Negotiated Rulemaking Committee Requests for Information

Last Update: October 28, 2003

Requests for information are submitted to the Workgroup Chairperson or Commitee Chairperson, and then are submitted to any member of the HUD team. Requests are posted here as PDF files in the order in which they are received. When the information has been collected it is posted on this site with the original request. The original request is also annotated with any necessary explanation.

Seattle, June 2003				
Request No.	Submitted by	Topic	Response	Completed
[Request 1](#)	Wagenlander	Removal of CAS over 15 years	[Allocation Comparisons](#)	6/23
[Request 2](#)	Sawyers	Formula with no CAS and 2 Need Variables	[Comparisons](#)	6/23
[Request 3](#)	Heisterkamp	Review of Vacancy, bedroom counts, and housing conditions	Tribes with vacancy < 5% distributed in Seattle, [Bedroom](#) Counts, Selected Housing [Conditions](#)	Bedrooms 6/23 Selected Conditions 6/30
[Request 4](#)	Denson	TDC and Geographic Multiplier	TDCs for Tribes are in Briefing Books 2 & 3. See [Note on Averages](#). Table showing [Base Need and Adjustment](#) by TDC based multiplier	Completed in Seattle 6/19
[Request 5](#)	Sawyers	TDC and Geographic Multiplier	Table showing [Base Need and Adjustment](#) by TDC based multiplier also applies here	Completed in Seattle, 6/19
[Request 6](#)	Jacobsen	CPI	No data is available to represent local inflation for all Tribes. The CPI value is obtained from the Bureau of Labor Statistics web page: http://www.bls.gov/data/home.htm. These are national values.	Completed in Seattle, 6/20
[Request 7](#)	Bush	TDSA & Census definitions of geography	[2000 Census Definitions](#) of Geography	Completed in Seattle, 6/20
			Summary Comments,	

Request 8	Hutchings	ANVSA, CPD, and TDSA	1990 Census definitions of geographic entities, 2000 Census definitions of geography, Three Groups of ANVSAs in the Census	6/30 7/6
Request 9	Tillinghost	Section 8 Formula Change	Allocation Comparisons	6/24
Request 10	Humphrey	TDSAs, Balance Areas in Formula Areas	Tribes with TDSA Designation, Balance Areas in 1998 & 2003, Formula Area Submissions and Actions, 1998-2003	TDSA 6/25 Formula Area 7/2
Request 11	Bush	TDC as minimum funding level, County Vacancy rates	Allocation Comparison, County Vacancy computed for the balance of county when county has tribal land	6/2, 7/10
Request 12	Ducheneaux	Name of all Tribes, IHBG allocation, and total enrollment	Information is contained in Briefing Books 2 & 3 A listing containing only the requested items is now available.	6/20, 9/2
Request 13	Sawyers	TDC	Request for detailed information on TDC calculation was covered in Handout 32 at the meeting.	6/19
Request 14	Sceeles	Formula Area	Email Response provided by HUD	9/15
Request 15	Reed	CAS AEL FMR Multiplier	Listing of AEL/FMR - this was handed out in Seattle, format is revised to show counts	6/26 7/09 format revision
Request 16	Sceeles	Harvard Study Appendix E	PDF files of Operating Cost Study, All Appendices, and Appendix E	6/27
Request 17	Hutchings	ANVSA in 1980 Census, Tribal challenges of Census	Jamie Rosenson, Geography Division, Bureau of the Census, responded to the questions submitted by Jim Anderson. Census Bureau attachment	7/14
Request 18	Sawyers	Formula Run with three need variables	Allocation with three variables for need: persons, HH<30, and HH30-80 is compared to allocation with two variables: HH<30 and HH30-80. Both are compared to the base allocation of the FY 2003 calculations with Census 2000 data for all need variables. There are Area Office, State, and Tribe Comparisons.	9/2
		Copy of Special Tabulation Data	Special Tabulation of Housing and Income Variables in Census 2000. Since receiving this file from	

