Holiday Message from HUD New England Regional Administrator

As we get ready to welcome in a new year, I'd like to take this opportunity to thank you for your outstanding support and commitment in 2011.

Together with our partners, HUD continues to work to end homelessness; to provide counseling to first time home buyers and assistance to people facing foreclosures; to

build and maintain affordable housing; and to invest in building sustainable and inclusive communities.

While these are extremely difficult and challenging times, let's not lose sight of the fact that much has been accomplished this past year. As I have travelled throughout the Region, I've had a chance to meet many of you and see firsthand the outstanding work that you are doing to create jobs, build homes and improve the quality of life for individuals and families in communities across New England.

I look forward to continuing our partnership efforts in 2012. On behalf of the Regional HUD team, I offer our best wishes to you, your families and your staff for a happy holiday season and successful 2012.

Barbara Fields, HUD New England Regional Administrator
