Summary

The U.S. Department of Housing and Urban Development (HUD) Strategic Plan sets the direction and focus of our programs and staff to create strong, sustainable, inclusive communities and quality, affordable homes for all.

HUD's Strategic Goals

HUD's FY 2022-2026 Strategic Plan lays out this administration's strategy for ensuring everyone has an affordable, healthy place to live. Over the course of the next four years HUD will pursue two overarching priorities focused on increasing equity and improving customer experience across all HUD programs. Five strategic goals undergird the Plan as follows:

- Strategic Goal 1: Support Underserved Communities
- Strategic Goal 2: Ensure Access to and Increase the Production of Affordable Housing
- Strategic Goal 3: Promote Homeownership
- Strategic Goal 4: Advance Sustainable Communities
- Strategic Goal 5: Strengthen HUD's Internal Capacity

The five goals of the FY 2022-2026 Strategic Plan present the core vision of what we hope to accomplish, the strategies to accomplish those objectives, and the indicators of success.

Overview

The U.S. Department of Housing and Urban Development (HUD) issues this Notice of Funding Opportunity (NOFO) to invite applications from eligible applicants for the program and purpose described within this NOFO. Prospective applicants should carefully read all instructions in all sections to avoid sending an incomplete or ineligible application. HUD funding is highly competitive. Failure to respond accurately to any submission requirement could result in an incomplete or noncompetitive proposal.

During the selection process HUD is prohibited from disclosing 1) information regarding any applicant's relative standing, 2) the amount of assistance requested by an applicant, and 3) any information contained in the application. Prior to the application deadline, HUD may not disclose the identity of any applicant or the number of applicants that have applied for assistance.

For Further Information Regarding this NOFO: Please direct questions regarding the specific

requirements of this NOFO to the office contact identified in Section VII.

Paperwork Reduction Act Statement. The information collection requirements in this notice have been approved by OMB under the Paperwork Reduction Act of 1995 (44 U.S.C. 3501-3520). In accordance with the Paperwork Reduction Act, HUD may not conduct or sponsor, and a person is not required to respond to a collection of information unless the collection displays a valid OMB control number. Each NOFO will identify its applicable OMB control number unless its collection of information is excluded from these requirements under [5 CFR part 1320](#).

I. FUNDING OPPORTUNITY DESCRIPTION.

A. Program Description.

- **Purpose**

Overview. This Foster Youth to Independence Competitive (FYI Competitive) NOFO makes Housing Choice Voucher (HCV) assistance available to Public Housing Agencies (PHAs) in partnership with Public Child Welfare Agencies (PCWAs). The FYI Competitive utilizes funding appropriated to serve youth under the Family Unification Program (FUP). Under the FYI Competitive NOFO PHAs provide housing assistance in the form of housing choice vouchers on behalf of:

Youth at least 18 years and not more than 24 years of age (have not reached their 25th birthday) who left foster care, or will leave foster care within 90 days, in accordance with a transition plan described in Section 475(5)(H) of the Social Security Act, and are homeless or are at risk of becoming homeless at age 16 or older.

As required by statute, an FYI Competitive voucher issued to such a youth may only be used to provide housing assistance for the youth for a maximum of 36 months. The Fostering Stable Housing Opportunities (FSHO) amendments, most of which HUD implemented in the Federal Register on January 24, 2022, provides an extension for up to 24 months beyond the 36-month time limit for youth who meet certain requirements. FSHO applies to youth who first leased or leases a unit with an FYI voucher after the date of enactment of FSHO, December 27, 2020, which includes youth that will be assisted with funding under this NOFO.

FYI Competitive is a complement to the (FYI) initiative.

Information on FYI may be found at the following webpage:

https://www.hud.gov/program_offices/public_indian_housing/programs/hcv/fyi

Policy Priorities. This NOFO adopts the following policy priorities:

1. Expand opportunities under FYI.
2. Increase coordination between PHAs, PCWAs, and third-party partners;
3. Leverage data to strategically target and prioritize the use of resources for eligible youth;
4. Strengthen connections to the HUD Family Self-Sufficiency (FSS) Program or similar programs promoting self-sufficiency; and
5. Increase access to FYI vouchers by PHAs with high utilization of the FYI vouchers.

- **Changes from Previous NOFO.**

This section highlights only the major differences from the prior year FYI Competitive NOFA. Applicants should read this entire NOFO carefully to ensure that all threshold and eligibility requirements are met (otherwise the applicant will be ineligible for funding), and that the program requirements listed in this NOFO are followed.

Revised rating factors elements. The Rating Factor section introduces a new element to increase access to FYI Competitive vouchers for PHAs with high utilization of all FYI vouchers, including those awarded non-competitively.

The duty to affirmatively further fair housing extends to all program participant's activities and programs relating to housing and urban development.

- Not be a threshold requirement, except for documentation of applicant eligibility;
- Not influence how an applicant is ranked or scored versus other applicants; and
- Be remedied within the time frame specified in the notice of deficiency.

Non-Curable Deficiencies cannot be corrected by an applicant after the submission deadline. Non-curable deficiencies are deficiencies that, if corrected, would change an applicant's score or rank versus other applicants. - Program Definitions.

The following definitions apply to the funding authority available under this NOFO.

At Risk of Homelessness means the individual or family who:

- (i) Has an annual income below 30 percent of median family income for the area, as determined by HUD
- (ii) Does not have sufficient resources or support networks, e.g., family, friends, faith-based or other social networks, immediately available to prevent them from moving to an emergency shelter or another place described in paragraph (1) of the “Homeless” definition at 24 CFR 576.2; and

(iii) Meets one of the following conditions:

- (A) Has moved because of economic reasons two or more times during the 60 days immediately preceding the application for homelessness prevention assistance;
- (B) Is living in the home of another because of economic hardship;
- (C) Has been notified in writing that their right to occupy their current housing or living situation will be terminated within 21 days of the date of application for assistance;
- (D) Lives in a hotel or motel and the cost of the hotel or motel stay is not paid by charitable organizations or by federal, State, or local government programs for low-income individuals;
- (E) Lives in a single-room occupancy or efficiency apartment unit in which there reside more than two persons, or lives in a larger housing unit in which there reside more than 1.5 people per room, as defined by the U.S. Census Bureau;
- (F) Is exiting a publicly funded institution, or system of care (such as a health-care facility, a mental health facility, foster care or other youth facility, or correction program or institution); or
- (G) Otherwise lives in housing that has characteristics associated with instability and an increased risk of homelessness, as identified in the recipient's approved consolidated plan;

Community is a self-organized network of people in a defined geographic area with common agenda, cause, or interest, who collaborate by sharing ideas, information, and other resources.

Continuum of Care (CoC) means the group organized to carry out the responsibilities required under 24 CFR part 578 and that is composed of representatives of organizations, including nonprofit homeless providers, victim service providers, faith-based organizations, governments, businesses, advocates, public housing agencies, school districts, social service providers, mental health agencies, hospitals, universities, affordable housing developers, law enforcement, organizations that serve homeless and formerly homeless veterans, and homeless and formerly homeless persons to the extent these groups are represented within the geographic area and are available to participate.

FUP is an acronym for the Family Unification Program.

FUP-Eligible Family means a family that the PCWA has certified as a family for whom the lack of adequate housing is a primary factor in the imminent placement of the family's child, or children, in out-of-home care, or in the delay of discharge of a child, or children, to the family from out-of-home care, and that the PHA has determined is eligible for a HCV. *Note, such families are not eligible to receive assistance from the funding PHAs are awarded under this NOFO.*

FUP-Eligible Youth/FYI Competitive-Eligible Youth means a youth that the PCWA has certified to be at least 18 years old and not more than 24 years of age (has not reached their 25th birthday) who left foster care, or will leave foster care within 90 days, in accordance with a transition plan described in section 475(5)(H) of the Social Security Act, and is homeless or is at risk of becoming homeless at age 16 or older. Eligibility is not limited to single persons. PHAs may not exclude pregnant or parenting youth from service, because excluding families with children would violate the Fair Housing Act. Thus, any pregnant or parenting youth who otherwise meets the definition of youth must be served by the grantee.

Homeless has the meaning provided in regulation at 24 CFR 578.3.

Public Child Welfare Agency (PCWA) is the agency that is responsible under applicable State law for determining that a child is at imminent risk of placement in out-of-home care or that a child in out-of-home care under the supervision of the public agency may be returned to his or her family, or that a youth is at least 18 years and not more than 24 years of age and left foster care, or will leave foster care within 90 days, in accordance with a transition plan described in section 475(5)(H) of the Social Security Act, and is homeless or is at risk of becoming homeless at age 16 or older. For states that have privatized child welfare, the agency designated to conduct child welfare on behalf of the state may be considered a PCWA.

Per Unit Cost (PUC) is the value of the voucher identified by HUD for the Public Housing Authority (PHA). The value is based on each PHAs expenses and Units Months Leased (UMLs).

5. Web Resources.

HUD will provide responses regarding specific program requirements for this NOFO to a Frequently Asked Questions (FAQs) document that will be made available at the following webpage: https://www.hud.gov/program_offices/public_indian_housing/programs/hcv/fyi. The document will be titled “FYI Competitive FAQs.” Please review the FAQs before submitting a question as your question may have already been answered. Questions may be submitted by email to FYICompetitive@hud.gov. Early submission of questions is recommended. During previous competitions some applicants waited until just before the NOFO deadline to submit their question(s). Depending on the volume, nature, and the timing of the submission, HUD may not be able to review and post a response prior to the NOFO deadline.

B. Authority.

FYI Competitive NOFO is authorized by section 8(x) of the United States Housing Act of 1937 (42 U.S.C. 1437f(x)). Funding for this NOFO is provided by the Consolidated Appropriations Act, 2022 (Pub. L., 117-103, approved March 15, 2022) (2022 Appropriations Act) that provides \$10 million for incremental voucher assistance through the FUP for youth. HUD is also making available through this NOFO \$5.3 million in carryover funding from the Consolidated Appropriations Act, 2021 (Pub. L., 116-260, approved December 27, 2020) (2021 Appropriations Act).

II. Award Information.

A. Available Funds

Funding of approximately **\$15,300,000** is available through this NOFO.

Additional funds may become available for award under this NOFO. Use of these funds might be subject to statutory constraints or other requirements. All awards are subject to the funding restrictions contained in this NOFO.

B. Number of Awards.

HUD expects to make approximately 20 awards from the funds available under this NOFO.

The estimate of 20 awards to PHAs is subject to change based on the number and characteristics of the applications received.

C. Minimum/Maximum Award Information

Minimum Award

No award will be for less than 3 vouchers. As a result, PHAs may apply for no fewer than 3 vouchers. HUD is not assigning a value floor to the minimum award. Instead, the corresponding value floor is tied to the PHA-specific PUC.

Maximum Award

The maximum award will be based upon the size of the PHA's voucher program and the identified need for such vouchers (the number of vouchers). The number of vouchers projected to be needed to assist FYI Competitive-eligible youth over a 12-month period as reported in the Statement of Need, consistent with the following chart:

| PHA voucher program size | Maximum voucher award under this NOFO | | |
|--------------------------|---------------------------------------|-----------|--|
| Fewer than 500 HCVs | 25 vouchers | Or | Identified need, if lower than indicated cap |
| 500 - 1,999 HCVs | 50 vouchers | | |
| 2,000 – or more HCVs | 75 vouchers | | |

The maximum award of vouchers to a PHA will not exceed \$1,200,000. Where a PHA’s voucher PUC would result in exceeding the maximum award amount, the PHA’s award will be prorated. For example, a PHA with a 12-month average PUC of \$17,000 per voucher and a maximum voucher award of 75 vouchers would exceed the maximum award amount by \$75,000. This applicant would be eligible to receive no more than 70 vouchers before taking in to account the applicant’s score and any additional proration.

| Avg. PUC | Max. Voucher Award | Voucher Award Amt | Maximum A available for Voucher Award | Maximum Available for Voucher Award/PUC \$1,200,000/17,000 | # of Vouchers to Award within Maximum Funding |
|----------|--------------------|-------------------|---------------------------------------|--|---|
| \$17,000 | 75 vouchers | \$1,275,000 | \$1,200,000 | 70.58 | 70 |

Within the minimum and maximum award thresholds, HUD will allocate vouchers according to the selection process described in Section V. B.

Awards may be prorated if funding has been exhausted before making awards to the highest scoring applications.

If, as a result of implementing the maximum voucher or award amount thresholds, additional funds remain, HUD may decide to increase the maximum voucher and/or award amount thresholds by the rate necessary to expend the remaining funds.

III. Eligibility Information.

A. Eligible Applicants.

25 (Others (see text field entitled "Additional Information on Eligibility" for clarification))

Additional Information on Eligibility

Information on Eligible Applicants

1. Only PHAs that have an existing Annual Contributions Contract (ACC) with HUD for HCVs are eligible to apply for funding under this announcement.
2. PHAs wishing to share the administration of the program with another PHA may apply jointly, however, the Annual Contributions Contract (ACC) will be solely with the lead PHA applicant and all reporting must be submitted via the lead PHA applicant. The maximum number of vouchers will be based on the lead NOFO PHA's voucher program size. NOFO (i.e., no more than the number of vouchers the same PHA would be eligible to apply for if it had only one PHA code number).

3. Eligible PHAs must have demonstrate a commitment to administer FYI Competitive vouchers, which shall be verified by an executed Memorandum of Understanding (MOU) between the PHA and PCWA. HUD strongly encourages adding other important partners, such as a State, local, government, philanthropic, faith-based organizations, and CoC, or a CoC recipient it designates, to the partnership. The MOU must also identify the assistance being provided and state who will be providing such assistance.
4. HUD will only consider funding one application per PHA. This one application limit applies regardless of whether the PHA is a State or regional PHA. In instances where a PHA has more than one PHA code number due to its operating under the jurisdiction of more than one HUD Field Office, a separate application, under each code, shall be considered for funding with the cumulative total of vouchers applied for under the applications not to exceed the maximum number of vouchers the PHA is eligible to apply for under this NOFO (i.e., no more than the number of vouchers the same PHA would be eligible to apply for if it had only one PHA code number).

B. Ineligible Applicants.

During previous competitions HUD has received applications from individuals (individuals are not eligible to apply); PHAs that administer a Public Housing program or Mainstream assistance administered by other non-profits/entities but do not have an existing ACC with HUD for HCVs; and other entities are ineligible to receive funding.

HUD will not evaluate applications from ineligible applicants. Ineligible applicants will not receive communications from HUD regarding their application.

A contract administrator that does not have an ACC with HUD for HCVs, but constitutes a PHA under 24 CFR 982.4 by reason of its administering HCVs on behalf of another PHA, is not eligible to submit an application under this NOFO.

Nonprofit administrators of HCV Mainstream assistance, which by statute are classified as PHAs solely for the purpose of administering HCV mainstream assistance, are also ineligible for FYI Competitive funding.

Youth that believe they are eligible to participate in the FUP should contact their local PHA, PCWA, or a third-party such as a State, local government, philanthropic, or faith-based organization, or CoC for assistance.

C. Cost Sharing or Matching.

This Program does not require cost sharing or matching.

D. Threshold Eligibility Requirements.

Applicants who fail to meet any of the following threshold eligibility requirements will be deemed ineligible. Applications from ineligible applicants will not be evaluated.

1. Resolution of Civil Rights Matters. Outstanding civil rights matters must be resolved before the application deadline. Applicants, who after review are confirmed to have civil rights matters unresolved at the application deadline, will be deemed ineligible. Their applications will receive no further review, will not be rated and ranked, and they will not receive funding.