[Request 19](#)	Harjo	for the 6 HH variables in the formula	Census HUD has been matching it to the 1990 Census geographies used in the Formula. This has revealed new counties, new tribal area, new OTSAs, etc.	10/28
[All Seattle Requests](#)	This file contains copies of all NegReg Blue Sheets received in Seattle			
	[BIA Labor Force Report, 2001](#) (very large PDF file)			
	[Blank Request Form](#)

Negotiated Rulemaking Committee Requests for Information

Last Update: October 30, 2003

Requests for information are submitted to the Workgroup Chairperson or Committee Chairperson, and then are submitted to any member of the HUD team. Requests are posted here as PDF files in the order in which they are received. When the information has been collected it is posted on this site with the original request. The original request is also annotated with any necessary explanation.

Denver, July 14 -17, 2003				
Request No.	Submitted by	Topic	Response	Completed
	Requests 20-39 were received in Denver.			
Request 20	Larry Coyle	Section 8 inflation factor	Distributed in Denver	7/14/03
Request 21	Jason Adams	Allocation comparison with AELA minimum Set to 1.00	Distributed in Denver	7/14/03
Request 22	Rebecca Kidder	Amount of unclaimed grants and repayments	Documents 44 and 46, distributed during the second Denver meeting	5/30/03
Request 23	Rebecca Kidder	Comparison of three minimum funding alternatives to current $50K in year 1 and $0K in succeeding years: 1) tribes TDC, 2) 2 times tribes TDC, and 3) TDC for tribes > 15HH or 40 persons	Distributed in Denver	7/14/03
Request 24	Bob Carlile	List of all tribes in Oklahoma	Distributed in Denver	7/14/03
Request 25	Bruce La Pointe	Information about Alaska region	Alaska became a full service Office in 1975. The Office of Indian Programs was established in 1981, however	7/15/03

			the historical data requested on funding is not available.	
[Request 26](#)	Wayne Scribner	CAS and NEED comparisons with AELA minimum set to 1.00 after calculation of NFMRAEL	[Distributed in Denver](#)	7/15/03
[Request 27](#)	Rebecca Kidder	a) Tribes with Need less than TDC b) Tribes with Need less than 50K c) Tribes with Final Grant less than 50K	[Distributed in Denver](#)	7/15/03
[Request 28](#)	Bob Carlile	Oklahoma joint use areas and census procedure for OTSAs	[Distributed in Denver](#)	7/15/03
[Request 29](#)	Rebecca Kidder	Comparison of three minimum funding alternatives to current $50K in year 1 and $0K in succeeding years: 1) Need minimum 0.015%, 2) Grant minimum 0.015%, and 3) Need minimum 0.015% and grant limit 10% of total	[Distributed in Denver](#)	7/16/03
[Request 30](#)	Eugina R Hobucket	Grant comparison with Section 8 units removed	[Distributed in Denver](#)	7/16/03
[Request 31](#)	Larry Coyle	Grant comparison with 0 % inflation for Section 8	[Distributed in Denver](#)	7/16/03
[Request 32](#)	Jim Wagenlander, Rebecca Kidder	Projected CAS counts	[Projected CAS Comparisons](#) with AELA minimum set to 1.00 after calculation of NFMRAEL	7/16/03 (Revised 10/29/03)
[Request 33](#)	Bruce La Pointe	Grant comparison with 100K minimum	[Distributed in Denver](#)	7/17/03
			1) [BIA](#) data by tribe,	

