Section 202 - Supportive Housing for the Elderly

Project Location: Mobile, AL
Non-Profit Sponsor: Mercy Housing Southeast, Inc.
Co-Sponsor: Mercy Housing, Inc.
Capital Advance: $3,461,400
Five-year rental subsidy: $665,500
Number of units: 50
Project Description:
The design includes 13 buildings with a total of 49 one-bedroom units for elderly residents, a two-bedroom manager's unit, and a community center with appropriate spaces. This development is master planned to maximize density potential for this site. The facility is designed to support a social atmosphere that fosters self-sufficiency and aid in the provision of services to support the changing needs of an aging population. Courtyards will include grassed areas, durable landscaping, resident gardens, sidewalks and decorative pavers.

Section 202 - Supportive Housing for the Elderly

Project Location: Anchorage, AK
Non-Profit Sponsor: Alaska Enfranchise Facilities, Inc.
Capital Advance: $3,458,700
Five-year rental subsidy: $544,000
Number of units: 20
Project Description:
The funds will be used to construct 19 one-bedroom units for very low-income elderly persons and a two-bedroom unit for a resident manager. The site is located South of downtown Anchorage. The residents will be able to participate in the many activities sponsored by the center. Public transportation is located near the project so that the residents will have easy access to shopping and medical facilities.

Project Location: Palmer, AK
Non-Profit Sponsor: Alaska Enfranchise Facilities, Inc.
Capital Advance: $891,100
Five-year rental subsidy: $114,500
Number of units: 5
Project Description:
The funds will be used to construct 4 one-bedroom units and 1 two-bedroom manager's unit for very low-income elderly persons living around Palmer, Alaska, which is located in the Matanuska-Susitna Borough. The seniors will be able to participate in the many activities sponsored by the center. This project will allow seniors living in the Palmer community to remain rather than moving to a different geographic location, creating hardships on family members.
Section 811 - Supportive Housing for Persons with Disabilities

Project Location : Fairbanks, AK
Non-Profit Sponsor : Fairbanks Resource Agency
Capital Advance : $687,700
Five-year rental subsidy: $114,500
Number of units : 4
Project Description :
The funds will be used for the purchase of an existing, accessible four-person group home. The individuals who will reside in the home will have developmental disabilities. Because of the climatic conditions in Fairbanks, the home will have an attached two-car garage, offering individuals with limited mobility or who use wheelchairs, protection from inclement weather conditions. This project is close in proximity to medical facilities, shopping, entertainment and recreational activities.

Project Location : Juneau, AK
Non-Profit Sponsor : Juneau Alliance for Mental Health, Inc.
Capital Advance : $777,700
Five-year rental subsidy: $172,000
Number of units : 6
Project Description :
The proposed project will be a group home for six residents who are developmentally disabled, chronically mentally ill or physically disabled. The home will also contain a resident manager's unit. The physical facilities will allow for individual growth by combining resident independence in a community group setting. The group home will be located at Salmon Creek, which is between downtown Juneau and the Mendenhall Valley. The project is close in proximity to medical facilities, shopping, entertainment and recreational activities.

Arizona

Section 202 - Supportive Housing for the Elderly

Project Location : Glendale, AZ
Non-Profit Sponsor : National Farm Workers Service Center, Inc
Capital Advance : $5,116,200
Five-year rental subsidy: $848,000
Number of units : 61
Project Description :
The Sponsor will be constructing 61 units of new housing for the very low-income elderly located in Glendale, Arizona. Plans include a Neighborhood Network facility which will provide the tenants with an opportunity to learn computer skills and communicate with friends and loved-ones. Other supportive services include medical, health and counseling services. A major goal of the Sponsor is to provide quality affordable housing and social facilities so people can live, socialize, gather and learn in a positive climate.
Pantano Gardens features 80, one-bedroom, apartments for the elderly in addition to large and small community rooms, kitchen, common laundry and exercise rooms. This project also includes a Neighborhood Networks Center. All units will be ADA accessible. The project is located in the Southeast area of Tucson and offers nearby shopping and other retail outlets, all within walking distance of the site. B'nai B'rith has been in existence since the late 1960's sponsoring and obtaining funding for senior housing activities.

