Mr./Mrs./Ms.:

**This letter contains important information regarding your potential eligibility for a Tenant Protection Voucher (TPV). Please read this letter carefully, and return the enclosed certification to the indicated address within 45 days of the date of this letter. A return envelope has been enclosed for your convenience.**

The Department of Housing and Urban Development's (HUD's) records indicate that you were displaced from the **Dauphine Apartments**, due to a Presidential Declared Disaster (PDD). Please be advised that due to the owner's decision to opt-out of the Section 8 Housing Assistance Payment (HAP) Contract, you are entitled to be considered for a tenant protection voucher. You must meet the eligibility requirements of the Section 8 Housing voucher Program to receive voucher assistance.

The housing choice voucher program provides rental assistance to help families' rent decent, safe, and sanitary housing in the private rental market. The family is free to choose housing that meets the requirements of the program and is not limited to a particular unit or development. Housing choice vouchers are administered locally by public housing agencies (PHAs) that operate within a particular area or jurisdiction. The PHA will determine if the unit that the family wishes to rent is eligible for the program. If the owner is willing to participate and the unit is eligible, the PHA will pay a monthly housing subsidy directly to the landlord on behalf of the family. The family pays the difference between the actual rent charged by the landlord and the amount subsidized by the program as their share of the rent.

If you are currently receiving Disaster Voucher Program (DVP) assistance, you are still eligible for consideration for a TPV. However, if you are eligible for the TPV and accept the voucher, you may no longer participate in the DVP. It is very important to note that DVP rental assistance is only temporary rental assistance, while the tenant protection voucher is part of the permanent housing program and is not time limited.

If you are currently residing in a HUD-assisted project and are receiving Section 8 project-based rental assistance, you are also still eligible for consideration for a TPV. However, you may not remain in the unit receiving the project-based Section 8 assistance if you choose to accept the TPV.

**Please be advised that this will be your only opportunity to be considered for a TPV as a result of the owner's opt out of the Section 8 contract.**

**In order to be considered for a TPV, it is very important that you fill out the enclosed certification and return it to the Department within 45 days from the date of this letter. You must respond to this notice within 45 days. If you fail to respond to this notice within 45 days, you will not be considered for a TPV in the future.**

If you choose to be considered for a TPV and have indicated that you wish to receive voucher assistance in the area in which you currently reside, the local PHA with jurisdiction over the area will be contacting you directly regarding the next steps in the eligibility process. If you indicate that you wish to move to another area to receive the voucher assistance (for example, you are exercising your opportunity to your pre-disaster HUD-assisted residence), the PHA with jurisdiction over the area that you have identified will be contacting you to continue the eligibility process.

Please note that all households displaced from a HUD insured and/or assisted multifamily property as a result of a PDD are provided the opportunity to return to the unit they occupied at the time of the PDD once the unit is repaired, restored, or otherwise becomes available for re-occupancy. Additional information concerning your right to return can be found at: <http://www.hud.gov/offices/hsg/mfh/hto/additionalguidance.pdf>

Acceptance of a TPV does not impact opportunity to return. You should continue to maintain contact with the property owner/agent and provide your whereabouts and contact information in order to obtain the most current information about the restoration status of the property and your pre-Katrina unit.

In addition, if you relocate within the next 120 days, to a location different from the contact information reflected on the certification sheet or you have any questions please contact:
