FY 2000 HOPE VI REVITALIZATION GRANT

HOPE VI Grant Summary

The **Housing Authority of the City of Oakland** will receive a HOPE VI Revitalization Grant in the amount of \$34,486,116 that will enable the Housing Authority to revitalize the **Coliseum Gardens** public housing development. A total of 178 severely distressed units will be replaced on-site with 30 public housing units, 20 tax credit rental units, and 85 affordable homeownership units. In addition, 148 public housing units and 46 tax credit rental units will be developed on underutilized land and scattered sites nearby. A significant number of the off-site public housing units will be within new housing developments in non-impacted areas. A new park and community center will be the focus of the new, on-site community. The revitalization of Coliseum Gardens, located in the Central East Oakland Target Area within the Coliseum Redevelopment Area, will benefit from a \$134 million investment in the Coliseum BART Station and the new rail connection between the Station and the Oakland International Airport. Oakland's HOPE VI Grant will leverage a total of \$56.2 million other public and private funds.