Request 34	Laura Harjo	List of census and BIA data by tribes, Census Tribal affiliation data, and comparisons for dividing overlapping areas.	2) Census data by formula area geography 3) Tribal Affiliation table for the nation. 4) Comparison of using BIA Enrollment and BIA Service Area data for dividing overlapping areas.	9/15/03
Request 35	Steve Hutchings	Grant comparison with changes in weighting of Need variables	Comparisons of FY 2003 allocation using multiple race Census 2000 data for all Need variables with two allocations using different Need variable weights: Area Office summary, State summary, Tribe summary.	8/30/03
Request 36	Bruce La Pointe, Phil Bush	FY2003 Grant of the State Recognized Tribes	Distributed in Denver	7/17/03
Request 37	Rebecca Kidder	Grant comparison	Grant Comparison: Local Median Income vs NAHASDA Median Income	9/23/03
Request 38	Eugina R Hobucket	Policy for reviewing population cap increase	Population Cap Policy	9/3/03
Request 39	Tim Humphrey	Draft of a form for formula area expansion requests	This request cannot be completed until the Committee reaches consensus on new definition of Formula Area. The attached is a form based upon the current Formula Response Form	

			and based on the present definition of Formula Area.

Negotiated Rulemaking Committee Requests for Information

Last Update: November 12, 2003

Requests for information are submitted to the Workgroup Chairperson or Committee Chairperson, and then are submitted to any member of the HUD team. Requests are posted here as PDF files in the order in which they are received. When the information has been collected it is posted on this site with the original request. The original request is also annotated with any necessary explanation.

Washington D.C., August 18-21, 2003				
Comparison of Allocation based on FY 2003 data with an Allocation Using Census 2000 Multiple Race Values for All Need Variables				
Comparison of an Allocation based on FY 2003 data Using Census 2000 Multiple Race Values for All Need Variables with an Allocation Using AIAN Only Values for All Need Variables				
Request No.	Submitted by	Topic	Response	Completed
Request 40	Kazama	Calculation IHBG Allocation with Census 2000 data and adjust AEL to national average, revision of Request 26	CAS and NEED Comparisons with AELA Minimum Set to 1.00 (Census 2000)	September 2, 2003
Request 41	Tooley	Request for comparison of allocations based upon local median income, national median income, and the higher of these two for	Grant Comparison: Local Median Income vs NAHASDA Median Income	September 23, 2003

		each Tribe		
Request 42	Tooley	Affect of Housing Shortage Variable	Allocation Comparison, Notes on column titles	August 20, 2003
Request 43	Marasco	The list of CAS and NEED work group documents.	This information is available on the internet at www.codetalk.fed.us/NegReg.htm	August 19, 2003
Request 44	Doty	Multiple Allocation Runs varying $ minimum of need from $25K to $175K, with 4 FCAS Grant conditions	Comparison for 5 of the possible 28 Alternatives for Minimum Need Funding, FY 2003 Allocation based on Census 2000 Multiple Race Data as of 8/19/03	September 10, 2003
Request 45	Doty	Comparison of Allocations based on AIAN only data	Comparison of an Allocation Using Census 2000 Multiple Race Values for All Need Variables with an Allocation Using AIAN Only Values for All Need Variables	August 21, 2003, Revised August 27, 2003
Request 46	Gore	Listing of BIA Data	BIA data from four Labor Force Reports: 1995, 1997, 1999, and 2001. Since the Labor Force Report has been mandated by the Public Law 102-477 (1992), 1990 data is not available.	August 21, 2003, Revised October 10, 2003
Request 47	Tooley	The request asks for the number of tribes with, < 250 units in 1996, that had $0 modernization	Listing of Tribes and IHAs that had < 250 units in 1996 and then of those a count of Tribes with no modernization subsidy. Note, this list includes some Tribes that had 0 units in 1996 and continue to have 0 units in 2003.	August 20, 2003

