver approval. Any paper applications submitted without an approved waiver will be considered ineligible and will not receive funding consideration.

## V. APPLICATION REVIEW INFORMATION

**A. Criteria.** The funds available under this NOFA are being awarded based on demonstrated performance and responses to the HUD policy priorities. Applications are reviewed by the local HUD field office or Area ONAP office and the Grants Management Center to determine if they are technically adequate based on the NOFA requirements. Field offices or Area ONAPs will provide to the Grants Management Center (GMC) in a timely manner, as requested, information needed by the GMC to make its determination, such as past performance of applicants and review of eLogic Model for policy priority status.

### 1. Policy Priority Status

This NOFA supports the HUD policy priorities of (1) Job Creation/Employment, (4) Capacity Building and Knowledge Sharing and (5) Using Housing as a Platform for Improving Other Outcomes. **NOTE: Applicants serving Tribes**, WIB should be understood to mean “WIB or comparable tribal program/entity.” Also, the policy priorities that reference unions may also be met by partnering with other trade associations such as Associated Builders and Contractors (ABC) [www.abc.org](http://www.abc.org).

**b. For Policy Priority (4) Knowledge Sharing and Capacity Building**, this NOFA specifically supports:

(1) Support knowledge sharing and innovation by disseminating best practices, encouraging peer learning, publishing data analysis and research, and helping to incubate and test new ideas (Subgoal 4E).

The corresponding **outcome** must be **one or more of the following**:

- “Policy Priority- Capacity Building and Knowledge Sharing- Number of education/training services available from partners added as a result of the gap analysis”
- “Policy Priority- Capacity Building and Knowledge Sharing- Number of employment/placement opportunities added as a result of the gap analysis”
- “Policy Priority-Capacity Building and Knowledge Sharing- Number of health/mental health services available from partners added as a result of the gap analysis”
- “Policy Priority-Capacity Building and Knowledge Sharing-Number of New Supportive Services partners providing services as a result of the gap analysis”

**c. For Policy Priority (5) Using Housing as a Platform for Improving Other Outcomes**, this NOFA specifically supports:

(1) Increasing access to high quality early learning programs and services through coordination with local programs (Subgoal 3A);

(2) Utilize HUD assistance to improve health outcomes (subgoal 3B);

(3) Utilize HUD assistance to increase economic security and self-sufficiency (subgoal 3C).

In order to receive status consideration, applicants' eLogic Models must reflect the following **activity/output**:

- "Policy Priority-Housing as a Platform-Partnerships established with high performing Early Childhood Education Programs".
- "Policy Priority-Housing as a Platform-Partnerships established with local community health clinics"

The corresponding **outcomes** must be:

- "Policy Priority-Housing as a Platform- Number of children enrolled in high performing early childhood education programs with an identification of young children enrolled in high performing early childhood programs; or
- "Policy Priority-Housing as a Platform-Number of Households that have a medical home"

**NOTE:** A Medical Home is an approach to providing comprehensive primary care that facilitates partnerships between individual patients, and their personal providers; and, when appropriate, the patient's family. The provision of medical homes can allow better access to health care, increased satisfaction with care, and improved health.

HUD may request documentation of meetings held or partnerships/MOUs established at such time as a grantee indicates on their eLogic Model report that the activity is complete.

## **B. Review and Selection Process**

### **1. Selection Process for All Grant Categories and All Applicants.**

#### **2. New Applicants.** All qualified new applicants will be awarded based on a lottery.

(a) Per statute, twenty-five percent (25%) of ROSS funds will be set aside for Resident Associations and all qualifying Resident Association applications will be funded first, up to 25 percent of the total funding amount. *Even if applying as nonprofits, state, national, and other incorporated nonprofit Resident Associations will be included in this set-aside. To be included in this Resident Association Category, you must indicate your status on the HUD52768.* If an applicant indicates that it is a Resident Association for the purposes of this lottery designation, the applicant must also submit a Contract Administrator Partner Agreement, even if applying as a nonprofit applicant. There will be an initial lottery for all Resident Associations.

- **Lottery 1a** will consist of all Resident Association applications that qualify for the Policy Priority Status.
- **Lottery 1b** will consist of all Resident Association applications that do not qualify for Policy Priority Status.