- a. Applicants having any of the charges, cause determinations, lawsuits, or letters of findings referenced in subparagraphs (1) – (5) that have not been resolved to HUD’s satisfaction before or on the application deadline date are ineligible for funding. Such matters include:
 1. Charges from HUD concerning a systemic violation of the Fair Housing Act or receipt of a cause determination from a substantially equivalent state or local fair housing agency concerning a systemic violation of a substantially equivalent state or local fair housing law proscribing discrimination because of race, color, religion, sex, national origin, disability or familial status;
 2. Status as a defendant in a Fair Housing Act lawsuit filed by the United States alleging a pattern or practice of discrimination or denial of rights to a group of persons raising an issue of general public importance under 42 U.S.C. 3614(a);
 3. Status as a defendant in any other lawsuit filed or joined by the Department of Justice, or in which the Department of Justice has intervened, or filed an amicus brief or statement of interest, alleging a pattern or practice or systemic violation of Title VI of the Civil Rights Act of 1964, Section 504 of the Rehabilitation Act of 1973, Section 109 of the Housing and Community Development Act of 1974, the Americans with Disabilities Act or a claim under the False Claims Act related to fair housing, non-discrimination, or civil rights generally including an alleged failure to affirmatively further fair housing;
 4. Receipt of a letter of findings identifying systemic non-compliance with Title VI of the Civil Rights Act of 1964, Section 504 of the Rehabilitation Act of 1973, Section 109 of the Housing and Community Development Act of 1974; or the Americans with Disabilities Act; or
 5. Receipt of a cause determination from a substantially equivalent state or local fair housing agency concerning a systemic violation of provisions of a state or local law prohibiting discrimination in housing based on sexual orientation, gender identity, or lawful source of income.
- b. HUD will determine if actions to resolve the charge, cause determination, lawsuit, or letter of findings taken before the application deadline date will resolve the matter. Examples of actions that may be sufficient to resolve the matter include, but are not limited to:
 1. Current compliance with a voluntary compliance agreement signed by all the parties;
 2. Current compliance with a HUD-approved conciliation agreement signed by all the parties;
 3. Current compliance with a conciliation agreement signed by all the parties and approved by the state governmental or local administrative agency with jurisdiction over the matter;
 4. Current compliance with a consent order or consent decree;
 5. Current compliance with a final judicial ruling or administrative ruling or decision; or
 6. Dismissal of charges.

2. Affirmatively Furthering Fair Housing. With some exceptions for federally recognized Indian tribes and their instrumentalities, the application must discuss how the applicant will carry out the proposed activities in a manner that affirmatively furthers fair housing in compliance with the Fair Housing Act and its implementing regulations. Applicants may propose activities that are consistent with their jurisdiction’s Analysis of Impediments (AI), an Assessment of Fair

Housing (AFH), or other means of fair housing planning that meaningfully supports their AFFH certification.

If the applicant will carry out proposed activities in a jurisdiction with an accepted Assessment of Fair Housing (AFH), the proposed activities should be consistent with the AFH's fair housing goals and with fair housing strategies specified in the jurisdiction's Consolidated Plan or Public Housing Agency Plan.”

3. Timely Submission of Applications. Applications submitted after the deadline stated within this NOFO that do not meet the requirements of the grace period policy will be marked late. Late applications are ineligible and will not be considered for funding. See Section IV. D. Application Submission Dates and Times.

The following requirements affect applicant eligibility. Detailed information on each requirement is posted on [HUD's Funding Opportunities Page](#).

- Active Prime and Sub Recipient registration with SAM.gov
- Outstanding Delinquent Federal Debts
- Debarments or Suspensions, or both
- Pre-selection Review of Performance
- Sufficiency of Financial Management System
- False Statements
- Mandatory Disclosure Requirement
- Prohibition Against Lobbying Activities
- In addition, each applicant under this NOFO must have the necessary processes and systems in place to comply with the Award Term in Appendix A of [24 CFR part 170](#) if the applicant receives an award, unless an exception applies as provided in [2 CFR 170.110](#).

F. Program-Specific Requirements.

1. Program Management Findings. The PHA must not have any major unresolved program management findings from an Inspector General's audit, HUD management review or Independent Public Accountant (IPA) audit for the PHA's HCV program or other significant program compliance problems that were not resolved or in the process of being resolved prior to this NOFO's application deadline. Major program management findings, or significant program compliance problems, are those that would cast doubt on the capacity of the applicant to effectively administer any new HCV funding in accordance with applicable HUD regulatory and statutory requirements.

2. Litigation. The PHA must not be involved in litigation where HUD determines that the litigation may seriously impede the ability of the applicant to administer the vouchers.

3. FYI Competitive Utilization and Reporting. HUD expects full (100 percent) utilization of FYI Competitive vouchers under this NOFO. PHAs administering the FYI Competitive vouchers under this NOFO should continually monitor their utilization of these vouchers.

PHAs are required to maintain a special program code for FYI participants in line 2n of the Family Report/Moving To Work (MTW) (Expansion Family Report) or line 2p of the MTW Family Report. The code for FYI youth is “FYIC.”

PHAs must continue to use the FYI Competitive vouchers awarded under this NOFO for eligible youth upon turnover.

HUD will review utilization of the assistance made available under this NOFO. HUD will issue a notice on how it will recapture any assistance it determines is no longer needed by the PHA.

4. PHA Code Provided on SF-424. The SF-424 Application for Federal Assistance completed in [Grants.gov](https://www.grants.gov) MUST include the PHA's code under field 5a. Federal Entity Identifier. The PHA Code is a 5-digit code that begins with the state abbreviation and then 3 numbers identifying the PHA within that state.

5. MOU. The PHA must submit an MOU executed by the official representative of the PHA and of the PCWA. Where other partners such as a State, local, government, philanthropic, or faith-based organization, or CoC, (or a CoC recipient it designates) will be a party to the MOU, the responsibilities of the entity must be identified. The MOU should have no fewer than two signatures. Agency and position titles should be clearly identified. For example, if it would not be clear to a reviewer that one of the parties signing the MOU is the official representative of the CoC, or a third-party entity, the MOU must make the role clear. Also make clear where one person has more than one role. For example, in some communities, the PHA Executive Director may also be the CoC Governing Board Chair. Failure to meet this requirement will result in the application failing threshold and will not be considered for further review.

If a PCWA is authorized under State law to contract out its functions and it has done so, both the official representative of the PCWA and the official representative of the contractor organization must sign the MOU.

The MOU execution date must be between the date this NOFO is published and the application deadline date under this NOFO. The MOU will be considered by HUD and the signatories (the PHA, PCWA, and applicable third parties) as a complete statement of the responsibilities of the parties and evidence a commitment of resources to FYI. As such, the document should be as specific as possible. HUD strongly encourages applicants to carefully read all of the requirements of the MOU addressed in this section.

Only one MOU will be accepted per applicant. An application that includes more than one MOU will fail the threshold review and will not be considered for further review.

Information about CoCs, including contact information may be found

here: https://www.hud.gov/program_offices/comm_planning/coc

The MOU must clearly address, at a minimum, all of the following:

1. The PHA and PCWA's commitment to administering the program.
2. The goals and standards of success in administering the program.
3. Each entity must each identify a staff position that will serve as the lead FYI liaison. (This must include the staff person's name and/or position title.)

4. A statement that all parties agree to cooperate with any program evaluation efforts undertaken by HUD, U.S. Department of Health and Human Services (HHS), or a HUD or HHS-approved contractor, including compliance with HUD and HHS-approved evaluation protocols and data sharing requests.
5. Identify and define the youth population eligible for assistance as follows:
 1. Youth at least 18 years and not more than 24 years of age (have not reached their 25th birthday) who left foster care, or will leave foster care within 90 days, in accordance with a transition plan described in Section 475(5)(H) of the Social Security Act, and are homeless or are at risk of becoming homeless at age 16 or older.
 2. As required by statute, a voucher issued to such a youth may only be used to provide housing assistance for the youth for a maximum of 36 months. The Fostering Stable Housing Opportunities (FSHO) amendments, published in the Federal Register on January 24, 2022, provides an extension for up to 24 months beyond the 36-month time limit for youth who meet certain requirements. FSHO applies to youth who first leased or leases a unit with an FYI voucher after the date of enactment of FSHO, December 27, 2020.
6. The assistance that will be provided to youth in locating housing units and working with landlords to secure appropriate eligible units, listing the organization(s) responsible for providing this assistance.
7. The services to be provided to FYI Competitive-eligible youth, listing the organization(s) to provide the services and resources. The MOU must state that all of the services in (1) through (5) below will be provided for a period of at least 36 months to FYI Competitive-eligible youth receiving rental assistance through the use of a FYI Competitive voucher regardless of age. HUD encourages full participation in self-sufficiency services as appropriate for the participating youth.
 1. Basic life skills information/counseling on money management, use of credit, housekeeping, proper nutrition/meal preparation; and access to health care (e.g., doctors, medication, and mental and behavioral health services); while ensuring youth understand such services are voluntary.
 2. Counseling on compliance with rental lease requirements and with HCV program participant requirements, including assistance/referrals for assistance on security deposits, utility hook-up fees, and utility deposits.
 3. Providing such assurances to owners of rental property as are reasonable and necessary to assist an eligible youth to rent a unit with a FYI Competitive voucher.
 4. Job preparation and attainment counseling (e.g., where to look/how to apply, dress, grooming, and relationships with supervisory personnel, etc.).
 5. Educational and career advancement counseling regarding attainment of general equivalency diploma (GED); attendance/financing of education at a technical school, trade school or college; including successful work ethic and attitude models.
8. If applying for rating criteria points under Section V.A., the MOU must describe the activities, as applicable.
9. **The MOU must address PHA responsibilities, as outlined in (1) through (9) below.**