		subsidy		
Request 48	Naize	Allocation run using multiple race data, but adjusting the weights to: AIAN, .14; HH<30, .15; HH30-50, .08; HH50-80, .08; Overcrowd, .25; w/o kitchen .20; Cost burden .10; Shortage - drop	Need and Grant Comparison: Housing Shortage removed, w/o Kitchen/Plumbing separated from Overcrowding, all Need variables reweighted.	September 24, 2003
Request 49	Ducheneaux	Reduction of Need Variable to Four, with Equal Weights	NEED Variable Weights Set to AIAN = .25, HH30 = .25, HH3050 = .25, HH5080 = .25	August 21, 2003
Request 50	Southerland	Percent of Native Americans with severe housing needs in IHBG Formula Areas by Region	Table of need variables by regions showing counts, and proportions.	November 12, 2003
Request 51	Sawyers	CIAP Averages for Small Tribes (FY 1992-97) and FY 2003 Modernization Subsidy	List of IHAs	August 25, 2003
		Allocation based upon	NEED Variable Weights Set to	

Request 52	LaPointe	changed weighting of Need variables	AIAN = .11, HH30 = .29, HH3050 = .25, HH5080 = .15, Overcrowd = .20	September 2, 2003
Request 53	Sawyers/Heisterkamp	Allocation based on three Need variables with equal weight	NEED Variable Weights Set to HH30 = .333, HH3050 = .333, HH5080 = .333	September 2, 2003
Request 54	Harjo	A table of I.H.S. birth and death rates used to project annual AI/AN population count. Provide this at the smallest geographic level and provide information on IHS contact.	EXCEL spreadsheet of IHS data by county IHS Contact is JoAnn Pappalardo, Acting Director, Division of Program Statistics, at 301- 443-1180	September 15, 2003
Request 55	Kazama	AIAN single race data variables for all tribes	Single Race Comparison, revised using FY2004 data.	September 19, 2003, Revised September 24, 2003
	Blank Request Form

Negotiated Rulemaking Committee Requests for Information

Last Update: January 5, 2004

Requests for information are submitted to the Workgroup Chairperson or Committee Chairperson, and then are submitted to any member of the HUD team. Requests are posted here as PDF files in the order in which they are received. When the information has been collected it is posted on this site with the original request. The original request is also annotated with any necessary explanation.

Washington D.C., September 22-25, 2003				
Request No.	Submitted by	Topic	Response	Completed
Request 56	Phil Bush	Allocation run with minimum Need of .0002 of the total fund.	Revised FY2004 Estimate Data with minimum Need Funding of .02% of Available Funds, except tribes with 0 HH < 80% Median, Yr 1 = $50K, and if CAS > $500K, then No Minimum.	9/25/03
Request 57	Phil Bush	Allocation run with minimum Need of .0002 of the total fund. No effect on the tribes with 250K or less total grant.	Revised FY2004 Estimate Data with minimum Need Funding of .02% of Available Funds, except tribes with 0 HH < 80% Median, and Yr 1 = $50K. If CAS > $500K, then No Minimum, and if Grant < $250K, No Reduction.	9/25/03
Request 58	Jennie Greene	List of tribes that received minimum Need funding	Comparison of FY98 – FY03 final Needs funding	9/24/03
Request 59	Rebecca Kidder	Rerun request 44 using 2000 census data	Revised request 44. Run #5.	9/25/03

Request 60	Bruce LaPointe	$100K for total grant minimum	Revised 2004 Estimate with minimum funding of 100K	9/25/03
Request 61	Blake Kazama	FY04 Estimation run with Need minimum; 1st year = $50K, after then $25K	Need minimum funding set to $50K for new tribes, and $25K for all others	9/25/03
Request 62	Rebecca Kidder	List of tribes with the total grant of: a) 0 – $100K b) $100K – $200K c) $200K – $300K d) $300K – $500K e) more than $500K	Tribe Counts by FY04 Estimate Allocation	9/25/03 (Revised 10/10/03)
Request 63	Wayne Ducheneaux	Multiple race policy	HUD response	1/7/04
Request 64	Judith Marasco	State tribe funding	HUD response	1/7/04
Request 65	Carol Gore	IHS user data by tribe	IHS data	11/12/03
Request 66	Steve Hutchings	Census data information	Technical information, Guide for the 1990 census and the 2000 census, and 2000 AIAN population report	9/24/03
Request 67	Wayne Ducheneaux	Legal Opinion on Median Income	Memo on Use of "Median Income" and "Formula Median Income" in the IHBG Regulations	1/7/04
Request 68	Robbie Hobgood	$114M set aside for Alaska, and run the formula on the remaining tribes.	Revised FY04 Estimate with $114M set aside for Alaska	10/10/03
Request 69	Robbie Hobgood	$114M set aside for Alaska, and run the formula on the remaining tribes with (1) $25K min (2) $50K min (3) $100K min.	Need Minimum Alternatives with $114M set aside for Alaska	10/10/03
Request 70	Robbie Hobgood	$114M set aside for Alaska, and run the formula on the remaining tribes with (1) $25K min	Need Minimum Alternatives for the less than $200K CAS	10/10/03