If there are more qualified resident organizations than 25% of the available funding, then the remaining Resident Association applications will be put together with the rest of the qualified

applicants for a second general lottery. Site-Based Resident Associations that were funded in prior ROSS-SC competitions may not receive new funding under this NOFA, they may only apply for renewal funding. Nonprofit applicants with Resident Association designation, even if funded in prior ROSS-SC competitions, will be placed in the Lottery Category 1 as long as they are applying to serve PHAs that *are not* currently being served by prior ROSS-SC grantees. A maximum of three site-based Resident Associations serving any one PHA (new or renewal applications) will be funded through this NOFA. If more than three are deemed eligible for the lottery, the first three chosen will be funded. The remaining RA applications will NOT be put into the general lotteries.

(b) The second general lottery will consist of all remaining Resident Association applications and all qualified PHA and Nonprofit applications applying to serve PHAs/tribes/TDHEs that are *not* being served by any prior ROSS-SC funding.

- **Lottery 2a** will consist of all applications that qualify for the Policy Priority Status.
- **Lottery 2b** will consist of all applications that do not qualify for Policy Priority Status.

(c) If funds remain, a third lottery will consist of qualified non-profit and PHA applications to serve *new Projects* at PHAs that are currently being served by a prior ROSS-SC grantee. That is, if a PHA is being served by any prior ROSS-SC grantee for any of their Projects, any PHA or nonprofit applications for new funding to serve other Projects would go into the third lottery.

- **Lottery 3a** will consist of all applications that qualify for the Policy Priority Status.
- **Lottery 3b** will consist of all applications that do not qualify for Policy Priority Status.

**(d) Order of Funding Priorities**

- a. Qualified RA renewal applicants that meet policy priority status.
- b. Qualified RA renewal applicants that do not meet policy priority status.
- c. New RA applicant lottery 1a.
- d. New RA applicant lottery 1b.
- e. Qualified Renewal applications that meet policy priority status.
- f. Qualified Renewal applications that do not meet policy priority status.
- g. General lottery 2a.
- h. General lottery 2b.
- i. General lottery 3a.
- j. General lottery 3b.

RA applicant lotteries (a-d above) will be held until 25% of the available funds have been granted. At that time, all remaining RA applicants will be moved to funding lotteries e-j, depending on their status as new or renewal and whether they have met policy priority status.

If there are remaining funds in any ROSS program after all qualifying applications have been awarded, those funds may be transferred to another ROSS program.

**3. Corrections to Deficient Applications.** HUD will treat paper applications with the wrong DUNS number as a technical deficiency and the applicant will be able provide a corrected SF424 to the location indicated in the waiver approval within the specified cure period and in

accordance with the notification of the need to cure the application. Failure to correct the deficiency and meet the requirement to have a DUNS number and active registration in the System for Award Management (SAM) will render the application ineligible for funding.

Electronic filers that do not meet the registration requirements for a DUNS number and registration in the SAM will not be subject to a cure period other than the timely receipt and grace period policy. The 14 day cure period does not apply to DUNS numbers and Registration requirements for electronic filers. Please be sure to read the FY2013 **General Section** to ensure that you meet the requirements to file an application with Grants.gov and registration with SAM which requires a DUNS number. For more information about conditions that allow a grace period, please see Section IV.C.1 of the FY2013 **General Section**.

If HUD finds a curable deficiency in an application, HUD will notify the applicant in writing describing the clarification or technical deficiency. Clarifications or corrections of technical deficiencies in accordance with the information provided by HUD in the email notification of a technical deficiency must be received by HUD within 14 calendar days of the date of the HUD email notification. HUD will use, as the start of the cure period, the date stamp on the email that HUD sends the email to the applicant. (If the deficiency cure deadline date falls on a Saturday, Sunday, or federal holiday, then the applicant's correction must be received by HUD on the next day that is not a Saturday, Sunday, or federal holiday.) For more information on the procedures to correct a deficient application, please see Section V.B.2. "Corrections to Deficient Applications" in the FY2013 **General Section**.