1. Accept youth certified by the PCWA as eligible for the FYI program under this NOFO. The PHA, upon receipt of a referral(s), must compare the name(s) with youth already on the PHA's HCV waiting list. Any youth on the PHA's HCV waiting list that matches with the PCWA's referral must be assisted in order of their position on the waiting list in accordance with PHA admission policies. Any youth certified by the PCWA as eligible and not on the HCV waiting list must be placed on the waiting list (pending HCV eligibility determination). If the PHA has a closed HCV waiting list, it must reopen the waiting list and place on the waiting list a FYI Competitive applicant youth who is not currently on the PHA's HCV waiting list. The PHA may reopen the waiting list to accept a FYI Competitive applicant youth without opening the waiting list for other applicants;
 2. Determine if youth age 18 through 24 referred by the PCWA are eligible for HCV assistance;
 3. Determine if any youth age 18 through 24 on its HCV waiting list are living in temporary shelters or otherwise meet the definition of homeless or at-risk of homelessness and may qualify for the FYI Competitive, and refer such applicants to the PCWA and/or third-party entity or CoC, as applicable;
 4. Amend the administrative plan in accordance with applicable program regulations and requirements, if needed;
 5. Administer the vouchers in accordance with applicable program regulations and requirements;
 6. Upon notification that vouchers have been awarded, train the PCWA and applicable partner staff on the PHA's HCV program;
 7. Work with the PCWA and applicable third-party entities to develop necessary data and tracking metrics for tracking and improvement purposes;
 8. Conduct regular meetings (at least quarterly) with the PCWA third-party entities and
 9. Comply with the provisions of the MOU.
- 10. The MOU must address PCWA responsibilities as outlined in (1) through (8) below.**
1. Establish and implement a system to identify eligible youth within the agency's caseload and to review referrals from the PHA, and applicable third-party entities.
 2. Establish and implement a system to identify eligible youth not currently within the agency's caseload in cooperation with applicable third-party entities, including integrating the prioritization and referral process for such eligible youth into the third-party entities' coordinated entry process, where applicable;
 3. Provide written certification to the PHA that a youth qualifies based upon the criteria established in Section 8(x) of the United States Housing Act of 1937, and this NOFO;
 4. Commit sufficient staff resources to ensure that eligible youth are identified and determined eligible in a timely manner. This commitment must include a process to ensure that the PCWA's active caseload is reviewed at least once a month (when the PHA has FYI Competitive vouchers available) to identify eligible youth and refer them to the PHA. Additionally, the PCWA must be prepared to provide referrals to the PHA within 30 working days of receiving notification from the PHA about voucher availability;

5. Provide or leverage follow-up supportive services after the youth leases a unit, documenting the source of funding for these services. Communities are encouraged to leverage non-Federal funds from sources such as: State, local, philanthropic, and faith-based organization.
6. Upon notification that vouchers have been awarded, train PHA, and applicable third-party entity staff on the work of the PCWA as it relates to eligible youth;
7. Conduct regular meetings (at least quarterly) with the PHA, and applicable third-party entities; and
8. Comply with the provisions of the MOU.

11. MOU must address the third-party entity (ies) or CoC responsibilities as outlined in (1) through (5) below.

This section is only applicable where other partners, such as the State, local, philanthropic, faith-based organizations, and the CoC, or a CoC recipient it designates, will be party to the partnership agreement.

1. Integrate the prioritization and referral process for eligible youth that aren't currently within the PCWA's caseload into the third-party entities' or local CoC's coordinated entry process. [This element is not required where a third-party does not have a coordinated entry process. Further, this does not mean that youth who are not part of the PCWA's active caseload are required to be added to the third-party entities' or CoC's coordinated entry process. Youth who are not part of the PCWA's active caseload are not required to be added to the third-party entities' or CoC's coordinated entry process. Such integration is at local discretion.] The third-party entities', CoC, or a CoC recipient it designates, should demonstrate how it is assessing the housing and related service needs for youth, and how it comes to the determination that a FYI Competitive voucher is the appropriate level of assistance needed;
2. Identify services, if any, provided by the third-party entities, CoC, or a CoC recipient it designates, to youth who qualify for such program assistance;
3. Participate in regular meetings conducted by the PHA and PCWA (at least quarterly);
4. Upon notification that vouchers have been awarded, train PHA and PCWA staff on the work of the third-party entities, CoC, or a CoC recipient it designates; and
5. Comply with the provisions of the MOU.

G. Criteria for Beneficiaries.

IV. Application and Submission Information.

A. Obtaining an Application Package.

Instructions for Applicants.

You must download both the Application Instructions and the Application Package from Grants.gov. You must verify that the Assistance Listing Number and Assistance Listing Description on the first page of the Application Package, and the Funding Opportunity Title and the Funding Opportunity Number match the Program and NOFO to which you are applying. The Application Package contains the portable document forms (PDFs) available on Grants.gov, such as the SF-424 Family. The Instruction Download contains official copies of the NOFO and forms necessary for a complete application. The Instruction Download may include Microsoft Word files, Microsoft Excel files, and additional documents.

An applicant demonstrating good cause may request a waiver from the requirement for electronic submission, for example, a lack of available Internet access in the geographic area in which your business offices are located. Lack of SAM registration or valid DUNS/UEI is not good cause. If you cannot submit your application electronically, you must ask in writing for a waiver of the electronic grant submission requirements. HUD will not grant a waiver if the Applicant fails to submit to HUD in writing or via email a request for a waiver at least 15 calendar days before the application deadline. If HUD grants a waiver, a paper application must be received before the deadline for this NOFO. To request a waiver, you must contact:

B. Content and Form of Application Submission.

You must verify that boxes 11, 12, and 13 on the SF-424 match the NOFO for which you are applying. If they do not match, you have downloaded the wrong Application Instruction and Application Package.

Submission of an application that is otherwise sufficient, under the wrong Assistance Listing and Funding Opportunity Number is Non-Curable unless otherwise stated under the Threshold requirements section.

1. Content.

Applicants must furnish an executed copy of the Certification Regarding Lobbying prior to award. |
| Acknowledgment of Application Receipt (HUD2993), if applicable | This form is applicable only to applications submitted on paper, following receipt of a waiver of electronic submission. | This form is not required but is available for applicants who want confirmation that their hard-copy application was received by HUD. The form must be submitted with the application, in accordance with the application submission instructions included in the waiver of electronic submission. |

Additionally, your complete application must include the following narratives and non-form attachments.

Attachment 1. MOU between the PHA and PCWA, third-party entity (ies) and CoC
Requirements of the MOU are explained in Section III.F. of this NOFO.

Attachment 2. Rating Factor Certifications

In order to get points for Rating Factors 1 through 7 as provided for in Section V.A.1. of the NOFO, the PHA must provide a Rating Factor Certification. The certification must be provided as one attachment. The certification must be signed by the Executive Director, Chief Executive Officer, or individual of equivalent position of the PHA. The file must be no longer than 5 pages. A sample document that includes all required elements is included in the Appendix.

NOFO reviewers will only review rating criteria elements that have been identified in the Rating Factor Certification. Applicants must clearly identify where a NOFO reviewer may find the

applicable rating factor element by document name and page number. Please include specific page numbers and not a range (i.e., page 4, not page 4-8). Reviewers will only look at the document and page(s) identified in the Rating Factor Certification. The MOU must also identify the assistance being provided and state who will be providing such assistance. NOFO reviewers will be looking for specific language. For example, to qualify for points under Rating Factor 1: Housing Search Assistance in Low-poverty Census Tracts the NOFO provides that one of the following three activities must occur: neighborhood tours, unit viewings, or landlord introductions. An applicant will only be awarded points if one of the three items is listed. Alternative language will not be considered.

