MEMORANDUM FOR: All Consolidated Plan Coordinators and Fiscal Staff

FROM : William G. Vasquez, Director, Office of Community Planning and
Development, Los Angeles Area Office, 9DDS

SUBJECT: HUD Issues Interim Rule Implementing Government-wide Federal Financial
Report (FFR), Central Contractor Registration (CCR)

On July 15, 2010, HUD issued an interim rule which became effective on August 16, 2010, that revises HUD regulations to reference the new government-wide Federal Financial Report (FFR), approved by the Office of Management and Budget (OMB).

The purpose of the FFR is to consolidate requirements from the OMB issued Standard Forms SF-269, SF-269A, SF-272, and the SF-272A, into a single government-wide form, Standard Form SF-425 and SF-425A. The consolidation provides recipients of HUD grants and cooperative agreements a standard format for reporting the financial status of their grants and cooperative agreements and will assist in efforts to move to electronic grants management by reducing the variation and number of forms required for reporting.

HUD requires the quarterly submission of the SF 425 (and SF 425A for reporting multiple grants) report in order to obtain financial information from recipients of Federal funding assistance. Please ensure that the appropriate financial staff responsible for the completion of the FFR receives a copy of this information bulletin. Attached to this bulletin are the SF-425 and SF-425A. In addition, the SF-425 and SF-425A can be found at www.forms.gov. Also, the FFR must be submitted even if you have not drawn Federal funds during a quarter.

The SF-425 (and SF-425A for reporting multiple grants) Report must be submitted quarterly according to the following schedule:

1st Quarter - period covered January 01 to March 31
Due to Field Office: April 30

2nd Quarter - period covered April 01 to June 30
Due to Field Office: July 30

3rd Quarter - period covered July 01 to September 30
Due to Field Office: October 30

4th Quarter - period covered October 01 to December 31
Due to Field Office: January 30

Please be advised that if the SF-425 (and SF-425A for reporting multiple grants) report is not received by the due dates identified; a grantee's line of credit through the Integrated Disbursement Information System (IDIS) may be suspended. Please mail the SF-425 (and SF-425 for reporting multiple grants) report to the following address:

In addition, this interim rule also codifies the requirement that applicants for HUD assistance possess an active Central Contractor Registration (CCR). Registration with CCR assists HUD in collecting, validating, and storing information in support of its grant programs. HUD believes that codifying the CCR registration requirement will facilitate applicant and awardee use of a single public website pursuant to the Federal Funding Accountability and Transparency Act of 2006 (Transparency Act) (Pub. L. 109-282) (Transparency Act) and help ensure data quality for grantee information for the USASpending.gov website created in conformance with the requirements of the Transparency Act.

If you have any further questions regarding these requirements you may contact your Community Planning and Development Representative or Develyn Rhodes-Johnson, Financial Analyst at (213) 534-2587.
