PIC-NG Progress

USAC/Lifeline

- Service created, security almost finalized

Tribal HUD-VASH

- Create system, based on PIC and MTW 50058, to collect tenant information
- Form created, edits being finalized
- Data validation rules and reports being generated

Lifeline and USAC

What is Lifeline?: The Lifeline program provides a discount on phone and internet service for qualifying low-income consumers. Lifeline is part of the Universal Service Fund.

What is USAC?: Universal Service Administrative Company- Administers the Lifeline program. USAC is responsible for data collection and maintenance, support calculation, and disbursement for the low-income program

What is the relationship to PICNG?: REAC IT is building the capability for USAC to verify potential Lifeline participants are recipients of eligible HUD programs.