Guidance for Locating and Completing Forms.

General. The application consists of the "application download" and the "instructions download." Forms referred to as "electronic" and "attachments" are part of the application download at www.grants.gov.

Application for Federal Assistance (form SF-424)

Complete all required fields unless otherwise noted in the following instructions:

Field 2 - Social Security Number or Employer ID Number. Enter PHA code.

If the PHA will formally partner with another PHA (where the partner PHA(s) are not applying for FYI Competitive vouchers) to share vouchers awarded through this NOFO, need may be based on the shared jurisdiction. PHA agreements must be included in Attachment 3. If the need is greater than the HUD cap, PHAs should ask for total need.

G. through L. – Leave blank –.

The PCWA must contribute to the provision of data used in the Statement of Need. HUD strongly encourages incorporating data made available by third-party entities including the CoC to more fully identify community needs.

Note: HUD is notifying applicants that the content of an application may be used by HUD, HHS, or a HUD or HHS-approved contractor for the purpose of program evaluation and monitoring.

2. Format and Form.

Narratives and other attachments to your application must follow the following format guidelines.

_____ Pages maximum length of narratives

Other

1. File Name. Each document must be clearly labeled using the following structure [PHA Code_Name of Document (e.g., MOU, Statement of Need, etc.)_FYI Competitive]
2. Use 8-1/2 X 11-inch paper.

HUD recommends reviewing all submitted material prior to the NOFO deadline to ensure that applications are complete, including that attachments include all necessary pages, and are legible. During previous competitions, some applicants uploaded scanned attachments with missing pages or pages that were illegible, uploaded dated documents, or failed to upload required documents.

C. System for Award Management (SAM) and Unique Entity Identifier (UEI).

1. SAM Registration Requirement.

Applicants must be registered with <https://www.sam.gov/> before submitting their application. Applicants must maintain current information in SAM on immediate and highest-level owner and subsidiaries, as well as on all predecessors that have been awarded a federal contract or grant within the last three years, if applicable. Information in SAM must be current for all times during which the applicant has an active Federal award or an application or plan under consideration by HUD.

2. UEI Requirement.

Applicants must provide a valid UEI, registered and active at [/www.sam.gov/](https://www.sam.gov/) in the application. For more information, see: <https://www.gsa.gov/about-us/organization/federal-acquisition-service/office-of-systems-management/integrated-award-environment-iae/iae-systems-information-kit/unique-entity-identifier-update>.

The DUNS number remained the official identifier for doing business with the U.S. Government only until April 4, 2022. As of April 4, 2022, entities doing business with the federal government must use the Unique Entity Identifier created in SAM.gov.

3. Requirement to Register with Grants.gov.

Anyone planning to submit applications on behalf of an organization must register at grants.gov and be approved by the E-Biz POC in SAM to submit applications for the organization. Registration for SAM and grants.gov is a multi-step process and can take four (4) weeks or longer to complete if data issues arise. Applicants without a valid registration cannot apply through grants.gov. Complete registration instructions and guidance are provided on grants.gov.

D. Application Submission Dates and Times.

Application Due Date Explanation

The application deadline is 11:59:59 PM Eastern Standard time on

08/08/2022

Submit your application to Grants.gov unless a waiver has been issued allowing you to submit a paper application. Instructions for submitting your paper application will be contained in the waiver of electronic submission.

"Received by Grants.gov" means the applicant received a confirmation of receipt and an application tracking number from Grants.gov. Grants.gov then assigns an application tracking number and date-and timestamp each application upon successful receipt by the Grants.gov system. A submission attempt not resulting in confirmation of receipt and an application tracking number is not considered received by Grants.gov.

Applications received by Grants.gov must be validated by Grants.gov to be received by HUD.

"Validated by Grants.gov" means the application has been accepted and was not rejected with errors. You can track the status of your application by logging into Grants.gov, selecting "Applicants" from the top navigation, and selecting "Track my application" from the dropdown list. If the application status is "rejected with errors," you must correct the error(s) and resubmit the application before the 24-hour grace period ends. Applications in "rejected with errors" status after the 24-hour grace period expires will not be received by HUD. Visit Grants.gov for a complete description of processing steps after applying.

HUD strongly recommends you submit your applications at least **48 hours before the deadline** and during regular business hours to allow enough time to correct errors or overcome other problems.

Grants.gov Customer Support. Grants.gov provides customer support information on its website at <https://www.grants.gov/web/grants/support.html>. Applicants having difficulty accessing the application and instructions or having technical problems can receive customer support from Grants.gov by calling (800) 518-GRANTS (this is a toll-free number) or by sending an email to support@grants.gov. The customer support center is open 24 hours a day, seven days per week, except Federal holidays. The phone number above may also be reached by individuals who are deaf or hard of hearing, or who have speech disabilities, through the Federal Relay Service's teletype service at (800)-877-8339.

You can verify the contents of your submitted application to confirm Grants.gov received everything you intended to submit. To verify the contents of your submitted application:

- Log in to Grants.gov.
- Click the Check Application Status link, which appears under the Grant Applications heading in the Applicant Center page. This will take you to the Check Application Status page.
- Enter search criteria and a date range to narrow your search results.
- Click the Search button. To review your search results in Microsoft Excel, click the Export Data button.
- Review the Status column, to view more detailed submission information, click the Details link in the Actions column.
- To download the submitted application, click the Download link in the Actions column.

Please make note of the Grants.gov tracking number, it will be needed by the Grants.gov Help Desk if you seek their assistance.

HUD may extend the application deadline for any program if Grants.gov is offline or not available to applicants for at least 24 hours immediately prior to the deadline date, or the system is down for 24 hours or longer and impacts the ability of applicants to cure a submission deficiency within the grace period.

HUD may also extend the application deadline upon request if there is a presidentially declared disaster in the applicant's area.

If these events occur, HUD will post a notice on its website establishing the new, extended deadline for the affected applicants. HUD will also include the fact of the extension in the program's NOFO required to be published in the Federal Register.

In determining whether to grant a request for an extension based on a presidentially declared disaster, HUD will consider the totality of the circumstances including the date of an applicant's extension request (how closely it followed the basis for the extension), whether other applicants in the geographic area are similarly affected by the disaster, and how quickly power or services are restored to enable the applicant to submit its application.

PLEASE NOTE: Busy servers, slow processing, large file sizes, improper registration or password issues are not valid circumstances to extend the deadline dates or the grace period.

1. Amending or resubmitting an application.

Before the submission deadline, you may amend a validated application through Grants.gov by resubmitting a revised application containing the new or changed material. The resubmitted application must be received and validated by Grants.gov by the applicable deadline.

If HUD receives an original and a revised application for a single proposal, HUD will evaluate only the last submission received by Grants.gov before the deadline.

2. Grace Period for Grants.gov Submissions.

If your application is received by Grants.gov before the deadline, but is rejected with errors, you have a grace period of 24 hours after the application deadline to submit a corrected, received, and validated application through Grants.gov. The date and time stamp on the Grants.gov system determines the application receipt time. Any application submitted during the grace period not received and validated by Grants.gov will not be considered for funding. There is no grace period for paper applications.

3. Late Applications.

An application received after the NOFO deadline date that does not meet the Grace Period requirements will be marked late and will not be reviewed by HUD for funding consideration. Improper or expired registration and password issues are not sufficient cause to allow HUD to accept applications after the deadline date.

4. Corrections to Deficient Applications.

HUD will not consider information from applicants after the application deadline except for curable deficiencies.

HUD will uniformly notify applicants of each curable deficiency. See curable deficiency in the definitions section (Section I.A). Examples of curable (correctable) deficiencies include

inconsistencies in the funding request and failure to submit required certifications. These examples are non-exhaustive.

When HUD identifies a curable deficiency, HUD will notify the authorized organization representative identified on the SF-424 Application for Federal Assistance via email. This email is the official notification of a curable deficiency.

Applicants must email corrections of Curable Deficiencies to applicationsupport@hud.gov within the time limits specified in the notification. The time allowed to correct deficiencies will be no less than 48 hours and no more than 14 calendar days from the date of the email notification. The start of the cure period will be the date stamp on the email sent from HUD. If the deficiency cure deadline date falls on a Saturday, Sunday, Federal holiday, or on a day when HUD's Headquarters are closed, then the applicant's correction must be received on the next business day HUD Headquarters offices in Washington, DC are open.

