

**FY 2022
Veterans Housing Rehabilitation and Modification Pilot Program
Awardee Project Summaries**

Awardee	Award Amount
Habitat for Humanity International, Incorporated (Americus, Georgia)	\$1,000,000
Rebuilding Together, Incorporated (Washington, D.C.)	\$1,000,000
Coalition for Home Repair (Jonesborough, Tennessee)	\$1,000,000
Habitat for Humanity of Michigan (Lansing, Michigan)	\$1,000,000
Family and Community Services, Incorporated (Ravenna, Ohio)	\$1,000,000
TOTAL	\$5,000,000

Habitat for Humanity International, Incorporated will receive a Veterans Housing and Modification Pilot Program (VHRMP) grant award in the amount of \$1,000,000. The organization’s match for this project is \$500,000. In addition, \$200,000 will be leveraged. Located in Americus, Georgia, Habitat is a private, non-profit, ecumenical Christian organization that has helped affiliates build and rehabilitate more than 198,000 affordable homeownership housing units in partnership with low-income people in the United States since 1976. Habitat’s mission is carried out locally throughout the nation by approximately 1,141 affiliates that operate within a specific geographic service area. In 2013, Habitat established a veterans department to provide a greater focus on assisting low-income veterans through new homes, rehabilitation, or repairs. Funding from this grant will be used by affiliates to modify and repair homes for 80 eligible veterans.

Rebuilding Together, Incorporated will receive a VHRMP grant award in the amount of \$1,000,000. The organization’s match for this project is \$500,934. In addition, \$507,680 will be leveraged. Rebuilding Together is a national nonprofit organization headquartered in Washington, D.C. with over 34 years of experience in home rehabilitation and community revitalization including an existing veterans housing initiative. The organization has a network of 119 affiliated nonprofit organizations in 38 states and the District of Columbia carrying out housing rehabilitation and modification activities benefitting low-income persons, including military veterans and persons with disabilities. Rebuilding Together affiliates carry out these services at the local level. Funding from this grant will be used by affiliates to modify and repair homes for at least 40 eligible veterans nationwide.

Coalition for Home Repair will receive a VHRMP grant award in the amount of \$1,000,000 in support of the Operation Safe Homes Initiative. The organization’s match for this award is \$500,000 with an additional \$200,000 in leverage. The organization will use the award to modify and rehabilitate the homes of 80 low-income and disabled veterans

nationwide. Working with its member organizations, Coalition for Home Repair will serve eligible veterans in rural and urban communities, Appalachia, Native Reservations, and the Mississippi Delta. Home modification and rehabilitation projects will include accessibility modifications, safety features installation, major home repairs, energy efficient improvements, and projects related to making homes healthier.

Habitat for Humanity of Michigan, located in Lansing, Michigan, will receive a VHRMP grant award in the amount of \$1,000,000. The organization's match for this project is \$680,000 and \$750,067 in leverage. The Michigan nonprofit, incorporated in 1993, provides education, technical assistance, and financial resources to Habitat affiliate offices statewide. The organization will work with 80 low-income and disabled veterans to make necessary critical interior and exterior housing modification, rehabilitation, and repairs over the three-year project period. The types of rehabilitation and modifications needed will vary by individual household situations and will include accessibility modifications to enable long-term aging in place, as well as critical home repairs required to ensure health, safety, energy efficiency, and affordability.

Family and Community Services, Incorporated will receive a VHRMP grant award in the amount of \$1,000,000. The nonprofit's match for this award is \$500,000. Family and Community Services, one of Ohio's largest nonprofits, will work with Ride with Valor to modify and rehabilitate the homes of at least 50 low-income and disabled veterans throughout the state. Projects will include roof and window replacement, widening of interior and exterior doorways, heating, ventilation and air conditioning system upgrades, electrical and plumbing updates as well as the installation of energy efficient appliances and wheelchair ramps.