In the case where an applicant submitted an electronic application to Grants.gov, any clarifications or cure items must be submitted electronically by the applicant using the facsimile telephone number and form HUD96011, Facsimile Transmittal, contained in the last application package submitted to HUD. *For this reason, be sure to retain the Facsimile Transmittal Cover Sheet (HUD96011) associated with your final application submission in your electronic files until award announcements are made.* The additional information provided by facsimile will be matched to the electronic application in HUD's files. When submitting technical deficiency cure items, please place in the box labeled "Name of Document Submitting" in form HUD96011 the following information: "Technical Cure" plus the name of the document. If the name of the document is long and you need space to fit the document name, just label the Technical Cure as TC followed by the document name. When submitting a facsimile, applicants must follow the facsimile requirements found in the FY2013 **General Section**. If the facsimile transmittal form from the last application submitted is not used as the cover page to the applicant's response transmitted to HUD in accordance with these directions, HUD will not be able to match the response to the application under review. HUD cannot match facsimiles that do not contain the form HUD96011 associated with your final application submission as the cover page. The HUD96011 must match the application under review. Please make sure facsimile transmissions are sent to the fax numbers provided in the FY2013 **General Section**.

## VI. AWARD ADMINISTRATION INFORMATION

### A. Award Notices.

**1. Award Announcements.** HUD will make announcements of grant awards after the review process is completed. ### C. Reporting

**1. Annual Performance Reports. NOTE:** Effective October 1, 2009, the Federal Financial Report, SF425, replaced the SF269 and SF269-A. Grantees must submit annual performance reports to the field office or area ONAP. These progress reports must include financial reports (SF425) and an eLogic Model<sup>®</sup> (HUD96010) showing achievements to date against outputs and outcomes proposed in the application and approved by HUD. A narrative describing milestones, progress towards goals, and problems encountered and methods used to address the problems to support the data in the eLogic Model<sup>®</sup> is optional. HUD anticipates that some of the reporting of financial status and grant performance will be through electronic or Internet-based submissions. Grantees must use quantifiable data to measure performance against goals and objectives. Performance reports are due to the field office 30 days after the anniversary of grant execution. Performance reports are due annually. If reports are not received by the deadline date, grant funds will be suspended until reports are received.

**2. Final Report.** All grantees must submit a final report to their local field office or area ONAP that will include a financial report (SF425) and a final eLogic Model<sup>®</sup>. A narrative describing milestones, progress towards goals, and problems encountered and methods used to address the problems to support the data in the eLogic Model<sup>®</sup> is optional. Grantees must use quantifiable data to measure performance against goals and objectives. The financial report must contain a summary of all expenditures made from the beginning of the grant agreement to the end of the grant agreement and must include any unexpended balances. The final report is due to the field office 90 days after the termination of the grant agreement.

**3. Final Audit.** Grantees that expend \$500,000 or more in federal funds in a given program or fiscal year are required to obtain a complete final close-out audit of the grant's financial statements by a Certified Public Accountant (CPA), in accordance with generally accepted government audit standards. A written report of the audit must be forwarded to HUD within 30 days of issuance. Grant recipients must comply with the requirements of 24 CFR part 84 or 24 CFR part 85, as stated in OMB Circulars A-87, A-110, and A-122, as applicable.

**4. Racial and Ethnic Data.** HUD requires that funded recipients collect racial and ethnic beneficiary data. HUD has adopted the Office of Management and Budget's (OMB) Standards for the Collection of Racial and Ethnic Data. In view of these requirements, funded recipients should use form HUD27061, Racial and Ethnic Data Reporting Form to collect and report the data. See Section VI.C.3 of the FY2013 **General Section**.

**5. Section 3 Reporting.** The Section 3 regulations at 24 CFR Part 135, subpart E, impose certain reporting requirements on recipients, including the submission of an annual report, using form HUD60002 on HUD's online system at [www.hud.gov/section3](http://www.hud.gov/section3). See Section III.C.4 of the FY 2013 **General Section** for more information.

## **6. Transparency Act Reporting**

### **a. Recipient Reporting to Meet the Requirements of the Federal Funding Accountability and Transparency Act of 2006, as amended.**

**(1) Prime Grant Awardee Reporting.** Prime recipients of HUD financial assistance are required to report certain subawards in the Federal Government-wide website [www.frs.gov](http://www.frs.gov) or its successor system.