The subject line of the email sent to applicationsupport@hud.gov must state: Technical Cure and include the Grants.gov application tracking number or the GrantSolutions application number (e.g., Subject: Technical Cure - GRANT123456 or Technical Cure - XXXXXXXXXXXXX). If this information is not included, HUD cannot match the response with the application under review and the application may be rejected due to the deficiency.

Corrections to a paper application must be sent in accordance with and to the address indicated in the notification of deficiency. HUD will treat a paper application submitted in accordance with a waiver of electronic application containing the wrong UEI/DUNS number as having a curable deficiency. Failure to correct the deficiency and meet the requirement to have a UEI/DUNS number and active registration in SAM will render the application ineligible for funding.

5. **Authoritative Versions of HUD NOFOs.** The version of these NOFOs as posted on Grants.gov are the official documents HUD uses to solicit applications.
6. **Exemptions.** Parties that believe the requirements of the NOFO would impose a substantial burden on the exercise of their religion should seek an exemption under the Religious Freedom Restoration Act (RFRA).

E. Intergovernmental Review.

This program is not subject to Executive Order 12372, Intergovernmental Review of Federal Programs.

F. Funding Restrictions.

No Restrictions

Indirect Cost Rate.

Statutory or regulatory restrictions Apply – ONLY if a statute or regulation imposes restrictions that are different from the indirect cost rate requirements in [2 CFR 200](#).

G. Other Submission Requirements.

Application, Assurances, Certifications and Disclosures.

Standard Form 424 (SF-424) Application for Federal Assistance is the government-wide form required to apply for Federal assistance programs, discretionary Federal grants, and other forms of financial assistance programs. Applicants for this Federal assistance program must submit all required forms in the SF-424 Family of forms, including SF-424B (Assurances of Non construction Programs) or SF-424D (Assurances for Construction Programs). Applications receiving funds for both non-construction programs and construction programs must submit both the SF-424B and SF-424D.

By signing the forms in the SF-424 either through electronic submission or in paper copy submission (for those granted a waiver), the applicant and the signing authorized organization representative affirm that they have reviewed the certifications and assurances associated with the application for Federal assistance and (1) are aware the submission of the SF-424 is an assertion that the relevant certifications and assurances are established and (2) acknowledge that the truthfulness of the certifications and assurances are material representations upon which HUD will rely when making an award to the applicant. If it is later determined the signing authorized organization representative to the application made a false certification or assurance, caused the submission of a false certification or assurance, or did not have the authority to make a legally binding commitment for the applicant, the applicant and the individual who signed the application may be subject to administrative, civil, or criminal action. Additionally, HUD may terminate the award to the applicant organization or pursue other available remedies. Each applicant is responsible for including the correct certifications and assurances with its application submission, including those applicable to all applicants, those applicable only to Federally recognized Indian tribes, or Alaskan native villages and those applicable to applicants other than federally recognized Indian tribes or Alaskan native villages.

Assurances.

By submitting your application, you provide assurances that, if selected to receive an award, you will comply with U.S. statutory and other requirements, including, but not limited to civil rights requirements. Upon receipt of an award, you, and any recipients and subrecipients of the award are also required to submit assurances of compliance with federal civil rights requirements. *See, e.g.,* Title VI of the Civil Rights Act of 1964, Title IX of the Education Amendments Act of 1972, Section 504 of the Rehabilitation Act of 1973, and the Age Discrimination Act of 1975; *see also* [24 C.F.R. §§ 1.5; 3.115; 8.50](#); and [146.25](#). HUD accepts these assurances in the form of the SF-424B and SF-424D, which also require compliance with all general federal nondiscrimination requirements in the administration of the grant.

V. Application Review Information.

A. Review Criteria.

1. Rating Factors.

In addition to meeting all of the threshold requirements of the NOFO, applicants can receive up to 100 points by addressing the rating criteria specified in this section.

The rating criteria that applicants receive will be used to rank the applicants for the purposes of funding.

The minimum score for an application to be considered for funding is 61 points. This does not automatically mean that a PHA that scores 61 points or greater will be funded.

Should HUD determine that not enough eligible applicants have scored at least 61 points, HUD may award funds to an applicant scoring below 61 points or choose to hold back some funding for a future NOFO. Given the limited funds available under this NOFO, HUD expects only the highest scoring applications will receive funds.

Applicants seeking rating factor points under the criteria specified in this section must submit a completed Rating Factor Certification described in section IV.B. of this NOFO. Providing this information is a threshold requirement and is necessary to aid the NOFO reviewer in identifying and scoring rating factor elements.

If information is not clearly identifiable to the NOFO reviewer, the reviewer will not search submitted documentation or request clarification from the applicant. For example, in the last FYI Competitive NOFA, some applicants submitted Rating Factor Certifications that cited to attachments that were not included, pages or content that did not exist, or to an entire document without specifying a precise page or pages that included the required information. For instance, if the information is located on page 8 of a document, it would not be acceptable to reference pages (5-10). It should be understood that the NOFO reviewer may not necessarily be a subject matter expert. As such, plain language that aligns with the language in the NOFO must be used.

The use of CoC Program assistance identified in the following Rating Factor elements is limited to FYI Competitive-eligible youth who are also CoC funding eligible.

| NOFO Rating Factors | | |
|----------------------------|--|-----------------------|
| Rating Factor | Category | Maximum Points |
| 1 | Housing Search Assistance in Low-Poverty Census Tracts | 14 |
| 2 | Financial Assistance | 20 |
| 3 | Previous Coordination | 10 |
| 4 | Post-Move Counseling | 8 |
| 5 | Youth Collaboration | 5 |
| 6 | Self-Sufficiency Programs | 18 |
| 7 | Third-Party Partnership | 15 |
| 8 | FYI Utilization | 10 |
| | Total | 100 |

Rating Factor 1: Housing search assistance in low-poverty census tracts

Maximum Points: 14

Scoring. Assign up to 14 points if housing search assistance will be provided in low-poverty census tracts. For the purpose of this NOFO, low-poverty census tracts are defined as having a poverty rate of 20 percent or less as determined in the most recent American Community Survey 5-Year Estimates. Poverty rates by census tract may be found at the following link: <https://www.huduser.gov/portal/maps/hcv /home.html>.

Each of the following activities in a low-poverty census tract is worth 7 points: neighborhood tours, unit viewings, or landlord introductions. The activity must be offered to all FYI Competitive-eligible youth and be identified in the MOU.

A cumulative maximum of 14 points will be awarded under this category. This means the PHA may only receive points for up to two of the three activities listed above.

Documentation. To receive points for this rating criteria, applicants must include this rating criteria element in the MOU and identify it in the Rating Factor Certification. The Rating Factor Certification must provide responses to the following:

Question 1. Will housing search assistance in low-poverty census tracts be made available to FYI Competitive participants? **(Yes or No) (If No, skip to next Rating Factor.)**

Question 2. Which of the following activity(ies) will be offered in low-poverty census tracts as identified in the MOU? **(Neighborhood tours, unit viewings, or landlord introductions)**

Question 3. Does the MOU specify which housing search assistance will be provided and the organization/agency providing the assistance? **(Yes or No) (If No, skip to next Rating Factor.)**

Question 4. Where is the information located? Identify the page number(s) in the MOU where this information is included. The page number should reference the location in the MOU that includes the housing search assistance element(s) identified in Question 2. No points will be provided where the MOU does not cite to at least one of the housing search assistance activities. For example, an MOU that says that youth will receive a list of landlords does not meet the requirement of providing landlord introductions. The MOU would have to say that landlord introductions will be provided and identify who will be providing the assistance.

Rating Factor 2. Financial assistance

Maximum Points: 20

Scoring. Assign up to 20 points if the PHA, PCWA, or third-party entity provides, funds, or otherwise makes available financial assistance resources to assist FYI Competitive-eligible youth to lease-up with an FYI Competitive voucher. Eligible financial assistance activities are: 1) moving cost assistance, 2) security deposit assistance, or 3) utility startup (including utility arrears). Each activity is worth 10 points.