Arkansas

Section 202 - Supportive Housing for the Elderly

The funds will be used for the construction of an apartment complex consisting of 14 one-bedroom units designed especially to accommodate the needs of the elderly. The supportive services plan for the proposed complex is designed to provide adequate services to the tenants to extend their independence. These needed services will help prevent the premature institutionalization of the elderly.

The funds will be used for the construction of an apartment complex consisting of 45 one-bedroom units designed especially for the elderly. The design and layout of the buildings will strive to maximize construction efforts and to reduce cost. The proposal will enable the elderly to maintain their independence and have the ability to receive the supportive services they might need. This location and design will facilitate the integration of the residents into the surrounding community.
Section 811 - Supportive Housing for Persons with Disabilities

Project Location : Bradley, AR  
Non-Profit Sponsor : Rainbow of Challenges, Inc.  
Capital Advance : $570,500  
Five-year rental subsidy: $111,500  
Number of units : 10  
Project Description :  
The funds will be used for the construction of an apartment complex for persons with developmental disabilities and will consist of 10 one-bedroom units and one manager's unit. The site is located within one block of the civic center and two blocks from medical facilities and shopping. The common space will be large enough for socialization, a computer network center and washers and dryers. Supportive services will assist with daily living activities and add to the quality of life.

Project Location : Haskell, AR  
Non-Profit Sponsor : Pathfinder, Inc.  
Capital Advance : $891,100  
Five-year rental subsidy: $173,500  
Number of units : 15  
Project Description :  
The funds will be used for the construction of an apartment complex designed especially to accommodate persons who are physically and/or developmentally disabled. The complex will consist of 14 separate apartments and one manager's unit. The complex will also have a community space to allow occupants to participate in physical activity. This complex will give residents access to safe, affordable, and accessible housing. The well-maintained housing will also be a benefit to the immediate area.

California

Section 202 - Supportive Housing for the Elderly

Project Location : Fresno, CA  
Non-Profit Sponsor : Southern California Presbyterian Homes  
Capital Advance : $8,060,900  
Five-year rental subsidy: $1,584,500  
Number of units : 80  
Project Description :  
The development will consist of 79 one-bedroom apartment units and one 2-bedroom resident manager's unit. The proposed project is a two-story Type V-one-hour wood frame building. The upper floors will modulate to provide variety in the building shape and to provide site area for additional landscaping. The project will contribute to providing opportunities for minority elderly that are within the City of Fresno. The relatively flat site affords the ability to create on-site sidewalks that will be accessible to the elderly residents.
Project Location : Hayfork, CA  
Non-Profit Sponsor : Mt Valley Elder Care  
Co-Sponsor : ESKATON  
Capital Advance : $998,500  
Five-year rental subsidy: $180,000  
Number of units : 10  
Project Description :  
This project will add 10 additional units for the very low-income elderly population in rural Hayfork, located in Trinity County. These 10 units will be built adjacent to Mountain Valley Haven, a 10-unit Section 202 project that will be under construction by October 2003. The site offers opportunities for pathways and creek side nature trails. Over one-third of the senior households in this area have an annual income under $13,875. These senior citizens have, up until now, relied on substandard mobile homes and substandard housing units.

Project Location : Hemet, CA  
Non-Profit Sponsor : WASET, Inc.  
Capital Advance : $8,980,400  
Five-year rental subsidy: $1,513,000  
Number of units : 75  
Project Description :  
The funds will be used to construct 74 one-bedroom units for very-low income elderly persons and 1 two-bedroom unit for a resident manager. The proposed building design carefully considers and addresses the special lifestyles of older residents. The building is formed in a U-shape with double loaded corridors. The central courtyard will provide several outdoor rooms, trellis walkways, rose alley, a water feature and a gazebo.