		(2) $50K min (3) $100K min for the tribes with 200K or less CAS grant.	tribes with $114M set aside for Alaska	
Request 71	Robbie Hobgood	Set aside the same percentage of total funds allocated to Alaska in FY2003, and run the formula on the remaining tribes with no minimum.	Revised FY04 Estimate	11/7/03
Request 72	Robbie Hobgood	Set aside the same percentage of total funds allocated to Alaska in FY2003, and run the formula on the remaining tribes with 1) $25K, 2) $50K, and 3) $100K Need minimum.	Comparison of Need Minimum Alternatives for FY2004 Estimate with Separate Funds for Alaska	11/7/03
Request 73	Robbie Hobgood	Set aside the same percentage of total funds allocated to Alaska in FY2003, and run the formula on the remaining tribes with $100K minimum.	Comparison of Grant Alternatives	11/6/03
Request 74	Robbie Hobgood	Set aside the same percentage of total funds allocated to Alaska in FY2003, and run the formula on the remaining tribes with $200K minimum.	Comparison of Grant Alternatives	11/6/03
Request 75	Robbie Hobgood	Calculate FY 2004 estimate using Census 2000 for Need, Tribe's percentage constant, & minimum funding for < $200K	HUD is seeking clarification on this request to resolve inconsistencies	
Request 76	Robbie Hobgood	Calculate FY 2004 estimate using Census 2000 for Need, Tribe's percentage	HUD is seeking clarification on this request to resolve	

		constant, & minimum funding for < $100K	inconsistencies	
Request 77	Robbie Hobgood	Calculate FY 2004 estimate using Census 2000 for Need, Tribe's percentage constant, & minimum funding for < $50K	HUD is seeking clarification on this request to resolve inconsistencies	
Request 78	Robbie Hobgood	Calculate FY 2004 estimate using Census 2000 for Need, Tribe's percentage constant, & **no** minimum funding	HUD is seeking clarification on this request to resolve inconsistencies	
Request 79	Jim Wagenlander	Formula run with Census 2000 multiple-race data incorporating all current approved challenges. Total Fund $639M	Grant Comparison between Multiple Race and Single Race Data.	12/31/03
Request 80	Jim Wagenlander	Formula run with Census 2000 single-race (AIAN only) data incorporating all current approved challenges. Total Fund $639M	Grant Comparison between Multiple Race and Single Race Data.	12/31/03
Request 81	Jim Wagenlander	Average of request 79 and 80	Grant Comparison between Multiple Race and Single Race Data.	12/31/03
Request 82	Jim Wagenlander	Set aside $10M for small tribes, and run the formula on all tribes. Total Fund $639M	FY 2004 Grant with $10M set aside for small tribes.	12/31/03
Request 83	Jim Wagenlander	Formula run using Census 2000 data A) without any minimum funding, B) with Need minimum (YR1 = $50K, YR2 = $25K), and show	Grant Comparison of the Effects between Current Minimum and No	12/31/03

		the differences for A & B. Total Fund $639M	[Minimum]().	
	[Blank Request Form]()