The activity must be offered to all FYI Competitive-eligible youth and be identified in the MOU.

A cumulative maximum of 20 points will be awarded under this category. This means the PHA may only receive points for up to two of the three activities listed above.

Documentation. To receive points, this rating criteria element must be included in the MOU and identified in the Rating Factor Certification. The Rating Factor Certification must provide responses to the following:

Question 1. Will financial resources be made available to assist FYI Competitive-eligible youth lease-up with a FYI Competitive voucher? **(Yes or No) (If No, skip to next Rating Factor.)**

Question 2. Which of the following forms of financial assistance will be provided? **(Moving cost assistance, security deposit assistance, or utility start up (including utility arrears))**

Question 3. Does the MOU specify which assistance will be provided and the organization/agency providing the financial assistance? **(Yes or No) (If No, skip to next Rating Factor.)**

Question 4. Where is the information located? Identify the page number(s) in the MOU where this information is included. The page number should reference the location in the MOU that

includes the financial assistance element(s) identified in Question 2. No points will be provided where the MOU does not cite to at least one of the financial assistance activities. For example, an MOU that says that youth will receive moving assistance does not meet the requirement. The MOU would have to say that moving cost assistance will be provided and identify who will be providing the moving cost assistance.

Rating Factor 3. Previous Coordination

Maximum Points: 10

Scoring. Assign 10 points if the PHA and/or PCWA can demonstrate recent cross-program coordination with a local CoC, or a CoC recipient it designates.

- To receive 10 points, evidence of an established agreement between the PHA or PCWA and the CoC or a CoC recipient it designates to receive referrals from the local coordinated entry system.

A maximum of 10 points will be awarded under this category.

Documentation. To receive points, this rating criteria element must include the required documentation and be identified in the Rating Factor Certification. The Rating Factor Certification must provide responses to the following:

Question 1. Can the PHA and/or PCWA demonstrate recent cross-program coordination with a local CoC? **(Yes or No) (If No, skip to next Rating Factor.)**

Question 2. Is recent cross-program coordination in the form of an established agreement between the PHA or PCWA, and the CoC to receive referrals from the local coordinated entry system? **(Established agreement between the PHA or PCWA and the CoC to receive referrals from the local coordinated entry system) (If no, skip to next Rating Factor.)**

Question 3. Where is the information located? Identify the document and page number(s) where this information is included.

Evidence of an established agreement between the PHA or PCWA and the CoC, or a CoC recipient it designates, must be in the form of an executed MOU, signed certification from both parties, or an excerpt from a PHA or PCWA's policy document that describes the process. The agreement must have been established prior to the publication of this NOFO.

Rating Factor 4. Post-move counseling

Maximum Points: 8

Scoring. Assign up to 8 points if the PHA, PCWA, or third-party entity, provides, funds, or otherwise makes available post-move counseling to FYI Competitive-eligible youth. Post-move counseling includes: 1) subsequent-move counseling if the youth decides to move a second time, or 2) landlord-tenant mediation. Each activity is worth 4 points.

The activity must be offered to all FYI Competitive-eligible youth and be identified in the MOU.

A cumulative maximum of 8 points will be awarded under this category.

Documentation. To receive points, this rating criteria element must be included in the MOU and identified in the Rating Factor Certification. The Rating Factor Certification must provide responses to the following:

Question 1. Will post-move counseling be made available to FYI Competitive-eligible youth? **(Yes or No) (If No, skip to next Rating Factor.)**

Question 2. Which of the following forms of post-move counseling will be provided? **(Subsequent-move counseling if the youth decides to move a second time, and/or landlord-tenant mediation.)**

Question 3. Does the MOU specify which type of post-move counseling assistance that will be provided and the organization/agency providing the assistance? **(Yes or No) (If No, skip to next Rating Factor.)**

Question 4. Where is the information located? Identify the page number(s) in the MOU where this information is included. The page number should reference the location in the MOU that includes the post-move counseling element(s) identified in Question 2. No points will be provided where the MOU does not cite to the post-move counseling. For example, an MOU that says that youth will receive post-move counseling does not meet the requirement. The MOU would have to say the type of post-move counseling that will be provided and identify who will be providing the post-move counseling.

Rating Factor 5. Youth Collaboration

Maximum Points: 5

Scoring. Assign up to 5 points if youth with lived experiences (youth that are homeless or formerly homeless and are in foster care or left foster care) will be integrated into the rollout and/or ongoing administration of the FYI Competitive program. Youth voice is a crucial component to addressing and ending youth homelessness. To receive points under this category the applicant must demonstrate how youth with lived experience will be integrated into the rollout and/or ongoing administration of the FYI Competitive program.

A maximum of 5 points will be awarded under this category.

Documentation. In the Rating Factor Certification, applicants must provide brief (less than one half of a page response to the following question.

In which activities will youth with lived experience participate in to further their integration in the rollout and/or ongoing administration of the FYI Competitive program? **(If not applicable, skip to next Rating Factor.)**

Rating Factor 6. Self-sufficiency Programs

Maximum Points: 18

Scoring. Assign up to 18 points if the PHA administers the HUD Family Self-Sufficiency (FSS) program, or similar program promoting self-sufficiency, that is active at the time of application. A similar program promoting self-sufficiency refers to a self-sufficiency program that promotes the development of local strategies to coordinate the use of assistance under the HCV program with public and private resources to enable participating youth to increase earned

income and financial literacy, reduce or eliminate the need for welfare assistance, and make progress toward economic independence and self-sufficiency.

To receive 18 points, the PHA must have current targeted policies or proposed strategies to encourage enrollment of eligible youth.

The policy or proposed strategy must be specific to eligible youth. For example, a response that all HCV participants are informed about the FSS program is not sufficient. The policy or proposed strategy must be youth-friendly.

A maximum of 18 points will be awarded under this category.

Documentation. To receive points, this rating criteria element must include the required documentation and be identified in the Rating Factor Certification. The Rating Factor Certification must provide responses to the following:

Question 1. Does the PHA have current targeted policies or proposed strategies to encourage enrollment of eligible youth in a Family Self-Sufficiency program or similar program? **(Yes or No) (If No, skip to next Rating Factor.)**

Question 2. Are the targeted policies existing, proposed, or a combination of the two (e.g., existing policies to encourage enrollment of eligible youth and proposed strategies to encourage enrollment of FYI Competitive-eligible youth)? **(Existing, proposed, or a combination of the two (if combination, explain))**

Question 3. If proposed, is the PHA certifying to adoption of the targeted strategies within three months of being awarded vouchers under the NOFO? **(Yes or Not Applicable/current policy) (If proposed and there is no certification, skip to next Rating Factor.)**

Question 4. Identify the document (e.g., policy excerpt, pamphlet, policy proposal description, etc.) and page number(s) where this information is included. This should identify the specific policies to encourage enrollment of eligible youth.

Rating Factor 7. Third-Party Partnership

Maximum Points: 15

Scoring. A maximum of 15 points is available for this rating criteria.

Assign up to 15 points (5 points for each example) where a third-party, such as a State, local, philanthropic, faith-based organization, or local Continuum of Care, or CoC recipient it designates has committed to providing at least one of the required supportive services located in Section III.F.5. of this NOFO and will be a party to the MOU. The supportive services must be provided for a period of 36 months.

1. Basic life skills information/counseling on money management, use of credit, housekeeping, proper nutrition/meal preparation; and access to health care (e.g., doctors,

medication, and mental and behavioral health services); while ensuring youth understand such services are voluntary.

2. Counseling on compliance with rental lease requirements and with HCV program participant requirements, including assistance/referrals for assistance on security deposits, utility hook-up fees, and utility deposits.
3. Providing such assurances to owners of rental property as are reasonable and necessary to assist a FUP-eligible youth to rent a unit with a FYI voucher.
4. Job preparation and attainment counseling (e.g., where to look/how to apply, dress, grooming, and relationships with supervisory personnel, etc.).
5. Educational and career advancement counseling regarding attainment of general equivalency diploma (GED); attendance/financing of education at a technical school, trade school or college; including successful work ethic and attitude models.

A maximum of 15 points will be awarded under this category.