Starting with awards made October 1, 2010 prime financial assistance awardees receiving funds directly from HUD are required to report subawards and executive compensation information both for the prime award and subaward recipients, including awards made as pass-through awards or awards to vendors, if (1) the initial prime grant award is \$25,000 or greater, or the cumulative prime grant award will be \$25,000 or greater if funded incrementally as directed by HUD in accordance with OMB guidance; and (2) the subaward is \$25,000 or greater, or the cumulative subaward will be \$25,000 or greater. For reportable subawards, if executive compensation reporting is required and subaward recipients' executive compensation is reported through the CCR system, the prime recipient is not required to report this information. The reporting of award and subaward information is in accordance with the requirements of Federal Financial Assistance Accountability and Transparency Act of 2006, as amended by section 6202 of Public Law 110-252, hereafter referred to as the "Transparency Act" and OMB Guidance

issued to the Federal agencies on September 14, 2010 (75 FR 55669) and in OMB Policy guidance. The prime awardee will have until the end of the month plus one additional month after a subaward or pass-through award is obligated to fulfill the reporting requirement. Prime recipients are required to report the following information for applicable subawards. This information will be displayed on a public government website pursuant to the Transparency Act.

- (i) Name of entity receiving award;
- (ii) Amount of award
- (iii) Funding agency;
- (iv) North American Industry Classification System (NAICS) code for contracts/CFDA program for financial assistance awards;
- (v) Program source;
- (vi) Award title descriptive of the purpose of the funding action;
- (vii) Location of the entity (including Congressional district);
- (viii) Place of Performance (including Congressional district);
- (ix) Unique identifier of the entity and its parent; and
- (x) Total compensation and names of top five executives.

For the purposes of reporting into the FFATA Subaward Reporting System (FSRS) reporting site, the unique identifier is the DUN and Bradstreet Universal Numbering System (DUNS) number the entity has obtained from Dun and Bradstreet, and for prime awardees the DUNS number registered in the CCR as required by HUD regulation 24 CFR 5.1004.

**b. Prime Grant Awardee Executive Compensation Reporting.** Prime awardees must also report in the governmentwide website the total compensation and names of the top five executives in the prime awardee organization if:

(1) More than 80 percent of the annual gross revenues are from the Federal Government, and those revenues are greater than \$25 million annually; and

(2) Compensation information is not readily available through reporting to the Securities Exchange Commission (SEC).

**c. Subaward Executive Compensation Reporting.** Prime grant awardees must also report in the governmentwide website the total compensation and names of the top five executives in the subawardees if:

(1) More than 80 percent of the annual gross revenues are from the Federal Government, and those revenues are greater than \$25 million annually; and

(2) This required compensation information is not readily available through reporting to the SEC. For applicable subawards, if executive compensation reporting is required and subaward recipients' executive compensation is reported through the CCR system, the prime recipient is not required to report this information.

**d. Transparency Act Reporting Exemptions.** The Transparency Act exempts any subawards less than \$25,000 made to individuals and any subawards less than \$25,000 made to an entity whose annual expenditures are less than \$300,000. Subawards with a cumulative total of \$25,000 or greater are subject to subaward reporting beginning the date the subaward total award amount reaches \$25,000. The Transparency Act also prohibits reporting of any classified

information. Any other exemptions to the requirements must be approved by the Office of Management and Budget.

**NOTE:** For the purposes of FFATA reporting requirements, “prime grant awardee” or “prime grant award” or “grant award” includes awardees of, and awards for, capital advances for the Section 202 Housing for the Elderly and Section 811 Housing for Persons with Disabilities programs.

**e. Compliance with Section 872 of the Duncan Hunter National Defense Authorization Act for Fiscal Year 2009 (Pub. L. 110-417), hereafter referred to as “Section 872”.** Section 872 requires the establishment of a government-wide data system – the Federal Awardee Performance and Integrity Information System (FAPIIS) - to contain information related to the integrity and performance of entities awarded federal financial assistance and making use of the information by federal officials in making awards. OMB is in the process of issuing regulations regarding federal agency implementation of section 872 requirements. A technical correction to the **General Section** may be issued when such regulations are promulgated.

HUD anticipates that the terms and conditions to its FY2013 awards will contain requirements related to meeting FFATA and Section 872 requirements.
