Dear Counseling Agency,

We are pleased to inform you that, pursuant to recent correspondence from NeighborWorks, SONYMA plans to distribute a total of \$ [REDACTED] in grant funds for the National Foreclosure Counseling Mitigation Program Round 4 for counseling **December 1, 2009 through December 31, 2010**. This total includes SONYMA's matching grant of \$ [REDACTED].

This money will be distributed over the course of the year in five draws. **Please note:** Receiving grant money after the initial draw will be contingent on the counseling agency being in compliance with all grant terms, including the counseling reporting requirements.

Listed below is the grant award for each counseling agency, and the revised counseling goals (separated by level) which determines how much money you will receive. Please review all the information carefully, and if you need to change any of the goals at this time, please let us know ASAP. The funds are about 20% of what you applied for. If you feel anything is listed in error, please let us know that as well.

Finally, **as this grant commenced effective December 1, 2009, you should immediately proceed with counseling sessions** in order to meet your Round 4 goals (in addition to those under Round 3, if applicable).