Documentation. To receive 15 points for commitment of supportive services by a third-party, this rating criteria element must be included in the MOU and identified in the Rating Factor Certification. The Rating Factor Certification must provide responses to the following:

Question 1: Did a third-party, such as a State, local, government, philanthropic, or faith-based organization, or local Continuum of Care, or CoC recipient it designates commit to providing at least one of the required supportive services for 36 months (Section III.F.5.) and will be a party to the MOU? **(Yes or No), (If Yes, move to question 2.) (If no, stop.)**

Question 2: Identify the State, local, philanthropic, faith-based organization, or local Continuum of Care, or CoC recipient it designates that has committed to provide at least one of the required supportive services for 36 months. Name the supportive service.

Question 3: On what page of the MOU is this information included? (The organization, supportive service to be provided, and duration of the supportive service must be identified in the MOU.)

Rating Factor 8. FYI Utilization

Maximum Points: 10

Scoring: Assign 10 points if the PHA certifies that it administers more than five FYI vouchers awarded under a prior federal fiscal year (s) and has an FYI utilization of at least 90 percent as of April 7, 2022.

OR

Assign 10 points if PHA certifies that it administers five or fewer FYI vouchers awarded under a prior federal fiscal year (s) and has an FYI utilization of at least 50 percent as of April 7, 2022.

A maximum of 10 points will be awarded under this category.

Documentation. In the Rating Factor Certification, applicant must adopt and certify to one of the two statements above and update it accordingly to reflect the PHA's FYI utilization.

2. Other Factors.

This program does not offer points for Section 3.

Preference Points

HUD encourages activities in support of the interdepartmental initiatives. HUD may award no more than four total preference points for a combination of any of the four (4) preferences (Climate Change, Environmental Justice, Promise Zones (PZ) or Historically Black Colleges and Universities (HBCU). Each preference is worth up to two (2) points. For example, points may be awarded for Climate Change and Environmental Justice, or for Promise Zones and HBCUs.

HBCU.

This program does not offer HCBU preference points.

Promise Zones

This program does not offer Promise Zone preference points.

B. Review and Selection Process.

1. Past Performance

In evaluating applications for funding, HUD will consider an applicant's past performance in managing funds. Items HUD will consider include, but are not limited to:

The ability to account for funds in compliance with applicable reporting and recordkeeping requirements;

Timely use of funds received from HUD;

Timely submission and quality of reports submitted to HUD;

Meeting program requirements;

Meeting performance targets as established in the grant agreement;

The applicant's organizational capacity, including staffing structures and capabilities;

Timely completion of activities and receipt and expenditure of promised matching or leveraged funds;

The number of persons served or targeted for assistance;

HUD may reduce scores based on the past performance review, as specified under V.A. Review Criteria. Whenever possible, HUD will obtain past performance information. If this review results in an adverse finding related to integrity of performance, HUD reserves the right to take any of the remedies provided in Section III E., Statutory and Regulatory Requirements Affecting Eligibility, "[Pre-selection Review of Performance](#)".

2. Assessing Applicant Risk.

In evaluating risks posed by applicants, HUD may use a risk-based approach and may consider any items such as the following:

- Financial stability;
- Quality of management systems and ability to meet the management standards prescribed in this part;
- History of performance. The applicant's record in managing Federal awards, if it is a prior recipient of Federal awards, including timeliness of compliance with applicable reporting requirements, failing to make significant progress in a timely manner, failing to meet planned activities in a timely manner, conformance to the terms and conditions of previous Federal awards, and if applicable, the extent to which any previously awarded amounts will be expended prior to future awards;
- Reports and findings from audits performed under Subpart F—Audit Requirements of this part or the reports and findings of any other available audits; and
- The applicant's ability to effectively implement statutory, regulatory, or other requirements imposed on non-Federal entities.

VI. Award Administration Information.

A. Award Notices.

Following the evaluation process, HUD will notify successful applicants of their selection for funding. HUD will also notify other applicants, whose applications were received by the deadline, but have not been chosen for award. Notifications will be sent by email to the person listed as the AOR in item 21 of the SF-424.

Final Grant. After HUD has made selections, HUD will finalize specific terms of the award and budget in consultation with the selected applicant. If HUD and the selected applicant do not finalize the terms and conditions of the award in a timely manner, or the selected applicant fails to provide requested information, an award will not be made to that applicant. In this case, HUD may select another eligible applicant.

HUD may impose specific conditions on an award as provided under [2 CFR 200.208](#):

- Based on HUD's review of the applicant's risk under [2 CFR 200.206](#);
- When the applicant or recipient has a history of failure to comply with the general or specific terms and conditions of a Federal award;
- When the applicant or recipient fails to meet expected performance goals contained in a federal award; or
- When the applicant or recipient is not otherwise responsible.

Adjustments to Funding. To ensure the fair distribution of funds and enable the purposes or requirements of a specific program to be met, HUD reserves the right to fund less than the amount requested in an application.

a. HUD will fund no portion of an application that:

- (1) Is not eligible for funding under applicable statutory or regulatory requirements;
- (2) Does not meet the requirements of this notice; or
- (3) Duplicates other funded programs or activities from prior year awards or other selected applicants.

b. If funds are available after funding the highest-ranking application, HUD may fund all or

part of another eligible fundable application. If an applicant turns down an award offer, or if HUD and an applicant do not finalize the terms and conditions of the award in a timely manner, HUD may withdraw the award offer and make an offer of funding to another eligible application.

c. If funds remain after all selections have been made, remaining funds may be made available within the current FY for other competitions within the program area, or be held for future competitions, or be used as otherwise provided by authorizing statute or appropriation.

d. If, after announcement of awards made under the current NOFO, additional funds become available either through the current appropriations, a supplemental appropriation, other appropriations or recapture of funds, HUD may use the additional funds to provide additional funding to an applicant awarded less than the requested amount of funds to make the full award, and/or to fund additional applicants that were eligible to receive an award but for which there were no funds available.

Funding Errors. If HUD commits an error that when corrected would cause selection of an applicant during the funding round of a Program NOFO, HUD may select that applicant for funding, subject to the availability of funds. If funding is not available to award in the current fiscal year, HUD may make an award to this applicant during the next fiscal year, if funding is available.

Project-based assistance is subject to the environmental review provisions at 24 CFR 983.58 and 983.153(b). The PHA may not enter into an Agreement or HAP contract with an owner, and the PHA, the owner, and its contractors may not acquire, rehabilitate, convert, lease, repair, dispose of, demolish, or construct real property or commit or expend program or local funds for PBV activities under 24 CFR part 983, until one of the following occurs: (1) the responsible entity has completed the environmental review procedures required by 24 CFR part 58, and HUD has approved the environmental certification and given a release of funds, as defined in §983.3(b); (2) the responsible entity has determined that the project to be assisted is exempt under 24 CFR 58.34 or is categorically excluded and not subject to compliance with environmental laws under 24 CFR 58.35(b); or (3) HUD has performed an environmental review under 24 CFR part 50 and has notified the PHA in writing of environmental approval of the site.

In accordance with 24 CFR 50.19(b)(11) and 58.35(b)(1) of the HUD regulations, tenant-based rental activities under this program are categorically excluded from the requirements of the National Environmental Policy Act of 1969 (NEPA) and are not subject to environmental review under the related laws and authorities.

Activities under the home ownership option of this program are categorically excluded from NEPA requirements and excluded from other environmental requirements under 24 CFR 58.5, when assistance is provided for purchase of existing dwelling units or dwelling units under construction, in accordance with 24 CFR 58.35(b)(5), but PHAs are responsible for the environmental requirements in 24 CFR 982.626(c).

Regarding activities under the home ownership option for units not yet under construction at the time the family enters into the contract for sale, the additional environmental review requirements referenced in 24 CFR Sections 982.628(e), 982.631(c) (3) and 982.637(b) also apply in addition to Section 982.626(c), and the PHA shall submit all relevant environmental information to the responsible entity or to HUD to assist in the completion of those requirements.

Remedies for Noncompliance

2. Race, Ethnicity and Other Data Reporting. HUD requires recipients that provide HUD-funded program benefits to individuals or families to report data on the race, color, religion, sex, national origin, age, disability, and family characteristics of persons and households who are applicants for, participants in, or beneficiaries or potential beneficiaries of HUD programs in order to carry out the Department's responsibilities under the Fair Housing Act, Executive Order 11063, Title VI of the Civil Rights Act of 1964, and Section 562 of the Housing and Community Development Act of 1987.
