AFFORDABLE HOMEOWNERSHIP CAPACITY BUILDING WORKSHOP

in TALLAHASSEE, FLORIDA  
JULY 25, 2005, 8:00 a.m. – 5:00 p.m.

DESCRIPTION

The purpose of this workshop is to bring together current program providers from the conventional, federal, state, and local markets in order to facilitate capacity building for local affordable housing community. Our goals will be the creation of new affordable housing vendors, enhancement of the capability of current vendors, and development of a strategy that places families into affordable housing. This workshop features professionals who will define the specifics of their programs, offer strategies to mix and match resources, and allow time for participants to discuss issues.

WHO SHOULD ATTEND

All affordable housing providers and organizations that would like to pursue the potential. Faith based and community organizations that are interested in developing affordable housing programs are also welcome to participate. This event is open to those operating in Leon County and the surrounding counties.
